## Notary Basics: Understanding Apostilles And Authentication

Jul 30, 2015 · Updated 9-8-20. Notarizing documents that will be sent to other countries requires an apostille or authentication; but it's up to your signer to request one, not you.. An apostille is a certificate — often attached to the document by an appropriate government official after it is notarized. While you are not responsible for obtaining an apostille, signers often ask about them, so it's
