

Blood On The Bayou Andy Broussard Kit Franklyn Mystery Book 2

Blood on the Bayou-D.J. Donaldson 2018-04-15 In this New Orleans-set mystery, the author of *Cajun Nights* “combines an insider’s knowledge with a real flair for making the reader’s skin crawl” (Booklist). There’s a killer stalking the New Orleans French Quarter. Each victim is found in the same gruesome condition: the body bloodied by a gardening fork, and the throat torn out by . . . what exactly? That’s the question on the minds of medical examiner Andy Broussard and his young partner, criminal psychologist Kit Franklyn. Broussard suspects the perpetrator isn’t human at all, but a monster of terrifying legend. Only when their investigation draws them deep into Bayou country do Broussard and Franklyn discover just how monstrous some humans can be . . . With this second sharp-witted mystery in the series featuring Broussard and Franklyn, “it’s hard to beat [Donaldson’s] combination of cool science and explosive passion in the heart of humid Louisiana” (The Commercial Appeal, Memphis).

Blood on the Bayou-Greg Herren 2016-09-15 Bestselling novelists David Morrell, Alison Gaylin and Elaine Viets headline a new anthology of 22 tales exploring the unique aura of mystery of New Orleans and the surrounding bayou country. *BLOOD ON THE BAYOU* is published in conjunction with Bouchercon, the World Mystery Convention, which is being held in New Orleans in 2016. As with the convention itself, the anthology spreads a broad canopy across a wide variety of crime writers from across the country and around the world — including both veteran writers and the brightest up-and-coming talents in the field. These stories range from the light-hearted and fun to the darker side of crime, just as New Orleans and the bayou country can show both to the unsuspecting. All participants contributed their efforts to support our charity — the New Orleans Public Libraries — and by extension readers and writers everywhere. ALL PROFITS GO TO THE LIBRARY. Edited by Greg Herren with an Introduction by Heather Graham. Stories by Kaye Wilkinson Barley, Eric Beetner, G. J. Brown, Sheila Connolly, O’Neil De Noux, Barbara Ferrer, John Floyd, Alison Gaylin, Greg Herren, BV Lawson, R. T. Lawton, Deborah Lacy, Edith Maxwell, Liz Milliron, Terrie Farley Moran, David Morrell, Dino Parenti, Michael Penn, Gary Phillips, Thomas Pluck, Paula Pumphrey, and Elaine Viets.

Assassination at Bayou Sauvage-D.J. Donaldson 2017-04-07 Andy Broussard, medical examiner for New Orleans, is at a family picnic when his Uncle Joe is murdered. The murderer then commits suicide. The task is therefore to simply discover motive, but events take a bizarre turn. Along with Dr. Kit Franklyn, Broussard races to uncover the truth behind the most audacious mystery of the entire series.

Wingless Chickens, Bayou Catholics, and Pilgrim Wayfarers-L. Lamar Nisly 2011-01-01 Flannery O’Connor, Tim Gautreaux, and Walker Percy, are all Catholic writers from the South—and seem to embody very fully both parts of that label. Yet as quickly becomes clear in their writing, their fiction employs markedly different tones and modes of addressing their audience. O’Connor seems intent on shocking her reader, whom she anticipates will be hostile to her deepest beliefs. Gautreaux gently and humorously engages his reader, inviting his expected sympathetic audience to embrace the characters’ needed moral growth. Percy satirically lampoons an array of social ills and failings in the Church, as he tries to get his audience laughing with him while he makes his deadly serious point about the flaws he finds in the church and larger culture. Why do these three writers assume such divergent images of their audience? Why do texts by three writers who each embrace their Southern locale and their Catholic beliefs seem to have so little in common? To answer these questions, Nisly helps readers understand these authors’ fiction by examining the role that place and time had in shaping each author’s idea of an audience—and, by extension, his or her manner of addressing that audience. More specifically, Nisly focuses on each author’s experience of Catholic community and each author’s placement in relation to the Second Vatican Council. Linking together biographical information and a reading of their fiction, Nisly argues that O’Connor’s, Gautreaux’s, and Percy’s sense of audience has been shaped in significant ways by each author’s own local experience of Catholicism in his or her home region as well as the larger, global changes of Vatican II that transformed Roman Catholicism.

