

Blood Divided Book One

Blood Divided-Kevin Breaux 2020-09-15 There exists an ancient elven proverb, dating before the time of man. Life and death, like day and night, meet at a point where they blend into one. It is that moment when anything is possible. There was a time when four sparks of life burned brighter than the sun itself. Megan was born with power, Lucien born with station. Autumn was born full of life, while Nathan was entwined with death. Peace had come and gone. The conflicts of old returned-rejuvenated and driven. This is the beginning of the end. The children will shape the fate of Illyia. Will they join forces, or with blood will they be divided?

A Land Divided-K. M. Ashman 2015-10-01 1081. William's bloody conquest is over and Britain is under Norman rule. But one bastion of resistance remains: Wales. A divided land where brother fights brother and kings battle for power. The English use this to further their own ends, and while one king is tempted by an offer he cannot resist, the others wage war over long-forgotten feuds. Gruffydd Ap Cynan, true heir to the kingdom of Gwynedd, is in exile across the sea. When he hears of the betrayal of the Welsh people by the imposter in his throne, Gruffydd unites with Tewdwr, a monarch deposed by the traitors, and they forge an army from the ashes of their kingdoms. But Tewdwr's wife and daughter--the source of much of the allies' strength--are a weakness their enemies will exploit. Betrayal, treachery, and war await, but both men know they must fight to the bitter end, when the sundered lands of Wales are drenched...in the blood of kings.

By Blood Divided-James Heneage 2018-01-25 'Wonderful history, adventure and a heart-breaking love story are brought thrillingly to life' - Kate Mosse 'A dramatic read from the very outset' - Simon Scarrow DESTINY, INHERITANCE, THE WORLD SHIFTING FROM EAST TO WEST. THIS IS AN EPIC NOVEL SET IN AN AGE OF DRAMATIC CHANGE. Siward, scion of a great dynasty, commands the Varangian Guard and has vowed to defend the Roman Empire to the last. Makkim, renowned general to Ottoman rule, has vowed to destroy it. They are enemies in war, but unknown to them, they are also rivals to inherit one of Europe's greatest fortunes. Even worse, they are competing for the love of the same woman. Their vast inheritance lies in Venice, as does the famous courtesan they both love. She is the reason they will find themselves fighting on the walls of Constantinople, in one of the most dramatic sieges in history.

Blood Magic : Divided Realms Book 3-Kim Richardson 2016-08-17 An electrifying fantasy tale filled with shocking twists, heart-pounding action and magic—perfect for fans of Throne of Glass, Graceling and The Girl of Fire and Thorns. Elena survived the witch king's clutches and the deadly witch trials to return to Gray Haven. Yet, she is far from her heart's desire—to save the man she loves. As she and her daring companions take one last quest into enemy territory to save Jon, Elena will face hardships she's never imagined. Meanwhile, as rumors of monstrous forces gather on the horizon, an unspeakable tragedy shatters Elena's world. A darkness grows in Elena's soul, caused by the awakening of the black magic within her and soon finds herself on a deadly path, at risk of becoming exactly the kind of monster she is trying to kill. But if Elena can't find the strength to fight not only the darkness inside her, but the evil about to be unleashed, it could mean the end of everything.

House Divided-Mike Lawson 2011-07-05 Washington political fixer Joe DeMarco is caught in the middle of a silent war—in a thriller that “will make your heart race and your mind ponder” (Lisa Gardner, New York Times–bestselling author). Author of House Witness, 2019 Edgar Award Finalist for Best Novel When the NSA was caught illegally wiretapping US citizens, the program was brought to a screeching halt. But the man behind the operation simply moved it into the shadows. And that’s where they’ve recorded a rogue military group murdering two American civilians—one of whom is related to Joe DeMarco. As he handles the burial of his cousin, DeMarco is unwittingly drawn into a battle for influence, power, and survival between the NSA and a ruthless four-star army general. But neither side realizes that DeMarco is no one’s pawn. And if they think they have trouble dealing with each other, they have no idea how much trouble DeMarco is about to bring to their doorsteps . . . Once again spinning a “crisply plotted” (Entertainment Weekly) tale that delves into the darkest recesses of the US government, Mike Lawson has delivered “the political thriller of the year” (John Lutz, New York Times–bestselling author).

