Directing Shakespeare in America-Charles Ney 2016-02-25 In this first substantive study of directing Shakespeare in the USA, Charles Ney compares and contrasts directors working at major companies across the country. Because of the complexities of directing Shakespeare for audiences today, a director's methods, values and biases are more readily perceptible in their work on Shakespeare than in more contemporary work. Directors disclose their interpretation of the text, their management of the various stages of production, how they go about supervising rehearsals and share tactics. This book will be useful to students wanting to develop skills, practitioners who want to learn from what other directors are doing, and scholars and students studying production practice and performance.

Emily's Idea-Christine Evans 2020-03-10 How a simple creative act spreads a message of love and acceptance around the world Emily's idea started small. Many beautiful ideas do. She folded, doodled, and snipped. But also, like many ideas, Emily's small idea grew. When a little girl decides to create a paper chain of dolls, her idea catches on. Then it spreads far and wide as children around the world begin to create and share their own. This is the story of how that girl's simple creative act spreads the message of love and acceptance around the world. For readers ages 4-8. Includes a make-your-own page to help you get started on your own paper doll chains.

The Black Apple's Paper Doll Primer-Emily Winfield Martin 2010 Part art book, part craft kit, 100% fun: this book contains thirty-two dolls, hundreds of clothing and accessory options, how-to for custom dolls and clothes and craft projects. A short time ago, the author discovered that there is a hidden demand for paper dolls when she listed a set of three in her shop (for \$16) and promptly sold hundreds. Some people played with them and some framed them. This book was created as a grander version of her successful experiment. Fans will snap up this book for the original art alone, while crafters will love the easy approach to making customised paper projects. Readers can copy pages as templates, but they can also cut pages straight from the book! With 32 pages of cardstock, readers just need scissors and glue to get started on a craft project. Once the doll(s) are created they can be used for scrap-booking, greetings cards (think customised wedding invitations made easy), frameable family portraits and more. From the instructions for using inks and paint for custom dolls and clothes to the craft projects themselves, this is a sophisticated take on a nostalgic craft.

CAROUSEL CURRICULUM POND ANIMALS-Bridgett Parsons, M.Ed 2012-01-24 CAROUSEL CURRICULUM Definition- carousel: a merry-go-round, a conveyer on which items are placed for later retrieval. (Education should be fun, and we learn by retrieving old information and building on it.) My curriculum is a collection of literature-based thematic units for early learners. The units are developmentally appropriate for all early learners. They are standards based and Creative Curriculum friendly. Carousel Curriculum has been used successfully with young learners including English language learners, children with special needs and diverse learning styles as well as homeschoolers. I am a teacher with 35 years of teaching experience in the areas of early childhood education and early childhood special education. Principals and co-workers always expressed an interest in my thematic units. This planted the bug for me to write down and market what I have used successfully for so many years. The curriculum was created through years of education, experience, trial and error, revisions, and updating. Each unit covers a span of 4-6 weeks. Each unit includes an introduction, weekly outlines, daily plans, poems and songs, a book list, additional activities listed by domain, and related ideas for centers. Each unit can be used independently or be used as part of the collection of units to create an interwoven curriculum: Animals And Their Environments. The total collection includes: Farm Animals, Forest Animals in Winter, Polar Animals, Jungle Animals, Pond Animals, and Ocean Animals. Additional units available are Farm Crops, A Safari, The Zoo, and The Circus. I hope the units will be a great resource for you and your class. Enjoy!!!

