Claude McKay | Poetry Foundation

Claude McKay, born Festus Claudius McKay in Sunny Ville, Jamaica in 1889, was a key figure in the Harlem Renaissance, a prominent literary movement of the 1920s. His work ranged from vernacular verse celebrating peasant life in Jamaica to poems that protested racial and economic inequities. His philosophically ambitious fiction, including tales of Black life in both Jamaica and America

The Church's one foundation | Hymnary.org

Text: The actual words have not changed much from Stone's original text, though there are differences in what verses are sung. Stone's hymn originally consisted of seven stanzas, to which he added three more, and today most hymnals include the original 1, 2, 4, 5, and 6, though not every hymnal contains all five.

List of songs based on poems - Wikipedia

This is a list of some poems that have been subsequently set to music. In the classical music tradition, this type of setting may be referred to as an art song. A poem set to music in the German language is called a lied, or in the French language, a Mélodie. A group of poems, usually by the same poet, which are set to music to form a single work, is called a song cycle
