The cover of Film Noir Guide

Film Noir Guide-Michael F. Keaney 2015-05-20
More than 700 films from the classic period of film noir (1940 to 1959) are presented in this exhaustive reference book—such films as The Accused, Among the Living, The Asphalt Jungle, Baby Face Nelson, Bait, The Beat Generation, Crossfire, Dark Passage, I Walk Alone, The Las Vegas Story, The Naked City, Strangers on a Train, White Heat, and The Window. For each film, the following information is provided: the title, release date, main performers, screenwriter(s), director(s), type of noir, thematic content, a rating based on the five-star system, and a plot synopsis that does not reveal the ending.

The cover of Atomic Blonde

Atomic Blonde-Barry Lowe 2016-04-28
Born Joan Lucille Olander in a small South Dakota town, Mamie Van Doren rose to “Blonde Bombshell” status in Hollywood when she signed with Universal Pictures in 1953, right on the heels of Marilyn Monroe. This comprehensive biography explores Van Doren's early life and career, spanning from her start as a bit player in Howard Hughes' Jet Pilot to her significant role as the last surviving member of Hollywood's famous “Three M's”: Mamie Van Doren, Marilyn Monroe, and Jayne Mansfield. A complete filmography lists Van Doren's roles in film and television. Entries include a plot synopsis, cast and crew details, and in many instances recent and contemporary reviews.

The cover of Ice Cream Blonde

Ice Cream Blonde-Michelle Morgan 2015-11-01
A detailed look at the charmed life and tragic death of one of Hollywood's earliest stars A vibrant and beloved Golden Age film comedienne who worked alongside the Marx Brothers, Laurel and Hardy, Ginger Rogers, Cary Grant, Clara Bow, and dozens of others, Thelma Todd was one of the rare actors to successfully cross over from silent films to "talkies." This authoritative new biography traces Todd's life and career, from a vivacious little girl to a young woman who became a reluctant beauty queen to her rapid rise as a Hollywood comedy star to her mysterious death at the age of 29. Increasingly disenchanted with the studio star system, Todd opened the successful Thelma Todd's Sidewalk Café, attracting adoring fans, tourists, and Hollywood celebrities. Life appeared blessed for the beautiful and outspoken Hollywood rebel. So the country was shocked when Todd was found dead by her housekeeper in a garage near the café. An inquest concluded that her death was accidental, caused by inhaling the car's exhaust fumes. In a thorough new investigation that draws on FBI documents, interviews, photographs, reports, and extortion notes—much of these not previously available to the public—author Michelle Morgan offers fresh evidence and conclusions about the circumstances surrounding Todd's death, proving what many people have long suspected, that Thelma had been murdered. The cast of suspects includes Thelma's Hollywood-director lover; her gangster ex-husband; assorted thugs who were pressuring her to install gaming tables in the room above her popular café; and a new, never-before-named mobster. Coinciding with the 80th anniversary of Todd's death, The Ice Cream Blonde is sure to interest any fan of Thelma Todd, Hollywood's Golden Age, or gripping real-life murder mysteries.

The cover of Pat: A Biography of Hollywood's Blonde Starlet

Pat: A Biography of Hollywood's Blonde Starlet-Samuel Clemens 2020-05-22
Pat Sheehan was one of Hollywood's most talked-about celebrities. Initially a San Franciscan vying for the title of Miss America, she quickly caught the attention of numerous columnists, producers, and admirers. She won pageants, appeared in newspapers such as the Los Angeles Times and the San Francisco Examiner, modeled for magazines like Scene and Parade, and attracted such men as Bing Crosby, Howard Hughes, and Rod Taylor. Her appearance was compared to actresses Marilyn Monroe and Rita Hayworth. Studios such as Metro-Goldwyn-Mayer and 20th Century Fox casted her for their movies, and she was frequently seen on television with talents like Dean Martin, Mickey Rooney, and Art Linkletter. She was signed by the National Broadcasting Company in February 1956, being promoted by the network as "Television's First Starlet".Today, Pat Sheehan is remembered for being Playboy's Playmate of the Month for October 1958 with actress Mara Corday. Her centerfold was seen in Clint Eastwood's Space Cowboys (2000). People don't realize that she was one of Hollywood's most talked-about celebrities of the 1950's and 1960's, and that she remained closely associated with Hollywood afterwards. Those who knew her described her as personable, intelligent, and kind.

