Mark Z. Danielewski's House of Leaves-Mark Z. Danielewski 2000 A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

Mr. Peanut-Adam Ross 2010-06-22 A New York Times Notable Book Mesmerizing, exhilarating, and profoundly moving, Mr. Peanut is a police procedural of the soul, a poignant investigation of the relentlessly mysterious human heart. David Pepin has been in love with his wife, Alice, since the moment they met in a university seminar on Alfred Hitchcock. After thirteen years of marriage, he still can't imagine a remotely happy life without her—yet he obsessively contemplates her demise. Soon she is dead, and David is

both deeply distraught and the prime suspect. The detectives investigating Alice's suspicious death have plenty of personal experience with conjugal enigmas: Ward Hastroll is happily married until his wife inexplicably becomes voluntarily and militantly bedridden; and Sam Sheppard is especially sensitive to the intricacies of marital guilt and innocence, having decades before been convicted and then exonerated of the brutal murder of his wife. Like the Escher drawings that inspire the computer games David designs for a living, these complex, interlocking dramas are structurally and emotionally intense, subtle, and intriguing; they brilliantly explore the warring impulses of affection and hatred, and pose a host of arresting questions. Is it possible to know anyone fully, completely? Are murder and marriage two sides of the same coin, each endlessly recycling into the other? And what, in the end, is the truth about love?

The Everything Kids' Science Experiments Book-Tom Robinson 2001-10-01 Science has never been so easy--or so much fun! With The Everything Kids' Science Experiments Book, all you need to do is gather a few household items and you can recreate dozens of mind-blowing, kid-tested science experiments. High school science teacher Tom Robinson shows you how to expand your scientific horizons--from biology to chemistry to physics to outer space. You'll discover answers to questions like: Is it possible to blow up a balloon without actually blowing into it? What is inside coins? Can a magnet ever be "turned off"? Do toilets

always flush in the same direction? Can a swimming pool be cleaned with just the breath of one person? You won't want to wait for a rainy day or your school's science fair to test these cool experiments for yourself!

Know My Name-Chanel Miller 2020-08-18 A NEW YORK TIMES BESTSELLER Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful. --Washington Post Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter. (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and humor, this memoir will stand as a modern classic.

The Invisible String-Patrice Karst 2017-01-04 A steady best-seller and The Invisible String is reaching all over the World! OVER 400,000 copies sold! "That's impossible", said twins Jeremy & Liza after their Mom told them they're all connected by this thing called an Invisible String. "What kind of string"? They asked with a puzzled look to which Mom replied, "An Invisible String made of love." That's where the story begins. A story that teaches of the tie that really binds. The Invisible String reaches from heart to heart. Does

everybody have an Invisible String? How far does it reach, anyway? Does it ever go away? Read all about it! THE INVISIBLE STRING is a very simple approach to overcoming the fear of loneliness or separation with an imaginative flair that children can easily identify with and remember. Here is a warm and delightful lesson teaching young and old that we aren't ever really alone and reminding children (and adults!) that when we are loved beyond anything we can imagine. "People who love each other are always connected by a very special String, made of love. Even though you can't see it with your eyes, you can feel it deep in your heart, and know that you are always connected to the ones you love." Thus begins this heart-warming and reassuring story that addresses the issue of "separation anxiety" (otherwise known as the sense of existential 'aleness') to children of all ages. Specifically written to address children's fear of being apart from the ones they love, The Invisible String delivers a particularly compelling message in today's uncertain times that though we may be separated from the ones we care for, whether through anger, or distance or even death, love is the unending connection that binds us all, and, by extension, ultimately binds every person on the planet to everyone else. Parents and children everywhere who are looking for reassurance and reaffirmation of the transcendent power of love, to bind, connect and comfort us through those inevitable times when life challenges us! Let's tell the whole world that we are ALL connected by Invisible Strings! Adopted by Military Library Services & Foster Care Agencies Recommended by Bereavement Support Groups and Hospice Centers

