

Blood On The Saddle

Blood on the Saddle-Rafael Reig 2005 "Hilarious, a literary Hellzapoppin."--Matt Thorne Dickens & Clot Investigations Ltd, a detective agency in a waterlogged Madrid, has a couple of unusual specialities: helping distraught authors in search of characters who've quit the page and assumed a life of their own, and taking on Manex Chopectia, legendary Big Brother of a mighty genetic-engineering company. Carlos Clot--a paunchy, alcoholic private eye - gumshoes his way around a drug- and drink-sodden metropolis in a personal quest to put both 'real' and 'fictional' people in their place. Born in Northern Spain in 1963, Rafael Reig studied philosophy and humanities in Madrid and later in New York. He lives in Madrid.

Blood on the Saddle-Dan Cushman 2003-03-28 Having survived a violent war against the Omaha and Montana Cattle company over his family's Montana Territory, Billy Buttons is accused of murdering the man that led company's takeover attempt. Can he get a fair trial when the courtroom is packed with Company men?

Ten Thousand Goddam Cattle-Katie Lee 2001 This classic of cowboy lore including illustrations by cowboy artist William Moyers, first published in 1976, is now available only from the University of New Mexico Press. "A beautiful job, exact, comprehensive and witty. Should remain a basic history of the subject for many years to come."--Edward Abbey

Blood on the Saddle-Mica Pharris 2020-01-30 Doc Scurlock - One of John Chisum's cowboys, a compadre of Billy the Kid, captain of the Regulators, veteran of numerous gun battles, and survivor of the Lincoln County War. This is the first-ever, definitive biography of Josiah Gordon Scurlock, the enigmatic intellectual whose amazing and remarkable life brought him into contact with some the most famous and infamous individuals of the Wild West. Yet, somehow, he survived where numerous others died with their boots on.

Ralph Compton Blood on the Gallows-Joseph A. West 2008-08-05 A detective uses his gun to speak for the oppressed in this Ralph Compton western. Former big city detective John McBride is an easy-going man—until people rub him the wrong way. So he's less than pleased when the fast-gun marshal of Rest and Be Thankful warns him to behave himself, or else he'll wind up swinging next to the three hanged men outside of town. Driven by the plight of the town's terrified citizenry, and one beautiful woman in particular, McBride takes

on the local lawman, an evil mayor and his cruel son, and a small army of hired gunmen. Helped by a mysterious white-haired preacher who shoots first and asks questions later, McBride will give the townsfolk reason to be thankful—and their vicious tormentors eternal rest in hell. More Than Eight Million Ralph Compton Books in Print

BLOOD ON THE SADDLE; TRANS. BY PAUL HAMMOND.-RAFAEL. REIG 2005

Blood on the Moon-Edward Steers Jr. 2005-10-21 Winner of the 2001 The Lincoln Group of New York's Award of Achievement A History Book Club Selection The assassination of Abraham Lincoln is usually told as a tale of a lone deranged actor who struck from a twisted lust for revenge. This is not only too simple an explanation; *Blood on the Moon* reveals that it is completely wrong. John Wilkes Booth was neither mad nor alone in his act of murder. He received the help of many, not the least of whom was Dr. Samuel Alexander Mudd, the Charles County physician who has been portrayed as the innocent victim of a vengeful government. Booth was also aided by the Confederate leadership in Richmond. As he made his plans to strike at Lincoln, Booth was in contact with key members of the Confederate underground, and after the assassination these same forces used all of their resources to attempt his escape. Noted Lincoln authority Edward Steers Jr. introduces the cast of

characters in this ill-fated drama, he explores why they were so willing to help pull the trigger, and corrects the many misconceptions surrounding this defining moment that changed American history. After completing an acclaimed career as a research scientist at the National Institutes of Health, Edward Steers Jr. has turned his research skills to the Lincoln assassination. He is the author of several books about the president, including *The Trial*.