Cajun Nights-D.J. Donaldson 2015-07-01 New Orleans criminal psychologist Kit Franklyn has a case where victims share similarities, including humming nursery rhymes, committing murder, and then suicide! She and Andy Broussard set out to solve the case scientifically. Not once is Black Magic considered until an ancient Cajun sorcerer’s curse is heard: ‘Beware songs you loved in youth’.

Tales from the Bayou-David Adam 2010-06 *Tales From The Bayou* is a compilation of six short stories about South Louisiana, dating from 1814, which was when the Battle of New Orleans was fought, to our modern times. The purpose of the book is to introduce Louisiana culture to those who may not be familiar with this part of America, and to enhance the appreciation of our heritage to local citizens of this very unique region. The book is very special in that it tells the stories of life from a variety of views. From little Cajun boys in the 1930’s and their mischievous antics, the lifelong story of a man of color along the shores of Lake Pontchartrain, and of course, the personal tale about Jean Lafitte and his fictitious offspring. The book also tells a heartwarming story from the prospective of a 30-something woman who is the proprietor of the Decator Street Guest House in the French Quarter of New Orleans. It is the author’s desire that all will be entertained, and will enjoy the stories for what they are, and take an inside look at the hopes, the dreams, the triumphs and the failures of his characters.

A Reader's Guide to the Police Procedural-Jo Ann Vicarel 1995 Provides fully annotated entries on 1,115 mystery titles by such writers of this genre as Ngaio Marsh and John Creasey, and covers more recent works by Patricia Cornwell and Tony Hillerman

Mystery Women, Volume Two (Revised)-Colleen Barnett 2011-12-31 DIVMany bibliographers focus on women who write. Lawyer Barnett looks at women who detect, at women as sleuths and at the evolving roles of women in professions and in society. Excellent for all women's studies programs as well as for the mystery hound. Look at the popularity of such reading guides as Willetta Heising's *Detecting Women* (3rd ed. 0-9644593-7-X) or Amanda Cross' fiction (*Honest Doubt* 0-345-44011-0 11/00)./div

Sequels-Janet Husband 2009 A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series.

The New Orleans of Fiction-James A. Kaser 2014-07-29 In *The New Orleans of Fiction: A Research Guide*, James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources.

The Boatman's Daughter-Andy Davidson 2020-02-11 A "lush nightmare" (Paul Tremblay) of a supernatural thriller about a young woman facing down ancient forces in the depths of the bayou Ever since her father was killed when she was just a child, Miranda Crabtree has kept her head down and her eyes up, ferrying contraband for a mad preacher and his declining band of followers to make ends meet and to protect an old witch and a secret child from harm. But dark forces are at work in the bayou, both human and supernatural, conspiring to disrupt the rhythms of Miranda's peculiar and precarious life. And when the preacher makes an unthinkable demand, it sets Miranda on a desperate, dangerous path, forcing her to consider what she is willing to sacrifice to keep her loved ones safe. With the heady mythmaking of Neil Gaiman and the heartrending pacing of Joe Hill, Andy Davidson spins a thrilling tale of love and duty, of loss and discovery. *The Boatman's Daughter* is a gorgeous, horrifying novel, a journey into the dark corners of human nature, drawing our worst fears and temptations out into the light.

Stone Motel-Morris Ardoin 2020-04-15 In the summers of the early 1970s, Morris Ardoin and his siblings helped run their family's roadside motel in a hot, buggy, bayou town in Cajun Louisiana. The stifling, sticky heat inspired them to find creative ways to stay cool and out of trouble. When they were not doing their chores—handling a colorful cast of customers, scrubbing motel-room toilets, plucking chicken bones and used condoms from under the beds—they played canasta, an old ladies' game that provided them with a refuge from the sun and helped them avoid their violent, troubled father. Morris was successful at occupying his time with his siblings and the children of families staying in the motel's kitchenette apartments but was not so successful at keeping clear of his father, a man unable to shake the horrors he had experienced as a child and, later, as a soldier. The preteen would learn as he matured that his father had reserved his most ferocious attacks for him because of an inability to accept a gay or, to his mind, broken, son. It became his dad's mission to "fix" his son, and Morris's mission to resist—and survive intact. He was aided in his struggle immeasurably by the love and encouragement of a selfless and generous grandmother, who provides his story with much of its warmth, wisdom, and humor. There's also suspense, awkward romance, naughty French lessons, and an insider's take on a truly remarkable, not-yet-homogenized pocket of American culture.

