Blindfold-Theo Padnos 2021-02-16 An award-winning journalist’s extraordinary account of being kidnapped and tortured in Syria by al Qaeda for two years—a revelatory memoir about war, human nature, and endurance that’s “the best of the genre, profound, poetic, and sorrowful” (The Atlantic). In 2012, American journalist Theo Padnos, fluent in Arabic, Russian, German, and French, traveled to a Turkish border town to write and report on the Syrian civil war. One afternoon in October, while walking through an olive grove, he met three young Syrians—who turned out to be al Qaeda operatives—and they captured him and kept him prisoner for nearly two years. On his first day, in the first of many prisons, Padnos was given a blindfold—a grime-stained scrap of fabric—that was his only possession throughout his horrific ordeal. Now, Padnos recounts his time in captivity in Syria, where he was frequently tortured at the hands of the al Qaeda affiliate, Jebhat al Nusra. We learn not only about Padnos’s harrowing experience, but we also get a firsthand account of life in a Syrian village, the nature of Islamic prisons, how captors interrogate someone suspected of being CIA, the ways that Islamic fighters shift identities and drift back and forth through the veil of Western civilization, and much more. No other journalist has lived among terrorists for as long as Theo has—and survived. As a resident of thirteen separate prisons in every part of rebel-occupied Syria, Theo witnessed a society adrift amid a steady stream of bombings, executions, torture, prayer, fasting, and exhibitions, all staged by the terrorists. Living within this tide of violence changed not only his personal identity but also profoundly altered his understanding of how to live. Offering fascinating, unprecedented insight into the state of Syria today, Blindfold is “a triumph of the human spirit” (The New York Times Book Review)—combining the emotional power of a captive’s memoir with a journalist’s account of a culture and a nation in conflict that is as urgent and important as ever.

Blindfolded English Edition

Blindfold and Alone-John Hughes-Wilson 2015-10-29 Three hundred and fifty-one men were executed by British Army firing squads between September 1914 and November 1920. By far the greatest number, 266 were shot for desertion in the face of the enemy. The executions continue to haunt the history of the war, with talk today of shell shock and posthumous pardons. Using material released from the Public Records Office and other sources, the authors reveal what really happened and place the story of these executions firmly in the context of the military, social and medical context of the period.

Blindfold Chess-Eliot Hearst 2009-04-03 For centuries, blindfold chess—the art of playing without sight of the board or pieces—has produced some of the greatest feats of human memory, progressing to the extent that the world record in 2009 was 45 [and is now 46] simultaneous blindfold games. This work describes the personalities and achievements of some of blindfold chess’s greatest players—including Philidor, Morphy, Blackburne, Zukertort, Pillsbury, Reti, Alekhine, Koltanowski, Najdorf and Fine, as well as present-day grandmasters such as Anand and Kramnik. Including some never before published, 444 games scores are presented, peppered with diagrams and annotations. Hints for playing blindfold, and its practical value, are also included.

The Blindfold-Siri Hustvedt 2017-05-02 From the author of The Blazing World, “a work of dizzying intensity...eloquent and vivid” (Don DeLillo), about a young Midwestern woman who finds herself entangled in intense circumstances—physical, cerebral, and existential—when she moves to New York City. Iris Vegan, a young, impoverished graduate student from the Midwest, finds herself entangled with four powerful but threatening characters as she tries to adjust to life in New York City. Mr. Morning, an inscrutable urban recluse, employs Iris to tape-record verbal descriptions of objects that belonged to a murder victim. George, a photographer, takes an eerie portrait of Iris, which then acquires a strong life of its own, appearing and disappearing without warning around the city. After a series of blinding migraines, Iris ends up in a hospital room with Mrs. O., a woman who has lost her mind and memory to a stroke, but who nevertheless retains both the strength and energy to torment her fellow patient. And finally, there is Professor Rose, Iris’s teacher and eventually her lover. While working with him on the translation of a German novella called The Brutal Boy, she discovers in its protagonist, Klaus, a vehicle for her own transformation and ventures out into the city again—this time dressed as a man.

