Hawaii Place Names John R. K. Clark, 2003-05-14 In his latest book, John Clark, author of the highly regarded *Beaches of Hawaii* series, gives us the many captivating stories behind the hundreds of Hawaii place names associated with the ocean--the names of shores, beaches, and other sites where people fish, swim, dive, surf, and paddle. Significant features and landmarks on or near shores, such as fishponds, monuments, shrines, reefs, and small islands, are also included. The names of surfing sites are the most numerous and among the most colorful: from the purely descriptive (Black Rock, Blue Hole) to the humorous (No Can Tell, Pray for Sex). Clark began gathering information for the *Beaches* series in 1972, and during the years that followed interviewed hundreds of informants, many of them native Hawaiians, and consulted dozens of Hawaiian reference books, newspapers, and maps. A significant amount of the oral history he collected was unrecorded and remained

only in his notebooks and memory. *Hawaii Place Names: Shores, Beaches, and Surf Sites* is the final result of those years of research, and like its popular predecessors, it benefits substantially from Clark's having spent a lifetime surfing and swimming Hawaii's beaches. Presented in the same convenient format as Pukui, Elbert, and Mookini's *Place Names of Hawaii* (UH Press, 1974) this rich compendium of information on Hawaii's surf, shore, and beach sites will satisfy visitors and residents alike.

**The Pono Principle** Robert DeVinck, 2017-11-27 Imagine what the world would be like if people centered their thoughts and actions on doing the right thing—for themselves, others, and the planet? How would each of these entities benefit, both personally and mutually? In *The Pono Principle*, author Robert DeVinck offers basic, easy-to-follow steps on how to better the world by asking one simple question: “What is the next right thing I could be doing?” He introduces the Hawaiian principle of pono—the practice of doing the right thing in all things. DeVinck illustrates how this sacred practice is at the core of Hawaiian culture and the spirit of aloha. As a resident of Maui, he’s studied how the principle of pono has profoundly influenced and become central to his own life. DeVinck has learned that actions done for the common good prove to be far more rewarding than actions taken solely for personal gain. When that truth becomes apparent, lives change forever. In his inspirational guidebook, DeVinck has distilled the many life lessons he’s learned, along with the wisdom of the world’s great spiritual teachings, down to the pono principle. By living, eating, and being pono in your daily life, you’ll come to know who you truly are, the person you were created to be.

*Savior* Magrey deVega, 2020-12-15 The cross is the central symbol of the Christian faith. But what exactly did Jesus do to save us from our sins? Why was the cross necessary, and what does it mean for us today? The Bible uses many images to understand the meaning of Jesus' death and resurrection, and deVega guides us through these images to achieve a richer understanding of the Christian faith. By exploring the mystery of salvation through the cross, we can deepen our love for God and others and strengthen our commitment to follow Jesus. Components for this six-session study will include a book, leader guide, and a DVD with videos featuring deVega presenting each chapter's main ideas and themes.
