

Blood Orchids Lei Crime Book 1

Blood Orchids-Toby Neal 2011-11-27

Rip Tides-Toby Neal 2015-04-24 Paradise swirls with deadly currents. She has to avenge a champion. Surfing star Makoa Simmons washes up after tragically drowning on Maui, and Detective Lei Texeira plunges into a high-profile case whose dark and tangled motives reach deep into the elite world of professional surfing on the North Shore of Oahu. He'll kill to come out on top. The darkest of motives drive a murderer with multiple axes to grind, and Lei must follow her instincts into new territory even as her husband, Michael Stevens, struggles with heartbreak of another kind. "Another fantastic mystery featuring Lei Texeira and the wonderful, deftly drawn characters populating the Lei Crime Series." Emily Kimelman, author of the Sydney Rye Mystery Series Grab this fast paced mystery with a twist of romance, and take a trip to Hawaii with the series that's sold more than a million copies!

Shark Cove-Toby Neal 2021-04-29 ****Blood Orchids, Book 1 in the Paradise Crime Mysteries, is FREE**** Danger stalks paradise. The past never stays buried. Sixteen years ago, Sergeant Lei Texeira met Harriet Vierra and Malia, the infant she adopted, in a deadly encounter in Mexico. Now a detective with the Maui Police Department, Harry works with Lei, and Malia, a teen sleuth, is determined to find her lost friend Camille. But Camille is only one of many missing girls. Young women are vanishing across the islands without a trace. Lei and Harry search for answers with the FBI, as Malia secretly conducts her own dangerous investigation: but for the girls taken by traffickers, time is running out. *****A full length novel with new characters and beloved ones, too!*****

Dark Lava-Toby Neal 2014-07-07 Paradise is threatened by a fight for sacred artifacts. She just wants to disarm the IED. Newly assigned to the bomb squad, Detective Lei Texeira struggles with skills that may be dangerously out of reach, even as a heinous crime strikes close to home and catches her husband in the crossfire. The woman is his. And if he can't have her, she'll have to die. An investigation into heiau desecrations must take a back seat to the emergence of an enemy who leaves shrouds as a calling card, targeting those closest to Lei and Stevens. "Neal is a powerful writer, and her prose is often effortless and elegant." Kirkus Reviews Grab this fast paced mystery with a twist of romance, and take a trip to Hawaii with the series that's sold more than a million copies!

Lei Crime Series Boxed Set-Toby Neal 2015 Blood Orchids, Torch Ginger, Black Jasmine, and Broken Ferns, the AWARD-WINNING first four books of the Lei Crime Series, are put together into a one-volume one immersive reading experience that will take you to Hawaii and the world of fast-paced mysteries solved by multicultural detective Lei Texeira. No one can read just one! "Toby Neal's storytelling skills are evident in these books about a female law enforcement office in the Hawaiian Islands. The characters are always strong, interesting people with many layers to their personalities. Their actions often surprise, but not without clues laid by the author that help the reader understand. The plots are crafted with care, created so that they flow naturally and never feel forced. The stories pull in the reader and make it impossible to put down the books; I've often lost sleep when reading her latest because I end up reading late into the night. Most importantly, these books are a sort of immersion course in Hawaiian culture, food, and geography. There are many layers of details in these novels, information about native Hawaiians and those new to the islands, how the various cultures sometimes clash, how outsiders may have to alter their behaviors to be accepted fully. The food descriptions alone are enough reason to read the books. I loved every book in this series, each one adding to the story of Lei, her life, her family, her complex history, and finally, her growth into an amazing law enforcement officer." F. Pepon, Reviewer

Black Jasmine-Toby Neal 2012-10-03

Twisted Vine-Toby Neal 2013-07-16 Paradise is filled with dead men walking. He had everything ahead of him. The handsome son of a Senator lay posed on his bed, drug paraphernalia on the side table, along with a goodbye note...but something doesn't add up to suicide for Special Agent Lei Texeira and tech agent Sophie Ang. An angel of death is still an angel. Even dying people need a little help taking that last step to die with dignity, and Lightbody is the one to push them over the edge. Can Lei and Sophie stop a criminal who's sure he's doing the right thing? "Toby Neal scores a royal flush in this fifth of an unmissable crime series for mystery fans!" J.C. Martin, author of Oracle Grab this fast paced mystery with a twist of romance, and take a trip to Hawaii with the series that's sold more than a million copies!

