A call that began her six-figure career in higher education, and her descent into Racial Discrimination Hell. The environment she was forced to work in was so hostile she considered killing her boss, or herself, to escape the torment. After years of suffering, Ebony found courage through faith and the love of her mom, learned how to fight back through trial and error, and made the transition from racial discrimination victim to racial discrimination victor by proving the existence of systemic racism in her workplace, obtaining a six-figure settlement from her employer to buy her silence, and maintaining her employment for several more years.

Twins-Tiya Rayne 2020-11-27 Lucien Gramble I want out. Plain and simple. This life isn't the same anymore, especially now that Angel is gone. However, leaving isn't an option. Even if the Church would let me go, I'd still have my brother. Seth is a virus. One that I take partial credit for creating. I had resigned to my burden of watching over him? until I found her again. Malia Parks I'm done with relationships. I gave up in them the day my divorce was final. My new goals consist of taking care of my daughter, keeping my Grams off my back, and running my business. Then he appears, bringing along a ghost from my past. Lucien is everything a girl could ask for, but Seth is everything I didn't know I needed. Seth Gramble I want it all. My brother thinks I don't know what he's trying to do. I know everything. I also know he isn't man enough to do it. He wants a happy family, but he can't protect them. Not like I can, especially now that she's in danger. He needs me, and I need her. They say I can't have her. I'll prove them wrong.

Jaz's Warriors-Ann Mayburn 2016-02-18 Growing up in Harlem, Jaz Brooks never imagined that there would be a day where she'd have two smoking hot alien husbands, Mavet and Xentix, who worshiped her. Or that she would be living on a Kadothian spaceship stationed on one of Saturn's moons as an Earth Ambassador. And she certainly never imagined her bondmates would be encouraging her to take a third husband, but that's exactly what's happening. Tandar Glycin has been fighting the Hive in the distant Bel'Tan galaxy for so long now he'd given up hope of ever finding his Matriarch. When word reaches him that his blood brother, Mavet, has bonded an Earth female Tandar is both elated and worried. Vicious rumors abound in the Bel'Tan galaxy about how horrible Earth women are and he worries that Mavet has taken a monster as his wife. When he first meets Jaz he quickly realizes that not all of the stories are true, and that the Lord of Life has blessed him with a kind, beautiful, and feisty alyah who is going to make him work to win her heart.