Git Along, Little Dogies-John I. White 1989 A former singing cowboy himself, John I. White spent decades compiling information on cowboy and western songs and the artists, songwriters, and others attached to them. He also sought out and corresponded with a who's who of the genre, people like Badger Clark, Curley Fletcher, D. J. O'Malley, Romaine Lowdermilk, Will Barnes, Joseph Mills Hanson, and Owen Wister. In *Git Along, Little Dogies*, White draws on old friendships and his exhaustive files to bring readers the untold story of cowboy and western song. Wonderful anecdotes stand beside White's trademark attention to detail as he painstakingly establishes the time, place, and circumstance behind each song's origin and places the music within the evolution of popular song. He also looks at how radio and recording affected the genre and shows how the music crisscrossed with pop music but also with folk and the traditional Anglo-Irish tradition. From "Whoopee Ti Yi Yo" to "Ten Thousand Cattle Straying," *Git Along, Little Dogies* ventures from cow camps to saloons to

big-city radio studios as it lassos a vivid piece of American music history.

Blood on the Divide-William W. Johnstone 2016-06-01 This second book in William W. Johnstone's classic Preacher series finds Preacher leading a wagon train of settlers into the Rockies--and through dangerous territory. Trapped on the Continental Divide by a blinding snowstorm, Preacher must fend off the gunfire of the wicked Pardee gang, and a band of marauding Utes.

Blood on the Altar-David A. Reed More kids are dying right now in obedience to the Jehovah's Witness ban on blood transfusions than perished in the fire at Waco, Texas, says former Witness elder David A. Reed. How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry? Reed cites dozens of well-documented cases and media reports naming victims, doctors, and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court. This former minister, now widely recognized as an authority on the sect, explains his own role in bringing new members under mind control. With captivating anecdotes he details an

enforcement apparatus that reaches even into clinics and hospitals. He brings to light secret instructions for hospital employees to turn over confidential patient records to the church, and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment. Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated. Realizing that his friends were dying for beliefs supposedly channeled from God, but actually fabricated by the church hierarchy. After leaving the sect, he spent years researching its history and activities resulting in evidence revealed here for the first time. Reed's warning cannot be ignored. For anyone with a family member involved with Jehovah's Witnesses, this book is a vital resource. It will also provide some fun questions to ask the local Watchtower salesman next time he appears on the doorstep. -Atheist Coalition One of the most lucid exposures of a religious sect I have ever read. . . the equivalent of a years worth of '60 Minutes' programs. Reed and the publisher deserve the thanks of millions of Americans for exposing the dangers of a multi-billion dollar book distributing sect. Truly an amazing study. One of the finest works ever published in this genre. . . . Must reading for health care professionals along with teachers, clergy, psychologists, and media professionals. This text gets my strongest, my very highest recommendation. -www.concentric.net/~Mando/bookreviews/botaco.html

Blood on the Gallows-Ralph Compton 2008 When he arrives in the town of Rest and Be

Thankful, which is run by an evil mayor and his cruel son, former big-city detective John McBride vows to take down these these vicious tormentors with the help of a mysterious white-haired preacher. Original.

Blood on The Land-Paul Bedford 2017-04-01 In 1844, young British Army Officer, Thomas Collins, is sent to the fledgling Republic of Texas. His mission: to meet the legendary President Sam Houston to negotiate terms for the British Empire's involvement in his country. What Thomas finds is a world of subterfuge and danger. The republic is scourged by an implacable and deadly enemy, the Comanche Nation, for whom rape, pillage and bloody warfare is a way of life. His desperate fight for survival brings him into contact with Captain John Coffee Hays, and his effective Texas Rangers, and ends in a lethal climax aboard a steamboat on the unpredictable Brazos River.

I Got His Blood on Me-Lawrence Patchett 2012-10-01 The short stories in this collection follow characters that are plucked away from their normal lives to face wildly abnormal situations. An old coachman must face the death of his passenger; a missionary loses a colleague in the swollen waters of the Turakina River; a cranky ghost wreaks havoc on a Kapiti train; and a bloodied figure travels through time. From a reimagined history to a

future where holograms walk the streets, these stories traverse time and genre to explore adventurous frontiers in the past, present, and future.