Torch Ginger-Toby Neal 2012-07-12

Fire Beach-Toby Neal 2014-10-17 Paradise is burning. She's going after the Shroud Killer—by herself. Detective Lei Texeira has had enough of an elusive enemy that strikes at

her by hitting the ones she loves. Taking matters into her own hands, she stalks a killer to the Big Island, uncovering old vendettas and new tragedies. Meanwhile... he just loves fire. Fire is cleansing. Fire is beauty. Fire is pure power, and a pyromaniac tangles with Michael Stevens in a case that catches the innocent in raging flames. "Toby Neal's series is a wonderful achievement in consistency and style, introducing us to a rich landscape filled with memorable characters." Detective (Ret) David Swinson, author of *The Second Girl Grab* this fast paced mystery with a twist of romance, and take a trip to Hawaii with the series that's sold more than a million copies!

Somewhere on Maui-Toby Jane 2018-09-26 Read book 1 in the Somewhere Series, Somewhere on St. Thomas, for the same discounted price! Zoe's supposed to be living her dream—but it's empty. She's an independent journalist walking the beaches of paradise every day, but she never expected to be doing that alone, with only her dog for company. Trying to find her footing after a nasty divorce, Zoe finds herself in counseling. Everyone relies on Adam—but he's reached a breaking point. Adam was born and raised on Maui, a true "local" who surfs to stay in shape and deal with his many sources of stress. The care of his mother, a busy contracting business, and a custody fight for his beloved step kids lead to a workplace confrontation that finally pushes him over the edge and sends him to anger management. Sometimes second chances need a little help. Adam and Zoe happen to share

a therapist who gives them the same advice: try Internet dating. And though their Crazy Blind Date match-up ignites sparks neither have felt since high school, finding love again is a little bit terrifying when a heart's already been bruised. _____

Heartfelt, rich, inspiring—Neal's fans will instantly fall in love with the charming cast of Somewhere on Maui. —Christine Nolfi, author of Treasure Me

Bone Hook-Toby Neal 2015-11-10 Maui's ocean is beautiful, wild... and deadly.It's been five years since the events of Rip Tides, and Sergeant Lei Texeira gets into hot water much deeper than she's used to at a crime scene ninety feet down off of the tiny atoll of Molokini. The death of beautiful marine biologist Danielle "Lani" Phillips is anything but an accident, and more suspects than a school of sharks circle a case that takes Lei into territory that hits dangerously close to home.

Shattered Palms-Toby Neal 2014-03 "Someone is stalking poachers that are capturing Maui's rarest birds, and Lei pursues the case with her usual leap-first, look-later style-- but will she be able to catch a killer, save the birds, and still make it to her own weeding?"-- Page [4] of cover.

Freckled-TW Neal 2018-12-30 For fans of *The Glass Castle* and *Educated*, comes mystery author Toby Neal's personal story of surviving a wild childhood in paradise. We never call it homeless. We're just camping in the jungle on Kauai... We live in a place everyone calls paradise. Sure, Kauai's beautiful, with empty beaches, drip-castle mountains, and perfect surf...but we've been camping for six months, eating boiled chicken feed for breakfast, and wearing camouflage clothes so no one sees us trespassing in our jungle hideout. The cockroaches leave rainbow colors all over everything from eating the crayons we left outside the tent, and now a tractor is coming to scrape our camp into the river. Standing in front of the tent in my nightgown, clinging to my sister as we face the tractor, I know my own truth: I just want to be normal. But Mom and Pop are addicted. Addicted to Kauai's beauty, to drugs, to surfing, to living a life according to their own rules out from under their high-achieving parents' judgmental eyes. I'm just their red-headed, mouthy oldest kid. What I want doesn't matter. But I'm smart. I will make a different life for myself someday if I keep up my grades no matter what happens. No matter how often we run out of food. No matter how many times I change schools...or don't go to school at all. No matter how many bullies beat me up for the color of my skin. I might be growing up wild in Hawaii, but I have dreams I'm going to reach, no matter how crazy things get. ☐☐ Gold Winner in Memoir/Autobiography for eLit Book Awards 2019 ☐☐ ☐☐ First Place in non-fiction for the 2019 Indie Reader Discovery Awards! ☐☐ ☐☐ Winner for Memoir in the 13th Annual National Indie Excellence Awards ☐☐ ☐☐ NABE Pinnacle Book Achievement Award for Women's