Reindeer in Here-Adam Reed 2021-09-14 Start a new holiday tradition and celebrate what makes each child unique with this giftable boxed set that comes with a timeless picture book and a lovable, huggable plush. Reindeer in Here celebrates that being different is normal. This holiday legend from long, long ago is a very special story that children should know. A kind and true reindeer with one antler small miraculously changed Christmas once and for all. At holiday time, a special little reindeer with mismatched antlers shows up as an early gift from Santa to stay with each child and go on daily adventures with them. The reindeer learns the child's true Christmas wishes (and makes sure Santa does as well), all the while encouraging the child to celebrate their own differences. It's a new holiday tradition the whole family will love!

Temptation-Ivy Smoak 2015-04-08 Shy student Penny Taylor always follows the rules. At least, that's how it appears to her classmates. But she has one illicit secret - she's fallen hard for her professor. And she's pretty sure he's fallen for her too. Everyone loves Professor Hunter. He's tall, dark, and handsome. And completely unobtainable. But it's the secrets hiding behind his deep brown eyes that allures Penny. Secrets darker than she could ever imagine. James Hunter gave up his billionaire lifestyle in NYC last year to become a professor. The easiest new rule to follow: don't fraternize with the students. It's easy to follow because he's become quite the recluse in his new town - the only way he knows how to keep his secrets buried. But he never expected to be teaching such a beautiful student.

He has to resist her. He needs to walk away. Penny deserves better than a man with his demons. But she's daring him to cross the line. And he's never been one to resist temptation.

Burning Bright-Ron Rash 2011-08-18 A FARMER and his wife fall on hard times. They haven't lost everything the way others have, but they have lost enough. Their hope for a better future comes under threat when they discover an intruder on their land. A WOMAN from a small town marries an outsider. Her love for him battles with her suspicions that he is the source of the fires ravaging the mountains. A YOUNG BOY, neglected by his parents, sits in the remains of a crashed plane and lovingly tends to two frozen bodies.

Luxury Tourism-Roland Conrady 2020-10-31 Over the past two decades, through unprecedented levels of prosperity and changing values, luxury tourism has transformed into a new consumption pattern. This book analyzes the topic in detail with contributions from both recognized scientists and prominent executives in the luxury business. It shows how the concept of luxury has shifted from material to immaterial dimensions, and outlines new trends that will shape the luxury market in the future. The content includes carefully selected leading examples from the most important segments of the tourism market, along

with concrete recommendations and best practices. Sharing unique insights, the book is a must-read for those working in the tourism industry, as well as lecturers and university students of tourism.

Kay's Anatomy-Adam Kay 2020-10-15 THE RECORD-BREAKING NUMBER ONE BESTSELLER FROM THE UK'S BESTSELLING NON-FICTION AUTHOR. Discover all the weird and wonderful things that go on inside your body with Dr Adam Kay. Covers key stage 2 / 3 human biology syllabus (in a slightly repulsive way). 'Hilarious and fascinating! I wish Adam had been my biology teacher' - Konnie Huq Do you ever think about your body and how it all works? Like really properly think about it? The human body is extraordinary and fascinating and, well . . . pretty weird. Yours is weird, mine is weird, your maths teacher's is even weirder. This book is going to tell you what's actually going on in there, and answer the really important questions, like: Are bogeys safe to eat? Look, if your nose is going to all that effort of creating a snack, the least we can do is check out its nutritional value. (Yes, they're safe. Chew away!) And how much of your life will you spend on the toilet? About a year - so bring a good book. (I recommend this one.) So sit back, relax, put on some rubber gloves, and let a doctor take you on a poo (and puke) filled tour of your insides. Welcome to Kay's Anatomy*. *a fancy word for your body. See, you're learning already. 'The sort of book I would have loved as a child' - Malorie Blackman 'Like listening to a teacher who makes

pupils fall about' - The Times 'Absolutely packed with facts... Entertaining and highly informative' - Daily Mail 'As brilliant, and revolting, as the human body it celebrates' - The i newspaper 'Totally brilliant!' - Jacqueline Wilson 'If only this funny and informative book had been around when I was too embarrassed to teach my kids about bodily functions' - David Baddiel

