The Little Black Book of Tasty Take Along Treats-Kathleen Loraine 2018-11-10 Taking a dish to share at social gatherings is a common courtesy and long honored tradition that guarantees you will have something good to eat even if your host is a terrible cook! ;) These easy to make recipes take the guesswork out of cooking some of the most popular party treats including pudding shots, gelatin shots, brownies, cupcakes, appetizers, dips, cookies and even some fancy drinks! As important as it is to bring a dish to share, it is also important to share our recipes! Great food helps bring people together. Make sure to sign the registry at the beginning of this book, and add your own Tasty Take Along Treat Recipes in the back to share! This recipe book includes my favorite snack, appetizer and dessert recipes for taking to social gatherings. In some cases exact recipes are not listed, but general guides have been provided to help you create your own treats. You can add to this book by writing your favorite recipes on the blank pages in the back. It is meant to be passed along to others, collecting recipes as it goes from person to person. However, you can also keep it and continue adding recipes to it as your own personal collection of Tasty Take Along Treats! If you choose to share this book with someone else, make sure you add your name, location and the date you received it in the Owner Registry so everyone who receives this book can see where it has been and when. Whether you decide to pass it along to your children, newlyweds, family or friends, we are sure this book will make an interesting gift to anyone who receives it! If you are the last person to fill out the registry, we think it would be great if you could try and get it back to its original owner so they can see where the book has traveled and all of the recipes that have been added! Recipes included: Buffalo Chicken Dip, Artichoke Spinach Dip, Pudding Shots, Gelatin Shots, Cupcakes, Cookies, Drinks, and more!

Fika-Anna Brones 2015 "An illustrated lifestyle cookbook on the Swedish tradition of fika--a twice-daily coffee break--including recipes for traditional baked goods, information and anecdotes about Swedish coffee culture, and the roots and modern incarnations of this cherished custom. Sweden is one of the world's top coffee consuming nations, and the social coffee break known as fika is a cultural institution. A time to take a rest from work and chat with friends or colleagues over a cup and a sweet treat, fika is part of the national identity and a marker of the Swedish ideal of taking time to appreciate life's small joys. Fika can be had alone or in groups, indoors or outdoors, while traveling or while at home, and Fika is full of inspiration to elevate these daily coffee breaks. In this adorable and illustrated cookbook, Anna Brones and Johanna Kindvall share more than 45 classic recipes from their motherland--from cinnamon buns and ginger snaps to rhubarb cordial and rye bread--while also examining what fika means to Swedes and how we can all integrate its values into our daily lives."--
