

Blood And Rain

Blood Rain-Michael Dibdin 2011 The site where the body had been found was within the territory of the provincia di Catania, and hence under the jurisdiction of the authorities of that city. So far, so good. From a bureaucratic point of view, however, the crucial factor was where and when the crime - if indeed it was a crime - had occurred. As all those concerned were soon to learn, none of these points was susceptible of a quick or easy answer. Zen finally receives the order he has been dreading all his professional life: his next posting to Sicily. The gruesome discovery of an unidentified, decomposed corpse sealed in a railway wagon marks the beginning of Zen's most difficult and dangerous murder case. Set against the backdrop of Catania, in the shadow of the smouldering volcano of Etna, Blood Rain is a riveting tale of violence and murder, which reveals Aurelio Zen at his most desperate and driven. If you enjoyed the Inspector Zen Mystery series you may also like The Last Sherlock Holmes Story, another crime novel by Michael Dibdin.

Blood Rain-Michael Dibdin 2009-10-07 Aurelio Zen—cynical and tough, yet worn down from years of law enforcement—has just been given the worst assignment he could imagine. He has been sent to the heart of hostile territory: Sicily, the ancient, beautiful island where blood has been known to flow like wine, and the distinction between the police and the criminals is a fine one. Even worse, he has been sent to spy on the elite anti-Mafia squad. The only thing that makes the job palatable—and takes his mind off routine details like the rotting body found in a remote train car—is that Zen's adopted daughter, Carla, is also in town. But life becomes precarious for Carla when she stumbles upon some information she'd be better off not knowing and befriends a local magistrate on the Mafia's most wanted list. What ensues is a breakneck plot of amazing complexity that culminates in a stunning finale. Blood Rain, emotionally gripping and defiantly original, is surely one of Dibdin's finest works.

Blood and Rain-Glenn Rolfe 2019-11-15 Glenn Rolfe's Blood and Rain returns in an all-new edition from Poltergeist Press!

Blood of Dragons-Robin Hobb 2013-04-09 The final volume in Robin Hobb's popular Rain Wilds fantasy series, Blood of Dragons completes the story of the dragons, their keepers, and their quest to find the lost city of Kelsingra—and the mythical silver wells that the dragons need to survive. Can Tintaglia and the Elderlings unlock the secrets of the ancient city? Or are they doomed to extinction? The world of Robin Hobb's Rain Wilds series has been praised by Booklist as "one of the most gripping settings in modern fantasy," and Publishers Weekly called the Rain Wilds books "a meticulously realized fantasy tale" and "a welcome addition to contemporary dragon lore."

The Rain of Blood (The Champions of Zairon Book 2)-S. P. Kumar 2015-11-19 S. P. Kumar's second novel will not disappoint readers who enjoyed *Cave of Mystic Dreams*. In *Rain of Blood*, the second book in *The Champions of Zairon* trilogy, Kumar continues to weave magical and creative plots that traverse parallel worlds. As the young protagonists navigate an even more complex challenge than their first, we are immediately drawn back into their mystical reality. Middle-school readers and fantasy fans of all ages will delight in watching Claire, Jason, and Zac navigate a new quest-one that draws on their intelligence, determination, and wit. Kumar continues to explore themes of friendship and morality, as her characters encounter dilemmas and tasks that require even more grit and resilience than those they encountered in the first book of the trilogy. Kumar's carefully wrought sentences and powerful dialogue draw us into her story and help connect us to the intricacies of the plot. The main characters are more mature, and so is Kumar's writing. While her natural storytelling ability was established with her first book, she solidifies it with *Rain of Blood*.

Red Rain-R.L. Stine 2012-10-09 The New York Times bestselling author of the *Goosebumps* and *Fear Street* series delivers a terrifying horror novel for adults centered on a town in the grip of a sinister revolt. After travel writer Lea Sutter barely survives a merciless hurricane on a tiny island off the South Carolina coast, she impulsively brings two orphaned twin boys home with her to Long Island. Samuel and Daniel seem amiable and intensely grateful at first, but no one in Lea's family anticipates the twins' true evil nature—or predicts that within a few weeks' time her husband, a controversial child psychologist, will be implicated in two brutal murders. "The horror is grisly" (Associated Press) in legendary author R.L. Stine's "creepy, fun read" (Library Journal)—an homage to the millions of adult fans who grew up reading his classic series and a must-read for every fan of deviously inventive chillers.