Interest Winner 2019 ☐☐ "An affecting and riveting chronicle of a singular childhood that evokes the contradictions of hippie utopian ideals in an unspoiled Hawaiian landscape long since lost." ~Kirkus Reviews "A celebration of the best within each of us as well as a witness of human frailty and resilience, T.W. Neal's memoir is a must-read!" ~Lehua Parker, author of *One Boy, No Water* "As much a meditation on inner strength as it is on family dynamics, T.W. Neal's gorgeous memoir *Freckled* isn't one to be missed. I read it two great gulps, and I can still see the palm fronds swaying above a girl who wouldn't give up. Highly recommended." - Rachael Herron, author of *Fast-Draft Your Memoir: Write Your Life Story in 45 Hours*

Razor Rocks-Toby Neal 2019-08-15 Paradise is plundered by pirates. Someone is attacking and robbing luxury yachts as they sail the Hawaiian Islands leaving their passengers missing and presumed dead. Sergeant Lei Texeira, with her typical leap first look later style, dives into a case with the Coast Guard to find answers that lie as deep as Davy Jones' locker. He's taking back what was stolen. The Pirate King has a hidden agenda that's bigger than the pillage of luxury yachts, and he'll stop at nothing to reign on the sea. Lei is back, solving crime! Grab this fast-paced mystery with a twist of romance, and take a trip to Hawaii with the series that's sold more than a million copies! "This series is persistently riveting." ~Kirkus Reviews

Wired In-Toby Neal 2016-01-20

Torch Ginger-Toby Nea 2012-08 The island of Kauai is remote jungle, golden beaches and ancient culture--but transients are disappearing in paradise, and only Detective Lei Texeira notices. Fleeing a failed engagement, Detective Lei Texeira transfers to the island of Kauai, where she uncovers a pattern of disappearances that may be related to a bizarre cult--or is it just one madman at work? In Lei's world, everyone is guilty until proven innocent. In *Blood Orchids* Lei battled her personal demons and won--but now they've come roaring back with reinforcements, including charming real estate magnate Alika Wolcott and former fiance Michael Stevens. In the midst of the biggest case sleepy Kauai has ever seen, Lei must also discover who she loves. "Lei Texeira is both tough detective and a vulnerable woman in a winning Hawaii crime series created by novelist Toby Neal." --David Bishop, mystery author
About the Author: Toby Neal was raised on Kauai in Hawaii. She wrote and illustrated her first story at age 5. After initially majoring in journalism, she settled on mental health as a career and loves her work, saying, "I'm endlessly fascinated with people's stories." Toby credits her counseling background in adding depth to her characters--from the villains to Lei Texeira, the courageous multicultural heroine of the Lei Crime Series."

Broken Ferns-Toby Neal 2013-01-31

Paradise Crime Mysteries Box Set: Books 1-9-Toby Neal 2020-04-02 Detective Lei Texeira flees hazy memories of a dark past, but nothing gets in the way of solving her cases in Hawaii! Binge read this box set of USA Today bestselling books and discover you can't read just one! **BLOOD ORCHIDS**: Black sand beaches and steaming volcanoes are backdrops for murder as patrolwoman Lei Texeira discovers the bodies of two drowned girls and attracts the attention of a killer. **TORCH GINGER**: Stunning Kauai has drawn Lei to a new island, but can she untangle a mystery of missing persons with madness at its heart? **BLACK JASMINE**: Cruise ships and art galleries hide cruel secrets as Lei and her partner, Stevens, move to Maui to build a life together; but trouble soon follows them to Maui. **BROKEN FERNS**: Lei's first FBI case on the island of Oahu involves the stolen airplane of a mogul and a teenaged "Robin Hood" who steals from the rich to give to the poor. An anarchy movement is sparked that has deadly consequences. **TWISTED VINE**: A bizarre series of suicides hint at a sinister online ring at work on Oahu. Grab these fast-paced mysteries and take a trip to Hawaii with the series that's sold more than a million books! "Neal's writing is persistently riveting...Masterly." Kirkus Reviews