Parenting: From Surviving to Thriving Workbook-Charles R. Swindoll 2006-12-03 Parents often find themselves suspended between snowcapped mountains of exhilaration and craggy chasms of desperation. To be sure, parenting these days is a white-knuckle adventure—a scary roller coaster ride we only hope we can survive. Is there any hope at all that we can actually thrive as parents? What an awesome privilege we have been given! What an opportunity to grow deeper in our relationship with our heavenly Father! Such privilege and opportunity certainly demand more of us than we can give. We need help. Fortunately, help has arrived! Based on beloved pastor and teacher Chuch Swindoll's Parenting: From Surviving to Thriving, this workbook explores God's divine plan for successful families. This inductive Bible study workbook will help you discover: The best-kept secret of wise parenting. Why kids move from resentment to rebellion. How to restore relationships after you've blown it. Parents' secret struggles and how to cope with them. Whether you're doing these studies alone, with your family, or as part of a group, this workbook will equip you with Scripture-based tools to help transform your relationship with your children from a struggle to survive into a lifelong love that thrives.

Doll Crafts-Laurie Carlson 2017-11-01 Dolls have a unique place in childhood. They are about play, empathy, and developing communication and socialization skills. Dolls are important symbols to children of what adults value, and handmade dolls convey that the individual is important and that to be unique—less than perfect—is just fine. These concepts guide award-winning children's author Laurie Carlson's Doll Crafts, which opens up the world of doll making to children. The emphasis is on following basic instructions that are clearly illustrated with line drawings in order to help children develop creative, open-ended projects that result in unique dolls and doll play. Using inexpensive, everyday, or even recycled materials, children make clever paper dolls, simple folk art dolls, soft cuddle pals, or 18-inch felt dolls as well as cute and easy doll clothing, accessories, and basic houses. Short, informative sidebars throughout explore dolls in various cultures and religions, relate doll trivia and fun facts, and expand readers' ideas about what constitutes a doll by examining the history of action figures, scarecrows, robots, and more.

Artful Paper Dolls-Terry Taylor 2006 A glimpse into the rich history of paper dolls is accompanied by many charming manufactured and handmade examples.

Energetic Boundaries-Cyndi Dale 2011-10-01 Just as our physical body is protected by our skin, our psyche and spirit have “energetic boundaries” that keep out harmful influences. These boundaries, invisible to the naked eye, are more than just defenses—according to Cyndi Dale, these “spiritual borders” are our soul’s way of communicating to the universe what we do and don’t want to experience in life. With Energetic Boundaries, this renowned intuitive and energy-medicine expert presents a definitive guide for maintaining this essential aspect of our health and personal integrity, including: Our four energetic boundaries—techniques to enhance the health of your physical, emotional, relational, and spiritual borders Self-diagnosis instructions for determining where your boundaries are weakest—and practical ways you can strengthen them How to signal the world that you are ready for success and prosperity Special guidance for healers, sensitives, and people whose work regularly exposes them to strong emotional forces How healthy boundaries allow us to balance intimacy and personal autonomy in relationships and parenting “Strong and flexible energetic boundaries allow us to share who we truly are with the world,” teaches Cyndi Dale. Filled with insights, practical guidance, and easy-to-learn techniques, Energetic Boundaries is an indispensable tool for staying protected and connected in every aspect of life—in our relationships, career, and on our spiritual journey. “Energetic Boundaries is must-reading for everyone who wants to get and stay healthy. Understanding the role of boundaries and applying them is how one creates health at the most basic level.” —Christiane Northrup, MD, OB/GYN physician and author of the New York Times bestsellers Women's Bodies, Women's Wisdom and The Wisdom of Menopause

But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they

are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Kafka and the Doll-Larissa Theule 2021-03-09 Based on a true story about Franz Kafka Inspired by a true story, Kafka and the Doll recounts a remarkable gesture of kindness from one of the world's most bewildering and iconic writers. In the fall of 1923, Franz Kafka encountered a distraught little girl on a walk in the park. She'd lost her doll and was inconsolable. Kafka told her the doll wasn't lost, but instead, traveling the world and having grand adventures! And to reassure her, Kafka began delivering letters from the doll to the girl for weeks. The legend of Kafka and the doll has captivated imaginations for decades as it reveals the playful and compassionate side of a man known for his dark and brooding tales. Kafka and the Doll is a testament to living life to the fullest and to the life-changing power of storytelling.