Blood in the Rain-Cecilia Duvalle 2015-10-26 In this collection of erotic vampire tales from authors Northwestern and Northwestern at heart, the creatures range from classic to alien, from dom to sub, from blood-drinking to soul-sucking. In Jeff Mann's "Summer Solstice Sacrifice," a burly, kilted vampire faces losing a lover or turning him before it's too late. Colleen Anderson's "Hold Back the Night" explores how cultural norms divide two very different women in Mumbai--one of them undead. A male vampire watches his wife solve his murder in Joscelyne Gray's "The Longest Death of the Year." And Sara Dobie Bauer in "Forever Dead" brings us a muscular, vamp-hunting detective with an uncomfortable hankering for a blood-sucking guy. Whatever your sexual orientation, you'll find something here for you.

Bloody Jungle Rain-M. J. Earle 2010-01 One of the most compelling and thought-provoking Vietnam stories ever told begins with an explosion that seriously injures Corporal James Morrison. At first he wonders why he's lying on his back and it's raining on a sunny day. Then he realizes it isn't rain coming down, but human blood. *Bloody Jungle Rain* explores what happens to the reluctant Marine who was wounded in 1968. His brush with death brings Morrison to an operating room and a near-death experience that changes his life

forever. The wounded Marine faces Post-Traumatic Stress Disorder, depression, alcoholism and a broken marriage. Yet through his maze of problems there runs a thread of determination and the hope of finding a peaceful harbor. Sadly though, peace was difficult to find for many Vietnam veterans returning home to an unsympathetic public. This story about courage by Colorado native M.J. Earle was written to remember a childhood friend killed in Vietnam. The author says it proves that it is possible to overcome horrendous problems as long as there is faith and hope in the human heart.

Blood Rain-Andre Mangeot 2020-02

The Rain of My Blood-George Mujajati 1991

Smoke and Rain-V. S. Holmes 2015-09-19 I expected a hero to save us all. Turns out, I was thinking of the wrong part of the story. In the beginning, we aren't saved. The world is broken. There are only pieces and grief. Depending on the story, the fruit of grief is vengeance or justice or hardened resolve. The pieces must be gathered and flames kindled before I'm reforged. I don't know what shape I will take. Those pieces might become a hero...or a monster. A mad king's genocide destroyed Alea's home and left her sanity in tatters. The struggle between the gods and their creators fills the world with war. Caught in the crossfire of a conflict she knows little about, Alea only wants a quiet life. Trouble is, the darkness roiling in her mind may be the one thing that could end the bloodshed. A storm brews within her, and not even the gods will be safe when it breaks upon the world.

Soul Stealer: Blood and rain-Michael Easton 2008 Blood and rain flow like rivers into one another as Kalan utters his final word for all eternity, "Oxania."

The Last Assassin-Barry Eisler 2007 Hoping to reconcile with the mother of his child, reluctant contract killer John Rain inadvertently places them in the path of dangerous enemies and is forced to recruit the help of his nemesis from the Japanese FBI and an ex-Marine sniper. Reprint.

Bloodmagic-Helen Harper 2013-07-25 After escaping the claws of Corrigan, the Lord Alpha of the Brethren, Mack is trying to lead a quiet lonely life in Inverness in rural Scotland, away from anyone who might happen to be a shapeshifter. However, when she lands a job at an old bookstore owned by a mysterious elderly woman who not only has a familiar passion for herbal lore but also seems to know more than she should, Mack ends up caught in a maelstrom between the Ministry of Mages, the Fae and the Brethren. Now she has to decide between staying hidden and facing the music, as well as confronting her real feelings for the green eyed power of Corrigan himself. This is the second book in the popular urban fantasy series, Blood Destiny.