Jim Kobak's Kirkus Reviews- 1991

Gargle the Goose-Andrew Perry 2015-12-15 *Gargle the Goose* combines elements of the mythical with everyday reality to create an entire goose culture. Gargle is a young Canada Goose who, like all of his fellow fledglings, dreams of being an important and respected leader in his "geesing" community. As a low-ranking member of his family's gaggle, Gargle rashly attempts to hijack his family's formation in their annual Great Migration to the south, with calamitous results. As a result, Gargle must navigate his way through the hostile world of goosy exile. In his wanderings over the course of one winter, Gargle meets an abandoned donkey, named Luckless, who becomes his vagabond traveling companion and fast friend. They become entangled in a number of perilous situations, particularly with a shady farmer and a shifty fox that spell deep trouble for them. Inspired by a prominent figure in geesing mythology, Gargle attempts to redeem himself through a selfless act. Included in the tale is a "Goosolalia" that explains the major terms and features of goosing society. Readers, both young and old, will delight in the playful use of language and the fully realized culture within the book. You won't be able to put it down, and you'll never look at migrating geese the same again.

The Blood Betrayal-Don Donaldson 2014-03-19 Their bloodline is a dangerous mystery. Their secret is a shocking truth. There's something strange about the small, mountain town of Artisan, Arkansas. When hematologist Dr. Carl Martin is called into a Little Rock emergency room, not even his expertise can save Benjamin Rasco from bleeding to death. But why did the man die? His condition shouldn't have been fatal. And no one should have such bizarre red blood cells. Hoping to uncover a reason for the medical mystery, Carl travels to Rasco's hometown, an isolated, religious community nestled deep in the Arkansas Mountains. Instead of answers, however, Carl's faced with more questions--and a mysterious woman who stows away in his car. Sheltered Beth Corbin only wants to see the world for a few days before returning to Artisan, where the town leaders discourage mixing with the outside world. But after talking with Carl, Beth becomes increasingly distrustful of those leaders, and the suspicions she's been harboring about the town become too intense to ignore. Together, Carl and Beth uncover an astounding medical conspiracy that not only affects all the residents of Artisan, but shatters every belief Carl ever held about himself.

Booklist's Guide to the Year's Best Books-Bill Ott 1992

Louisiana Fever-D.J. Donaldson 2015-03-07 Kit Franklyn goes to meet a stranger who's been sending her roses, but he then drops dead at her feet. Andy Broussard learns the man carried a lethal pathogen, and his identity is an absolute shocker. Moreover, Kit isn't safe as when investigating her mystery suitor, she runs into a cold blooded killer, every bit as deadly.

What Do I Read Next?- 2000

Necessary Evil-Aaron Baker Cole 2005-10-25 There comes a time for most individuals when we weigh our assets and concerns, and decide where to focus our future efforts. Billy Hawkins, however, has two assets that many would consider liabilities a degree of moral flexibility and a borderline psychotic drive to protect the vulnerable. As he enters college, Billy finds himself enraged by the increasing reports of sexual abuse by Catholic Priests. He finds most disturbing the Priests betrayal of children and adolescents in their charge. After making a radical change of academic pursuits in graduate school, Billy strikes an alliance with the director of a Catholic seminary in southern California. Monsignor Montalvo has been running his own crusade to encourage the Church to mend its ways, but with little success. The pace of Necessary Evil accelerates as the activities of Billy and Montalvo combine to provide an unmistakable message to the Church regarding its sanctioned abuse of the young.

No Mardi Gras for The Dead-D.J. Donaldson 2015-07-01 Kit Franklyn discovers a corpse in her garden. Together with chief medical examiner Andy Broussard, she sets out to solve the case. The body is identified as a hooker, missing for twenty seven years, but being a cold case all hope of conviction seems lost—until they link the body and two recent murders to a group of local, wealthy physicians.

