

Blank Paper Dolls To Print

Paper Dolls-Julia Donaldson 2016-06-30

The Black Apple's Paper Doll Primer-Emily Winfield Martin 2010 Part art book, part craft kit, 100% fun: this book contains thirty-two dolls, hundreds of clothing and accessory options, how-to for custom dolls and clothes and craft projects. A short time ago, the author discovered that there is a hidden demand for paper dolls when she listed a set of three in her shop (for \$16) and promptly sold hundreds. Some people played with them and some framed them. This book was created as a grander version of her successful experiment. Fans will snap up this book for the original art alone, while crafters will love the easy approach to making customised paper projects. Readers can copy pages as templates, but they can also cut pages straight from the book! With 32 pages of cardstock, readers just need scissors and glue to get started on a craft project. Once the doll(s) are created they can be used for scrap-booking, greetings cards (think customised wedding invitations made easy), frameable family portraits and more. From the instructions for using inks and paint for custom dolls and clothes to the craft projects themselves, this is a sophisticated take on a nostalgic craft.

B-Movie Bombshells Paper Dolls-Gregg Nystrom 2014-05-21 Sixteen shapely dolls, each with an authentic costume from a 1950s B-movie, include Anita Ekberg, Janet Leigh, Mamie Van Doren, Zsa Zsa Gabor, Jayne Mansfield, Rhonda Fleming, Debra Paget, and others.

Paper Dolls Fashion Workshop-Norma J. Burnell 2016-11-14 Create your own paper doll fashions - from basic wear to haute couture! Paper Dolls Fashion Workshop offers budding fashionistas a fashion-forward style lookbook of prompts, tips, and expert instruction as they learn to make their own paper dolls and paper doll wardrobes. Beginning with an overview of basic tools and materials, techniques, and embellishments, readers will embark on a creative journey through a variety of patterns and projects that teach them how to turn their own doodles, tangles, and designs into fabulous fashion looks and accessories - specifically for the purpose of creating their own paper dolls. With reusable doll models and blank clothing templates, artists will enjoy endless paper doll fun. From basics and sleepwear to dresses and outerwear, savvy style mavens will find an abundance of fashion-forward inspiration encouraging them to create their own designs, while a section on career, costume, and haute couture paper doll clothing inspires artists to let their imagination run free.

Knight in Armor Sticker Soldier-A. G. Smith 1997-07-01 One handsome paper soldier, accompanied by historically accurate suits of armor for a German knight (ca. 1250), an Italian knight (ca. 1450), 2 others.

Artful Paper Dolls-Terry Taylor 2006 A glimpse into the rich history of paper dolls is accompanied by many charming manufactured and handmade examples.

Old-Fashioned Children Paper Dolls-Evelyn Gathings 1989-01-01 Two appealing, realistic dolls and 24 charming costumes — all based on actual dress of Victorian period. Detailed, carefully researched apparel includes riding habit, rose-trimmed ballet costume, sailor suits, ice skating outfits, clothes for attending a birthday party, more. Numerous accessories.

Glitter Flower Girl Sticker Paper Doll-Barbara Steadman 2007-10 Recapture the excitement of being among the bridal party with this adorable paper doll, a dainty ingenue who comes with a dozen reusable stickers of glittering wedding attire.

Directing Shakespeare in America-Charles Ney 2016-02-25 In this first substantive study of directing Shakespeare in the USA, Charles Ney compares and contrasts directors working at major companies across the country. Because of the complexities of directing Shakespeare for audiences today, a director's methods, values and biases are more readily perceptible in their work on Shakespeare than in more contemporary work. Directors disclose their interpretation of the text, their management of the various stages of production, how they go about supervising rehearsals and share tactics. This book will be useful to students wanting to develop skills, practitioners who want to learn from what other directors are doing, and scholars and students studying production practice and performance.

Juneteenth Paper Dolls-Nova M. Edwards 2015-05-10 On June 19, 1865, two and a half years after President Abraham Lincoln's official January 1, 1863, Emancipation Proclamation, Major General Gordon Granger arrived in Texas with the news that the Civil War had ended and that the slaves were free. These two beautiful paper dolls were created to commemorate that important moment in American History.