Red Queen-Victoria Aveyard 2015-02-10 The #1 New York Times bestselling series! Red Queen, by #1 New York Times bestselling author Victoria Aveyard, is a sweeping tale of power, intrigue, and betrayal, perfect for fans of George R.R. Martin’s Game of Thrones series. Mare Barrow's world is divided by blood—those with common, Red blood serve the Silver-blooded elite, who are gifted with superhuman abilities. Mare is a Red, scraping by as a thief in a poor, rural village, until a twist of fate throws her in front of the Silver court. Before the king, princes, and all the nobles, she discovers she has an ability of her own. To cover up this impossibility, the king forces her to play the role of a lost Silver princess and betroths her to one of his own sons. As Mare is drawn further into the Silver world, she risks everything and uses her new position to help the Scarlet Guard—a growing Red rebellion—even as her heart tugs her in an impossible direction. One wrong move can lead to her death, but in the dangerous game she plays, the only certainty is betrayal. And don’t miss Broken Throne: A Red Queen Collection, featuring three brand-new novellas and other exclusive content, coming in April!

One Book Rightly Divided-Douglas D. Stauffer 1999 "Every Bible college, seminary, and church should avail itself of this work as a key textbook and reference tool."--Dr. Jerry L. Rockwell, Sword of the Lord Publishers. Includes 90 charts and 1,475 fully indexed Scriptures.

Blood Moon-John Sedgwick 2019-04-16 An astonishing untold story from the nineteenth century—a “riveting...engrossing...‘American Epic’” (The Wall Street Journal) and necessary work of history that reads like Gone with the Wind for the Cherokee. “A vigorous, well-written book that distills a complex history to a clash between two men without oversimplifying” (Kirkus Reviews), Blood Moon is the story of the feud between two rival Cherokee chiefs from the early years of the United States through the infamous Trail of Tears and into the Civil War. Their enmity would lead to war, forced removal from their homeland, and the devastation of a once-proud nation. One of the men, known as The Ridge—short for He Who Walks on Mountaintops—is a fearsome warrior who speaks no English, but whose exploits on the battlefield are legendary. The other, John Ross, is descended from Scottish traders and looks like one: a pale, unimposing half-pint who wears modern clothes and speaks not a word of Cherokee. At first, the two men are friends and allies who negotiate with almost every American president from George Washington through Abraham Lincoln. But as the threat to their land and their people grows more dire, they break with each other on the subject of removal. In Blood Moon, John Sedgwick restores the Cherokee to their rightful place in American history in a dramatic saga that informs much of the country’s mythic past today. Fueled by meticulous research in contemporary diaries and journals, newspaper reports, and eyewitness accounts—and Sedgwick’s own extensive travels within Cherokee lands from the Southeast to Oklahoma—it is “a wild ride of a book—fascinating, chilling, and enlightening—that explains the removal of the Cherokee as one of the central dramas of our country” (Ian Frazier). Populated with heroes and scoundrels of all varieties, this is a richly evocative portrait of the Cherokee that is destined to become the defining book on this extraordinary people.

The Book of Blood and Shadow-Robin Wasserman 2012 When Nora Kane discovers her best friend murdered and her boyfriend the apparent killer, she is caught up in a web of secret societies and conspirators, all searching for a device purported to allow direct communication with God.

Children of Blood and Bone-Tomi Adeyemi 2018-03-06 Zelig Adebola remembers when the soil of Or sha hummed with magic. Under the orders of a ruthless king, maji were killed, leaving Zelig without a mother and her people without hope.