Slocum 227: Blood on the Brazos-Jake Logan 1998-02-01 Slocum has a man's blood on his hands—and a contract on his life! Nothing riles up Slocum like a coward: So when some varmint outlaw tried to shoot an innocent boy, Slocum showed the bad hombre some six-gun justice. Now the fool's friends are full of whiskey and venom—and gunning for Slocum!

Blood on the Constitution-R. S. Suple 2010-07 All might be free if they valued freedom, and defended it as they should. - Samuel Adams In the late 1920's, the well-oiled machine of capitalist interest ran roughshod over the civil rights of American workers. Blood on the Constitution follows Teddy Albert Gall through the horrific world of brutality, rape, exploitation, and murder that characterised this era for so many whose voices were lost to history. Albert, as he is called, ex-marine and talented prize fighter, is drawn into the deadly world of the trade union movement; unions, big business, mafia, and the ranks of the oppressed and the oppressors all struggle for supremacy. Teddy enters the fray, compelled by his noble sense of justice, yet tortured by the fact that he is endangering the lives and livelihoods of those around him... pursued by a psychotic serial hit man and pursuing

happiness with the woman he loves. In *Blood on the Constitution*, the long awaited sequel to *The Ragman's War*, Sukle provides a fascinating and impeccably researched insight into a key period that shaped the America we know today. Its compelling characters and shocking tales are skilfully interwoven, culminating in an unforgettable climactic confrontation.

Blood on the Irons-Bradley E. Berner 2010-07 Sergeant Jacob Brenner is a twenty-five year veteran of the Indianapolis Police Department. Working narcotics and vice for much of his career, Brenner had always lived on the dangerous edge of life until he met Carla Waltz. A niece to wealthy banker and businessman, William Skiles, Brenner has finally found someone who he loves and more importantly, trusts. On the eve of his proposing marriage, Carla is suddenly killed. The coroner rules her death accidental, but Brenner suspects differently. Why is his investigation met with resistance from the family and the Department? Another death investigation on the Skiles estate leads Brenner to an unexpected meeting with the CIA. Brenner is recruited to help with their investigation of Annie Taylor, a prominent Grand Prix Show Jumper, and the prime suspect in the deaths of two CIA agents. Brenner's undercover skills will be put to the ultimate test to keep him alive as he tries to discover what Annie Taylor is up to before it's too late. From Indianapolis to West Palm Beach, with a finale in Nashville, the investigation leads Brenner on his most dangerous assignment ever. Bradley Berner is a thirty-year veteran of the Richmond Indiana

Police Department, where he is a Lieutenant in charge of the Detective Division. A second generation police officer, Bradley spent over ten years of his career working undercover and narcotics. He graduated from Indiana University East in 1978 with an Associates Degree in Criminal Justice. During his career, Bradley, has received numerous letters of commendation for his work. In 1999, Bradley was recognized and received a commendation from the Drug Enforcement Administration for his dedication and contributions in the fight against drugs in the State of Indiana. An avid Indianapolis Colts fan, in 2006, he was presented with the Indianapolis Colts Community Quarterback award for his volunteerism in his community. Bradley was awarded Supervisor of the Year for consecutive years 2008 and 2009, the first supervisor to achieve consecutive honors. Bradley is married and has four children and six grandchildren. He and his wife, Carla, live in Richmond.

Blood on the Altar-Bud Gilham 2008-07-22 The tale centers on a young Human male and a young Elvin female. These two characters are the sole survivors of a terrible battle and head off to warn their people. The journey takes them through political intrigue, betrayal and prejudices. The two characters come to terms with their own fears and doubts, as they journey towards a pre-ordained destiny. Along the way their past is revealed, as is their direction and final confrontation with evil. Mixed in are subplots, new friendships, allies, murder and kidnapping. Through all of this new love and new life are born, only to be

viciously ripped apart by assassination. Death is not the final chapter, as the final battle takes place on another plane of existence. It is a tale of courage, growth, weakness and fear, all the human qualities of self, set amid a land of magic in a time of legend.

