

Blood Rose English Edition

Blood Roses-Lindsay J. Pryor 2013-04-23 “She was supposed to kill vampires, not save them. Those were the rules. That was the lore.” A rare and powerful witch whose blood is lethal to vampires, Leila has always viewed her seryn abilities as a curse. After seeing her mother slaughtered as a child, Leila longs for a safe, quiet life. That wish is shattered by Caleb Dehain – a vampire with a dark past and a darker heart. The most feared seryn hunter of his generation, Caleb now needs the help of one of the witches he despises to save his dying brother. A seryn who has no reason to help him. Except that he has her sister. Caleb and Leila are each other’s worst nightmare – but the slow-burning spark of attraction between them is undeniable. Will Leila’s blood be his damnation? Or could her kiss be his salvation? Combining sizzling passion and dark, sinfully seductive vampire heroes, Lindsay J. Pryor’s writing is an exciting new find for those who love paranormal romance and urban fantasy. If you’re a fan of J.R Ward, Sherrilyn Kenyon, Lara Adrian, Jeaniene Frost, Kelley Armstrong, Christine Feehan or Kresley Cole then you’ll love Lindsay J. Pryor’s books too. The Blackthorn series reading order: 1.BLOOD SHADOWS 2.BLOOD ROSES 3.BLOOD TORN 4.BLOOD DEEP 5.BLOOD DARK 6. BLOOD INSTINCT 7. BLOOD BOUND What readers are saying about Blood Roses 'Blood Roses was an awesome continuation of the Blackthorn series. Not only are Pryor’s characters and fathomlessly dark love stories fabulous, but her continual world building of Blackthorn blows me away. Blood Roses is a highly recommended read! Gravetells.com ‘It pulls no punches, its heroes are on the edge, and its sex scenes are off the charts.’ Thedemonlibrarian.com ‘I felt as much a part of the emotional rollercoaster the characters themselves. Needless to say, I devoured the book in a single sitting! After reading the first two books of the Blackthorn series I am definitely on the Lindsay Pryor fan bandwagon!’ VampireRomanceBooks.com ‘This is a deliciously dark book. This isn't your typical happily ever after story, and I think that's what drew me to the series in the first place. This is the second book I've read, and I honestly think it's better than the first.’ RomFan Reviews

Thorns of the Blood Rose-Victor H. Anderson 2003-10-01 Winner of the 1975 Clover International Poetry Competition Award, this collection of ritual and love poetry of witchcraft has been hailed as a classic of neo-Pagan literature.

Blood Rose Rebellion-Rosalyn Eves 2017-03-28 "A magical tale unlike anything you've read before." —Bustle "[A] richly imagined 19th-century historical fantasy." —EW, A- The thrilling first book in a YA fantasy trilogy for fans of Red Queen. In a world where social prestige derives from a trifecta of blood, money, and magic, one girl has the ability to break the spell that holds the social order in place. Sixteen-year-old Anna Arden is barred from society by a defect of blood. Though her family is part of the Luminare, powerful users of magic, she is Barren, unable to perform the simplest spells. Anna would do anything to belong. But her fate takes another course when, after inadvertently breaking her sister’s debutante spell—an important chance for a highborn young woman to show her prowess with magic—Anna finds herself exiled to her family’s once powerful but now crumbling native Hungary. Her life might well be over. In Hungary, Anna discovers that nothing is quite as it seems. Not the people around her, from her aloof cousin Noémi to the fierce and handsome Romani Gábor. Not the society she’s known all her life, for discontent with the Luminare is sweeping the land. And not her lack of magic. Isolated from the only world she cares about, Anna still can’t seem to stop herself from breaking spells. As rebellion spreads across the region, Anna’s unique ability becomes the catalyst everyone is seeking. In the company of nobles, revolutionaries, and Romani, Anna must choose: deny her unique power and cling to the life she’s always wanted, or embrace her ability and change that world forever. “A fast-paced historical fantasy full of magic, romance, and adventure!”—JESSICA DAY GEORGE, New York Times bestselling author of Silver in the Blood

Bloodrose-Andrea R. Cremer 2012 Calla Tor, the alpha member of her shapeshifting wolf pack, must decide if her illicit love for the human Shay is worth the ultimate sacrifice.

