

Bless Me Ultima Chapter Summaries

Bless Me, Ultima-Rudolfo A. Anaya 1994-04-01 Ultima, a curandera, one who cures with herbs and magic, comes to Antonio Marez's New Mexico family when he is six years old, and she helps him discover himself in the magical secrets of the pagan past.

Bless Me, Ultima-Rudolfo A. Anaya 1972 Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico.

April Morning-Howard Fast 2011-12-13 Howard Fast's bestselling coming-of-age novel about one boy's introduction to the horrors of war amid the brutal first battle of the American Revolution On April 19, 1775, musket shots ring out over Lexington, Massachusetts. As the sun rises over the battlefield, fifteen-year-old Adam Cooper stands among the outmatched patriots, facing a line of British troops. Determined to defend his home and prove his worth to his disapproving father, Cooper is about to embark on the most significant day of his life. The Battle of Lexington and Concord will be the starting point of the American Revolution—and when Cooper becomes a man. Sweeping in scope and masterful in execution, *April Morning* is a classic of American literature and an unforgettable story of one community's fateful struggle for freedom. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

Keep Blessing Us, Ultima-Abelardo Baeza 1997

All But My Life-Gerda Weissmann Klein 1995-03-31 *All But My Life* is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an

invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

The Poisonwood Bible-Barbara Kingsolver 2008-09-04 Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. *The Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Heart of Aztlan-Rudolfo Anaya 2015-06-02 A novel of myth, magic, and migration set in a mid-twentieth-century New Mexico barrio, by the award-winning author of *Bless Me, Ultima*. Today is the day Benjie Chávez and his family will leave the town of Guadalupe behind. Far from the land of the eagle and the nopal, they travel west to find a new home of opportunity. But adapting to the big, impersonal city of Albuquerque is no easy task. As both life and death come to the barrio, a blind seer named Crispin arrives in the Chávezes' world. At first everyone dismisses his stories about an elusive place called Aztlán as the ramblings of an old man. But gradually, they come to realize that he can see what they cannot. With his potent blend of earthy prose and magic realism, bestselling author Rudolfo Anaya excavates his country's legends to tell a spellbinding story of myth and migration, love and loss. *Heart of Aztlán* is a hopeful and heartbreaking novel about people in search of the shimmering mirage of a better life—and the land that keeps calling them back.

Rudolfo A. Anaya-Margarite Fernández Olmos 1999 Examines the works of Rudolfo A. Anaya, describing his characters, narrative and strategies, plot development, literary devices, settings, and major themes.

The House on Mango Street-Sandra Cisneros 2013-04-30 The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

Who Would Have Thought It?-María Amparo Ruiz de Burton 2021-03-24 *Who Would Have Thought It?* (1872) is a novel by Mexican American author María Amparo Ruiz de Burton. The novel, Ruiz de Burton's debut, is a semi-autobiographical story of race, class, and gender set before and during the American Civil War. Central to its focus are the ways in which the Californio elite were forced into competition with Anglo-American settlers arriving out west after the Treaty of Guadalupe Hidalgo ended the Mexican American War. While on a geological expedition in the American Southwest, Dr. Norval is tasked with rescuing a young girl from her Apache captors. He finds Maria Dolores Medina, a ten-year-old girl from a prominent Californio family of Spanish-Mexican heritage, and is asked by the girl's mother to adopt her and take her back to New England. Norval promises to do so and returns with the girl, surprising of his wife who harbors deep racial prejudices and mistrusts anyone born into the Catholic faith. As the American Civil War begins, Dr. Norval, a Democrat, is suspected of harboring Confederate sympathies and is eventually forced into exile in Egypt. When he leaves, Lola stays behind with his wife. Both personal and political, historical and fictional, *Who Would Have Thought It?* is a novel that captures a complex moment in American history without losing sight of the humanity at its heart. With a beautifully designed cover and professionally typeset manuscript, this edition of María Amparo Ruiz de Burton's *Who Would Have Thought It?* is a classic of Mexican American literature reimagined for modern readers.

Kindred-Octavia E. Butler 2004-02-01 The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Maya's Children-Rudolfo A. Anaya 1997 In ancient Mexico, the beautiful and magical grandchildren of the Sun God are endangered by the threat of Señor Tiempo who, jealous of their immortality, plots to destroy them.