Blood on the Hills-David Jay Bercuson 2002-01-01 Covering training, manning, equipment, and combat efforts, this is first full non-offical history of the Canadian Army's operations from the summer of 1950 to the ceasefire of 1953.

Blood on Mcallister-Matt Chisholm 2011-09-28 This was one gunfight it looked like nobody was going to win... Rem McAllister had been in plenty of tough corners in the course of his violent career. But this was one of the toughest. He stood facing the town's local gun-wizard and his pals, revolver in hand. He reckoned he could take him on and win - hell, he'd licked better men in his time. But what made this particular shoot-out so special was the fact that an assassin was waiting to put a bullet through McAllister and his opponent. And McAllister knew it-knew, too, that he was going to need all his courage, speed and skill to get out of this situation alive... Matt Chisholm, master of authentic Western excitement, has written a real McAllister adventure that's a non-stop breathtaking crazy saga of violence and mayhem from beginning to end!

The Saddle and Show Horse Chronicle- 1913

Ralph Compton Blood on the Prairie-Tony Healey 2021-09-28 An infamous gunslinger finds his vow to reform put to the test in this exciting installment in Ralph Compton's bestselling Gunfighter series. Twenty years ago, Sherman Knowles was notorious as a fearsome shootist with an itchy trigger finger and a hot temper. Now he resides in peaceful Elam Hollow, his gunslinging days far behind him. He hasn't fired a weapon in over a decade and is happy for that to be the end of the matter. Then he receives a visit from his brother's widow, asking for his help in finding his kidnapped niece, and Sherman is left with no choice but to pick up his guns once more and head out into the wilderness to rescue her before it's too late. But you cannot escape the past, and Sherman soon finds the ghosts of yesterday waiting for him on the bleak, unforgiving prairie...

Blood on the Land-J.R. Roberts

Blood On The Stone-Jake Lynch 2019-04-18 March 1681. Oxford is hosting the English Parliament under the 'merry monarch', King Charles II. As politicians and their hangers-on

converge on the divided city, an MP is found murdered, triggering tensions that threaten mayhem on the streets. Luke Sandys, Chief Officer of the Oxford Bailiffs, must solve the crime and thwart the plot. On his side is the respect for evidence and logic he absorbed in his student days, as a follower of the new science. On the other, a group of political conspirators are stirring up sectarian hatreds in their scheme to overthrow the Crown. Struggling to protect all he holds dear, Luke leans heavily on his cavalry officer brother, his friends, and his faithful deputy, Robshaw. But he has a secret, which may be clouding his judgement. At the moment of truth, will he choose love or duty?

Blood on the Verde River-Dusty Richards 2013 Chet Byrnes sets off to Arizona to start a new life, but a woman angling for his heart, a do-nothing sheriff, trigger happy outlaws, and a mysterious rancher threaten his new beginning.

Blood on the Sand-Michael Jecks 2015-06-04 The Siege of Calais, during the Hundred Years' Wars. The thrilling second novel in a new series for master of the historical adventure, Michael Jecks, perfect for fans of Bernard Cornwell and Conn Iggulden. Calais, 1346. Berenger Fripper and his men are stationed in the ancient port city, a city under English control and surrounded by enemies. They are here to defend their newly won

territory from the French and their allies the Genoese. Enemies are all about them, but there is also trouble within. Someone in the vintaine is leaking vital information to the French, jeopardizing not only the safety of the men but also the future of the war, and Berenger must find out who before it's too late. And when the vintaine is attacked at sea and captured by the Genoese it looks as though their luck has run out. Can Berenger defeat the enemies that surround him and keep the English victorious?