Blood and Roses-Mark Dawson 2015-07-14 Beatrix Rose has worked her way through her Kill List. Four are dead and just two remain. Her enemies know she s coming. The hunter becomes the hunted. In a thrilling conclusion to the breakneck trilogy, Beatrix and her daughter must fight them in North Africa, New York, and finally the swamps of North Carolina. It s a lightning-paced roller-coaster of action that pits a deadly assassin against the might of the most powerful private army on the planet. It s long odds for Beatrix. And that s just how she likes it."

Blood of the Rose-Kate Pearce 2011-02-01 When vampire slayer Rosalind Llewellyn had to join forces with her enemy Christopher Ellis to defeat a rogue vampire threatening Henry VIII, their alliance led to a surprising passion. Reunited after a year's separation, they now face a new threat that could destroy their last chance at happiness.

Winter War Awakening (Blood Rose Rebellion, Book 3)-Rosalyn Eves 2019-03-19 "Prepare to be spellbound" in this fast-paced and action-packed final installment of the Blood Rose Rebellion trilogy, perfect for fans of Six of Crows. The Binding is broken. Mátyás is alive. And Anna Arden is on the run. It seems, yet again, that breaking the Binding has shattered the world. And the only hope of mending it is Anna and Mátyás, working together. But it's never that simple, is it? The praetheria, the creatures once held captive by the spell, are now waging war against the Austro-Hungarian empire. And they are holding Noémi hostage--using her life to manipulate Anna and Mátyás, like marionettes on a string. Gábor has elected to stay behind, to fight in the Hungarian army's resistance, while Anna and Mátyás search for their beloved Noémi--a mission doomed from the start, cloaked in praetherian magic. Magic that relies on illusion and misdirection. Eventually, there's only one way to save her: to split up. And to walk right into the lion's den. When everyone thinks they're fighting each other for the same thing--freedom--can anyone truly win?

Bloody Rose-Nicholas Eames 2018-08-28 A band of fabled mercenaries tour a wild fantasy landscape, battling monsters in arenas in front of thousands of adoring fans. But, a secret and dangerous gig ushers them to the frozen north, and the band is never one to waste a shot at glory. Live fast, die young. Tam Hashford is tired of working at her local pub, slinging drinks for world-famous mercenaries and listening to the bards sing of adventure and glory in the world beyond her sleepy hometown. When the biggest mercenary band of all, led by the infamous Bloody Rose, rolls into town, Tam jumps at the chance to sign on as their bard. It's adventure she wants - and adventure she gets as the crew embark on a quest that will end in one of two ways: glory or death. It's time to take a walk on the wyld side. "Humorous twists and pulse-ratcheting action abound in Bloody Rose, but its Eames' knack for heart-wrenching poignancy that makes his warm, wonderful fantasy so harmonious." - NPR For more from Nicholas Eames, check out: Kings of the Wyld

Blood Rose-Sharon Page 2007-08-01 Rare Breed Serena Lark's erotic dreams of vampires are so vivid, so intense. . .could she be one? Drake Swift and Lord Sommersby, two daring vampire hunters, might know the truth about her past--and her future. The trio searches the dark streets of London for answers. She cannot say no when Sommersby and Drake introduce her to another existence entirely, one in which only extraordinary sensual pleasure matters--and Serena opens herself up to compelling desire. . . "Wickedly sensual and exquisitely drawn. Historical erotic romance doesn't get any better than this."--Kate Douglas, author of Wolf Tales Praise on Blood Red "Sharon Page blends history, emotion and hot, hot, hot sex within an amazing love story."--Kathryn Smith bestselling author of Be Mine Tonight on Blood Red "Strong, character-driven romance. . .extremely sensual and erotic." --Romantic Times (4 star review) on Sin "Page's story is sensual and sensitive." -Romantic Times on Wild Nights

Blood Red Rose-Fawn Bailey 2018-02-24 Fall in love with the world of deep, dark secrets and sexy bad men who know exactly what they want and aren't afraid to take it. I'm a powerful man. Rich, handsome. There are others like me, and we all have one thing in common. One thing we like. Submission. I want you on your knees and asking for more. I have a set of rules. They are there for a reason - to protect us both. I don't break them. Until her. Harlow Granger makes me break every. Single. One. She is an obsession I can't shake. An itch I can't scratch. And finally, a pretty captive I can't resist. Meet your new owner, little rose. Unlike the other jerks you would have met if I hadn't kidnapped you... I'll make you mine forever. Fawn Bailey is the pen name of USA Today bestselling author Isabella Starling. Blood Red Rose is the first book in the Rose and Thorn trilogy.

