Arrow and Superhero Television-James F. Iaccino 2017-09-28 "Insightful, thorough, and thought-provoking. This fascinating book offers a unique lens for viewers to both learn about and more deeply enjoy the superhero genre in television and movies."--Ryan M. Niemiec, Psy.D., author of Positive Psychology at the Movies and Movies and Mental Illness "Debuting on The CW in 2012, Arrow was meant to fill the void left by the end of Smallville. The series has been fairly successful throughout its broadcast run which is why it is surprising that it has taken so long for someone to undertake a scholarly analysis of the series. The new book Arrow and Superhero Television: Essays on Themes and Characters of the Series, edited by James F. Iaccino, Cory Barker and Myc Wiatrowski, serves to do just that and is a welcome addition to McFarland's popular culture listings. Essays in this collection explore a wide variety of the themes running throughout the series--such as the dance between liberal and conservative politics and the focus on objectification of the male body--as well as noting how fan interest and activism have shaped the course of the series' storylines. I highly recommend the book for anyone interested in Arrow and the superhero genre."--Sherry Ginn, editor of Marvel's Black Widow from Spy to Superhero. This collection of new essays focuses on The CW network's hit television series Arrow--based on DC Comic's Green Arrow--and its spin-offs The Flash, DC's Legends of Tomorrow and Supergirl. Comic book adaptations have been big business for film studios since Superman (1978) and in recent years have dominated at the box office--five of the 11 highest grossing films of 2016 were adapted from comics. Superheroes have battled across the small screen for considerably longer, beginning with The Adventures of Superman (1952-1958), though with mixed results. The contributors explore the reasons behind Arrow's success, its representation of bodies, its portrayal of women, its shifting political ideologies, and audience reception and influence on storylines.

Blank Comic Book-Simple Comics 2018-12-02 Blank Comic Book Notebook Features: Printed on paper perfect for fine tip pens, colored pencils and markers 110 pages sturdy blank white comic book paper Dimensions large 8.5" x 11" Duo sided pages with a perfect mix of 3, 5, 7 and 9 panel sheets for big and small drawings Fun for all ages for making comics Blank comics are the perfect gift for Christmas, artists, comic book lovers, party favors, birthday gifts and many more occasions Durable glossy cover to protect your book Designed in the USA

The deconstruction of the superhero in "Watchmen"-Taylor Bruhn 2017-04-25 Seminar paper from the year 2016 in the subject English - Literature, Works, grade: 2,0, RWTH Aachen University, language: English, abstract: This paper analyses the deconstruction of the superhero and its stereotypical features in "Watchmen". The paper assumes that the deconstruction serves as a way to show the dispensability of superheroes. The papers' thesis is therefore that the superheroes in "Watchmen" and their stereotypical features are dispensable and that a life without them is definitely possible and even desirable. In order to prove this thesis, the paper first presents a definition for stereotypical superheroes. Then, with the help of the definition, it analyses a few of the protagonists of "Watchmen" and their features with respect to their differences to other superheroes and their dispensability. In the conclusion, the results of the analysis will be summarized and a final statement

about the dispensability of the superheroes and their superhero features is given.

Superhero Me (Volume 3)-Terikka Faciane 2019-10-12 Welcome to the final volume of 'The Superhero Me Chronicles' series where this part of your journey finds closure. Volume 3 of this blank comic notebook template is for tying up all those plot twist and loose ends. Even though this is the end of the series, it does not have to be the end of your epic comic book creation adventures. Feel free to start a different story line adventure with Volume 1 of 'The Superhero Me Chronicles', because truly the adventure can continue for as long as you have a story to tell. Good luck on your journey! (All 3 volumes have the same interior but different book covers & cover pages so the creator can distinguish between their various adventures.)

The Amazing Adventures of Kavalier & Clay (with bonus content)-Michael Chabon 2012-06-12 WINNER OF THE PULITZER PRIZE • NEW YORK TIMES BESTSELLER • The epic, beloved novel of two boy geniuses dreaming up superheroes in New York's Golden Age of comics, now with special bonus material by the author—soon to be a Showtime limited series “It's absolutely gosh-wow, super-colossal—smart, funny, and a continual pleasure to read.”—The Washington Post Book World Named one of the 10 Best Books of the Decade by Entertainment Weekly • Finalist for the PEN/Faulkner Award, National Book Critics Circle Award, and Los Angeles Times Book Prize A “towering, swash-buckling thrill of a book” (Newsweek), hailed as Chabon’s “magnum opus” (The New York Review of Books), The Amazing Adventures of Kavalier & Clay is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1939. A young escape artist and budding magician named Joe Kavalier arrives on the doorstep of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys, they spin comic book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing from the streets of Brooklyn to the top of the Empire State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta ink. Spanning continents and eras, this superb book by one of America's finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award