Red Ted Art-Margarita Woodley 2013-03-28 Crafting has never been more popular and Maggy Woodley, the creative force behind Red Ted, is passionate about making things with her children, Max, four, and Pippa, two. Using recycled materials and bits and bobs collected when out and about, here are over 60 utterly irresistible things to make with your kids. From adorable peanut shell finger puppets to walnut babies, loo roll marionettes and egg carton fairy lights, fabric mache bowls, stick men and shell crabs, stone people, and many more, these are projects for all the family to have fun with. And what's more, the end results are so cute and desirable that they look great around the home, or make wonderfully unique and personal gifts. With a funky, modern design and vibrant full colour photography throughout, this is a must-have addition to every young family's bookshelf.

Ballerina Paper Doll-Tom Tierney 1994-05-02 A charming young ballerina and eightbeautiful costumes from favorite ballets, including "The Nutcracker, Firebird, Sleeping Beauty, Petrouchka," "Don Quixote, " and more."

Paper Dolls-Katherine H. Adams 2017-11-02 Paper dolls might seem the height of simplicity--quaint but simple toys, nothing more. But through the centuries paper figures have reflected religious and political beliefs, notions of womanhood, motherhood and family, the dictates of fashion, approaches to education, individual self-image and self-esteem, and ideas about death. This book examines paper dolls and their symbolism--from icons made by priests in ancient China to printable Kim Kardashians on the Internet--to show how these ephemeral objects have an enduring and sometimes surprising presence in history and culture.

L. Delaney's All Dolled Up-Lauren Delaney George 2017-02-15 Learn how to make your own miniature paper doll fashions with this charming guide, which weaves together the tale of two spirited sisters and their dazzling wardrobe of vintage fashions. Costume designer Lauren George offers playful interpretations of authentic historical dress in her story of Reo and Lucille, who abandon their conventional lives in 1880s Detroit to join the circus — the first in a series of daring adventures. Each step of the detailed instructions is accompanied by a color photo that shows you how to create fabulous costumes for the pair as they travel across the country, working as entertainers aboard a Mississippi riverboat, celebrating Mardi Gras in New Orleans, performing with a Wild West show as well as at a New York City amusement park, exploring the Antarctic, joining a crew of stunt aviators, and ultimately returning to Detroit to help Harry Houdini expose fake spiritualists. You don't need specialized skills for these projects — they are simple enough for beginners but sophisticated enough to intrigue experienced crafters. Each how-to section begins with a brief introduction that places the costumes in historical context and includes a materials list, photographic guide, and ideas for further research. You'll learn how to create workable templates, prepare pattern pieces, and embellish the dainty outfits with shoes, handbags, gloves, hats, and jewelry. Materials, consisting mostly of cut paper and flourishes of beads, lace, and ribbon, are inexpensive and easy to find. You'll find everything you need to join the sisters on their adventures — or invent your own! Plenty of helpful suggestions include tips for cultivating your own style and adapting the techniques you've learned to create original designs.

The Book of the Animals - Episode 6 (Bilingual English-Spanish)-J.N. PAQUET 2013-11-11 NEW EDITION!!Well... it seems that these animals don't want to take their medicine! But step by step, each one discovers that taking medicine is very important for the animals, as well as for the children!A funny way to learn and a funny way to teach. As everyone knows how difficult it can be to explain to young children how important it is to take medicine....---THE BOOK OF THE ANIMALS:FUN LEARNING FOR CHILDREN AND PARENTSWhat are certainly the most occurring moments in a parent's life? When their child doesn't want to wash, eat, sleep, go to school, share, take medicine, get vaccinated... And what can a parent answer to these refusals?The successful "Book of The Animals" bilingual children's books series was created with the aim to help both parents and children to discover the benefits of washing, eating, sleeping, going to school, sharing, taking medicine, getting