Wired Ghost-Toby Neal 2020-04-30 Paradise is drowning in lava. What would you do to survive during a volcanic eruption? Security specialists Sophie and Jake take a job to rescue a teen girl shackled up with a dangerous meth cooker on the Big Island, and their wilderness destination turns out to be in the path of the biggest eruption Hawaii has seen in decades. Soon, they're embroiled in a natural disaster too hot for anyone to handle. Trapped underground in a lava tube, engulfed by darkness and heat, they struggle to outrun a deadly force that consumes everything in its path. "I rapidly devour each book in this series as soon as they're released. Neal's writing immerses you into the story, with multi-faceted characters that you'll be interested in and care about. Cannot put them down!" — Reviewer

Wrong Turn-Toby Neal 2020-12-04 A wrong turn on vacation has deadly consequences.

Twenty-one-year-old Lei is looking for a good time in Mexico. Blowing off steam after a tough semester, Lei and her friend Kelly hit the border in a red Mustang convertible; but a series of deadly misadventures unfold that will change Lei's life forever. A dog can change everything. Affected by the events in Mexico, Lei adopts a young K-9 dropout to guard the home she shares with her aunt. They try to stop a series of neighborhood robberies, and Lei discovers the scariest thing of all... how far her dog Keiki will go to save her life. ***Wrong Turn is a PREQUEL NOVELLA for Blood Orchids, the first book in the Paradise Crime Mysteries. A rewritten portion was previously published.***

Wired Courage-Toby Neal 2018-11-30 Paradise is stalked by a relentless evil. What would you do if your family was threatened? Sophie just wants to settle down with her unusual family—but a powerful presence sweeps in to steal her joy. At her most vulnerable physically and emotionally, Sophie must rise up to hunt down those who would take what's most precious to her. The boundaries of love and friendship are tested as the men in her life grapple with their roles, each trying to help—but in the end, it's Sophie who must face the darkness from her past and vanquish it. "The Paradise Crime books really should be picked up as a film script...they're that good!" ~ Nancy S., Reviewer

The Magic of Thinking Big-David J. Schwartz 2014-12-02 The timeless and practical advice in *The Magic of Thinking Big* clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

Paradise Crime Mysteries Box Set: Books 1-3-Toby Neal Need a vacation? Escape to Hawaii with a badass female sleuth! Binge on the *Paradise Crime Mysteries* box of three USA Today bestselling books merged into a one-volume immersive reading experience. You can't read just one! *Blood Orchids*: Black sand beaches and steaming volcanoes are the backdrop for murder as young patrolwoman, Lei Teixeira, discovers the bodies of two drowned girls and attracts the attention of a killer with ties to her own dark past. *Torch*

Ginger: The stunning cliffs and pristine beaches of Kauai have drawn Lei to a fresh start, but only she can untangle a mystery of missing persons with madness at its heart. Black Jasmine: Cruise ships and art galleries hide dark secrets as Lei and her partner, Stevens, move to Maui to build a life together...but trouble follows them in paradise. “Neal’s writing is persistently riveting...Masterly.” Kirkus Reviews Grab this fast paced box set with a twist of romance, and take a trip to Hawaii with the series that’s sold more than a million copies!

Wild Ginger-Anchee Min 2004-01-01 Two girls come of age during the horrors of China’s Cultural Revolution in this novel by the national bestselling author of *Empress Orchid*. The young and beautiful Wild Ginger is only in elementary school, but has already survived hell through her sheer iron will. Singled out by the Red Guards for her “foreign-colored eyes,” she has seen her deceased father branded a traitor and her mother commit suicide under the oppressive weight of persecution. But the young Wild Ginger will not allow herself to be taken down. Nor will she turn her back on other martyrs—like sweet Maple, daughter of a teacher of Chinese history, survivor of a labor camp, and victim of daily brutal beatings by a gang girl called Hot Pepper. While the two become fast friends over their shared ostracism, it is Wild Ginger who will take her Maoist principles to the extreme, becoming no less than a national model for the revolutionary Communist doctrine. But when both self-possessed young girls begin to feel a prohibited romantic love for the same boy, all three of them will

face mortal danger. In this novel, the author of Pearl of China and the New York Times Notable Book Red Azalea “continues her extraordinarily acute inquiry into the wounded psyches of martyrs...and survivors of China's horrific Cultural Revolution... As in all her unsparing, compelling, and transcendent books, Min discerns both the vulnerability and strength of individuals and, more disturbingly, unveils the eroticism of pain. Given our own times, Min's taut and compassionate tale of oppressed teenagers kept in ignorance of the wider world, children brainwashed into performing acts of violence and self-destruction, is especially urgent.”—Booklist