Divided Kingdom-Rupert Thomson 2012-08-30 It is winter, somewhere in the United Kingdom, and an eight-year-old boy is removed from his home and family in the middle of the night. He learns that he is the victim of an extraordinary experiment. In an attempt to reform society, the government has divided the population into four groups, each representing a different personality type. The land, too, has been divided into quarters. Borders have been established, reinforced by concrete walls, armed guards and rolls of razor wire. Plunged headlong into this brave new world, the boy tries to make the best of things, unaware that ahead of him lies a truly explosive moment, a revelation that will challenge everything he believes in and will, in the end, put his very life in jeopardy ...

The Vanishing Half-Brit Bennett 2020-06-02 #1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE* VANITY FAIR * GLAMOUR “Bennett’s tone and style recalls James Baldwin and Jacqueline Woodson, but it’s especially reminiscent of Toni Morrison’s 1970 debut novel, The Bluest Eye.” —Kiley Reid, Wall Street Journal “A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be....” - Entertainment Weekly From The New York Times–bestselling author of The Mothers, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, The Vanishing Half considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times–bestselling debut The Mothers, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

House of Earth and Blood-Sarah J. Maas 2020-10-01 Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James - Telegraph Perfect for fans of Jessica Jones and True Blood,

this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love.

Blood Divided-Linda A. Freed 2011-10-01 The second book of The Charleston Vampire Chronicles is a historical vampire tale revolving around Matthew Trenton, whose story begins in 1674 as he is forced to leave England after committing unforgivable sin with his sister. One Blood for Kids-Ken Ham 2018-08-22 Go to the heart of this cultural issue! Racism cannot be solved by laws, educational programs, or secular science. It is a sin and only God has the solution. Discussions about "race" are too often confused with political correctness or cultural buzzwords. Yet, it is vital to have this difficult conversation with children in a way they can understand. And God has given us a simple, powerful answer in the Bible. Reveals how biblical history makes clear what science is only now understandingAddresses cultural differences, people groups, and the science of skin tonesSweeps away the flawed evolutionary foundation of racism with God's enduring truth! Apologetics powerhouse Ken Ham provides children important insight and a biblical foundation that combats the idea of human "races." From the Garden of Eden to our world today, there is just one race – the human race. Once you understand that, racism loses its power!

The Years of Rice and Salt-Kim Stanley Robinson 2003-06-03 With the same unique vision that brought his now classic Mars trilogy to vivid life, bestselling author Kim Stanley Robinson boldly imagines an alternate history of the last seven hundred years. In his grandest work yet, the acclaimed storyteller constructs a world vastly different from the one we know. . . . “A thoughtful, magisterial alternate history from one of science fiction’s most important writers.”—The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe’s population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions, while Christianity is merely a historical footnote. Probing the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World. “Exceptional and engrossing.”—New York Post “Ambitious . . . ingenious.”—Newsday

Red Queen-Victoria Aveyard 2015-07 This is a world divided by blood - red or silver. The Reds are commoners, ruled by a Silver elite in possession of god-like superpowers. And to Mare Barrow, a seventeen-year-old Red girl from the poverty-stricken Stilts, it seems like nothing will ever change. That is, until she finds herself working in the Silver Palace. Here, surrounded by the people she hates the most, Mare discovers that, despite her red blood, she possesses a deadly power of her own. One that threatens to destroy the balance of power. Fearful of Mare's potential, the Silvers hide her in plain view, declaring her a long-lost Silver princess, now engaged to a Silver prince. Despite knowing that one misstep would mean her death, Mare works silently to help the Red Guard, a militant resistance group, and bring down the Silver regime. But this is a world of betrayal and lies, and Mare has entered a dangerous dance - Reds against Silvers, prince against prince, and Mare against her own heart . . .

Blood Type-K.A. Linde 2018-04-24 A startling new vision of paranormal romance: When a human ventures into the world of vampires—a decadent milieu of blood-bonds and betrayal—she discovers that not all is what it seems. For Reyna Carpenter, giving up her body isn't a choice. It's survival. In a civilization laid waste by poverty and desperation, Reyna accepts a high-paying position with the wealthy and hungry vampire elite. Her new job is as the live-in blood escort for the intimidating, demanding, and devilishly handsome Beckham Anderson. He's everything she expected from a vampire, except for one thing—he won't feed off her. Reyna soon discovers that behind Beckham's brooding, wicked façade lies a unique and complex man. And that, in a dark and divided world, she is more valuable than she ever would have believed. For with each passing night, Reyna can't shake the sensation that it's Beckham who's afraid of her. Note: Reyna and Beckham's story continues in Blood Match. This ebook includes an excerpt from another Loveswept title.

