Blood Wars-Brenda Pandos 2014-11-28 Book 4 in the bestselling Talisman Series After just having died while saving all of humanity, Julia wakes up to a world where no vampires exist. Inexplicably, she and Nicholas are the only ones who remember the past. Julia’s wish to be normal has come to pass, and like a gift, they can start their happily ever after. That was until a new teacher showed up. To everyone else, Mr. Cruor is just a good looking guy with a voice that makes everything sound exciting, including stories of a bunch of dead guys. However, Julia knows Mr. Cruor as someone else. Stuck in his class, she’s afraid that he’s not here to teach her history. He’s here for revenge and there’s nothing she can do about it. Faces from the past keep popping up at the strangest times and the motives of their actions become questionable. Do they remember the past, too? Julia needs to choose allies and quickly before the war becomes bloody. Genre: Young Adult Paranormal Romance

Bloodwars-Brian Lumley 1995-11-15 The twin sons of Harry Keogh, the Necroscope, have taken very different paths. Nathan as his father's powers--to talk to the dead, to travel instantly through space. Like Harry, this new Necroscope fights evil wherever he finds it. His twin, Nestor, has become the most horrifying evil imaginable: a shape-shifting, blood sucking Wamphyi Lord! Devoid of human feeling, Nestor and his companion, the beautiful, malevolent Wratha the Risen, hunt without mercy. The battle between the brothers mirrors the war between vampires and humans. On mankind's side: terrible weapons brought from Earth by Nathan's allies. But the vampires are numerous and powerful, and neither side has a clear advantage...until Nathan and his legions of the dead discover a way to destroy the vampires forever. In the midst of a titanic battle, Nathan makes a desperate move that forever changes millions of lives and two worlds: the vampire world...and earth. "The Bloody Fifth": The 5th Texas Infantry Regiment, Hood's Texas Brigade, Army of Northern Virginia: Secession to the Suffolk Campaign-John F. Schmutz 2016-07-19 The 5th Texas InfantryThe Bloody Fifthwas one of only three Texas regiments to fight with Robert E. Lees Army of Northern Virginia. Much like the army in which it served, the 5th Texas established a stellar combat record. The regiment took part in 38 engagements, including nearly every significant battle in the Eastern Theater, as well as the Chickamauga, Chattanooga, and Knoxville campaigns in the Western Theater. John F. Schmutz's The Bloody Fifth: The 5th Texas Infantry, Hoods Texas Brigade, Army of Northern Virginia is the first full-length study to document this fabled regimental command.The Bloody Fifth presents the regiments rich history from the secession of the Lone Star State and the organization of ten independent east and central Texas companies, through four years of arduous marching and fighting. The 5th Texass battlefield exploits are legendary, from its inaugural fighting on the Virginia peninsula in early 1862 through Appomattox. At Gettysburg, the Texans suffered horrendous losses repeatedly assaulting Little Round Tops rocky slopes, and in the Wilderness on May 6, 1864, helped save the collapsing Confederate line while the eyes of General Lee were upon them. But it was at Second Manassas where the regiment earned its enduring nickname by attacking and crushing the 5th New York Zouaves. Flushed with victory, the Texans pushed through the disintegrating Federal lines and outdistanced the remainder of the Brigadeas well as the rest of the Confederate army. In his official report on the battle, Gen. John Bell Hood, boasted that the 5th Texas had slipped the bridle. Its exploits that day earned the regiment its undying sobriquet The Bloody Fifth.Schmutz's monumental regimental history, which also details the personal lives of these Texas soldiers as they struggled to survive the war some 2,000 miles from home, is based upon years of archival research that has uncovered hundreds of primary sources. Complete with photos and original maps, The Bloody Fifth: The 5th Texas Infantry, Hoods Texas Brigade, Army of Northern Virginia is a significant contribution to the growing literature of the Civil War.

A History of the Laws of War: Volume 1-Alexander Gillespie 2011-09-06 This unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day. Relying on written records from as far back as 2400 BCE, and using sources ranging from the Bible to Security Council Resolutions, the author pieces together the history of a subject which is almost as old as civilisation itself. The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and regulating the treatment of captives. This first book on warfare deals with the broad question of whether the patterns of dealing with combatants and captives have changed over the last 5,000 years, and if so, how? In terms of context, the first part of the book is about combatants and those who can 'lawfully' take part in combat. In many regards, this part of the first volume is a series of 'less than ideal' pathways. This is because in an ideal world there would be no combatants because there would be no fighting. Yet as a species we do not live in such a place or even anywhere near it, either historically or in contemporary times. This being so, a second-best alternative has been to attempt to control the size of military forces and, therefore, the bloodshed. This is also not the case by which humanity has worked over the previous centuries. Rather, the clear assumption for thousands of years has been that authorities are allowed to build the size of their armed forces as large as they wish. The restraints that have been applied are in terms of the quality and methods by which combatants are taken. The considerations pertain to questions of biology such as age and sex, geographical considerations such as nationality, and the multiple nuances of informal or formal combatants. These questions have also overlapped with ones of compulsion and whether citizens within a country can be compelled to fight without their consent. Accordingly, for the previous 3,000 years, the question has not been whether there should be a limit on the number of soldiers, but rather who is or is not a lawful combatant. It has rarely been a question of numbers. It has been, and remains, one of type. The second part of this book is about people, typically combatants, captured in battle. It is about what happens to their status as prisoners, about the possibilities of torture, assistance if they are wounded and what happens to their remains should they be killed and their bodies fall into enemy hands. The theme that ties all of these considerations together is that all of the acts befall those who are, to one degree or another, captives of their enemies. As such, they are no longer masters of their own fate. As a work of reference this first volume, as part of a set of three, is unrivalled, and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare. It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself.

