**The Pioneer Woman Cooks: Food from My Frontier (Enhanced)**-Ree Drummond 2012-03-27 The enhanced e-book edition of The Pioneer Woman Cooks: Food from My Frontier gives you behind-the-scenes access to Ree at home on her ranch. In it you'll find videos of Ree cooking a bunch of her favorite recipes, six recipes not found in the book, and Ree's list of her favorite movies and songs to cook to. I'm Pioneer Woman. And I love to cook. Once upon a time, I fell in love with a cowboy. A strapping, rugged, chaps-wearing cowboy. Then I married him, moved to his ranch, had his babies . . . and wound up loving it. Except the manure. Living in the country for more than fifteen years has taught me a handful of eternal truths: every new day is a blessing, every drop of rain is a gift . . . and nothing tastes more delicious than food you cook yourself. The Pioneer Woman Cooks: Food from My Frontier is a mouthwatering collection of the simple-but-scrumptious recipes that rotate through my kitchen on a regular basis, including Cowgirl Quiche, Sloppy Joes, Italian Meatball Soup, White Chicken Enchiladas, and a spicy Carnitas Pizza that'll win you over for life. There are also some elegant offerings for more special occasions at your house: Osso Buco, Honey-Plum-Soy Chicken, and Rib-Eye Steak with an irresistible Onion-Blue Cheese Sauce. And the decadent assortment of desserts, including Blackberry Chip Ice Cream, Apple Dumplings, and Coffee Cream Cake, will make your heart go pitter-pat in the most wonderful way. In addition to detailed step-by-step photographs, all the recipes in this book have one other important quality in common: They're guaranteed to make your kids, sweetheart, dinner guests, in-laws, friends, cousins, or resident cowboys smile, sigh, and beg for seconds. (And hug you and kiss you and be devoted to you for life.) I hope you enjoy, devour, and love this book. I sure did love making it for you.

**Home Cooking with Trisha Yearwood**-Trisha Yearwood 2011-07-27 Country music star and bestselling cookbook author Trisha Yearwood, host of Food Network’s Trisha’s Southern Kitchen, is back with an encore of recipes that once again share her family traditions and warm home-grown cooking style. In her debut cookbook, Georgia Cooking in an Oklahoma Kitchen, Trisha proved that there’s much more to her than an award-winning country music career, as she welcomed us into her kitchen and served up a feast of flavorful meals and heartwarming personal anecdotes. Now, in Cooking for Family and Friends, Trisha opens her life and her kitchen once more with a trove of recipes from a lifetime of potlucks and colorful gatherings. Trisha has that southern hospitality gene and she’s a big believer that cooking for someone else is an act of love. From breakfasts in bed to hearty casseroles and festive holiday meals, Trisha’s delicious recipes are dedicated to her loved ones, including her husband Garth Brooks (who’s her number one cooking fan and the contributor of a few knockout recipes of his own). Trisha knows how good it feels to bring something to the table. It brings everyone closer together if they’ve had a hand in preparing a meal. These recipes all come with memories attached—of potlucks with good friends, church suppers, family fish fries, and beach picnics, Mother’s Day, and Christmas gatherings. Many are handed down from her mother, her aunts and cousins, or longtime friends, while others are her own contemporary improvisations on classic southern fare. Each one—whether a main dish, a tasty side, or a decadent dessert—comes with a heartwarming story from Trisha’s life that may remind you of some of your own favorite family foods, or inspire you to create new traditions. You don’t have to be a southerner to enjoy Yearwood family specialties such as: • Hot Corn Dip • Cornbread Salad with French Dressing • Baked Bean Casserole • Jambalaya • Pumpkin Roll • Old Fashioned Strawberry Shortcake Plus, Trisha (and her sister and mother) offer up loads of practical advice, on everything from easily icing a cake to cutting a slice of pie, time-saving tips; and ingredient substitutions. With full-color photographs taken at Trisha’s home, this soulful and sincere testament to a southern life well-lived will delight both country music fans and home cooks everywhere.

**Polarized Light and Polarization Vision in Animal Sciences**-Gábor Horváth 2014-10-30 This book covers advances made since the 2004 Springer volume “Polarized Light in Animal Vision” edited by Horvath and Varju, but also provides reviews and synopses of some areas. Part I examines polarization sensitivity across many animal taxa including vertebrates and invertebrates and details both terrestrial and aquatic life. Part II is devoted to the description of polarized light in nature and explores how the physics of light must be taken into account when understanding how polarized light is detected by the visual system. This includes underwater polarization due to scattering; polarization patterns reflected from freshwater bodies; polarization characteristics of forest canopies; normal and anomalous polarization patterns of the skies; skylight polarization transmitted through Snell’s window and both linearly and circularly polarized signals produced by terrestrial and aquatic animals. This Part also examines polarized “light pollution” induced by anthropogenic factors such as reflection off asphalt surfaces, glass panes, car bodies, and other man-made structures that are now known to form ecological traps for polarotactic insects. Part III surveys some of the practical applications of polarization vision including polarization-based traps for biting insects, ground-based polarimetric cloud detectors and an historical examination of the navigational abilities of Viking seafarers using the sky polarization compass. The deterrent qualities of ungulate pelage to polarization-sensitive biting insects is also examined in this section.
