Blessed Are the Children (Four Christian Western Romance Novellas)-Vanessa Carvo 2014-10-17 Mail Order Bride: A Little Child Shall Lead Her, is about a widower who was left with a traumatized daughter who cannot see, hear or speak. After watching her mother die from a random gunshot wound, the little girl withdrew into a world of her own, leaving her father unable to cope or understand how he can save her. He decides to advertise for a mail order bride -- not one to marry but a teacher to help his daughter get better. Mail Order Bride: Arriving With Her Beloved Children, is an incredibly moving story about love; love for people of another race, love for children with special needs, and love between a man and a woman--a surprise mail order bride--who can give nothing but kindness to all who surround them. Loretta's Orphanage Of Love, is about a pastor and his wife setting up an orphanage, and just as the first children are about to arrive on the train, a tragic event occurs which will change the pastor's life forever. An Orphan Finds Her Parents: Sally was a devout Christian orphan girl living simply in New York City until a friend handed her a letter, which would change her life forever. Her parents had sent it and not only did she learn they were alive; but that they had a potential husband for her and he would be waiting on their estate.

THE GOSPEL TREASURY, AND EXPOSITORY HARMONY OF THE FOUR EVANGELISTS, IN THE WORDS OF THE AUTHORIZED VERSION,-R. MIMPRISS 1870

A God Blessed Child-Ronald C. M. Alexander 2008-05 It has been said that the whole Gospel of John is a series of faith journeys through which different persons responded to Jesus in different ways: his mother, Mary, and his father, Joseph, John the Baptist, "the Jews", the Samaritan woman, Judas, the Romans, Thomas, Peter and John himself. Scholars have made valuable suggestions as to why John wrote his story the way he did. Early Christian traditions associated with the resurrection, they say, form the basis of the Johannine account, which was written last among those of Mark, Matthew, and Luke, some 60 years after the event took place in about 33A.D. John himself would write that the reason he was writing these events down on papyrus was: "So that you may believe that Jesus is the Christ, the Son of God, And that believing this you may have life through his name/"

What's So Blessed about Being Poor-L. Susan Slavin 2013-09-01 An inspiring exploration of how happiness and holiness can exist in the midst of poverty and illness. Two lay women who have chosen to live among the poor in East Africa, one a Maryknoll lay mission, and the other, a New York attorney who left her law practice to become a lay mission with the Franciscans minister to the poor in Kenya. Slavin first met Salvador when she was volunteering as a lawyer working in a justice and peace program in Kenya. Slavin was intrigued by the well-known phrase "Blessed are the poor." After approaching this seeming paradox through unrewarding library research, she decided that she would join Salvador in her ministry to AIDS orphans to try to understand how the poor can be "blessed." This account tells of their experiences as they worked together with the poor, primarily AIDS orphans, in the slums of Kenya. Photos will be included.

A Diamond Necklace to Shirdi Sai Baba-Sai Girdhar Ari Chanting of Sri Sai Ashtothara, the 108 names of Shirdi Saibaba, is the most chosen and popular way of worshipping Baba. The Ashtothara was compiled, originally, by Puja Sri Narasimha Swamiji, an ardent Sai devotee. Sai Ashtothara is chanted daily in Shirdi during Kakad (Morning) Arti. However, no attempt has been undertaken to make one relate these sacred names to the memorable miracles and leelas of his grace and protection. This is a prayer book and an attempt to explore the deeper inner significance of each name. Hopefully it will be helpful to every Sai devotee to win his grace and blessings.