Blindfolded Innocence-Alessandra Torre 2017-06-12 "I'm not sure what you have been told about me, but I'm not nearly as bad as they make me out to be." His deliciously deep voice carried a little bit of ego. I'm sure you are exactly as bad as they make you out to be.... Brad De Luca is used to getting whatever and whomever he wants. The premier divorce attorney in town, he's a playboy who's bedded half the city—including his own clients. And when the newest intern at his firm poses a challenge, his seductive prowess goes into overdrive. Pre-law student Julia Campbell is fresh off a failed engagement and happy with her new independence. Even if she weren't warned away from Brad at every turn, she'd know he was bad news. The last thing she needs is a man who could destroy her job prospects, not to mention her innocence. But before she knows it, the incorrigible charmer has her under his spell. His deviant tastes plunge her deep into a forbidden world of sexual exploration...but her heart may not survive the fall.

Driving Blindfolded-Amy Ry 2016-10-27 Driving Blindfolded carries the reader through thirty-five years of Amy’s experiences with Bipolar Illness. It follows the author’s countless euphoric manic escapades and sleep-filled deep depressions. Amy does not hold back in confessing her erratic thought process. She considers her brain to be fragile and conflicted. Missing one dose of five nightly medications or even a hopeful sunshine filled day can send Amy into mania. Many of the years recorded were chronicled from journals. A few haphazard vacations are also relived. The author’s poetry is recorded throughout. Driving Blindfolded may be suspenseful at times and sad at others. The reader will get an inside view of the writer’s brain and learn all of the demented visions, the anxiety, and the pure craziness of this never ending illness. Through the years Amy has managed working part time, volunteering at soup kitchens and shelters, raising a family, and staying married to her husband, Kraig. If you met Amy you would not know she suffers from mental illness.

Blindfolded Sight and Chi Generation-Robert John Smith, III 2020-12-15 We can teach the blind to see. Your third eye and sixth sense are very real. In Indonesia, they released a system that rehabilitates the blind. Not only in Indonesia but all around the world people are rediscovering what may very well be the origin of all religions. You can look through time and get the right answer to any question. You can access any information off of any storage device. You can teach others skills that develop their intuition, inner energy, and internal sight. This book is meant to preserve and share sacred and hidden knowledge that can truly change the world as we know it. This is the greatest and most pertinent thing that we should be focusing on. Life as we know it is far more magical than we thought. I will teach you everrything you need to know to learn to see without your eyes and prove that the laws of physics may not be as complete as we thought. We will be going over important topics like breathwork, meditation, chakras, inner energy, and the science behind it all. In this book, we go over the meaning of life as described in the Tree of life. We talk about real Enlightened Masters who have conquered death and transcended into an eternal life of non-duality. Immortals are real. There are people hundreds and thousands of years old who walk the earth today. Jesus is one of them. I talk about the blood we found on the Ark of the Covenant and how it proves immortality and even further backs up stories of Jesus as a man, alive and walking the earth today. I truly hope and believe that this book and the ones to follow have the potential to change the world. We are all capable of so much more than we are lead to believe. Levitation, teleportation, walking on water, and true manifestation are all possible. It's crazy how many myths were actually based on fact and we simply couldn't believe the truth they were telling us. In order to get a grasp of the ideas in this book you first need to understand three basic things. Number one; all points in space and time are one. This is why remote viewing is even possible. Number two, everything is energy, nothing is matter. Even at the smallest levels of our physical world we only find dense energy fields, and nothing truly physical. And number three, Consciousness is the basis for all. These three Ideas will help you grasp an understanding of the physics of spirituality. For everything is spirit in reality. In this book, I will share with you sacred and hidden knowledge that clearly shows us the path to enlightenment. And Enlightenment turns out to be Immortality in life, not after death. You can in fact grow younger and develop energetic protection that can stop a speeding car. In cultures around the world the stories match up and we learn vital details from each one. So much of this knowledge has been intentionally kept secret and jealously guarded. Not only has our CIA been exploring these esoteric phenomena, but cultures around the world still hold true to ancient ways. You would never guess that in the Pyramids, Fung Shui, and our Chakras have anything in common, but it isn't until we develop our energetic senses, that these things become apparent. I will teach you everything I know. This Journey is a long one filled with many things that modern man simply would not believe until he confronted them face to face. With this book, I hope to share the knowledge that's needed to raise the next generation of extremely psychic children to lead us into the perfect world I know is possible. Love is always the answer. Be the change you want to see. Let's change the world.-Robert Smithblindfoldedsight.com