Like Water for Chocolate-Laura Esquivel 2002-08-13 The bestselling phenomenon and inspiration for the award-winning film. Earthy, magical, and utterly charming, this tale of family life in turn-of-the-century Mexico blends poignant romance and bittersweet wit. This classic love story takes place on the De la Garza ranch, as the tyrannical owner, Mama Elena, chops onions at the kitchen table in her final days of pregnancy. While still in her mother's womb, her daughter to be weeps so violently she causes an early labor, and little Tita slips out amid the spices and fixings for noodle soup. This early encounter with food soon becomes a way of life, and Tita grows up to be a master chef, using cooking to express herself and sharing recipes with readers along the way.

Enrique's Journey-Sonia Nazario 2013 Documents the journey of a Honduran teen who braved hardship and peril to reunite with his mother after she was forced to leave him behind and seek migratory work in the United States.

The Sonny Baca Novels-Rudolfo Anaya 2016-10-25 Four suspenseful southwestern mystery novels featuring a Chicano PI in New Mexico, by the “extraordinary” author of *Bless Me, Ultima* (Los Angeles Times Book Review). These four novels starring detective Sonny Baca are set against the lush terrain of the American Southwest, blending its Spanish, Mexican, and Native American cultures. *Zia Summer*: Sonny Baca’s cousin Gloria is brutally slain, her body found drained of blood with a Zia sun sign—the symbol on the New Mexican flag—carved on her stomach. His quest to find her killer leads Baca across New Mexico’s diverse South Valley to an environmental compound and a terrifying brujo. *Rio Grande Fall*: A woman plummets to her death from a hot air balloon during Albuquerque’s famous Balloon Fiesta—and Baca recognizes it as no accident. *Shaman Winter*: Baca, confined to a wheelchair after a violent encounter, is haunted by chilling dreams, but has no other choice than to go to work when the Santa Fe mayor’s teenage daughter disappears and the trail leads to a charismatic and dangerous shaman. *Jemez Spring*: A high-profile murder ignites a hotbed of political treachery and terrorist threats that take Baca to Los Alamos, pitting him against a formidable foe and a nuclear bomb. Unrelentingly suspenseful, with vivid details of the physical and spiritual landscape of northern New Mexico, these mysteries are perfect for fans of Margaret Coel or James D. Doss.

The Squatter and the Don-María Amparo Ruiz de Burton 2021-02-23 *The Squatter and the Don* (1885) is a novel by Mexican American author María Amparo Ruiz de Burton. The novel, Ruiz de Burton’s second, explores the consequences of the Treaty of Guadalupe Hidalgo for the Californios whose land was taken following the Mexican American War. Central to its focus are the ways in which Californios were forced to provide proof of ownership while squatters, with the support of the US government, settled on their land. Following the conquest of California, the Alamar family struggles to assimilate into American culture while maintaining their cultural heritage. Faced with immense prejudice, the Alamars, who like many Californios consider themselves to be racially white, embrace the capitalist culture introduced by American settlers and accelerated by the introduction of the railroad. Against this sociopolitical backdrop, the Alamars become increasingly entwined with the Darrells, a settler family, turning a story of political and economic circumstances into tale of romance between Clarence and Mercedes, whose love becomes representative of a new United States. Both personal and political, historical and fictional, *The Squatter and the Don* is a novel that captures a complex moment in American history without losing sight of the humanity at its heart. With a beautifully designed cover and professionally typeset manuscript, this edition of María Amparo Ruiz de Burton’s *The Squatter and the Don* is a classic of Mexican American literature reimaged for modern readers.

Abe Lincoln Grows Up-Carl Sandburg 1956 Abe spends his youth helping on his father's

farm, participating in country sports and reading until, at nineteen, he leaves home to seek his fortune

Song of the Hummingbird-Graciela Limón 2014-05-14 An Aztec princess describes the Spanish conquest of Mexico. She is Huitzitzlin, 82, of the court of Montezuma and she tells her tale to a priest so history will know who the Aztecs really were. By the author of *The Memories of Ana Calderon*.

Living Up The Street-Gary Soto 2012-06-27 In a prose that is so beautiful it is poetry, we see the world of growing up and going somewhere through the dust and heat of Fresno's industrial side and beyond: It is a boy's coming of age in the barrio, parochial school, attending church, public summer school, and trying to fall out of love so he can join in a Little League baseball team. His is a clarity that rings constantly through the warmth and wry reality of these sometimes humorous, sometimes tragic, always human remembrances.

