Maui Glory Days (Color) Jonathan Joseph Weston, 2019-07-26 This is the color version of Maui Glory Days. It is very costly to print-on-demand, however, some have requested it. Capturing Maui's golden era of windsurfing, from the early pioneering days of Kailua to the big waves at Hookipa and Jaws, this book tells the story of the Kings and legends of the sport as it evolved from longboards to high-performances in big surf. Fictional dialogue accompanies remarkable true events of survival, from near-drownings to helicopter crashes. Told by Sports Illustrated Picture of the Year (POY) award-winning photographer and filmmaker Jonathan Weston. He was the first filmmaker to take the audience along for the ride with his innovative point-of-view (POV) helmet-mounted 16mm movie camera. The thrills, dangers and behind the scenes experiences are all shared in this epic tale of perseverance and survival. Remarkable images and Wind Legends movie, also produced by Jonathan Weston, are posted in accompanying website.

Connecting the Kingdom Peter R. Mills, 2022-12-31 In this groundbreaking work, Peter Mills reveals a wealth of insight into the emergence of the Hawaiian nation-state from sources mostly ignored by colonial and post-colonial historians alike. By examining how early Hawaiian chiefs appropriated Western sailing technology to help build their island nation, Mills presents the fascinating history of sixty Hawaiian-owned schooners, brigs, barks, and peleleu canoes. While these vessels

have often been dismissed as examples of chiefly folly, Mills highlights their significance in Hawai'i's rapidly evolving monarchy, and aptly demonstrates how the monarchy's own nineteenth-century sailing fleet facilitated fundamental transformations of interisland tributary systems, alliance building, exchange systems, and emergent forms of Indigenous capitalism. Part One covers broad trends in Hawai'i's changing maritime traditions, beginning with the evolution of Hawaiian archaic states in the precontact era. Mills argues that Indigenous trends towards political intensification under the predecessors to Kamehameha I set the stage for Kamehameha's own rapid appropriation of Western sailing vessels. From the first procurement of a Western-style vessel in 1790 through the beginning of the constitutional monarchy in 1840, these vessels were part of a nuanced strategy that promoted a diverse revenue base for the monarchy and developed greater international parity in Hawai'i's foreign diplomacy. Part Two presents the histories of the sixty vessels owned by Hawaiian chiefs between 1790 and 1840, discussing their significance, origin, physical attributes, ownership, procurement, and purpose. Using newspapers and other contemporaneous sources, Mills uncovers little-known details of more than 2,000 voyages around and between the islands and to distant parts of the Pacific. His meticulous documentation of each ship's itinerary is a valuable resource for tracking the movement of chiefs and commoners between islands as they engaged in the business of building a newly interconnected Hawaiian nation. Part Three connects these previously neglected maritime stories with an expanding body of historical treatments of Hawaiian agency. Readers with enthusiasm for life in nineteenth-century Hawai'i will appreciate the entertaining and, at times, deeply moving glimpses into the daily lives of individuals in Hawai'i's pluralistic port communities.

Hawaii Place Names John R. K. Clark, 2003-05-14 In his latest book, John Clark, author of the highly regarded *Beaches of Hawaii* series, gives us the many captivating stories behind the hundreds of Hawaii place names associated with the ocean—the names of shores, beaches, and other sites where people fish, swim, dive, surf, and paddle. Significant features and landmarks on or near shores, such as fishponds, monuments, shrines, reefs, and small islands, are also included. The names of surfing sites are the most numerous and among the most colorful: from the purely descriptive (Black Rock, Blue Hole) to the humorous (No Can Tell, Pray for Sex). Clark began gathering information for the *Beaches* series in 1972, and during the years that followed interviewed hundreds of informants, many of them native Hawaiians, and consulted dozens of Hawaiian reference books, newspapers, and maps. A significant amount of the oral history he collected was unrecorded and remained only in his notebooks and memory. *Hawaii Place Names: Shores, Beaches, and Surf Sites* is the final result of those years of research, and like its popular predecessors, it benefits substantially from Clark's having spent a lifetime surfing and swimming Hawaii's beaches. Presented in the same convenient format as *Pukui, Elbert, and Mookini's Place Names of Hawaii* (UH Press, 1974) this rich compendium of information on Hawaii's surf, shore, and beach sites will satisfy visitors and residents alike.

He has crossed the Pacific Ocean 47 times, the Atlantic 12 times, and has circumnavigated the world 3 times, including 2 Whitbread Round the World Races. It enchants anyone who loves or longs for the timeless mystique of the Hawaiian Islands. Readers delight in the story of a youth who swam with sharks—by accident, of

course. Water enthusiasts relish the memories Fred Haywood shares of windsurfing Ho'okipa, Maui's legendary beach which is still the most renowned windsurfing site in the world. Racing at the Speed of Aloha features forewords by legends Mark Spitz and Laird Hamilton, and a special acknowledgement by Kai Lenny, the youngest, most popular star on the water today.