The Blood & Roses Series-Callie Hart 2015-08 Zeth Mayfair's never been troubled by morals before. As one of Seattle's most dangerous, feared men, he's always carried out the jobs he's sent on without a second thought. Drugs? Guns? Dirty money? They're all fair game. But girls? Girls are another matter entirely. When Zeth's employer decides buying and selling kidnapped women is a lucrative sideline, Zeth's usually uncomplicated life suddenly becomes very complicated indeed. And his biggest complication goes by the name of Sloane Romera. As a trauma doctor at St. Peter's Hospital, Sloane's finger is hardly on the pulse of Seattle's underground crime scene. Her sister is missing and she needs to find her, yet all doors leading into the seedy world of human trafficking are firmly closed in Sloane's face. She needs information. What she really needs is help...and help presents itself in the most unlikely of forms. Zeth Mayfair is terrifying, scandalously hot, and comes fully loaded with a terrible attitude and wicked smile. He also looks like he's Sloane's only hope. Can she work with the guy without getting herself killed, losing her job, or falling head over heels in love? What happens in the dark never stays in the dark.

Blood and Roses-Helen Castor 2007-04-03 The Wars of the Roses tore England asunder. Over the course of thirty years, four kings lost their thrones, countless men lost their lives on the battlefield or their heads on the block, and others found themselves suddenly flush with gold. Yet until now, little has been written about the ordinary people who lived through this extraordinary time. Blood and Roses is a gripping, intimate story of one determined family conducting everyday business against the backdrop of a disintegrating society and savage civil war. Drawing on a rare trove of letters discovered in a tumbledown stately home, historian Helen Castor reconstructs the turbulent affairs of the Pastons through three generations of births, marriages, and deaths as they single-mindedly worked their way up from farmers to landed gentry. It is a remarkable chronicle of devotion, ambition, and survival that brings a remote and hazy era to vibrant new life.

Pieces of Sky-Kaki Warner 2010-01-05 A woman with no one to rely on finds a man she can trust with her heart in the first “flawlessly written”(Chicago Tribune) western romance in Kaki Warner’s Blood Rose Trilogy... Jessica Thornton is a long way from her native England. An authoress and milliner, she carries the weight of a scandalous secret—a horrible shame that has brought her to the West on a desperate search for the only family she can trust: her brother. No one prepared Jessica for the heat and the hardships—or for a man like Brady Wilkins. Despite the rancher’s rough-hewn appearance and her own misgivings, Jessica must put her life in Brady’s hands after their stagecoach crashes. Soon, she begins to see the man behind the callused hands and caustic wit—a man strong enough to carve out a home in the wilderness and passionate enough to restore Jessica’s faith in herself..

Blood Roses-Francesca Lia Block 2008-06-01 Presents a collection of nine short stories about transformation, including a girl who awakens with tattoos all over body when she falls in love and another who turns into a giant after feeling strange within her own skin.

The Gumshoe-Richard Rose 2017-02-13 Chicago, 1947. Private investigator "Matt" McBride runs afoul of corrupt politicians, vicious mobsters and a trigger-happy Texan femme fatale to prove that the "suicide" of his best friend was murder. Matt's perilous journey to track down the killer nearly dead-ends in a motor home on collision course with a cargo plane.