Summer of My German Soldier-Bette Greene 1973 When German prisoners of war are brought to her Arkansas town during World War II, twelve-year-old Patty, a Jewish girl, befriends one of them and must deal with the consequences of that friendship.

Blood Secret-Kathryn Lasky 2009-08-11 The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.

The Daughters of Juarez-Teresa Rodriguez 2007-03-27 Despite the fact that Juarez is a Mexican border city just across the Rio Grande from El Paso, Texas, most Americans are unaware that for more than twelve years this city has been the center of an epidemic of horrific crimes against women and girls, consisting of kidnappings, rape, mutilation, and murder, with most of the victims conforming to a specific profile: young, slender, and poor, fueling the premise that the murders are not random. Indeed, there has been much speculation that the killer or killers are American citizens. While some leading members of

the American media have reported on the situation, prompting the U.S. government to send in top criminal profilers from the FBI, little real information about this international atrocity has emerged. According to Amnesty International, as of 2006 more than 400 bodies have been recovered, with hundreds still missing. As for who is behind the murders themselves, the answer remains unknown, although many have argued that the killings have become a sort of blood sport, due to the lawlessness of the city itself. Among the theories being considered are illegal trafficking in human organs, ritualistic satanic sacrifices, copycat killers, and a conspiracy between members of the powerful Juárez drug cartel and some corrupt Mexican officials who have turned a blind eye to the felonies, all the while lining their pockets with money drenched in blood. Despite numerous arrests over the last ten years, the murders continue to occur, with the killers growing bolder, dumping bodies in the city itself rather than on the outskirts of town, as was initially the case, indicating a possible growing and most alarming alliance of silence and cover-up by Mexican politicians. The Daughters of Juárez promises to be the first eye-opening, authoritative nonfiction work of its kind to examine the brutal killings and draw attention to these atrocities on the border. The end result will shock readers and become required reading on the subject for years to come.

Of Human Bondage-William Somerset Maugham 1915 A club-footed orphan struggles for independence, his intellectual development and his attempt to become an artist.

Kira-Kira-Cynthia Kadohata 2008-06-20 kira-kira (kee' ra kee' ra): glittering; shining
Glittering. That's how Katie Takeshima's sister, Lynn, makes everything seem. The sky is kira-kira because its color is deep but see-through at the same time. The sea is kira-kira for the same reason. And so are people's eyes. When Katie and her family move from a Japanese community in Iowa to the Deep South of Georgia, it's Lynn who explains to her why people stop them on the street to stare. And it's Lynn who, with her special way of viewing the world, teaches Katie to look beyond tomorrow. But when Lynn becomes desperately ill, and the whole family begins to fall apart, it is up to Katie to find a way to remind them all that there is always something glittering -- kira-kira -- in the future. Luminous in its persistence of love and hope, Kira-Kira is Cynthia Kadohata's stunning debut in middle-grade fiction.

A Discovery of Witches-Deborah Harkness 2011-02-08 Book one of the New York Times bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, Shadow of Night, and concludes with The Book of Life.

Animal Dreams-Barbara Kingsolver 2009-10-13 From Barbara Kingsolver, the acclaimed author of *Flight Behavior*, *The Lacuna*, *The Bean Trees*, and other modern classics, *Animal Dreams* is a passionate and complex novel about love, forgiveness, and one woman's struggle to find her place in the world. At the end of her rope, Codi Noline returns to her Arizona home to face her ailing father, with whom she has a difficult, distant relationship. There she meets handsome Apache trainman Loyd Peregrina, who tells her, "If you want sweet dreams, you've got to live a sweet life." Filled with lyrical writing, Native American legends, a tender love story, and Codi's quest for identity, *Animal Dreams* is literary fiction at it's very best. This edition includes a P.S. section with additional insights from Barbara Kingsolver, background material, suggestions for further reading, and more.