Blood on the Verde River A Byrnes Family Ranch Western-Dusty Richards 2013-08-01
"Dusty Richards writes. . .with the flavor of the real West." --Elmer Kelton "Dusty Richards is the embodiment of the old west. He brings it to life so realistically, you can almost feel the bullets whizzing past your face." --Storyteller Magazine Never Fight A Man. . . 600 miles from a railroad head in Texas, Chet Byrnes and a handful of cowboys set out to build a new life on the Arizona frontier. Behind the Byrnes family is a tale of bloodshed and blood feuds. What lies ahead is any kind of future they can scrape together out of a merciless landscape--as long as they're willing to make it on their own. . . .Who Has Fought His Way From Texas. From a woman who lays claim to Chet's heart to a land ripe for grazing, the Arizona territory begins to open its arms to the dauntless determination of the Byrnes family. But with every success there rises up a gathering danger. A sheriff who won't do his job. Trigger happy outlaws competing to kill. And a mysterious rancher hell bent on running a herd

across Chet's land--and forcing the Texan into a war. . .

Blood on the Boulders-Diego de Vargas 1998 Having retaken Santa Fe by force of arms late in 1693, Diego de Vargas faces unrelenting challenges, waging active warfare against defiant Pueblo Indian resisters while maintaining peace with Pueblo allies; providing homes, food, and supplies for 1,500 unsure colonists; and bidding unceasingly for greater support from viceregal authorities in Mexico City. At the head of combined units of Spanish and Pueblo fighting men, the governor in 1694 leads repeated assaults on castle-like fortified sites. Through combat, prisoner exchange, and negotiation, he reestablishes the kingdom. Franciscans reopen some of the missions. Vargas founds the villa of Santa Cruz de la Cañada. Pueblos north and west of Santa Fe rebel again in 1696; wearily, Vargas reports more blood on the boulders. Through *The Journals of don Diego de Vargas*, translated from official and private correspondence, we are drawn back, through conflict and compromise, into New Mexico's formative era.

Blood on the Bluegrass-Don Wright 2012-01-20 *BLOOD ON THE BLUEGRASS* is a novel featuring a Vietnam veteran named Cody Breathett, whose savage killing techniques in battle had earned him the nickname, Bloody BReathett. In Vietnam, he had teamed up with

Jack Hollister, a fellow Kentucky native. Together they terrorized and killed countless Vietcong, cutting off the ears of their victims and wore them as ornaments around their necks. Convinces they were psychotic killers, the army gave them medals and sent them home as war heroes. Breathett returned to tobacco farming and Hillister joined the Kentucky State Police. While working under cover on a drug case, Hollister discovered a three million dollar drug deal that was about to go down. He convinced Breathett to help him rob the drug dealers, and they became instant millionaires. BReathett buys farms and Hollister invests in the stock market. Breathett meets Lisa Wayne, a pretty young Thoroughbred jockey. He pursues and marries her. On the day she plans to tell him she is pregnant, the Hill Hawk motorcycle gang kidnaps her. She is brutally ravished and maimed before they kill her. Bloody Breathett began a self-imposed basic training. When fully prepared, he begins to methodically take his revenge. One by one, in incredibly horrendous fashion he hunts tortures, and kills the gang members. The “Briar” mode of vengeance dominates this story, softened only by the women that come to love Bloddy Breathett.

Blood on the Borders-Judith Cook 2003-10-01 This historical thriller, whose protagonist is inspired by a real 16th-century doctor named Simon Furman, is full of period detail that is reflective of the political intrigues of the times. On May Day 1592, after a night of revelry and a day tending the sick, Forman falls into bed utterly exhausted. Soon afterward, he is

woken by a man on his doorstep who is dying from a sword thrust, and the next morning Forman is summoned to Whitehall, accused of harboring enemies of the state. To prove his innocence, he agrees to journey to Edinburgh on a secret spying mission. But once he enters the borders between Scotland and England—where the bloodthirsty Reivers vow a life for a life—he realizes that death is stalking him. As one gruesome murder closely follows another, Dr. Forman must act quickly to identify a ruthless killer before his own life is put in jeopardy.