No Remorse-Ian Walkley 2012 His best friend's daughter has been abducted in Mexico. This is no ordinary kidnap for ransom. But then, Lee McCloud is no ordinary man. Having suffered the horror of witnessing his sister kidnapped when he was fourteen, the abduction of his goddaughter Sophia in Mexico is an opportunity for Delta Force operator McCloud to deliver some badly needed justice. Things don't go as planned, and McCloud finds himself teamed with Tally, a computer hacker in a secret organisation that raids the bank accounts of wealthy terrorists, and Scotty, a British SAS soldier. Determined to save Sophia at all costs, McCloud finds himself on a collision course with an exiled Saudi, Sheik Khalid, whose ambitions feature a key role for Sophia. McCloud and Tally find themselves trapped in a conspiracy, hunted by enemies on both sides, and conflicted by their feelings for each other. But time is running out. With their haunted pasts catching up, McCloud and Tally need to stop a horrific plot involving Sophia that will have profound consequences for an already unstable world.

Bad Karma In The Big Easy-D.J. Donaldson 2015-04-01 Among the dead in the water after hurricane Katrina are three nude bodies, none with water in their lungs. There's a killer on the loose. Also, the bodies were once frozen, obliterating key forensic clues. Broussard and Franklyn embark on a dangerous journey through New Orleans; leading them to a kind of evil that neither of them could imagine.

Bowker's Guide to Characters in Fiction 2007- 2008-02

Bayou Boy-Lars Eighner 1993 "A collection of hot, hard stories ... exploring the many ways men work up a sweat in the steamy Southwest ... also includes the Houston streets stories-- sexy, touching tales about a neighborhood growing gayer every day"--P. [4] of cover.

Dead Until Dark-Charlaine Harris 2001-05-01 Sink your teeth into the first novel in the #1 New York Times bestselling Sookie Stackhouse series—the books that gave life to the Dead and inspired the HBO® original series True Blood. Sookie Stackhouse is just a small-time cocktail waitress in small-town Bon Temps, Louisiana. She's quiet, doesn't get out much, and tends to mind her own business—except when it comes to her “disability.” Sookie can read minds. And that doesn't make her too dateable. Then along comes Bill Compton. He's tall, dark, handsome—and Sookie can't hear a word he's thinking. He's exactly the type of guy she's been waiting for all her life... But Bill has a disability of his own: he's a vampire with a bad reputation. And when a string of murders hits Bon Temps—along with a gang of truly nasty bloodsuckers looking for Bill—Sookie starts to wonder if having a vampire for a boyfriend is such a bright idea.

The Judas Virus-Don Donaldson 2013-06-30 It was a miracle--until a killer turned it into a weapon. When Dr. Chris Collins's estranged

father, Wayne, shows up asking her to donate a piece of her liver to save his life, Chris balks. The man walked out on her and her mother twenty-nine years ago, and now he expects her to undergo major surgery and have part of a vital organ removed. She refuses. However, she can't just let him die. So she contacts Dr. Michael Boyer to get Wayne accepted into Boyer's experimental transplant program. The surgery is risky, and the source of the donor liver shocking. However, Wayne has no other choice. It's his only chance to live. The celebration of Wayne's stunning recovery is cut short when two of the nurses on the transplant team suddenly die horrifying, painful deaths. Chris's father has become the unwitting breeding ground for a rogue virus that may be unstoppable. As Chris and Michael Boyer search desperately for answers, a potential epidemic worse than any the world has ever experienced gains momentum. If the virus doesn't kill them first, its creator will.