The Rise of Victimhood Culture-Bradley Campbell 2018-03-07 The Rise of Victimhood Culture offers a framework for understanding recent moral conflicts at U.S. universities, which have bled into society at large. These are not the familiar clashes between liberals and conservatives or the religious and the secular: instead, they are clashes between a new moral culture—victimhood culture—and a more traditional culture of dignity. Even as students increasingly demand trigger warnings and “safe spaces,” many young people are quick to police the words and deeds of others, who in turn claim that political correctness

has run amok. Interestingly, members of both camps often consider themselves victims of the other. In tracking the rise of victimhood culture, Bradley Campbell and Jason Manning help to decode an often dizzying cultural milieu, from campus riots over conservative speakers and debates around free speech to the election of Donald Trump.

Single Dad on Top-J. J. Knight 2017-07-29 A new single dad romantic comedy from the author of the USA Today bestselling single dad series Fight for Her I'm always on top. My penthouse. My corporate office above Manhattan. And, of course, the women in my life. Actually, I might choose any position. But make no mistake. I choose. I control. My life is mine. Well, damn. ____ Full length (395 print pages, 72,000 words) standalone HEA. Contains all the crazy elements of a billionaire alpha male meets virgin next door for a fake marriage leading to a love affair -- all while laughing over his inability to understand baby basics!)

The Wizenard Series: Training Camp-Kobe Bryant 2019-03-19 #1 New York Times Bestseller From the mind of basketball legend and Academy Award-winning storyteller

Kobe Bryant comes this radically original portrait of five young basketball players, one enlightening coach, and the awesome transformative power of the game. Filled with insights about the mental stamina and emotional clarity that peak performance requires, this is an indispensable story for young athletes, coaches, educators, and anyone interested in the astonishing potential of team sports to unlock individual growth. **THE GAME WILL NEVER BE THE SAME** Magic doesn't seem possible for the West Bottom Badgers. They're the lowest-ranked basketball team in their league, and they live in the poorest neighborhood in Dren. Nobody expects them to succeed at anything. Plus, every kid on the team has secret struggles of his own. When a new coach named Professor Wizenard arrives on the first day of training camp, the Badgers can't explain the magical-seeming things they see and hear. Every player experiences unique and strange visions—visions that challenge everything they thought they knew about basketball, and about their lives and their secrets off the court. To survive the increasingly intense ordeals of training, the Badgers will need to take unimaginable risks, learn to trust their teammates, and confront the darkness within themselves.

The Ancient Hebrew Lexicon of the Bible-Jeff A. Benner 2021-06-28 All previous Biblical Hebrew lexicons have provided a modern western definition and perspective to Hebrew roots and words. This prevents the reader of the Bible from seeing the ancient authors'

original intent of the passages. This is the first Biblical Hebrew lexicon that defines each Hebrew word within its original Ancient Hebrew cultural meaning. One of the major differences between the Modern Western mind and the Ancient Hebrew's is that their mind related all words and their meanings to a concrete concept. For instance, the Hebrew word "chai" is normally translated as "life", a western abstract meaning, but the original Hebrew concrete meaning of this word is the "stomach". In the Ancient Hebrew mind, a full stomach is a sign of a full "life". The Hebrew language is a root system oriented language and the lexicon is divided into sections reflecting this root system. Each word of the Hebrew Bible is grouped within its roots and is defined according to its original ancient cultural meaning. Also included in each word entry are its alternative spellings, King James translations of the word and Strong's number. Indexes are included to assist with finding a word within the lexicon according to its spelling, definition, King James translation or Strong's number.