Fragments of a Lost Homeland-Armen T. Marsoobian 2015-03-13 The Armenian world was shattered by the 1915 genocide. Not only were thousands of lives lost but families were displaced and the narrative threads that connected them to their own past and homelands were forever severed. Many have been left with only fragments of their family histories: a story of survival passed on by a grandparent who made it through the cataclysm or, if lucky, an old photograph of a distant, silent, ancestor. By contrast the Dildilian family chose to speak. Two generations gave voice to their experience in lengthy written memoirs, in diaries and letters, and most unusually in photographs and drawings. Their descendant Armen T. Marsoobian uses all these resources to tell their story and, in doing so, brings to life the pivotal and often violent moments in Armenian and Ottoman history from the massacres of the late nineteenth century to the final expulsions in the 1920s during the Turkish War of Independence. Unlike most Armenians, the Dildilians were allowed to convert to Islam and stayed behind while their friends, colleagues and other family members perished in the death marches of 1915-1916.Their remarkable story is one of survival against the overwhelming odds and survival in the face of peril.

Blessed Migrants-Samuel Lee 2008-11 For the millions of people who reside outside their native countries, Blessed Migrants shares God's strategy in reaching the changing world through teaching Abraham's four everlasting promises. Dr. Samuel Lee, founder of Jesus Christ Foundation Churches and an international outreach ministry, answers a personal calling to help migrants understand the important role they play in the kingdom of God and to encourage revivals in their hosting nations. By discussing the history of migrants through Biblical stories, he illustrates how today migrants can become an instrument of love and a blessing to others-literally transforming themselves into modern-day Abrahams, Josephs, Jacobs and Ruths. Dr. Lee also focuses on the biblical conditions that must be realized in order for current migrants to be blessed and how a Christian migrant can successfully interact with other cultures and host nations. Several migrant-exporting nations are described including the Philippines, Africa, and Korea. Abraham was a migrant and pioneer of faith who dutifully followed the Lord's command. The blessings he received from God still to this day remain inspiration for migrants who want to make a global impact through the Gospel of Jesus Christ.

Twice Blessed-Joan Leonard 2014-11-04 Joan Leonard's Twice Blessed offers everything you need to know about having a second child--preparing yourself, your marriage, and your firstborn for a new family of four. Just when you thought you were finally adjusting to being a parent--your stretch marks have faded and you've packed away your nursing bras and maternity clothes--you decide to have a second child. And although by now you may feel like a parenting expert, the second time around brings its own set of questions, quandaries, and chaos, from tighter finances to new routines. Drawing on the expertise of pediatricians, gynecologists, and family therapists, as well as the anecdotes of mothers everywhere (tips from the trenches), this book includes both the psychological and physiological aspects of a second birth. It covers how to prepare yourself for a different pregnancy and birth, your marriage for another dramatic change, and your child for a new brother or sister. With warmth, inspiration, and humor, it looks carefully at the brand new family of four and what to expect as it evolves during the first weeks, first months, and first year.

History of Randolph County, Indiana-E. Tucker 1882

Prisoners of Tsavo-Lalchand Sharma 2019-03-13 Lalchand Sharma--on the surface--may seem like a regular man from a poor, rural area of British India. But look a little closer, and you will see someone with an indomitable spirit who refused to try saving his own life by giving false evidence during a trial near Tsavo, Kenya, against fellow Indians. This was when, partly to explain their defeat at the hands of vastly outnumbered German forces during the Africa campaign of World War I, the British made scapegoats out of innocent Indians. At the same time, the British were afraid that the Ghadar movement (an Indian freedom struggle) would spread to East Africa. In this autobiography, edited and set in its historical, geographical, and cultural context by the author's son, readers will discover the manner in which the Indian and Kenyan freedom struggles coalesced. The author also examines two paradigm shifts that played out in the cultural integration of Indians in the larger Kenya nation. Learn about a fascinating and largely ignored piece of history, and find out how the author escaped execution while others died in Prisoners of Tsavo.

