## **Guillotine Cross - iRO Wiki**

Sep 30, 2021 · Overview. A Guillotine Cross is the third job class of an Assassin/Assassin Cross. To attack enemies, they still wield two separate weapons (from Daggers to One Handed Swords) or Katars, but they gain access to new and improved ways of assassination. They can also gain access to new poisons, which other character classes have no known cures for them.

## **History of silk - Wikipedia**

The production of silk originated in Neolithic period China within the Yangshao culture (4th millennium BC). Though it would later reach other places in the world, the art of silk production remained confined to China until the Silk Road opened at some point during the latter part of the 1st millennium BC, though China maintained its virtual monopoly over silk production for another thousand
