The Least Likely. Memoirs of Judge Michael Ryan... from the Housing Projects to the Courthouse-Michael John Ryan 2016-05-09 This book was written to inspire anyone who has dealt with poverty, domestic violence, drug addiction, instability, foster care, hopelessness and death. It was also written to motivate people to reach their full potential who have experienced the latter mentioned things as well those who haven't endured the tragedies that befell this young man. This book could easily have been titled "No Excuses" because despite all the challenges this young man faced he rose from the Housing Projects to the Court House and gives a blueprint of how you can rise above expectations too!

God's Diva Jael Study Book-Sahara Bowser 2017-03-19 It's not WHO Jael was that makes her special but WHAT she did for God. What Jael did was she heard God's call and faithfully obeyed. What Jael did was not self-serving, but was God's bidding. What Jael did was exactly what God planned for her, and she did to the best of her feminine ability. How ironic that God choose a gentile woman, whose ancestors worshipped idols, for such a major task. What message do we see in this story? It shows us that God does not view us as saved or unsaved. Jael was neither Israelite nor male but God used her anyway. God used her in a way that requires the faith of a Christian and the courage of a male, yet she was neither. God used the least and less likely one in the village. She was a nomad, the one that did not belong.

Sorcerers Prayer-Luigi N. Spring 2017-01-10 A Hawaiian judge is in the throes of manic depression due to the tragic loss of his pregnant wife and supposed unborn child. He tries anything to get over his despondency-even opium. The judge then finds out about a fountain of youth located in a church basement on the Big Island of Hawaii. Once he drinks of the precious blood, he becomes seemingly immortal. However, one drink of eternity is insufficient-periodic boosters are required for the immortality to be permanent. The judge will do anything to protect his font of eternal existence, even by coercing his pastoral flock-who call him the Prophet-to bludgeon law officers that attempt to interfere with their perpetual salvation. Years later, after a successful prison break, the judge makes fast friends with the King of Hawaii. They smoke opium while sitting in the royal thrones, tour the catacombs and tunnel systems below the palace-containing treasures and amazing historical artifacts-and then sail over to the island of Molokai where the judge is conferred into the realm of Hawaiian sorcery. He acquires numerous magical powers, which include the ability to slay his adversaries by the power of prayer alone. The judge later attends a Hawaiian secret society meeting-at the royal palace-which is sanctioned by the Freemasons. Later that evening, while taking part in an adult parlor game-which incorporates a ball of Hawaiian twine-a vivacious lady in red nearly debilitates the judge for all eternity. About one hundred and fifty years later, the man-who is now known as The Judge-is exacting revenge on the jezebel's great-grandchildren. He employs the aid of a computer hacker to stalk the woman's present day descendants; The Judge then conducts their eternal souls-via ancient ceremonies-up river to the home of the Hawaiian gods. A homicide detective calls in a professor of Hawaiian anthropology in an attempt to decipher the ritualistic clues at the murder scene; soon afterwards, the expert and his family become the hunted. As they perish, one by one, the professor is goaded into facing The Judge in a midnight showdown at the vacant royal palace.

The Forgotten Planet-Murray Leinster 2018-02-24 Beneath dense gray clouds through which no sun shone lay a forgotten planet. It was a nightmare world of grotesque and terrifying animal-plant life. Gigantic beetles, spiders, bugs and ants filled the putrid, musty earth - ready to kill and devour anything in sight. There were men amidst this horror - men who cringed and ran from the ravening monsters and huddled in the mushroom forests at night. Burl was one of these creatures. But one day inspiration hit Burl. He would find a weapon - he would fight back. And with this idea the first step was taken in man's most desperate flight for freedom in this most horrible of all worlds. But it was only a first step.
