Blood Roses-Lindsay J. Pryor 2013-04-23 “She was supposed to kill vampires, not save them. Those were the rules. That was the lore.” A rare and powerful witch whose blood is lethal to vampires, Leila has always viewed her serryin abilities as a curse. Blood in the Woods-Joe Willie 2016-12-28 SOON TO BE A MAJOR MOTION PICTURE SLATED FOR PRODUCTION IN 2018: Rural Louisiana country life is peaceful, idyllic, and sanguine. One bucolic town leads to another in an endless series of southern country life. Yet beneath the tranquil surface lies another story. A story of the south which hasn't been told only hinted at. As 26 -year -old Jody stands on the cracked, aged driveway of his childhood home, a black mass settles itself on his chest. A sense of fear is manifesting around the edges of his psyche as unmentioned memories flood back to the last time he stood on this spot years ago. There is an empty space where the trailer once stood. The place he called home; thought of as his refuge together with his mother and younger brother, but all was ripped apart along with the innocence of childhood. Growing up in the late eighties and early nineties in the small town of Hammond, Louisiana, with his best friend Jack, was full of wonderful memories. Their lives on Rhine Road are typical for boys their age. Time is spent playing in the woods, shooting pellet guns, blowing up mailboxes, fighting at school and the beginnings of interests in girls. Their lives are what you would expect from children with no responsibilities or worries beyond the next pop-quiz or getting to second base. As they grow older together and experience the joys and pains of life, love, family and friendship, they discover a meddlesomeness borne of lazy summer days, boredom and childhood rebellion. Through idle curiosity, they stumble upon something horrific in the woods one evening and their lives quickly take a turn. They soon become hunted by an unspeakable evil and the hunting ground was home.

Black Thorn, White Rose-Ellen Datlow 1995 Presents eighteen retellings of classic fairy tales in contemporary and adult formats, including the writings of such authors as Peter Straub and Roger Zelazny

Midnight Prince-K. Loraine 2020-03-16 Our story begins the same as any ill-fated romance. Two households, two families, two species that should never be together. These are the recipe for tragic, beautiful love, fated to end in flames. She is my doom. She is my destiny. Unavoidable, impossible to deny, and painful to ignore. They call me Bastard Prince, a half-breed unworthy of a true title. But I still have to follow the rules. Serve the Blackthorne vampire bloodline. A shifter and a vampire are forbidden to be together. The law declares it so. But Briar is mine, and I'll fight family and constitution to the death in order to keep her. Midnight Prince is the first of an all new series in the Blackthorne Vampires world. It contains a CLIFFHANGER and CAN BE READ without reading The Blood Trilogy, but it's recommended to read all three previous books (Blood Captive, Blood Traitor, Blood Heir) to avoid any minor spoilers.

Black Thorn, White Rose-Ellen Datlow 2014-09-30 "Enchanting, witty" fairy tales for adults from Peter Straub, Daniel Quinn, Nancy Kress, Patricia C. Wrede, and other modern-day Grimms and Andersens (Publishers Weekly). World Fantasy Award-winning editors Ellen Datlow and Terri Windling return with another superb collection of wonders and terrors. In Black Thorn, White Rose, the magical tales we were told at bedtime have been upended, turned inside out, reshaped, and given a keen, distinctly adult edge by eighteen of the most acclaimed storytellers ever to reinvent a fairy tale. Our favorite characters, from Sleeping Beauty to Rumpelstiltskin to the Gingerbread Man, are here but in different guises, brought to new life by such masters as Nancy Kress, Jane Yolen, Storm Constantine, and the late, great Roger Zelazny. These breathtaking tales of dark enchantments range from the tragic and poignant to the humorous to the horrifying to the simply astonishing. The story of an aging woodcutter persuaded to help a desperate prince make his way through the brambles to save a sleeping beauty twists ingeniously around like the thorny wall that impedes them. The fable of an all-controlling queen mother who faces her most fearsome adversary in a sensitive princess who appears mysteriously during a storm is a dark, disturbing masterpiece. And readers will long remember the exquisite tale of Death, his godson, football, and MTV. Anyone who has ever loved or even feared the old tales of witches and trolls and remarkable transformations will find much to admire in this extraordinary collection—happily ever after or not.