Black Men and the Media-Lynwood Sims 2017-01-16 I decided to write this book because GOD has guided and blessed me with the time to do so. Because of GODS blessing, I was able to retire at the age of 49. Simply putting it, in every major decision in my life, I got down on my knees and asked GOD for guidance. I assure you that he has never let me down. Even before writing this book, I prayed for guidance and GOD told me that He blessed me with the time to write this book to be a witness for Him. I never gave up on God, even when I kept falling down. Every time, I looked up to God, prayed, and got back up. I knew that if I never give up on GOD, then he will never give up on me. With the free time I have, I am voicing my opinion on life and what I have and still is experiencing as a black man in America.

Blessed to be a Blessing-Leanne Hadley 2016-08-01 Blessed to be a Blessing: Sacred Circle Time for Young Children is designed specifically for young children using a simple-but-effective model that will move them beyond "learning about God" to "experiencing God" through ritual, wonder, story, prayer, and blessing. Dr. Leanne Hadley provides all the leadership tools as well as ideas for resources that all congregations have already on hand. Sacred Circle Time is ideal: for use in a variety of settings, including your church, preschool, daycare, special events, or even at home; to fit your schedule (either 10 to 15 minutes or 40 to 60 minutes), depending on the time you have available and the ages of the children; and because the lessons were intentionally designed to use everyday supplies rather than expecting you to buy additional materials.

A Blessed Child-Linn Ullmann 2008-08-12 A Blessed Child is a haunting parable of innocence lost from the internationally acclaimed author of Grace and Stella Descending. Every summer Isak Lövenstad gathers his three daughters by different wives to the windswept Baltic island of Hammarsö. Here Erika, Laura, and Molly find a sense of family and friendship, although nothing can match Erika's connection to the rebellious misfit Ragnar. But when an act of senseless cruelty separates them forever--and drives the sisters from the island in shame and regret--they must leave childhood and their growing relationships behind. Now, twenty-five years later, they return to visit their ailing father and confront the specter of that awful summer.

The Blessed Christian Family-Dr. Yunus Ciptawilangga 2020-05-26 As for this second book, each topic of the books explains the following matters: The Blessed Christian Family Family is a unit created by God Himself. Since the very beginning when God created man, He planned to make man as the object of His love. This book explains what kind of people are blessed with a good family and what kind of blessed family God promised. Family Worship Inviting God to be present in our homes is the core or essence of family worship which was revealed by the Lord Jesus in Matthew 18:19-20. The writer's family has been doing family worship for more than twenty-five years and he give an example of the liturgy of family worship they usually do. He also explained the blessing he and the rest of his family received because of this family worship. The Major Ministry Serving or ministering is not an unfamiliar word for God's children, and if we intend to discuss matters related to service or ministry, certainly there are many related aspects we can dig into. Therefore, this book discusses only two of them. Those are: The concept or perception of ministry. The major ministry. Blessings Since 2003 the writer has been spending time to make a study of blessings. Why? Because the writer wondered why God has been so kind and generous to him and his family. This book explained that in fact God has provided incredible blessings for us and the writer will discuss only 7 greatest blessings. What are they, and how can we get them, and where do they come from. Our Attitude in the House of God Many people assume that because we are saved by grace, we may act at will in worship. If we read Isaiah 1:10-15 we will find out that God was so angry at people who entered God's house improperly, exceeding His wrath to the idol worshippers. Why was so? Because when we enter the house of God in inappropriate manners and attitudes, we are actually insulting God as the owner of the house. And the Lord pronounces His punishment to those who insult Him. Worship the Father in Spirit and in Truth John 4:20-24 explains three types of worship, namely: Worship prior to the existence of the Law. Worship based on the Law. Worship in spirit and in truth, that is applying the Word of God in every second of our lives wherever we are. To be Children of God or Servants of God Today there are many Christian sermons and songs with the theme that "Our life is for serving God." If we read Luke 10:38-42 which tells about Maria and Marta, Jesus said that sitting at the Lord's feet and listening to His Words considered to be the best choice, because God has made us His children so as to become the object of His love! For to be near to God and keep listening to His Words will enable us to draw closer to Him and get a deeper relationship with Him, to understand His will so that we can do His will and become God-pleasing children.