The cover of Roadtripping USA

The cover of Alice Faye

Alice Faye-Barry Rivadue 1990
This is the most definitive survey yet of Alice Faye's unique career in film, recording, broadcasting, and on stage. An annotated bibliography of book, magazine, and newspaper sources covers her life and career from 1933 through 1989. This volume also features a filmography, discography, detailed coverage of Faye's broadcasting and stage career, specialized appendixes, and a general index and song index. a superb work of reference. Classic Images This is the most definitive survey yet of Alice Faye's unique career in film, recording, broadcasting and on stage, a career that began in 1933 and which is still flourishing today as a spokesperson for the elderly on health issues. Even as a child, Alice Faye, born Alice Jean Leppert, was drawn to the stage. On Saturdays Alice and her mother would attend matinees at the Broadway theaters, where Alice would loiter by the stage door pretending she was leaving for her own engagement. Faye's first break came as a dancer for the Chester Hale troupe. Her dancing chores trained her well for when she auditioned successfully for impressario George White. Faye was cast in the eleventh edition of George White's Scandals, which opened on September 14, 1931. Faye was now making \$60 a week, in a company that included such young luminaries as Ethel Merman and Ray Bolger. Faye was soon taken under the wing of Rudy Vallee, the renowned radio crooner and recording star of the day. She debuted on his radio program in December of 1932, and became a regular shortly thereafter. Her career in film musicals began a year later when she was signed to do a musical number on a restyled movie edition of George White's Scandals, at Fox Studios in Hollywood. In addition to individual chapters on each facet of her life, the book features an annotated bibliography of book, magazine, and newspaper sources. All undocumented quotes in the introductory biography are from first hand remarks of people contacted by the author. The filmography of feature films is arranged in chronological order, with five other Faye appearances in clips or film shorts listed separately. The discography chapter lists her recordings alphabetically and by category. This section also lists compact disc releases and miscellaneous compilations on tape. The broadcasting chapter covers appearances on radio and television in chronological order. The stage chapter also lists Faye's appearances in chronological order. The annotated bibliography is arranged in alphabetical order by author or by article title if no author is identified. Specialized appendixes and a general index and song index complete the volume. The song index lists songs exclusively featuring Faye (or in accompaniment with others) in her film, broadcasting and stage appearances. This book will be of interest to all Alice Faye fans and to anyone interested in the history of film musicals.

The cover of Open Book

Open Book-Jessica Simpson 2020-02-04
The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, Open Book is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture cliché's — “chicken or fish,” “Daisy Duke,” “football jinx,” “mom jeans,” “sexual napalm...” and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

The cover of The Oxford Book of American Poetry

The Oxford Book of American Poetry-David Lehman 2006-04-03
Here is the eagerly awaited new edition of The Oxford Book of American Poetry brought completely up to date and dramatically expanded by poet David Lehman. It is a rich, capacious volume, featuring the work of more than 200 poets-almost three times as many as the 1976 edition. With a succinct and often witty head note introducing each author, it is certain to become the definitive anthology of American poetry for our time. Lehman has gathered together all the works one would expect to find in a landmark collection of American poetry, from Whitman's Crossing Brooklyn Ferry to Stevens's The Idea of Order at Key West, and from Eliot's The Waste Land to Ashbery's Self-Portrait in a Convex Mirror. But equally important, the editor has significantly expanded the range of the anthology. The book includes not only writers born since the previous edition, but also many fine poets overlooked in earlier editions or little known in the past but highly deserving of attention. The anthology confers legitimacy on the Objectivist poets; the so-called Proletariat poets of the 1930s; famous poets who fell into neglect or were the victims of critical backlash (Edna St. Vincent Millay); poets whose true worth has only become clear with the passing of time (Weldon Kees). Among poets missing from Richard Ellmann's 1976 volume but published here are W. H. Auden, Charles Bukowski, Donald Justice, Carolyn Kizer, Kenneth Koch, Stanley Kunitz, Emma Lazarus, Mina Loy, Howard Moss, Lorine Niedecker, George Oppen, James Schuyler, Elinor Wylie, and Louis Zukosky. Many more women are represented: outstanding poets such as Josephine Jacobsen, Josephine Miles, May Swenson. Numerous African-American poets receive their due, and unexpected figures such as the musicians Bob Dylan, Patti Smith and Robert Johnson have a place in this important work. This stunning collection redefines the great canon of American poetry from its origins in the 17th century right up to the present. It is a must-have anthology for anyone interested in American literature and a book that is sure to be consulted, debated, and treasured for years to come.

Confessions of a Guide Dog-Mark Carlson 2011-11-15 Have you ever wondered what a guide dog does? How do they know to lead a blind owner? Can they understand traffic lights? Most importantly, how does the owner know where to pick up the poop? This memoir answers these questions—and more. It tells what guide dogs are supposed to do. They’re smart, loyal and well-trained—but not all dogs are created alike. Musket is proof of that. He’s definitely got a thing for treats and belly rubs. For the first time, the dog has his say. (Of course he needed a little help with the typing, since he doesn’t have opposable thumbs. That’s where author Mark Carlson came in. Still, Musket is the brains of the outfit.) Mark and Musket tell their story with humor, emotion, and Musket’s occasional contradictions. And at the end of the day, Musket somehow manages to be a great guide dog too. Confessions of a Guide Dog was written so a wonderful, devoted dog could reach out to those who haven’t been lucky enough to meet him. He’ll make you smile, laugh, cry, and want to give him treats. This is their story. (And they’re sticking to it.)