From Blood and Ash-Jennifer L. Armentrout 2020-03-30 Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. Masked-Shari Cross 2019-07-17 Addalynne Troyer has never seen the hellions or the magic that are rumored to exist just beyond the Glass River. Her life is confined to the kingdom of Silveria, where normalcy is valued and the fear of the unknown is shadowed by warnings and restrictions. Determined to see the truth, Addalynne secretly takes watch, staring into the ever present fog that lingers along the southern bank of the river; a thin veil between Silveria and the forbidden kingdom of Incarnadine. Just as Addalynne is beginning to fear she will never learn the truth, a boy steps through the fog, his hands coated in blood. Drake brings with him a mystery enshroud in darkness, his past forgotten and seemingly lost. And though Addalynne knows he crossed the river from Incarnadine, she holds that truth inside her, afraid that if it comes out, she could lose him forever. As the years pass, Addalynne and Drake find themselves tangled in a love that is unrelenting. But they must battle against a fate that seems determined to keep them apart. With the impending war between the kingdoms brewing, Addalynne and Drake will soon discover they are much more than mere pawns in the game of power. They try to find hope, to find a way out of the chaos that is unfolding around them, but what do you do when saving the person you love means destroying them? Warning: This book contains physical violence and implied sexual violence.

American Republics: A Continental History of the United States, 1783-1850-Alan Taylor 2021-05-18 A Publishers Weekly Most Anticipated Book of Spring 2021 From a Pulitzer Prize-winning historian, the powerful story of a fragile nation as it expands across a contested continent. In this beautifully written history of America's formative period, a preeminent historian upends the traditional story of a young nation confidently marching to its continent-spanning destiny. The newly constituted United States actually emerged as a fragile, internally divided union of states contending still with European empires and other independent republics on the North American continent. Native peoples sought to defend their homelands from the flood of American settlers through strategic alliances with the other continental powers. The system of American slavery grew increasingly powerful and expansive, its vigorous internal trade in Black Americans separating parents and children, husbands and wives. Bitter party divisions pitted elites favoring strong government against those, like Andrew Jackson, espousing a democratic populism for white men. Violence was both routine and organized: the United States invaded Canada, Florida, Texas, and much of Mexico, and forcibly removed most of the Native peoples living east of the Mississippi. At the end of the period the United States, its conquered territory reaching the Pacific, remained internally divided, with sectional animosities over slavery growing more intense. Taylor's elegant history of this tumultuous period offers indelible miniatures of key characters from Frederick Douglass and Sojourner Truth to Elizabeth Cady Stanton and Margaret Fuller. It captures the high-stakes political drama as Jackson and Adams, Clay, Calhoun, and Webster contend over slavery, the economy, Indian removal, and national expansion. A ground-level account of American industrialization conveys the everyday lives of factory workers and immigrant families. And the immersive narrative puts us on the streets of Port-au-Prince, Mexico City, Quebec, and the Cherokee capital, New Echota. Absorbing and chilling, American Republics illuminates the continuities between our own social and political divisions and the events of this formative period.