Unsound-Toby Neal 2013-08-01 I never realized how much I wanted to live until the choice was no longer mine. I've spent my entire life unraveling mysteries of the human mind as a police psychologist, but somehow, I've ended up here: drunk, mostly naked, and locked out of my own house in the rain. I think I might be an alcoholic. I refuse to enter rehab like my station chief wants. I'll do it my way, by hiking Haleakala on Maui and kicking the booze on my own in the crater. Only, I'm not alone. There's an unusual man on the doorstep of my cabin, and he wants his own brand of therapy. With me. Alcohol is no longer my biggest problem. Now I have to survive long enough to escape. This psychological thriller pits one woman's personal demons against those of her stalker to create a compelling, well-told dual confession.”—Kirkus Reviews Toby Neal weaves a spell-binding suspense (novel) that pulls

you in with breathtaking scenery, flawed characters, and brilliantly twisted psychology. Gae-Lynn Woods, author of the Cass Elliott Crime Series

Fiske WordPower-Edward B Fiske 2018-07-03 The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

The Dreaming Mind and the End of the Ming World-Lynn A. Struve 2019-03-31 From the mid-sixteenth through the end of the seventeenth century, Chinese intellectuals attended more to dreams and dreaming—and in a wider array of genres—than in any other period of Chinese history. Taking the approach of cultural history, this ambitious yet accessible work aims both to describe the most salient aspects of this “dream arc” and to explain its trajectory in time through the writings, arts, and practices of well-known thinkers, religionists, litterateurs, memoirists, painters, doctors, and political figures of late Ming and early Qing times. The volume’s encompassing thesis asserts that certain associations of dreaming, grounded in the neurophysiology of the human brain at sleep—such as subjectivity, irrationality, the unbidden, lack of control, emotionality, spontaneity, the imaginal, and memory—when especially heightened by historical and cultural developments, are likely to pique interest in dreaming and generate florescences of dream-expression among intellectuals. The work thus makes a contribution to the history of how people have understood human consciousness in various times and cultures. *The Dreaming Mind and the End of the Ming World* is the most substantial work in any language on the historicity of Chinese dream culture. Within Chinese studies, it will appeal to those with backgrounds in literature, religion, philosophy, political history, and the visual arts. It will also be welcomed by readers interested in comparative dream cultures, the history of consciousness, and neurohistory.

Stolen in Paradise-Toby Neal 2013-04 One betta fish, two dead biologists, three trysts, four suspects and thirty-five pairs of shoes add up to complicated days in paradise for Special Agent Marcella Scott. Marcella gets into sand way over her Manolos investigating the death of a prominent scientist washed up on a Waikiki beach with a bullet hole between the eyes. BioGreen, a genetically-engineered algae that could solve the world fuel crisis, has been stolen from the development lab-a hotbed of intrigue where everyone on the project has something to hide. Marcella also has a secret vice, more dangerous than expensive shoes-and it leads her into arms that are too close for comfort.

Written in the Sky-Matthew Kaopio 2005

Wired Secret-Toby Neal 2018-05-21

Bitter Feast-Toby Neal 2016-05-12 Paradise holds a feast of motives for murder. He wants it all...and ends up with a knife in the back. Michael Stevens investigates the murder of a chef in a fine dining restaurant on Maui that's a buffet of possible motives where jealousy, passion, and revenge top the menu. A host of familiar characters, from Jared Stevens to Dr.

Wilson, chime in from their perspectives, each contributing essential information to one of the most complex cases Stevens has ever encountered. A hurricane is no place for a baby. Nothing ever goes as planned for Lei and Stevens, and that includes the arrival of their first child. Lei is fully occupied with this personal project as her world is torn apart by powerful forces. "Neal's writing is persistently riveting... masterly." ~Kirkus Reviews Grab this fast paced mystery with a twist of romance, and take a trip to Hawaii with the series that's sold more than a million copies!