Testify to the Light-M. Elizabeth Waters 2015-09-21 One December evening, Andy Gustafson came home to find his wife and children murdered-a nightmare that few can imagine surviving. Yet, in his anguish, he found a God who cried with him. Step by step, with the help of others and his faith practices, he recognized the Light that shines in the darkness, a light the darkness never completely overcomes. In time, with God's Grace, he once again found family and purpose, vocation and fulfillment, joy. His life became a testimony to the enduring Light of God and a shining example to inspire others. Andy encouraged people to find and tell their own faith stories, particularly those stories that begin with loss, rage, and despair. An appendix provides questions for small groups to explore Andy's life story and then their own experiences, discovering personal ways to Testify to the Light. "With the pace of a Grisham novel and the depth of Annie Dillard, Testify to the Light follows the journey of one man as he moves from despair to hope. Andy Gustafson had it all: a loving wife, a growing family, a successful career, a place in his close-knit community. But when he returned home one evening to find his family brutally murdered, his world turned upside down and his journey out of that dark place began." Rev. Jane Willan, Pastor of First Congregational Church, Grafton, Mass, author of Jump Start This Church!"

Sleeping with the Crawfish-D.J. Donaldson 2018-04-15 A convict's fingerprints point to a deadly conspiracy at Angola State Prison in this "action-packed, cleverly plotted topnotch thriller" (Booklist). After surviving the clutches of a deranged killer, criminal psychologist Kit Franklyn decides to leave police work for a safe, quiet job at a photography gallery. But her retirement is interrupted when her former boss, chief medical examiner Andy Broussard, needs a favor. He wants Franklyn to take a quick trip to Angola and check on a convict named Roland Cicero. If Cicero really is locked in his cell, as the warden claims, then why does a corpse on Broussard's table have his fingerprints? But the errand is anything but routine when Franklyn discovers a murderous conspiracy at the prison. She returns to New Orleans while Broussard heads to Memphis to investigate a suspicious death. But splitting up to follow the threads of a criminal network only makes it easier to get caught in the web. "All the streamlined thrills and gripping forensic detail Donaldson's fans have come to expect." —Kirkus Reviews

Beyond Mayberry-Thomas David Perry 2012-08-01 Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.

Lily's Payback-Andy Rose 2012-11-01 Imagine four schoolteachers in a romantic thriller. At her twin brother's funeral, Lily touches his casket, whispering a Scottish blood oath: "If your killers were from the Diabhal, then they should know that I'll be a Deamhan and will pursue them until your soul is avenged." A middle school science teacher, Lily involves three teacher colleagues to help her avenge the murder. They risk all in their pursuit, hitting dead ends while confronting the police, the FBI, local mobsters, and even the CIA. Their illusive target is Zakov, a legendary assassin for the Russian Mafiya who has more than 200 kills. They accept help from unsavory characters, seeking anyone to take on Zakov. Can Lily find justice? Will a new love help or hinder her quest? Can the teachers write a lesson plan to overcome the ruthless killer? Will Lily find intimacy and redemption on her journey?

Cherokee by Blood-Jerry Wright Jordan 2009-05 In 1904 the Eastern Cherokees won large cash settlements from the United States because of violations of the treaties of 1835-36 and 1845. Over a million dollars was appropriated by Congress to settle the claims. The payments were to go to all living pers

Andrew Ellicott-Catharine Van Cortlandt Mathews 1908

Blood and Money-Thomas Thompson 2016-12-13 New York Times Bestseller: The "gripping" true story of a beautiful Texas socialite,

her ambitious husband, and a string of mysterious deaths (Los Angeles Times). Joan Robinson Hill was a world-class equestrian, a glamorous member of Houston high society, and the wife of Dr. John Hill, a handsome and successful plastic surgeon. Her father, Ash Robinson, was a charismatic oil tycoon obsessed with making his daughter's every dream come true. Rich, attractive, and reckless, Joan was one of the most celebrated women in a town infatuated with money, power, and fame. Then one morning in 1969, she fell mysteriously ill. The sordid events that followed comprise "what may be the most compelling and complex case in crime annals" (Ann Rule, bestselling author of *The Stranger Beside Me*). From the elegant mansions of River Oaks, one of America's most exclusive neighborhoods, to a seedy underworld of prostitution and murder-for-hire, New York Times-bestselling author Thomas Thompson tracks down every bizarre motive and enigmatic clue to weave a fascinating tale of lust and vengeance. Full of colorful characters, shocking twists, and deadly secrets, *Blood and Money* is "an absolute spellbinder" and true crime masterpiece (Newsweek).