Blindfold Endgame Visualization-Martin Bonde Justesen 2020-12-17 Blindfold chess training exercises with a focus on endgame positions This book will train and test your visualization skills through 50 well-selected positions. The ability to play chess blindfolded has always amazed the public and club players alike. You might have seen Beth Harmon play blindfold chess on the ceiling in the Netflix hit 'The Queen's Gambit'. Even though Beth seems to have acquired the skill out of the blue it takes practice to master it in reality. This book will give you 50 well-selected endgame studies, positions, and mate problems, that you can practice on. They are presented in the following manner, with first the composer/game, then the result, and the position of the pieces. Try to see if you can solve the following position: D. Khismatullin vs. A. Volokitin, 2008 White draws W: Kc2, a2 B: Ke3, c3, b4 Why This Book? I have always been impressed by strong chess players' abilities to visualize the board without seeing it, firing off variations in the post mortem, or walking away from the board during a game while thinking about the position. As an adult trying to learn the game and improve I really want to be able to improve my ability to visualize. However, I soon discovered that there wasn't much training material available. To change this I have gone through hundreds of endgame studies, game positions, and mate problems to select the best positions for blindfold solving. You might ask yourself why should I spend time trying to visualize a position and calculate when I have the board to look at during the game. Boris Gelfand said it pretty clearly in an interview on the Perpetual Podcast: "to save energy". By straining your brain muscles now, you will be able to outlast your next opponent. This book contains 50 blindfold endgame positions. This might not sound like a lot, but most people buy chess books and never finish them resulting in a feeling of failure. Even adults with jobs and kids, like myself, can finish this book and get a sense of achievement. This will hopefully motivate you to keep going, and I plan to publish a second volume in 2021 with more positions. I hope that the book will challenge you to stretch and strain your mind in the effort to solve these positions. Don't be scared of failing as long as you put in the effort. You can also see it as a meditative exercise disconnecting from the outside world. Set aside a minimum amount of time you want to spend on each position. I will suggest 15 minutes. If you haven't solved it by then, take a look at the diagram of the position in the back, before you try to solve it blindfolded again. If you feel stuck try to write down your variations on a paper. Finally, if all else fails try to solve it by looking at the diagrams in the book. What do the experts say? "Ericsson notes that for a novice, somewhere around an hour a day of intense concentration seems to be a limit, while for experts this number can expand to as many as four hours-but rarely more."— Cal Newport, Deep Work "We played blindfold chess wherever we were-dancing, hiking, on buses and trains; wherever two of us happened to be, we would begin a blindfold game. All over Antwerp, people shook their heads at this babbling crew. A year later I was playing 16 games blindfold, which represented a new Belgian record. In 1924, while in the Belgian army, I played 20 at Naur, a sort of pay-off for having nothing to do but peel potatoes for two hours a day." — George Koltanowski "Playing blindfold, like it or not, you have to make your body work at full power, otherwise, you risk losing your" orientation at the board" — Vladimir Kramnik This book is not a beginner's book but aimed for intermediate and expert players who want a challenge! Solution: 1.a3 bxa3 2.Kxc3 a2 3.Kb2 a1=Q 4.Kxa1 1/2-1/2