Red Baron Vol. 2-Pierre Veys 2014-09-01 It s time for the first victories to begin the rain of blood Manfred Von Richthofen survived his first aerial combat with light injuries only. As a rear gunner, though, he felt particularly frustrated by his inability to control the plane. Convinced that he must be able to fly and shoot at the same time to make the most of his mysterious mind-reading ability, he works hard to obtain his pilot license. It s in March 1916, in the sky over Verdun, that the Red Baron earns his first victory as a pilot "

Hard Rain-Barry Eisler 2004 Trying to end his career as a hired assassin, Japanese American John Rain goes underground, only to be approached by Japanese FBI agent Tatsu to eliminate a sociopathic killer who could tip the balance of power in Japan toward the mafia. Reprint.

The World Set Free-H. G. Wells 2021-03-14T21:37:23Z After learning of atomic physics, H. G. Wells began to think of its potential impact on human society. In *The World Set Free*, atomic energy causes massive unemployment, shaking the already fragile social order. The ambitious powers of the world decide to seize the opportunity to compete for dominance, and a world war breaks out, echoing the looming Great War about to ignite in 1914. Waking to the catastrophe, humanity begins the hard search for a way into a better future. The novel traces a soldier, an ex-king, a despot, and a sage through a profound transformation of human society, and we gain a window into Wells' own thoughts and hopes along the way. With one prophetic stroke, Wells gives the first detailed depiction of atomic energy and its potential destructive power, and predicts the use of the air power in modern warfare. He may have even directly influenced the development of nuclear weapons, as the physicist Leó Szilárd, shortly after reading the novel in 1932, then conceived of harnessing the neutron chain reaction critical to the development of the atom bomb. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Blood rain-Amy Blankenship 2017-07-08 The essence of Blood is a mystery that has many meanings. Blood is the bringer of life... but if spilled, it can destroy life in the blink of an eye. Legends say that Blood is also the link that binds soulmates together... even if one of those souls has shattered. Tempers and morals of the L.A. paranormal are tested when innocence, regardless of its origins, is threatened. They are reminded that not all demons are evil... sometimes even demons need to be saved from the things that really do slither in the night. During revelations full of death, rebirth, and acceptance of the inevitable, a new weapon is forged by the falling of the Blood Rain. PUBLISHER: TEKTIME

Blood and Rain-B.L. Morgan 2011-10-01 When walking on the dark side it is important to remember your way home. Unless you are private investigator, John Dark, who makes his home far from the light. In the drug-infested streets of East St. Louis, alcoholic John Dark gets the cases deemed too dirty for the cops to touch. Battling grime with grime, Dark does his job without a touch of class and sans any emotion. When his cases get weirder, and darker, John Dark finds enough heart to save the day, save the girl, and just maybe find his way home again. This exciting detective story by B.L. Morgan will pull you into the

depthless shadows of the crime-ridden streets, and into the horrific cases of John Dark.

Fifty Words for Rain-Asha Lemmie 2021-06-08 A Good Morning America Book Club Pick and New York Times Bestseller! From debut author Asha Lemmie, "a lovely, heartrending story about love and loss, prejudice and pain, and the sometimes dangerous, always durable ties that link a family together." --Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* Kyoto, Japan, 1948. "Do not question. Do not fight. Do not resist." Such is eight-year-old Noriko "Nori" Kamiza's first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents' imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond--a bond their formidable grandparents cannot allow and that will irrevocably change the lives they were always meant to lead. Because now that Nori has glimpsed a world in which perhaps there is a place for her after all, she is ready to fight to be a part of it--a battle that just might cost her everything. Spanning decades and continents, *Fifty Words for Rain* is a dazzling epic about the ties that bind, the ties that give you strength, and what it means to be free.

Pleading in the Blood-Dominic Johnson 2013 Ron Athey is an iconic figure in contemporary art and performance. In his frequently bloody portrayals of life, death, crisis, and fortitude in the time of AIDS, Athey calls into question the limits of artistic practice. These limits enable Athey to explore key themes including gender, sexuality, radical sex, queer activism, post-punk and industrial culture, tattooing and body modification, ritual, and religion. This landmark publication includes Athey's own writings, commissioned essays by maverick artists and leading academics, and full-color images of Athey's art and performances since the early 1980s. The diverse range of artistic and critical contributors to the book reflects Athey's creative and cultural impact, among them musician Antony Hegarty of Antony and the Johnsons who contributed a foreword.