Philosophical Foundations of International Criminal Law-Morten Bergsmo 2018-11-30
This first edition of *Philosophical Foundations of International Criminal Law: Correlating Thinkers* contains 20 chapters about renowned thinkers from Plato to Foucault. As the first volume in the series "Philosophical Foundations of International Criminal Law", the book identifies leading philosophers and thinkers in the history of philosophy or ideas whose writings bear on the foundations of the discipline of international criminal law, and then correlates their writings with international criminal law.

The Book of Lieh-tzu-Liezi 1990 -- Burton Watson

Everything, Everything-Nicola Yoon 2015-09-01 Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. *Everything, Everything* will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

Overthrow-Stephen Kinzer 2007-02-06 Offers a narrative history of the role of the U.S. in a

series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

The Works of Li Qingzhao-Anna Shields 2019-01-29 Previous translations and descriptions of Li Qingzhao are molded by an image of her as lonely wife and bereft widow formed by centuries of manipulation of her work and legacy by scholars and critics (all of them male) to fit their idea of a what a talented woman writer would sound like. The true voice of Li Qingzhao is very different. A new translation and presentation of her is needed to appreciate her genius and to account for the sense that Chinese readers have always had, despite what scholars and critics were saying, about the boldness and originality of her work. The introduction will lay out the problems of critical refashioning and conventionalization of her carried out in the centuries after her death, thus preparing the reader for a new reading. Her songs and poetry will then be presented in a way that breaks free of a narrow autobiographical reading of them, distinguishes between reliable and unreliable attributions, and also shows the great range of her talent by including important prose pieces and seldom read poems. In this way, the standard image of Li Qingzhao, exemplified by a handful of her best known and largely misunderstood works, will be challenged and replaced by a new understanding. The volume will present a literary portrait

of Li Qingzhao radically unlike the one in conventional anthologies and literary histories, allowing English readers for the first time to appreciate her distinctiveness as a writer and to properly gauge her achievement as a female alternative, as poet and essayist, to the male literary culture of her day.

Spontaneous Shrines and the Public Memorialization of Death-J. Santino 2016-04-30

This is an edited volume of approximately 17 essays that deal with various types of spontaneous shrines and other, related public memorializations of death. The articles address events such as New York after 9/11; roadside crosses, and the use of 'Day of the Dead' altars to bring attention to deceased undocumented immigrants.

Stolen in Paradise-Toby Neal She wants it all: to catch a murderer, find a missing formula, and blow off a little steam in a great pair of shoes. Special Agent Marcella Scott gets into sand way over her Manolos investigating the death of a prominent scientist washed up on a Waikiki beach with a bullet hole between the eyes. The victim's project, a genetically-engineered algae that could solve the world fuel crisis, has been stolen from the development lab, a hotbed of intrigue where everyone on the project has something to hide—including Marcella. It was supposed to be simple: kill the scientist and grab the

formula. Now he has to stop a relentless FBI agent any way he can. He's in too deep. He's trapped. They're closing in, and he'll kill anyone he has to in order to walk away. *Stolen in Paradise* is a wonderful mashup between Hawaii Five O and a romantic suspense novel where the protagonist is a kick-ass FBI agent with protective Italian parents, and a dark past in relationships. ~Kimmy's Korner Reviews

Heat Wave-Richard Castle 2009-09-29 NYPD detective Nikki Heat must deal with the continual presence of magazine journalist Jameson Rook as she works to solve the murder of a real estate magnate.

Hawaiian Dictionary-Mary Kawena Pukui 1986-03-01 "This standard work of reference... continues offering the happy blend of grammar and lexicon." --American Reference Books Annual For many years, Hawaiian Dictionary has been the definitive and authoritative work on the Hawaiian language. Now this indispensable reference volume has been enlarged and completely revised. More than 3,000 new entries have been added to the Hawaiian-English section, bringing the total number of entries to almost 30,000 and making it the largest and most complete of any Polynesian dictionary. This new edition is more than a dictionary. Containing folklore, poetry, and ethnology, it will benefit Hawaiian studies for years to

come.