Fairy Story / Сказки Мира (ENGLISH EDITION + RUSSIAN EDITION)-The Brothers Grimm 2016-01-18 We all know we believe or want to believe in fairy tales. We are all ready to answer Peter Pan’s monumental question whether we believe in fairy tales with a resounding "yes!" We all know that fairy tales are tied to real life experiences more than we pretend they aren’t. We ward off fairy tales and pretend that they are intended mainly for children because they tell more truth than we want to know, and we absorb fairy tales because they tell us more truth than we want to know. They are filled with desire and optimism. They drip with brutality, bluntness, violence, and perversity. They expose untruth, and the best are bare, brusque, and concise. They stamp our minds and perhaps our souls. They form another world, a counter world, in which social justice is more readily attained than in our actual world where hypocrisy, corruption, hyping, exploitation, and competition determine the outcome of social and political interactions and the quality of social relations. ____ RUSSIA: У старика была дочь-красавица, жил он с нею тихо и мирно, пока не женился на другой бабе, а та баба была злая ведьма... Bird Box-Josh Malerman 2014-05-13 Now a Netflix film starring Sandra Bullock, Sarah Paulson, Rosa Salazar and John Malkovich! Written with the narrative tension of The Road and the exquisite terror of classic Stephen King, Bird Box is a propulsive, edge-of-your-seat horror thriller, set in an apocalyptic near-future world—a masterpiece of suspense from the brilliantly imaginative Josh Malerman. Something is out there . . . Something terrifying that must not be seen. One glimpse and a person is driven to deadly violence. No one knows what it is or where it came from. Five years after it began, a handful of scattered survivors remain, including Malorie and her two young children. Living in an abandoned house near the river, she has dreamed of fleeing to a place where they might be safe. Now, that the boy and girl are

four, it is time to go. But the journey ahead will be terrifying: twenty miles downriver in a rowboat—blindfolded—with nothing to rely on but her wits and the children’s trained ears. One wrong choice and they will die. And something is following them. But is it man, animal, or monster? Engulfed in darkness, surrounded by sounds both familiar and frightening, Malorie embarks on a harrowing odyssey—a trip that takes her into an unseen world and back into the past, to the companions who once saved her. Under the guidance of the stalwart Tom, a motely group of strangers banded together against the unseen terror, creating order from the chaos. But when supplies ran low, they were forced to venture outside—and confront the ultimate question: in a world gone mad, who can really be trusted? Interweaving past and present, Josh Malerman’s breathtaking debut is a horrific and gripping snapshot of a world unraveled that will have you racing to the final page.

Killing Mr. Griffin-Lois Duncan 2010-10-05 From beloved author Lois Duncan comes a frightening novel about a group of students who set out to teach their malicious teacher a lesson -- only to learn that one of them could be a killer. Mr. Griffin is the strictest teacher at Del Norte High, with a penchant for endless projects and humiliating students. Even straight-A student Susan can't believe how mean he is to her crush, Dave, and to the charismatic Mark Kinney. So when Dave asks Susan to help a group of students teach Mr. Griffin a lesson of their own, she goes along with them. After all, it's a harmless prank, right? But things don't go according to plan. When one "accident" leads to another and people begin to die, Susan and her friends must face the awful truth: one of them is a killer.

Unbroken-Laura Hillenbrand 2014-07-29 Relates the story of a U.S. airman who survived when his bomber crashed into the sea during World War II, spent forty-seven days adrift in the ocean before being rescued by the Japanese Navy, and was held as a prisoner until the end of the war.

Three Hard Lessons-Nikki Sloane 2015-04-06 I am the woman men pay thousands of dollars to sleep with. I do what I love and what I'm so very good at. Then he walks in and drops \$30,000. He wants to talk. And kiss. And take me home. In a single night, this man turns everything upside-down and has me breaking every rule I've lived by to keep men at a distance. I'm about to learn some lessons the hard way. Don't tease him. Don't give him boundaries. And don't think you get a choice in who you love. Please note: This book is a standalone. It contains strong sexual content including a scene of M/F/F, group sex (no couple swap), and is intended for mature audiences only.