Of Blood and Rain-Beth Alvarez 2017-01-17 Until the riddle is answered, the curse will grow. It's been twenty years since a curse drove the kingdom of Strale into drought, leaving only a witch's riddle to offer clues how to break it. Countless people have tried and failed, their bones littering the kingdom's deserts. When one last, desperate plea goes out, the call is answered by the Knights of Sonus, an all-female band of mercenaries whose ancient order serves a water spirit. There is no one better suited to breaking the curse and, as a first-year Knight, Aryina craves victory more than most. But the desert can only support so many, so when the king turns away all but two Knights, the task of solving the witch's riddle falls solely on Aryina's inexperienced shoulders. If she can't unravel the puzzle and break the curse before their water supply runs out, then all that's left of Strale--and the reputation of

the legendary Knights of Sonus--will crumble like the desert earth. Of Blood and Rain is a fantasy novella approximately 20,000 words long. Enjoy this complete adventure in one sitting!

The Long Rain-Peter Gadol 2000-05-05 After committed a terrible hit-and-run crime, lawyer Jason Dark finds himself in court defending the drifter who has been accused of the crime. Reprint.

Rain of Grace-SIAM 2006-03-07 A masterfully constructed book of psycho-spiritual poems that may make you laugh; may make you cry, but you surely will not be bored - a profoundly unique creative literary experience, chronicling the last thirty years of a great Mystic's journey toward spiritual purification, illumination, resurrection, and ascension. Rain of Grace, New & Selected Poems is more than just another typical book of poetry; it is an extraordinary transformative symphonic poetical encounter.

Blood and Rain-Shira Anthony 2014-12-15 Hunter Adrien must stop a war between humans and vampires, even if it means losing gentle vampire Nicolas.

Wakeupnigga-J. Powell 2015-03-08 A little bit of this, a little bit of that. Shit, Niggas need to know!

Toker's Blood-Jennifer Jones 2014-09-29 On Friday nights at Hilda's Drive-In, teenagers Burt Carron and his buddies dance all too closely with their dates to the stimulating "Motown" beat of the sixties. Then on Saturday nights they guzzle beer and burn rubber around town in their muscle cars. There is no police intervention. Instead, the small town chief, Chief Larry Spivey, looks the other way. For years Oak Bottom, Alabama has been a small Southern town most citizens believe insulated from big city crime, even as it grew

around them amidst the culture-changing decade of the 1960s. But neither Chief Spivey or the citizens of Oak Bottom can hide their heads in the sand any longer after one of the young men disappears and one crime after another leads everyone to the adder in their midst. Toker's Blood is a glimpse of a last fleeting decade of innocence when ignorance was bliss, even as rock'n roll was cool. Nonetheless, the enlightenment of youth to the illusions around them is quickened by the dark side of a rising drug culture in small town U.S.A.

Warlord of Kor-Terry Carr 2011-09-29 "Hornig sat opposite the tiny, fragile creature who held a microphone, its wires attached to an interpreting machine. He blinked his huge eyes slowly, his stiff mouth fumblingly forming words of a language his race had not used for thirty thousand years. 'Kor was . . . is . . . God . . . Knowledge.' He had tried to convey this to the small creatures who had invaded his world, but they did not heed. Their ill-equipped brains were trying futilely to comprehend the ancient race memory of his people."

Pleasure, Pain, Blood & Rain-Mindy Baker 2018-09-11 She has never experience true pleasure, her ex-boyfriend was only interested in is own pleasure through bringing a great deal of pain to her. Then one night, when the rain is pouring down, she meets someone who may change that, if she lets him. But it may come at a price, the price of blood.

Sink- 2019-11 A woman fights for survival against murderous clowns. A gang member has a crisis of conscience. A family move into a luxury high-rise and come to suspect they're in grave danger. And a budding romance is sorely tested by the date night from hell. Anything can happen in Sinkhill, and there are only two constants... blood and rain.