Open Country-Kaki Warner 2010-06-01 Love, lies, and the perils of passion unfold in the second western romance in Kaki Warner's Blood Rose Trilogy... Hank Wilkins doesn't remember the train wreck that he barely survived—and he certainly doesn't remember getting married. Still, honor demands he take Molly McFarlane and her niece and nephew home to his ranch in New Mexico Territory, where his new wife is quickly caught up in the boisterous Wilkins family. Caught in a desperate situation, Molly told a lie to ensure the futures of her sister's children—children she knows little about caring for. She knows even less about caring for a man, especially silent, brooding types like Hank. But even as Molly and Hank discover each other, the spectre of the truth of Molly's past threatens to tear their newly formed family apart...

Bloodmagic-Helen Harper 2013-07-25 After escaping the claws of Corrigan, the Lord Alpha of the Brethren, Mack is trying to lead a quiet lonely life in Inverness in rural Scotland, away from anyone who might happen to be a shapeshifter. However, when she lands a job at an old bookstore owned by a mysterious elderly woman who not only has a familiar passion for herbal lore but also seems to know more than she should, Mack ends up caught in a maelstrom between the Ministry of Mages, the Fae and the Brethren. Now she has to decide between staying hidden and facing the music, as well as confronting her real feelings for the green eyed power of Corrigan himself. This is the second book in the popular urban fantasy series, Blood Destiny.

Blood Red Roses-Veronica Fiorato 2007 Even ten years after the excavation, the Towton project is still unique since no other mass grave from a known battle has yet been found in the UK. Blood Red Roses, second edition describes a multidisciplinary project involving weapons experts from the Royal Armouries, anthropologists, archaeologists and a geophysicist who were involved in the excavation and post-excavation analysis of 37 combatants brutally killed at the Battle of Towton in AD 1461. Almost all of them had suffered major head injuries and these have been analysed with techniques used by forensic anthropologists to document the injuries of modern murder victims. The wound signatures were then compared with the profiles of weapons dating to the fifteenth century. The second edition is designed to make this volume available to a new generation of researchers. With this purpose in mind, an additional chapter has been added which is aimed at medieval re-enactors and history teachers, among others. These are the two groups of people who found the first edition so useful for authenticating the types of weapon and armour employed during the Wars of the Roses. Additional colour illustrations have also been added which show the full horror of the injuries sustained by these unfortunate victims of the battle.

How John Wrote the Book of Revelation: From Concept to Publication-Kim Mark Lewis 2015-11-22 How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

The Book of the Animals - Episode 6 (Bilingual English-Spanish)-J.N. PAQUET 2013-11-11 NEW EDITION!!Well... it seems that these animals don't want to take their medicine! But step by step, each one discovers that taking medicine is very important for the animals, as well as for the children!A funny way to learn and a funny way to teach. As everyone knows how difficult it can be to explain to young children how important it is to take medicine.....THE BOOK OF THE ANIMALS:FUN LEARNING FOR CHILDREN AND PARENTSWhat are certainly the most occurring moments in a parent's life? When their child doesn't want to wash, eat, sleep, go to school, share, take medicine, get vaccinated... And what can a parent answer to these refusals?The successful "Book of The Animals" bilingual children's books series was created with the aim to help both parents and children to discover the benefits of washing, eating, sleeping, going to school, sharing, taking medicine, getting vaccinated... in a fun as well as educational manner. Since the books are also bilingual, parents will enjoy the teaching and the interactivity they can gain from reading them with their children.THE AUDIENCEThe books are geared towards children aged 2-5, before elementary/primary school.They will likely be bilingual children whose parents want to encourage the learning of their two current languages.They will also be children whose parents want to teach a language at a young age.Some teachers have also been using the books of the series as a way to teach a second language to children, with themes easy for them to both understand and memorise.THE CURRENT BOOKSThere are currently seven books in the series.Each episode brings on new animals, new words, new situations and new stories.- Ep.1. "These Animals... Don't Want to Wash!" (2008)- Ep.2. "These Animals... Don't Want to Eat!" (2009)- Ep.3. "These Animals... Don't Want to Sleep!" (2010)- Ep.4. "These Animals... Don't Want to Go to School!" (2011)- Ep.5. "These Animals... Don't Want to Share!" (2011)- Ep.6. "These Animals... Don't Want to Take their Medicine!" (2012)- Ep.7. "These Animals... Don't Want to Get Vaccinated!" (2012)The books are all available in either bilingual or monolingual versions:- Bilingual versions: English-French, English-Portuguese, English-Italian, English-Spanish, English-Swedish, English-Creole, English-Japanese...More versions still to come!Check out the official website: www.TheBookOfTheAnimals.comREVIEW"The Book of the Animals is a planned series of illustrated books for young children. [...] These delightful books tell the story of what happens when the animals in the stories, like many young children, don't want to eat and don't want to wash...The books are very suitable both for reading to young children and for older children to use to learn to read in both languages. They might even persuade them to wash and eat their dinner!The repetitive structure is supportive of children learning new words and the illustrations work well alongside the text to help understanding of unfamiliar words.I can easily imagine young children demanding repeat readings and enjoying learning the text by heart as many children do with favourite stories. Children learning to make up and write their own stories might well want to write a personalised version, using the structure as a prop.I think the stories would work well both in the home and in the classroom."(Review published in The Cass School of Education, by Dr Raymonde Sneddon, Research Fellow for "The Cass School of Education" at the University of East London, and Honorary Research Fellow of Birkbeck College, in the Department of Applied Linguistics)SUPPORT"The Book of The Animals' series is supported & recommended by ABRIR UK, a Brazilian Association for Educational Projects in the United Kingdom. www.Abrir.org.ukOfficial website: TheBookOfTheAnimals.com