vaccinated... in a fun as well as educational manner. Since the books are also bilingual, parents will enjoy the teaching and the interactivity they can gain from reading them with their children. THE AUDIENCE The books are geared towards children aged 2-5, before elementary/primary school. They will likely be bilingual children whose parents want to encourage the learning of their two current languages. They will also be children whose parents want to teach a language at a young age. Some teachers have also been using the books of the series as a way to teach a second language to children, with themes easy for them to both understand and memorise. THE CURRENT BOOKS There are currently seven books in the series. Each episode brings on new animals, new words, new situations and new stories. - Ep.1. "These Animals... Don't Want to Wash!" (2008)- Ep.2. "These Animals... Don't Want to Eat!" (2009)- Ep.3. "These Animals... Don't Want to Sleep!" (2010)- Ep.4. "These Animals... Don't Want to Go to School!" (2011)- Ep.5. "These Animals... Don't Want to Share!" (2011)- Ep.6. "These Animals... Don't Want to Take their Medicine!" (2012)- Ep.7. "These Animals... Don't Want to Get Vaccinated!" (2012) The books are all available in either bilingual or monolingual versions:- Bilingual versions: English-French, English-Portuguese, English-Italian, English-Spanish, English-Swedish, English-Creole, English-Japanese... More versions still to come! Check out the official website: www.TheBookOfTheAnimals.com REVIEW "The Book of the Animals is a planned series of illustrated books for young children. [...] These delightful books tell the story of what happens when the animals in the stories, like many young children, don't want to eat and don't want to wash... The books are very suitable both for reading to young children and for older children to use to learn to read in both languages. They might even persuade them to wash and eat their dinner! The repetitive structure is supportive of children learning new words and the illustrations work well alongside the text to help understanding of unfamiliar words. I can easily imagine young children demanding repeat readings and enjoying learning the text by heart as many children do with favourite stories. Children learning to make up and write their own stories might well want to write a personalised version, using the structure as a prop. I think the stories would work well both in the home and in the classroom." (Review published in The Cass School of Education, by Dr Raymonde Sneddon, Research Fellow for "The Cass School of Education" at the University of East London, and Honorary Research Fellow of Birkbeck College, in the Department of Applied Linguistics) SUPPORT The Book of The Animals' series is supported & recommended by ABRIR UK, a Brazilian Association for Educational Projects in the United Kingdom. www.Abrir.org.uk Official website: TheBookOfTheAnimals.com

Antique Dolls-Brenda Sneathen Mattox 2000-01-01 30 large, ready-to-color illustrations of actual 19th-century dolls in authentic costumes: captivating Jumeau dolls; a Bru lady doll, c. 1870; a French fashion bride of the 1870s, many more.

Famous Character Dolls-Susan Brewer 2013-01-01 Part of the popular Famous series, Famous Dolls celebrates dolls in film, TV, cartoons, books, comics and comic strips, as well as toys such as Hamble in Playschool. It also explores the world of celebrity dolls including stars such as Shirley Temple and Mae West, pop star dolls including Michael Jackson and Cher, and dolls representing royalty. Written by leading doll expert, Susan Brewer, the author of British Dolls in the 1950s and British Dolls in the 1960s, the book starts with a series of essays setting dolls in context and exploring their role in popular culture. The main part of the book is an impressive A-Z of famous dolls, with symbols to show in which field they became famous (e.g. cartoons, toys or comic strips). The stories behind each of the dolls are told, including the tragic tale of Raggedy Ann and how a little girl inspired one of the most iconic character dolls of all time. A must-buy book for everyone who has ever own or collected dolls or is interested in popular culture. Did you know? - The author of Raggedy Ann, Johnny Gruelle, was a vehement anti-vaccination campaigner after his young daughter died when she was vaccinated at school without his consent - Angela Rippon created the Victoria Plum doll series based on a plum tree in her garden - Holly Hobbie is an author and illustrator who named the famous patchwork-wearing little girl after her. It became a popular doll in the 1970s

Antique Paper Dolls-Epinal Imagerie Pellerin 1975-01-01 Paper dolls to cut out, with costumes representative of the turn of the century to World War I.

The Jewish Paper Doll Book-Phyllis Amerikaner 1997-09-01

Join Laura as she travels to the wide-open Kansas prairie and plays in the high prairie grass. With Laura, Mary, Ma, Pa, Baby Carrie, Jack and even Mr. Edwards, this newest collection is sure to bring hours of enjoyment.