Rain: a Zombie Novel-Shaun Harbinger 2014-03-07 The dead rise... A doctor returning from the mountains of India unknowingly brings a deadly virus to the western world. The nightmare begins. Society crumbles... Alex Harley is hiking with three friends when all media channels shut down to be replaced with the Emergency Broadcast. Civilians are warned to stay in their homes. Isolated and afraid, the four friends begin a fight for survival. The end of the world is here... The military sets up Survivor Camps to separate the infected from the uninfected. As a U.N. rescue mission is put into operation to save survivors from the clutches of the zombies, Alex and his friends must deal with the undead and power-crazed soldiers. But while they fight to survive, the authorities consider drastic measures to rid the world of monsters...

Can You Hear Us-Tanisha Ray 2015-01-17 CAN YOU HEAR US is a collaboration of poetry and variety of life stories that are being shared. Stories of love, heartbreak, the challenges of the world and much more. Please take a seat and relax to the voices of poetry and let the words meditate through your mind.

Blood in the Rain-John Florussen 2008

A Drop of Rain-Heather Smith Callahan 2018-02-16 On a rainy April evening in 1993, a serial killer responding to a Craigslist ad for Heather Callahan's used car attacked her on the street in front of her Denver home and left her for dead. Heather didn't die. She refused to, thinking, as her blood pooled in the rain-soaked street: This is wrong. I am not going to die, not now, not this way. Heather not only survived in the aftermath of this terrible attack, she thrived, her indomitable spirit a testament to her physical, emotional, and psychological recovery. She came to understand this unexpected and powerful blossoming as Post Traumatic Growth. *A Drop of Rain*, her extraordinary memoir, demonstrates in no uncertain terms that life doesn't stop when you become a victim. Indeed, she is living proof that the most horrific traumas we face may also, in the long run, be the most significant turning points in our lives.

Startrader-Geoff Williamson 2016 "A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

Blessed-Burt Boyar 2012-07 An amazing life. As a New Yorker brought up in the world of Broadway theater, the author, Burt Boyar, became a child radio actor earning \$1000 a week in the late 1930's, early 40's, playing Archie on Archie Andrews, Billy Batson on Captain Marvel, Dexter Franklin on Corliss Archer, etc. etc. Then he became a caviar taster, a polo player, a widely syndicated Broadway columnist, close friend and biographer to Sammy Davis, Jr. with the worldwide Best Selling book, *Yes I Can*. Then, an intimate of the world's greatest tennis players, Rod Laver, Ken Rosewall, Lew Hoad, etc. which brought him and beloved wife, Jane, to Spain where they lived for 28 glorious years in a beach house in Marbella as close friends of Chief of State General Francisco Franco's family, among other European dazzlers, until Jane's untimely death brought their idyllic 44 year marriage to an end. Burt returned to the U.S., to Los Angeles, where he is living yet another extraordinary life.

Let There Be Blood-Tina Traverse 2013-12-01 Author's Warning: This novel is intended for mature readers 18 and over because of its explicit content. It contains erotic situations, M/F BDSM, M/M sex, graphic scenes of torture and rape. If you are under 18 or are uncomfortable with any or all of these situations depicted in this book, please do not purchase. Aaron Brooks is the star of the highly successful TV show, *Let There Be Blood*. He attends glamorous parties, wears the finest clothes, and can have any woman he wants. Aaron Brooks has the world at his fingertips. Every night, he is tormented by the same reoccurring nightmare. Every day he tries to forget by immersing himself into his work and celebrity obligations. When he is reunited with his estranged best friend, his life settles into comfortable normalcy. Aaron's torture subsides. Then his cast mates start being murdered around him. The nightmares aren't over. They're just beginning.

Good Reception-Matt Mills 2012-09-01 How does it feel to be here and there - at the same time? Maxwell Greyson refers to himself as a project manager but really only makes use of that title in an attempt to mask his ridiculousness, which is something that has plagued him all of his life. He unwittingly embarks on a quest to find what he's always sought. He finds it, or rather he finds something, but doesn't know exactly how to process it or what to do with it. What ensues is a journey that starts at zero and ends up near the edge of the multiverse. Or is it the other way around?

You Decide-E. P 2013-03-16 The sketch-style depictions and unusual fonts create an eerie atmosphere where the reader has to decide if what they see really happened or if it is just a work of fiction. Includes writing space for your conclusions. This book makes a great group activity. This is not intended for children. Contains brief nudity.