Blood on the Forge-William Attaway 2013-12-11 This brutally gripping novel about the African-American Great Migration follows the three Moss brothers, who flee the rural South to work in industries up North. Delivered by day into the searing inferno of the steel mills, by night they encounter a world of surreal devastation, crowded with dogfighters, whores, cripples, strikers, and scabs. Keenly sensitive to character, prophetic in its depiction of environmental degradation and globalized labor, Attaway's novel is an unprecedented confrontation with the realities of American life, offering an apocalyptic vision of the melting pot not as an icon of hope but as an instrument of destruction. *Blood on the Forge* was first published in 1941, when it attracted the admiring attention of Richard Wright and Ralph Ellison. It is an indispensable account of a major turning point in black history, as well as a triumph of individual style, charged with the concentrated power and poignance of the

blues.

Blood on the Tartan-Chris Holmes 2007-10 Catherine Ross rallies her neighbors to openly resist the mass evictions, which empty the glens of her people and replace them with sheep. Constable Ian Macgregor finds duty conflicts with his love for Catherine.

Blood on the Republican-Jeff O'Donnell 2014-06-02 Lute North stood alone in the middle of a sea of grass. The brutal acts of murder and savagery on the plains he'd just witnessed should have broken him like a twig...instead at twelve years old he embarked on the path that would make him a warrior. Someday...someday...somehow, he swore he would track down the Cheyenne who'd murdered his mother, father and older brother in cold blood, and kidnapped his baby brother and sisters. He would make the Cheyenne pay dearly. The face of their leader was carved into Lute's memory, now bearing a scar that Lute's mother had slashed before her neck was broken. Lute would see his face in nightmares for the rest of his life. Seven years later, Lute had grown from an abandoned boy on the frontier into a wide-shouldered man with the keen eyes and hard-boned face typical of a frontier scout. There was no softness about him. The Cheyenne had come to fear him, but he still hadn't tracked down Scarface. In the seven years since the destruction of his family, Lute had been

found and adopted by the Pawnee, the sworn enemies of the Cheyenne. He'd become a skilled and powerful warrior—the best of the famous Pawnee scouts. Because of his prowess and valor, they called him Little Chief. Now the Cheyenne were raiding in great numbers once more; and again Scarface was at the head of the most vicious raids. This time, the 5th Cavalry was sent into the Republican Valley after them—but there were hundreds of Cheyenne Dog Soldiers and the cavalry was half-trained and outnumbered...they didn't have a chance, until they were joined by 50 Skidi Pawnee led by Little Chief. Lute wasn't going to let a few hundred savage warriors stop him from avenging his parents and finding his lost brothers and sisters.

Blood on the Tracks-Martin Edwards 2018-07-03 Mystery crime fiction written in the Golden Age of Murder "This is the perfect volume for fans of short, high-quality, fair-play detective fiction." —Publishers Weekly "Never had I been given a tougher problem to solve, and never had I been so utterly at my wits' end for a solution." A signalman is found dead by a railway tunnel. A man identifies his wife as a victim of murder on the underground. Two passengers mysteriously disappear between stations, leaving behind a dead body. Trains have been a favourite setting of many crime writers, providing the mobile equivalent of the "locked-room" scenario. Their enclosed carriages with a limited number of suspects lend themselves to seemingly impossible crimes. In an era of cancellations and delays, alibis

reliant upon a timely train service no longer ring true, yet the railway detective has enjoyed a resurgence of popularity in the twenty-first century. Both train buffs and crime fans will delight in this selection of fifteen railway-themed mysteries, featuring some of the most popular authors of their day alongside less familiar names. This is a collection to beguile even the most wearisome commuter.

Blood on the Desert-Peter Rabe 2012-01-15 Anthony Wheeler didn't want the job. When Major Pitt called him into the London office, Wheeler was trying to track down his old mentor, Fairchild. It had been Fairchild who had pulled him into the business. Not everyone is cut out to be a spy - Wheeler excelled at it. And Pitt would simply not accept his refusal. Now he is off to Kaden in North Africa, where three Arab chieftains who had been feuding for years are suddenly acting very friendly. Wheeler's mission - find out why. The last person he expects to run into is Fairchild. It is good to see his old friend - so why did it feel so wrong?