Truly Madly Deeply, Vol. 4-B. Pandos 2015-07-01 Are you ready for the thrilling finale of Maddy and Logan's story? Maddy’s dreams of becoming a counselor have finally come true. She’d be happy to celebrate, if she wasn’t haunted by nightmares of the attack. Her encounter with Logan left her breathless and unsure, but with Kat out of the picture, Maddy has one week to find out if what they shared was real, or just a poor reaction to a life threatening situation. Tensions run high while police look for Maddy’s attacker, and Maddy begins to believe she can’t keep it together. But once everything she holds dear is threatened, Maddy must sacrifice her secrets in order to reveal the truth. Will it be in time? Will that be good enough? A&A: The ADVENTURES of Archer & Armstrong Vol. 1: In the Bag TPB-Rafer Roberts 2016-08-17 GET SMASHED...OR BE SMASHED!? Meet Armstrong: Since the ancient city of Ur, this immortal adventurer has spent the last 7,000 years drinking and carousing his way through history alongside some of the greatest merrymakers the world has ever known. Meet Archer: A sheltered teenage martial arts master and expert marksman that was raised for a single purpose - to kill the devil incarnate. Little did he know that this undying evil was actually Armstrong (he's actually a pretty good guy...once you get to know him) and, since hitting the road together, the two have become great friends and even better partners. Now: Archer is about to set off on his most dangerous mission yet - a quest into the mystic reaches of Armstrong's bottomless satchel to liberate his friend and comrade from the clutches of the mad god Bacchus! (Okay, so, Armstrong went into the satchel himself to get a bottle of whiskey that he kinda misplaced and got stuck. It's like the Amazon warehouse of arcane treasures in there...and he doesn't exactly have a maid service.) Imprisoned in Armstrong's satchel for centuries, Bacchus now commands a legion of monsters, goblins and golems bent on escaping back into the world of man and enacting revenge on their captor... Can Archer single-handedly combat the godly embodiment of intoxication himself - and rescue his best buddy - without becoming lost amongst Armstrong's endless repository of bizarre artifacts and historical oddities in the process? From red-hot rising star Rafer Roberts (Plastic Farm) and superstar artist David Lafuente (Ultimate Spider-Man), Valiant's next blockbuster series starts here!

For the first time, Jack Boniface is about to discover the long-hidden history of the supernatural power that became his birthright? Unmoored in time and space, the loa is about to reveal its untold dimensions?and now, the last defender of the wall between our realm and the Deadside is falling backwards through the astral void, finding himself face to face with his forebears across the centuries ? from the paranoia-addled alleyways of 1940s New York to the fire-scorched plantations of the Civil War?all the way back to the primeval height of the African savannah in 40,000 B.C.!

Britannia Vol. 3: Lost Eagles of Rome TPB-Peter Milligan 2019-01-09 A terrifying new quest into the unknown! The Roman standard ? the eagle borne at the front of each Roman legion ? was more than just a symbol of the soldiers that carried it? It was a symbol of Rome itself, the ultimate embodiment of the empire's power? But now, in the mist-shrouded Germanic forest of Tottenwald, the unthinkable has happened: A rampaging barbarian horde has crushed three of Rome's most highly skilled detachments in battle?and captured their mighty Roman eagles. His authority threatened by this all-too-public shame, the mad emperor Nero has dispatched Antonius Axia, the empire's finest ?detectioneer? and hero of Britannia, and Achillia, the sword-wielding champion of the gladiatorial arena, to reclaim his stolen relics at any cost. But what began as a simple mission will soon become a terrifying journey into the dark heart of belief itself as the isolated woodlands of Rome's enemies reveal unseen dimensions?and the true power of the legion's lost eagles threatens to consume any who would pursue them? Valiant's sold-out descent into the horrors of the ancient world returns with an all-new volume from legendary comics master Peter Milligan (Detective Comics) and Harvey Award-nominated artist Robert Gill (BOOK OF DEATH) as Antonius Axia, history's first detective, launches into an otherworldly mystery of

monsters, magic, and conspiracy at the boundaries of human understanding? Collecting BRITANNIA: LOST EAGLES OF ROME #1?4.