Invisible Man-Ralph Ellison 2014-08-14 'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' The Times

Train Yourself on Blindfold Chess-Sourav Sahay 2019-03-06 This book has a set of 100 exercises that will train you to play Chess blindfolded. Apart from providing hours of active relaxation, it will also give an excellent workout to the little grey cells.

Candide-Voltaire 1918 Ever since 1759, when Voltaire wrote “Candide” in ridicule of the notion that this is the best of all possible worlds, this world has been a gayer place for readers. Voltaire wrote it in three days, and five or six generations have found that its laughter does not grow old. "Candide" has not aged. Yet how different the book would have looked if Voltaire had written it a hundred and fifty years later than 1759. It would have been, among other things, a book of sights and sounds. A modern writer would have tried to catch and fix in words some of those Atlantic changes which broke the Atlantic monotony of that voyage from Cadiz to Buenos Ayres. When Martin and Candide were sailing the length of the Mediterranean we should have had a contrast between naked scarped Balearic cliffs and headlands of Calabria in their mists. We should have had quarter distances, far horizons, the altering silhouettes of an Ionian island. Colored birds would have filled Paraguay with their silver or acid cries. Dr. Pangloss, to prove the existence of design in the universe, says that noses were made to carry spectacles, and so we have spectacles. A modern satirist would not try to paint with Voltaire's quick brush the doctrine that he wanted to expose. And he would choose a more complicated doctrine than Dr. Pangloss's optimism, would study it more closely, feel his destructive way about it with a more learned and caressing malice. His attack, stealthier, more flexible and more patient than Voltaire's, would call upon us, especially when his learning got a little out of control, to be more than patient. Now and then he would bore us. "Candide" never bored anybody except William Wordsworth. Voltaire's men and women point his case against optimism by starting high and falling low. A modern could not go about it after this fashion. He would not plunge his people into an unfamiliar misery. He would just keep them in the misery they were born to.

Gerald's Game-Stephen King 2016-09-27 Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... “And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone.” Once again, Jessie Burlingame has been talked into submitting to her husband Gerald’s kinky sex games—something that she’s frankly had enough of, and they never held much charm for her to begin with. So much for a “romantic getaway” at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her...

Three Dirty Secrets-Nikki Sloane 2019-01-22 No man can own me. I negotiate sex for money at an illicit blindfold club, but my body is not for sale. I don’t submit and I don’t surrender. Until I meet him. This beautiful artist’s tattoo now covers the scar of the worst mistake of my life. Being with him could expose everything I’ve been hiding, and although there’s so much at stake, I can’t stop myself. The battle for control between us is too hot, too powerful to resist. With all my dirty secrets, what’s going to happen when he forces me to come clean?

The Garbage Pail Kids are desperate to win the Smellville Pet Contest. But how can they compete against Good Boy, the perfect Chihuahua of the Perfect twins? Good Boy can stand on his head and do algebra problems blindfolded. But the whole thing goes out of control when our heroes meet five new kids who also call themselves the Garbage Pail Kids! Meet Windy Winston, Nat Nerd, Brett Sweat, Nasty Nancy, and Disgustin’ Justin. They all share the grand prize—a free all-day trip to Six Thrills Amusement Park. Will anyone have a good time? And will anyone survive?

Three Little Mistakes-Nikki Sloane 2019-01-22 I sell sex, sin, and pleasure, but it isn't just my business, it's my entire life. I get off on the power of controlling it all. She's the one woman I can't have. She threatens everything, and yet I can't stay away. There's a beautiful, sexual creature inside this timid girl that's desperate to claw its way out. I'm going to set it free, even if it brings my empire tumbling down. I have to believe she'll be worth all the little mistakes I've made.

