Grammar, Grades 7-8-Instructional Fair 1999-01 A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! --The worksheets in these books will give students the practice they need to become grammar experts. This book offers a wide variety of activities that provide a knowledge of the rules and regulations of proper English usage. Some of the basic skills addressed are alphabetical order, synonyms, antonyms, homonyms, parts of speech, plurals, verb tenses, punctuation, sentences, and possession. The activities are also illustrated to enhance student motivation.

Invitation to Psychology-Rachel G. Ragland 1989

Sails Early Levels 3 and 4 Blackline Masters-Stephanie Westwood 2003-03 The blackline masters in the Sails Literacy Blackline Masters provide time-saving activities that

will help to develop the literacy skills of lower primary students. The activities have been designed for use in small guided reading and writing groups and for independent learning centre activities. There are two blackline masters for each book in the Sails Literacy series. An indicator is provided for each blackline master that links to English outcomes. The blackline masters contain activities for developing comprehension skills and knowledge of writing conventions and genre structures.