Thrown Among Strangers-Douglas Monroy 1993-05-25 Every California schoolchild's first interaction with history begins with the missions and Indians. It is the pastoralist image, of course, and it is a lasting one. Children in elementary school hear how Father Serra and the priests brought civilization to the groveling, lizard- and acorn-eating Indians of such communities as Yang-na, now Los Angeles. So edified by history, many of those children drag their parents to as many missions as they can. Then there is the other side of the missions, one that a mural decorating a savings and loan office in the San Fernando Valley first showed to me as a child. On it a kindly priest holds a large cross over a kneeling Indian. For some reason, though, the padre apparently aims not to bless the Indian but rather to bludgeon him with the emblem of Christianity. This portrait, too, clings to the memory, capturing the critical view of the missionization of California's indigenous inhabitants. I carried the two childhood images with me both when I went to libraries as I researched the missions and when I revisited several missions thirty years after those family trips. In this work I proceed neither to debunk nor to reconcile these contrary notions of the missions and Indians but to present a new and, I hope, deeper understanding of the complex interaction of the two antithetical cultures.

They Called Them Greasers-Arnoldo De León 2010-06-28 Tension between Anglos and Tejanos has existed in the Lone Star State since the earliest settlements. Such antagonism has produced friction between the two peoples, and whites have expressed their hostility toward Mexican Americans unabashedly and at times violently. This seminal work in the historical literature of race relations in Texas examines the attitudes of whites toward Mexicans in nineteenth-century Texas. For some, it will be disturbing reading. But its unpleasant revelations are based on extensive and thoughtful research into Texas' past. The result is important reading not merely for historians but for all who are concerned with the history of ethnic relations in our state. *They Called Them Greasers* argues forcefully that many who have written about Texas's past—including such luminaries as Walter Prescott Webb, Eugene C. Barker, and Rupert N. Richardson—have exhibited, in fact and interpretation, both deficiencies of research and detectable bias when their work has dealt with Anglo-Mexican relations. De León asserts that these historians overlooked an austere Anglo moral code which saw the morality of Tejanos as "defective" and that they described without censure a society that permitted traditional violence to continue because that violence allowed Anglos to keep ethnic minorities "in their place." De León's approach is psychohistorical. Many Anglos in nineteenth-century Texas saw Tejanos as lazy, lewd, un-

American, subhuman. In De León's view, these attitudes were the product of a conviction that dark-skinned people were racially and culturally inferior, of a desire to see in others qualities that Anglos preferred not to see in themselves, and of a need to associate Mexicans with disorder so as to justify their continued subjugation.

The Bean Trees-Barbara Kingsolver 2009-03-17 The Bean Trees is bestselling author Barbara Kingsolver's first novel, now widely regarded as a modern classic. It is the charming, engrossing tale of rural Kentucky native Taylor Greer, who only wants to get away from her roots and avoid getting pregnant. She succeeds, but inherits a 3-year-old native-American little girl named Turtle along the way, and together, from Oklahoma to Tucson, Arizona, half-Cherokee Taylor and her charge search for a new life in the West. Written with humor and pathos, this highly praised novel focuses on love and friendship, abandonment and belonging as Taylor, out of money and seemingly out of options, settles in dusty Tucson and begins working at Jesus Is Lord Used Tires while trying to make a life for herself and Turtle. The author of such bestsellers as *The Lacuna*, *The Poisonwood Bible*, and *Flight Behavior*, Barbara Kingsolver has been hailed for her striking imagery and clear dialogue, and this is the novel that kicked off her remarkable literary career. This edition includes a P.S. section with additional insights from the author, background material, suggestions for further reading, and more.

Bleachers-John Grisham 2011-12 Presents a novel about high school football in a small Texas town, a place in which football has become a religion.

Drink Cultura-José Antonio Burciaga 1993 Presents the Chicano experience of living within, between, and sometimes outside two cultures, exploring the damnation, salvation, and celebration of it all.

The Fire and the Rain-Girish Karnad 1998 This play by one of India's foremost playwrights and actors is based on a story from the Mahabharata which tellingly illuminates universal themes - alienation, loneliness, love, family, hatred - through the daily lives and concerns of a whole community of individuals.