Malorie-Josh Malerman 2020-07-21 In the “fast-paced, frightening” (The New York Times Book Review) sequel to Bird Box, the inspiration for the record-breaking Netflix film starring Sandra Bullock, bestselling author Josh Malerman brings unseen horrors to life. NOMINATED FOR THE BRAM STOKER AWARD • “Malorie is even more of a psychological thriller than Bird Box, and all the scarier for it.”—The Wall Street Journal Twelve years after Malorie and her children rowed up the river to safety, a blindfold is still the only thing that stands between sanity and madness. One glimpse of the creatures that stalk the world will drive a person to unspeakable violence. There remains no explanation. No solution. All Malorie can do is survive—and impart her fierce will to do so on her children. Don’t get lazy, she tells them. Don’t take off your blindfold. AND DON’T LOOK. But then comes what feels like impossible news. And with it, the first time Malorie has allowed herself to hope. Someone very dear to her, someone she believed dead, may be alive. Malorie has already lost so much: her sister, a house full of people who meant everything, and any chance at an ordinary life. But getting her life back means returning to a world full of unknowable horrors—and risking the lives of her children again. Because the creatures are not the only thing Malorie fears: There are the people who claim to have caught and experimented on the creatures. Murmurings of monstrous inventions and dangerous new ideas. And rumors that the creatures themselves have changed into something even more frightening. Malorie has a harrowing choice to make: to live by the rules of survival that have served her so well, or to venture into the darkness and reach for hope once more.

Breaking Dawn-Stephenie Meyer 2008-08-02 In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Dubliners-James Joyce 2014-05-25T00:00:00Z Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today Dubliners survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Guinness World Records 2009-Craig Glenday 2009 Lists records, superlatives, and unusual facts in the areas of fame, business, crime, the natural world, technology, war, the arts, music, fashion, and sports.

Heart of Darkness-Joseph Conrad 2018-10-16 Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the twentieth century.

Red Rover-Christopher Krovatin 2021-03-02 Sit, stay, die. Dogs aren't always man's best friend. When Amy sees a dog stranded on the side of the highway, she knows what she has to do. She tells her dad to stop the car. She can't understand why anyone would abandon a dog in such a way, tied up and blindfolded. Amy's parents say they'll only keep the dog until they can find it a permanent home. Amy's younger sister names the dog Rover.They take Rover into their house, their family. And once he's there . . . he doesn't want to leave.Amy loves dogs. But she starts to worry when strange things start happening in the house.Objects move. Lights go off. Accidents happen.Soon man's best friend has turned into Amy's worst nightmare.The problem isn't Rover's bark or his bite - it's even creepier than that. This dog's purpose is evil . . . and if's waiting to be unleashed.

The Clue of the Velvet Mask-Carolyn Keene 1974 Nancy Drew joins the circus in order to investigate the mystery surrounding a gold charm bracelet and a young orphaned aerialist.