Lost Crow Conspiracy (Blood Rose Rebellion, Book 2)-Rosalyn Eves 2018-03-27 Lost Crow Conspiracy is the dark, dazzling, action-packed sequel to Anna Arden's explosive societal debut in YA fantasy trilogy Blood Rose Rebellion. Sixteen-year old Anna Arden was once just the magically barren girl from an elite Luminare family. Now she has broken the Binding--and Praetheria, the creatures held captive by the spell, wreak havoc across Europe. Lower-class citizens have access to magic for the first time, while other Luminates lose theirs forever. Austria and Hungary are at odds once more. Anna Arden did not know breaking the Binding would break the world. Anna thought the Praetheria were on her side, content and grateful to be free from the Binding. She thought her cousin Matyas's blood sacrifice to the disarm the spell would bring peace, equality, justice. She thought her future looked like a society that would let her love a Romani boy, Gabor. But with the Monarchy breathing down her neck and the Praetheria intimidating her at every turn, it seems the conspiracies have only just begun. As threat of war sweeps the region, Anna quickly discovers she can't solve everything on her own. Now there's only one other person who might be able to save the country before war breaks out. The one person Anna was sure she'd never see again. A bandit. A fellow outlaw. A man known as the King of Crows. Matyas.

Lily's Payback-Andy Rose 2012-11-01 Imagine four schoolteachers in a romantic thriller. At her twin brother's funeral, Lily touches his casket, whispering a Scottish blood oath: "If your killers were from the Diabhail, then they should know that I'll be a Deamhan and will pursue them until your soul is avenged." A middle school science teacher, Lily involves three teacher colleagues to help her avenge the murder. They risk all in their pursuit, hitting dead ends while confronting the police, the FBI, local mobsters, and even the CIA. Their illusive target is Zakov, a legendary assassin for the Russian Mafiya who has more than 200 kills. They accept help from unsavory characters, seeking anyone to take on Zakov. Can Lily find justice? Will a new love help or hinder her quest? Can the teachers write a lesson plan to overcome the ruthless killer? Will Lily find intimacy and redemption on her journey?

In Cold Blood-Mark Dawson 2015-07-14 Beatrix Rose was the most dangerous assassin in an off-the-books government kill squad until her former boss betrayed her, her husband was gunned down, and her daughter kidnapped. A decade later, Beatrix emerges from the Hong Kong underworld with payback on her mind. It's a blood feud she didn't start but she is going to finish. There are six names on her Kill List. With one already crossed off, Beatrix sets out to find her second target, a mercenary being held hostage by Somali terrorists. Can she infiltrate the most dangerous failed state on the planet and scrub him off the List, too? Packed with explosive action and page-turning suspense, In Cold Blood is the first novel in Mark Dawson's bestselling Beatrix Rose series.