The High Divide-Lin Enger 2015-05-12 "The High Divide is a vivid reminder of why we read, and why we want to."* In 1886, Gretta Pope wakes up one morning to discover that her husband is gone. Ulysses Pope has left his family behind on the far edge of Minnesota's western prairie, with only a brief note and no explanation for why he left or where he's heading. It doesn't take long for Gretta's young sons, Eli and Danny, to set off after him, leaving Gretta no choice but to search out the boys and their father and bring them all home. Enger's breathtaking portrait of the vast plains landscape is matched by the rich expanse of the story's emotional terrain, in which pivotal historical events coincide with the intimate story of a family's sacrifice and devotion. "A deeply moving, gripping novel about one man's quest for redemption and his family's determination to learn the truth . . . Layered with meaning, this remarkable novel deserves to be read more than once. The High Divide proves Enger's chops as a masterful storyteller." —Ann Weisgarber, author of *The Promise* "Blends adventure, two boys coming of age and an exploration of trust in marriage . . . The story captures the splendor of the 19th-century West." —St. Paul Pioneer Press "A compelling story of a house divided, of a man's haunting pursuit of forgiveness, and a family's search for the husband they thought they knew—but never really did." —*True West Magazine "A captivating story . . . Once you start turning the pages, there's no setting the book down." —The Denver Post "Enger's novel is told in beautifully exact, liquid language . . . Highly recommended." —Library Journal, starred review

Blood Destiny-Tessa Dawn 2013-11-23 He is a lethal vampire, bound by an ancient curse. She is an agent of homeland security, investigating a dangerous cult. Theirs is a Blood Destiny about to unfold... Descended from the progeny of Celestial Gods and humans, Nathaniel Silivasi is handsome, seductive, and powerful beyond measure: a lethal vampire. Belonging to an ancient civilization that sacrificed its females to the verge of extinction, he is also cursed. Like all the sons of Jadon, he is incapable of producing female offspring and required to sacrifice a first born son as atonement for the sins of his forefathers. While he belongs to a modern civilization, he is bound by primeval law. When Jocelyn Levi stumbles upon Nathaniel's pristine mountain valley, she is not prepared for the collision of worlds she is about to encounter. As an agent of the homeland security department, ICE, the beautiful, defiant female has an agenda of her own: to stop the ritualistic slaughter of innocent young women by a human trafficking ring. Little does she know, the evil she seeks is unlike anything she has ever witnessed. She has entered a world of warriors, code, and mystery, where the predators are divided only by degrees of light and shadow, and the dark handsome stranger who has come to her aid is the most dangerous of all. What would you do if the moon turned red, and your life was no longer your own?

By Blood Divided-James Heneage 2017-06-01 'Wonderful history, adventure and a heart-breaking love story are brought thrillingly to life' - Kate Mosse 'A dramatic read from the very outset' - Simon Scarrow DESTINY, INHERITANCE, THE WORLD SHIFTING FROM EAST TO WEST. THIS IS AN EPIC NOVEL SET IN AN AGE OF DRAMATIC CHANGE. Siward, scion of a great dynasty, commands the Varangian Guard and has vowed to defend the Roman Empire to the last. Makkim, renowned general to Ottoman rule, has vowed to destroy it. They are enemies in war, but unknown to them, they are also rivals to inherit one of Europe's greatest fortunes. Even worse, they are competing for the love of the same woman. Their vast inheritance lies in Venice, as does the famous courtesan they both love. She is the reason they will find themselves fighting on the walls of Constantinople, in one of the most dramatic sieges in history.

A House Divided-Nicole Ciacchella 2017 The first book in the epic suspenseful romantic fantasy Astoran Asunder series. Contains mature content. Cianne Wyland leads a double life. No one in House Staerleigh would suspect that the meek woman on whom they heap their disdain is a gatherer of secrets. Determined to uncover whether the House’s upper echelon—including her own father—are engaging in illicit activities in a grasp for control of the House, Cianne has made an art of slipping into their homes to rifle through their private lives. Kila an Movis is an Enforcer. Gods-gifted with an extraordinary ability to piece together physical clues, he’s entrusted with protecting the vulnerable from crime. But his habit of expressing his opinions a little too freely earned him a nine-year banishment to the wilds, and he’s determined to be more circumspect upon his return to the trade city. When someone close to Cianne dies and Kila is called out to investigate the scene, her world and his collide once more. His long absence hasn’t driven the memory of him from her heart, but the woman he encounters isn’t the child he remembers. Unwilling to trust anyone else, Cianne enlists Kila’s help. The deeper they dig, the more secrets they unearth about her father, the other House members, and her entire life—until Cianne discovers that House Staerleigh is built on a foundation of lies.