Blindfolded and Spread-eagled-Aphrodite Hunt 2011-10-11 AN AMAZON US TOP 20 EROTICA, BOOKSTRAND TOP 75 AND ALL ROMANCE EBOOK BESTSELLER! Shy freshman Gina Wesley has passed Level One of her initiation. Now gorgeous Max Devlin is passing her through the hoops . . . and clitoris clamps . . . of Level Two. Gina must now play a guessing game with her mouth and other lovely holes . . . involving a blindfold, a salami and the three very huge and rock-hard cocks of Max's friends. This is Book Two of the Initiation series. OTHER BOOKS IN THIS SERIES: THE INITIATION: Open Your Legs for Me, Blindfolded and Spread-eagled, Thighs Wide Apart, Teacher, Please Spread my Pussy, The Final Initiation, The Initiation: A Bundle of 5 Stories THE INITIATION 2: Open Your Legs for my Family, Bend Over for my Family, Publicly Display Yourself for Me, Sex Slave at Sea, Paraded before the Billionaires, Sex Slave at the Auction THE INITIATION 3: Sex Slave to the Dictator, Shackled by the Dictator, Punished by the Dictator's Daughter, Bartering the Sex Slave's Freedom THE ALICE BDSM SERIES: Alice: Opening my Legs at your Wedding, Alice: Slave at the Farm, Alice: Slave at the Marketplace (NEW!) READ AN EXCERPT "Who do we have here?" the black youth growls softly. All three roam their eyes over my protuberant nipples and the lines of my tight skirt. "A freshman in need of initiation." Devlin grins, squeezing my right buttock underneath the slithery material of my skirt. "Her name is Gina but I prefer to call her Gia. Gia, meet Thomas . . ." The goateed man nods, smiling lasciviously. " . . Santos . . . and Grady." Thomas scoots into the far end of his berth while Santos and Grady continue to lounge on the other side, grinning. "Surely you don't need an invitation." Thomas pats the empty seat beside him. Devlin motions at me to sit. My pulse hammers my throat as I slide my buttocks across the hard seat. Devlin gets in after me. I'm hemmed in by Thomas on my right and Devlin on the other. The beads of my clit clamp click softly like miniature castanets. "That's not how you sit, freshman." Devlin's voice is suddenly hard. He makes me raise my buttocks. Then he lifts the back of my skirt and makes me sit down again. This time, my entire ass and pussy are in contact with the torn and dirty seat. A particularly sharp edge of a peeling hole, sprouting old and yellowed foam, digs into the skin of my anus. "Open your legs," Devlin commands. I hasten to obey. The grins on the faces of the youths spread wider. Thomas grabs my right thigh as it brushes against him. "Put it right here, baby," he whispers. He vaults my right leg across his lap so that it is hooked around his left knee. His hand rests on the soft underside of my right thigh. "So smooth," he murmurs, stroking my silky, milk-white skin, "so virginal." A shudder ripples through me. Devlin repeats this with my left leg, so that I'm spread-eagled in the middle between them. The berth is placed a fair distance from the table, so that whatever wares I'm displaying can be clearly seen by Santos and Grady from across. The overhead lamp is yellow and stark. The light throws my mount into relief. My pussy - soaking in its own juices - is once again exposed . . . to three strangers this time, not just Devlin.

Training Manual for Sight Without Eyes - Through Mind Sight and Perception-Lloyd F. Hopkins 2008-05-01 Before there was any public disclosure of the U.S. Government's Remote Viewing Research, Lloyd F. Hopkins developed one of the most successful training programs ever for expanding Human Awareness beyond the five senses. His motivation was the exploration of expanded human consciousness, and his desire to help blind people see without eyes. This is the only book that Mr. Hopkins published on his work.

Male-to-Female Crossdressing in Early Modern English Literature-Simone Chess 2016-04-14 This volume examines and theorizes the oft-ignored phenomenon of male-to-female (MTF) crossdressing in early modern drama, prose, and poetry, inviting MTF crossdressing episodes to take a fuller place alongside instances of female-to-male crossdressing and boy actors’ crossdressing, which have long held the spotlight in early modern gender studies. The author argues that MTF crossdressing episodes are especially rich sources for socially-oriented readings of queer gender—that crossdressers’ genders are constructed and represented in relation to romantic partners, communities, and broader social structures like marriage, economy, and sexuality. Further, she argues that these relational representations show that

the crossdresser and his/her allies often benefit financially, socially, and erotically from his/her queer gender presentation, a corrective to the dominant idea that queer gender has always been associated with shame, containment, and correction. By attending to these relational and beneficial representations of MTF crossdressers in early modern literature, the volume helps to make a larger space for queer, genderqueer, male-bodied and queer-feminine representations in our conversations about early modern gender and sexuality.

The New Pocket Dictionary of the French and English languages ... Ninth edition, ... with the addition of many words, ... and a view of the pronunciation and syntax of the French language. By J. Ouisseau-Thomas NUGENT (LL.D.) 1816