The Philosophy of Andy Warhol-Andy Warhol 2014-12-16 A loosely formed autobiography by Andy Warhol, told with his trademark blend of irony and detachment In The Philosophy of Andy Warhol—which, with the subtitle "(From A to B and Back Again)," is less a memoir than a collection of riffs and reflections—he talks about love, sex, food, beauty, fame, work, money, and success; about New York, America, and his childhood in McKeesport, Pennsylvania; about his good times and bad in New York, the explosion of his career in the sixties, and his life among celebrities.

When God Made You-Jane Meyer 2016-01-25 When God made Elina, He pulled moonlight from the north, starlight from the south, sunlight from the east, and candlelight from the west. He planted the four lights around the steadfast soil of her soul, and beaming with gladness, God said, Elina, pray. Every child around the globe is specially made by God with a unique set of virtues, talents, and interests. What beautiful things was God thinking when He made you? A children's picture book.

Paper Towns-John Green 2013 Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Madeline Paper Dolls-Ludwig Bemelmans 1994-05 Paper dolls of Ludwig Bemelmans' characters Madeline and Pepito, with a variety of costumes.

Contemporary Fashion Illustration Techniques-Naoki Watanabe 2009-06-01 The primary skill needed by anyone who works in fashion is the ability to convey—to clients and the general public alike—images of the designs. The impression given to the viewer depends on whether the fashion design drawings are good. Contemporary Fashion Illustration Techniques thoroughly describes the basics of fashion illustration, and covers the latest trends such as vivid images, sprightly movement, and garment material texture. After all, fashion drawing is not simply about sketching a body and face; only when you accurately reproduce the garments and their colors can the designs truly come to life.

Ancient Egyptian Costumes Paper Dolls-Tom Tierney 1997-03 16 dazzling costumes for 2 figures, among them colorful sheath dresses, and sarilike cloaks for the lady; kilts, royal robes, and soldier's uniform for the man.

Collage Couture Studio Paper Dolls-Julie Nutting 2014-06-30 Presents designs for paper dolls, their clothing, and other unique collage projects.

Gratitude for Shoes-Cleo Hicks Williams 2005-05 An important goal in writing Gratitude For Shoes is to dispel the myth that mountain people are stupid, lazy, feuding "hillbillies," and portray them as the highly intelligent, resourceful and hard-working people they truly are. Survival was never easy for the early settlers in the Great Smoky Mountains. People "made do" with what they had and what they could glean from a rocky garden and hillside corn patch, and from picking wild berries and grapes, canning, preserving and drying food. Sometimes, in order for his family to survive, a man had to resort to making illegal corn liquor. This is a story about growing up in a family of ten children in the immediate post-depression era, living high in the mountains on a steep winding dirt road, eight miles from the nearest town. Much effort has been made to use authentic mountain speech, along with giving details about activities of daily living, including housing, clothing, food, school, work, play, attitudes and customs of the time. A good education was considered an impossible dream, especially for a girl, but Gratitude For Shoes tells how one little barefooted mountain girl overcame almost insurmountable obstacles in order to achieve that goal.

Once Upon a Paper Doll-Hannah Stevenson 2019-02-04 This delightful book provides hours of imaginative play with nostalgic color-your-own paper doll characters from favorite fairy tales. Once

Upon a Paper Doll features nineteen cardstock dolls to color, cut out, and dress up in forty-six colorable outfits. Send Cinderella to the Ball, explore Wonderland with Alice, and help Little Red Riding Hood escape the Big Bad Wolf. The dolls and outfits also include inspiration from Goldilocks and the Three Bears, Hansel and Gretel, Sleeping Beauty, Snow White, and Rapunzel. Color them, cut them out, dress them up, and start playing!

Japanese Popular Prints-Rebecca Salter 2006-06-30 "Approaching the subject as an artist rather than a print scholar, Rebecca Salter focuses on the craftsmen and the complex visual culture within which they worked. Through information gained from interviews with some of the remaining practitioners and analysis of the objects themselves, she builds up a picture of the quiet role woodblock played in the lives of the Japanese as they moved from the isolation of the Edo period to embrace modernisation in the early 20th century." "The book is an exploration of this area of cultural history and the numerous colour illustrations encourage a playful investigation of the many threads of Japan's visual culture."--BOOK JACKET.