The Taco Cleanse-Wes Allison 2015-12-01 Prevent or reverse taco deficiency. Get that fresh taco-y feeling with over 75 seriously tasty vegan recipes. Tired of the same old cleanse? Instead of feeling rejuvenated are you feeling depleted, anxious, and cranky? (Not to mention . . . hungry?) A group of vegan taco scientists in Austin, Texas, know just how you feel, and now reveal their one-of-a-kind cleansing journey that anybody can follow and stick to—the Taco Cleanse. While the typical cleanse works by depriving you of your favorite

foods, the plant-based Taco Cleanse rewards your body with what it naturally craves: tortillas, refried beans, guacamole! Begin with a breakfast taco, the most important taco of the day. Even if you do nothing else, your mood will brighten in just 24 hours. Keep eating tacos and within a week your outlook will be noticeably improved. After 30 days, cleansers report lasting benefits—and you will, too! The Taco Cleanse shows you: How to make everything from the tortilla—flour, corn, and waffle (!)—to the thirst-quenching “Supplements” (margaritas and other beverages) that best complement your tacos What to put in the tortilla— beer-battered portobellos, mac and cheese, even tater tots How to remake popular staples like picadillo, tacos al pastor, carne guisada, and fish tacos using plants instead of, well, animals. The Taco Cleanse is cheap, easy, and delicious. Its recipes are authentically Austin, and are sometimes even inspired by Mexico, where the taco was first created. Everything tastes better folded (exactly once) into a tortilla. Just eat one or more tacos at every meal, adding margaritas as necessary. It’s that simple.

Infinite-Brian Freeman 2021-03 From bestselling author Brian Freeman comes an explosive new psychological thriller that pushes the limits of reality as we know it. One rainy night, the unthinkable happens: Dylan Moran's car plunges off the road into a raging river, his beautiful wife drowning as he struggles to shore. In the aftermath, through his grief, Dylan experiences sudden, strange visions: wherever he goes, he's haunted by glimpses of himself.

Dylan initially chalks it up to trauma, but that changes when he runs into a psychiatrist who claims he's her patient. She says he has been undergoing a unique hypnotherapy treatment built on the idea that with every choice, he creates an infinite number of parallel universes. Now those parallel universes are unlocked--and Dylan's doppelgänger has staked a claim to his world. Can Dylan use these alternate realities to get a second chance at the life that was stolen from him? Or will he lose himself...to himself?

Systematic Screening for Active Tuberculosis-World Health Organization 2013 There

have been calls to revisit the experiences of TB screening campaigns that were widely applied in Europe and North America in the mid-20th century, as well as more recent experiences with TB screening in countries with a high burden of the disease, and to assess their possible relevance for TB care and prevention in the 21st century. In response, WHO has developed guidelines on screening for active TB. An extensive review of the evidence has been undertaken. The review suggests that screening, if done in the right way and targeting the right people, may reduce suffering and death, but the review also highlights several reasons to be cautious. As discussed in detail in this book, there is a need to balance potential benefits against the risks and costs of screening; this conclusion is mirrored by the history of TB screening. This publication presents the first comprehensive assessment by WHO of the appropriateness of screening for active TB since the recommendations made in 1974 by the Expert Committee. However, the relative effectiveness and cost effectiveness of screening remain uncertain, a point that is underscored by the systematic reviews presented in this guideline. Evidence suggests that some risk groups should always be screened, whereas the prioritization of other risk groups as well as the choice of screening approach depend on the epidemiology, the health-system context, and the resources available. This book sets out basic principles for prioritizing risk groups and choosing a screening approach; it also emphasizes the importance of assessing the epidemiological situation, adapting approaches to local situations, integrating TB screening into other health-promotion activities, minimizing the risk of harm to individuals, and engaging in

continual monitoring and evaluation. It calls for more and better research to assess the impact of screening and to develop and evaluate new screening tests and approaches.