Roses and Black Glass-Lani Lenore 2013-12-02 Cinderella - The story is always the same: a girl - hated and abused by her step-family - meets her prince at a ball. There is involvement with a glass shoe, a bit of magic, and in the end, they all live happily ever after. You've heard it before - but you've never heard it like this: In early America, at a time when dealings with dead bodies is considered taboo, Cindy's father is a mortician. She, for one, is fascinated by the controversial work, until her mother dies and her father marries Anna van Burren, who brings two new sisters into the family. Cindy's misery only grows from there. Following her father's untimely death, Cindy's life spirals into darkness as she is forced to become a servant in her own home, to wait on her hated siblings and stepmother. She has become so sequestered that she can't even let the one man she continues to think about know that she is alive. She met him once in the mortuary years ago - a handsome, curious boy who had been a surprise to her - until she'd discovered who he was. Now a man, Christian is a perfect specimen, and also the object of her step-sisters' affections. According to a stipulation of his inheritance, he must marry before age twenty-one. That day is fast approaching. Any hope Cindy had of seeing him again - or of salvaging anything that should have been left of her life - seems lost. Cindy's world is filled with misfortune. She believes she must be cursed. It takes the appearance of a strange woman who brings a wicked prophecy before Cindy can see how blessed she could become - and to see what sacrifices were made to give her hope once again.

Ghost of a Rose-Steven K. Craig 2012-11-27 Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the first romance of it's kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place. Through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie Perez

Guns of Ava-Brenda Rose Womble 2016-11-05 This story, based on Ken Dula's true life experiences, travels from the foothills of Lenoir, North Carolina to the treacherous war-torn jungles of South Vietnam where his survival was sustained purely by his love for Ava. Bravery in the war earns him the Purple Heart and Bronze Star, but his endurance afterwards saves his life. Guns of Ava is a vivid depiction of love and war that shows the fragility of mankind, the effects of PTSD, and the incredible resilience of the heart.

Blood Rose Rebellion-Rosalyn Eves 2017-03-28 The thrilling first book in a YA fantasy trilogy for fans of Red Queen. In a world where social prestige derives from a trifecta of blood, money, and magic, one girl has the ability to break the spell that holds the social order in place. Sixteen-year-old Anna Arden is barred from society by a defect of blood. Though her family is part of the Luminare, powerful users of magic, she is Barren, unable to perform the simplest spells. Anna would do anything to belong. But her fate takes another course when, after inadvertently breaking her sister's debutante spell--an important chance for a highborn young woman to show her prowess with magic--Anna finds herself exiled to her family's once powerful but now crumbling native Hungary. Her life might well be over. In Hungary, Anna discovers that nothing is quite as it seems. Not the people around her, from her aloof cousin Noémi to the fierce and handsome gypsy Gábor. Not the society she's known all her life, for discontent with the Luminare is sweeping the land. And not her lack of magic. Isolated from the only world she cares about, Anna still can't seem to stop herself from breaking spells. As rebellion spreads across the region, Anna's unique ability becomes the catalyst everyone is seeking. In the company of nobles, revolutionaries, and gypsies, Anna must choose: deny her unique power and cling to the life she's always wanted, or embrace her ability and change that world forever. From the Hardcover edition.

Toker's Blood-Jennifer Jones 2014-09-29 On Friday nights at Hilda's Drive-In, teenagers Burt Carron and his buddies dance all too closely with their dates to the stimulating "Motown" beat of the sixties. Then on Saturday nights they guzzle beer and burn rubber around town in their muscle cars. There is no police intervention. Instead, the small town chief, Chief Larry Spivey, looks the other way. For years Oak Bottom, Alabama has been a small Southern town most citizens believe insulated from big city crime, even as it grew around them amidst the culture-changing decade of the 1960s. But neither Chief Spivey or the citizens of Oak Bottom can hide their heads in the sand any longer after one of the young men disappears and one crime after another leads everyone to the adder in their midst. Toker's Blood is a glimpse of a last fleeting decade of innocence when ignorance was bliss, even as rock'n roll was cool. Nonetheless, the enlightenment of youth to the illusions around them is quickened by the dark side of a rising drug culture in small town U.S.A.