Desert Blood-Alicia Gaspar de Alba 2014-05-14 It's the summer of 1998 and for five years over a hundred mangled and desecrated bodies have been found dumped in the Chihuahua desert outside of Juárez, México, just across the river from El Paso, Texas. The perpetrators of the ever-rising number of violent deaths target poor young women, terrifying inhabitants on both sides of the border. El Paso native Ivon Villa has returned to her hometown to adopt the baby of Cecilia, a pregnant maquiladora worker in Juárez. When Cecilia turns up strangled and disemboweled in the desert, Ivon is thrown into the churning chaos of abuse and murder. Even as the rapes and killings of "girls from the south" continue, their tragic stories written in desert blood, a conspiracy covers up the crimes that implicate everyone from the Maquiladora Association to the Border Patrol. When Ivon's younger sister gets

kidnapped in Juárez, Ivon knows that it's up to her to find her sister, whatever it takes. Despite the sharp warnings she gets from family, friends, and nervous officials, Ivon's investigation moves her deeper and deeper into the labyrinth of silence. From acclaimed poet and prose-writer Alicia Gaspar de Alba, *Desert Blood* is a gripping thriller that ponders the effects of patriarchy, gender identity, border culture, transnationalism, and globalization on an international crisis.

Aztlán-Rudolfo Anaya 2017-04-01 During the Chicano Movement in the 1960s and 1970s, the idea of Aztlán, homeland of the ancient Aztecs, served as a unifying force in an emerging cultural renaissance. Does the term remain useful? This expanded new edition of the classic 1989 collection of essays about Aztlán weighs its value. To encompass new developments in the discourse the editors have added six new essays.

El Q'anil-Victor Montejo 2001-02 The legend of El Q'anil, the "Man of Lightning," stands alongside such classic Maya literary artifacts as *Popol Vuh* and *Chilam Balam* but has been preserved only through the oral tradition of the Jakaltek Maya. In this tale, the young man Xhuwan Q'anil brings lightning to his people in order to save them from destruction. He undertakes a journey of adventure, participates in a great war, and is subsequently immortalized. It is a story that all Jakaltek children learn, one that reinforces their identity by showing that their people have a hero who lives in each Jakaltek Maya today. Victor Montejo, who was raised in Maya culture and knows its lore intimately, compiled several versions of the legend in Guatemala during the height of paramilitary operations in that country in the 1980s. His contemporary reconstruction lovingly preserves this legend and reflects concern for the survival of Maya culture in the face of oppression. Just as the Maya people of western Guatemala continue to pray for peace at the sanctuary of Q'anil, the legend of the Man of Lightning affirms a culture's enduring traditions. In this edition, the text is presented in English, Spanish, and Jakaltek Maya to secure its deserved place in world literature.

Owls in the Family-Farley Mowat 2009-01-13 Every child needs to have a pet. No one could argue with that. But what happens when your pet is an owl, and your owl is terrorizing the neighbourhood? In Farley Mowat's exciting children's story, a young boy's pet menagerie - which includes crows, magpies, gophers and a dog - grows out of control with the addition of two cantankerous pet owls. The story of how Wol and Weeps turn the whole town upside down is warm, funny, and bursting with adventure and suspense.

This Bridge Called My Back-ed Cherrie moraga 1983 This groundbreaking collection reflects an uncompromised definition of feminism by women of color. 65,000 copies in print.

Anything But Mexican-Rodolfo F. Acuna 2020-04-14 Originally published in the tumult of 1996, in an era of new nativism and panic about the Latinization of America, *Anything But Mexican* solidified Rodolfo Acuna's place as "the W.E.B. Du Bois of Chicano Studies." A

stirring, insightful chronicle of Los Angeles's working class chicanos, this new edition brings their story and struggles up to present day.

First Light-Rebecca Stead 2008-12-18 This remarkable and acclaimed debut novel, by the Newbery-winning author of *When You Reach Me* and the new instant classic *The List of Things That Will Not Change*, introduces readers to a captivating, hidden world below the ice. Peter is thrilled to join his parents on an expedition to Greenland. But when they finally reach the ice cap, he struggles to understand a series of frightening yet enticing visions. Thea has never seen the sun. Her extraordinary people, suspected of witchcraft and nearly driven to extinction, have retreated to a secret world they've built deep inside the arctic ice. As Thea dreams of a path to Earth's surface, Peter's search for answers brings him ever closer to her hidden home in this dazzling tale of mystery, science, and adventure at the top of the world. "A mystic thriller." —Entertainment Weekly "Optimistic science fiction that highlights human ingenuity and survival under dire conditions." —The Wall Street Journal

The Color of Water-James McBride 2006-01-01 With a new Introduction to this touching homage to his mother, the author paints a portrait of growing up in a black neighborhood as the child of an interracial marriage. Although raised an Orthodox Jew in the South, McBride's mother abandoned her heritage, moved to Harlem, and married a black man.