Wells Brothers-Andy Adams 2012-05-01 In the Old West, family fortunes were often made -- and sometimes lost -- with amazing rapidity. In Andy Adams' novel *Wells Brothers: The Young Cattle Kings*, a pair of orphaned brothers put their scrappy determination to work and establish a thriving ranch in an extremely inhospitable environment with tall odds stacked against them. Praised for its realism, *Wells Brothers* is a must-read for those interested in well-researched fiction about the West.

Blood Pressure-Eva Coleman 2016-05-10 A Proven Step-By-Step Process to Controlling and Lowering Blood Pressure Without Prescription Medication Start Lowering Your Blood Pressure Now - The Natural Way INCLUDES 3 BONUSES! (DASH Diet Recipes, Juicing Recipes, and 5 Secret Supplements) This book provides you with all the knowledge and strategies you can take to prevent, control, and lower high blood pressure - from adopting healthy lifestyle modifications and understanding dietary requirements, to using natural remedies! By the end of this comprehensive guide, you will: - Understand the causes of high blood pressure and it affects your body and health. - Know how to measure your own blood pressure. Be aware of the risk factors associated with high blood pressure. - Know how to control and reduce your blood pressure. - Know how to incorporate lifestyle changes that can lower your blood pressure. - Know how to treat high blood pressure once you have been diagnosed. - Be able to develop a nutritious and balanced diet plan! - Be able to develop an exercise program, lose weight and stay healthy! - Know how to manage stress healthily, practice relaxation and other mind-body therapies. - Know what substances and medications to avoid. Understand dietary electrolytes and how they can help stabilize your blood pressure. - Know what natural remedies can be used to reduce blood pressure. - Be able to reduce your blood pressure and improve your health and wellbeing for the long-term! - And much more! All of this is presented with clear and easy-to-follow steps. Guidelines, exercise and eating plans are provided to make sure you are on track to lowering your blood pressure and improving your health for the long-term! Get Started Now and Finally Take Complete Control of Your Health!

Before God's Face-Andy Daugherty 2015-04-11 "At the heart of the Christian message is God Himself waiting for His redeemed children to push in to conscious awareness of His Presence." - A.W. Tozer David was a man after God's own heart. He slew Goliath, ruled Israel and wrote such inspiring scriptures as Psalm 139. Yet David had an affair with Bathsheba, breaking multiple commandments including having Bathsheba's husband murdered. How can we guard our walk and prevent catastrophic mistakes like those that David made? How can we lead a life that bears the fruit of an effective faith? God's Word realistically portrays authentic people of faith. Their true stories are preserved for us as teachable moments. Are we listening? *Before God's Face* takes a practical approach drawing from Biblical stories and modern parallels to help us draw near to God as we learn the simple spiritual discipline of coram Deo - living in God's presence. Blessed are those who have learned to acclaim you, who walk in the light of your presence, Lord. (Psalm 89:15)

White Working Class-Joan C. Williams 2017-05-16 "I recommend a book by Professor Williams, it is really worth a read, it's called *White Working Class*." -- Vice President Joe Biden on Pod Save America An Amazon Best Business and Leadership book of 2017 Around the world, populist movements are gaining traction among the white working class. Meanwhile, members of the professional elite—journalists, managers, and establishment politicians--are on the outside looking in, left to argue over the reasons. In *White Working Class*, Joan C. Williams, described as having "something approaching rock star status" by the New York Times, explains why so much of the elite's analysis of the white working class is misguided, rooted in class cluelessness. Williams explains that many people have conflated "working class" with "poor"--but the working class is, in fact, the elusive, purportedly disappearing middle class. They often resent the poor and the professionals alike. But they don't resent the truly rich, nor are they particularly bothered by income inequality. Their dream is not to join the upper middle class, with its different culture, but to stay true to their own values in their own communities--just with more money. While white working-class motivations are often dismissed as racist or xenophobic, Williams shows that they have their own class consciousness. *White Working Class* is a blunt, bracing narrative that sketches a nuanced portrait of millions of people who have proven to be a potent political force. For anyone stunned by the rise of populist, nationalist movements, wondering why so many would seemingly vote against their own economic interests, or simply feeling like a stranger in their own country, *White Working Class* will be a convincing primer on how to connect with a crucial set of workers--and voters.
