

Blodgett B24c Cc Ranges Owners Manual

Border Boss-J. Gilberto Quezada 2001-05 The author explores one of the great "bosses" of Zapata County in Southern Texas, illuminating the influence of Tejano culture in this region of the country.

Dukes of Duval County-Anthony R. Carrozza 2017-11-02 The notorious Parr family manipulated local politics in South Texas for decades. Archie Parr, his son George, and his grandson Archer relied on violence and corruption to deliver the votes that propelled their chosen candidates to office. The influence of the Parr political machine peaked during the 1948 senatorial primary, when election officials found the infamous Ballot Box 13 six days after the polls closed. That box provided a slim eighty-seven-vote lead to Lyndon B. Johnson, initiating the national political career of the future U.S. president. Dukes of Duval County begins with Archie Parr's organization of the Mexican American electorate into a potent voting bloc, which marked the beginning of his three-decade campaign for control of every political office in Duval County and the surrounding area. Archie's son George, who expanded the Parrs' dominion to include jobs, welfare payments, and public works, became a county judge thanks to his father's influence—but when George was arrested and imprisoned for accepting payoffs, only a presidential pardon advocated by then-congressman Lyndon Johnson allowed George to take office once more. Further legal misadventures haunted George and his successor, Archer, but in the end it took the combined force of local, state, and federal governments and the courageous efforts of private citizens to overthrow the Parr family. In this first comprehensive study of the Parr family's political activities, Anthony R. Carrozza reveals the innermost workings of the Parr dynasty, a political machine that drove South Texas politics for more than seventy years and critically influenced the course of the nation.

Civility-Stephen Carter 1998-04-10 Considers the causes and nature of the moral crisis in America today and offers ways in which families, individuals, and politicians can improve the country by adhering to basic principles of civility

Preserving Early Texas History-José Antonio López 2015-01-15 My passion for writing is based on both my parents' love of early South Texas and northern Mexico history. My father was quite good at sharing oral history stories and for that reason I dedicate this book to him. Equally important, my mother, Maria de la Luz Sánchez Uribe de López was also gifted in recalling the stories she heard as a child. In both Spanish and English, she had tremendous communication abilities in vividly remembering stories about our ancestors.

When Hell Was in Session-Jeremiah A. Denton 2009-11 Denton, a Navy pilot, recounts his experiences as a prisoner of war held in Hanoi's infamous Hanoi Hilton prison complex.
