**Predator King**-Melissa Cronin 2020-04-10 Jeffrey Epstein. Harvey Weinstein. Bill Cosby. Peter Nygard. With this book, the infamous hall of fame for billionaire sex predators has inducted another member. Peter Nygard is the most famous and successful fashion designer

that you might never have heard of. A Finnish-Canadian crowned the “polyester phenom” by Forbes, he built a nearly billion-dollar fortune shilling pants and blouses for the thirty-five and older set. Dillard’s, Sears, and Wal-Mart all called him one of their top providers, and he boasted a massive flagship store in the heart of Times Square. As he was building his fashion empire, however, Nygard also was allegedly building a dark international web of sexual predation and corruption—one that countless girls and women around the world claim destroyed their lives. Like in so many similar cases, Nygard stands accused of using his power, influence, and the trappings of success to ensnare and victimize vulnerable young women. Dangling the promise of a glamorous international modeling career before them, his victims—some allegedly as young as fourteen—claim that Nygard lured them to his California beach house, Canadian bachelor pad, and massive Caribbean estate, only to subject them to horrors they never could have imagined. Those are just some of the terrible acts that Nygard allegedly perpetrated behind the closed doors of his dens of evil. Meanwhile, Nygard’s invited guests—such as Britain’s Prince Andrew, former President George H. W. Bush, Robert De Niro, and Sylvester Stallone—were supposedly none the wiser. Predator King shines a spotlight on how money, power, and political clout can come together to create a monster, one that leaves shattered lives in its wake once unleashed upon the world. How can we find such predators, as they prowl in the darkness? And more importantly, how can a man like Peter Nygard be stopped?

**Dirty Scoundrel**-Jessica Clare 2017-11-21 In a sizzling novel from the New York Times bestselling author of Dirty Money, there's rich, and then there's filthy rich when an oil tycoon takes being a roughneck billionaire to a new level. Clay Price has everything he's ever wanted, except the one thing money can't buy—Natalie Weston. Years ago, Clay and Natalie were in love...until she turned down his marriage proposal. Now Clay and his brothers are oil-rich billionaires, and they can have whatever they want. And what Clay

wants is Natalie in his bed, no matter what it takes. If it means being ruthless, he'll do it. Natalie gave up on true love years ago when the realities of the world destroyed her fairy-tale hopes. Giving up Clay is her biggest regret in life, and she's excited to see him return...until she finds out why. Clay's got one hell of a proposal for her: he'll save her father's business and bail Natalie out of debt if she'll agree to become his very personal assistant. It's clear that he wants more from her than just typing. It's also clear that Natalie has no choice. This scoundrel's bet could destroy any hope they had of reconciliation—or it could bring them together once and for all... Praise for Jessica Clare "Great storytelling...delightful reading...It's fun and oh-so-hot."—Kirkus Reviews "[Clare is] a romance writing prodigy."—Heroes and Heartbreakers "Blazing hot."—USA Today
