Historical Dictionary of Baseball-Lyle Spatz 2012-12-21 Dating back to 1869 as an organized professional sport, the game of baseball is not only the oldest professional sport in North America, but also symbolizes much more. Walt Whitman described it as “our game, the American game,” and George Will compared calling baseball “just a game” to the Grand Canyon being “just a hole.” Countless others have called baseball “the most elegant game,” and to those who have played it, it’s life. The Historical Dictionary of Baseball is primarily devoted to the major leagues it also includes entries on the minor leagues, the Negro Leagues, women’s baseball, baseball in various other countries, and other non-major league related topics. It traces baseball, in general, and these topics individually, from their beginnings up to the present. This is done through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 900 cross-referenced entries on the roles of the players on the field—batters, pitchers, fielders—as well as non-playing personnel—general managers, managers, coaches, and umpires. There are also entries for individual teams and leagues, stadiums and ballparks, the role of the draft and reserve clause, and baseball’s rules, and statistical categories. This book is an excellent access point for students, researchers, and anyone wanting to know more about the sport of baseball.

Spy- 1990-09 Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

Go the Distance-Jim Serger 2011-10 One family's true story of redemption and recovery In order for a relationship to hold, one must be willing to keep it strong no matter how weak it becomes. That is the power of love. But love alone does not always guarantee satisfaction. This book is about will power, and the desire to keep love afloat—it is about communication for survival, and the will power to believe in someone, even when they are not willing to believe in themselves.How far are you willing to go for a loved one? Jim Serger shares how far he and his family went to save the relationship with his father through his dad's battle with alcoholism. This is a heartfelt and personal journey; one that will resonate with anyone who has struggled to pull a loved one from the depths of addiction back into the joy of life. This book will prove to anyone that as long as there is a will, there is a way. The will is the how and the now, and it can determine the future. What is in the past is in the past. Put it behind you and focus on tomorrow. If you have ever been down in the valley, staring up at the highest mountain, and feel there is no way to the top, this book is for you. Jim Serger and his father were able to beat the odds and overcome the obstacles through sheer unconditional love, will power and faith. It can be done. Go the Distance will tell you how.

Coaching Baseball For Dummies-The National Alliance For Youth Sports 2011-04-18 If you are a baseball fan, then coaching youth baseball is one the most enjoyable and rewarding activities you'll experience. But what if you've never coached before? Or you haven't played the game in a while and have forgot some key points to the sport? No worries! Coaching Baseball for Dummies guides you through the rules of the game, explaining all the essential skills and the best ways to teach them to your players. Covering different age groups and great practice routines, this guide is all you need to have a fun-filled season. You'll discover how to: Fulfill the role of being a coach and parent Develop a coaching philosophy Understand how your league works Evaluate your team Teach your players fundamentals Understand all kinds of children Create your practice plan Prepare for game day Overcome challenges and problems This plain-English guide also shows you how to run all kinds of drills, from hitting and pitching to fielding and base running. And when your team is tense or low on morale, it shows you how to relax your players and keep them focused on the game. There are also suggestions for making your season, and theirs, a memorable one. Coaching Baseball for Dummies shows you how much fun it can be to train kids to be athletes, have good sportsmanship, and work together as a team.

The Dickson Baseball Dictionary

The Dickson Baseball Dictionary (Third Edition)-Paul Dickson 2011-06-13 The definitive work on the language of baseball—one of the “Five Best Baseball Books” (Wall Street Journal). Hailed as “a staggering piece of scholarship” (Wall Street Journal) and “an indispensable guide to the language of baseball” (San Diego Union-Tribune), The Dickson Baseball Dictionary has become an invaluable resource for those who love the game. Drawing on dozens of nineteenth- and early twentieth-century periodicals, as well as contemporary sources, Dickson’s brilliant, illuminating definitions trace the earliest appearances of terms both well known and obscure. This edition includes more than 10,000 terms with 18,000 individual entries, and more than 250 photos. This “impressively comprehensive” (The Nation) book will delight everyone from the youngest fan to the hard-core aficionado.

The Art of Fielding

The Art of Fielding-Chad Harbach 2011-09-07 At Westish College, a small school on the shore of Lake Michigan, baseball star Henry Skrimshander seems destined for big league stardom. But when a routine throw goes disastrously off course, the fates of five people are upended. Henry's fight against self-doubt threatens to ruin his future. College president Guert Affenlight, a longtime bachelor, has fallen unexpectedly and helplessly in love. Owen Dunne, Henry's gay roommate and teammate, becomes caught up in a dangerous affair. Mike Schwartz, the Harpooners' team captain and Henry's best friend, realizes he has guided Henry's career at the expense of his own. And Pella Affenlight, Guert's daughter, returns to Westish after escaping an ill-fated marriage, determined to start a new life. As the season counts down to its climactic final game, these five are forced to confront their deepest hopes, anxieties, and secrets. In the process they forge new bonds, and help one another find their true paths. Written with boundless intelligence and filled with the tenderness of youth, The Art of Fielding is an expansive, warmhearted novel about ambition and its limits, about family and friendship and love, and about commitment—to oneself and to others.

Strike Zone

Strike Zone-Derek Jeter 2020-04-14 In the seventh book in the New York Times bestselling middle grade series inspired by the life of iconic New York Yankee Derek Jeter, young Derek and his friends learn the true meaning of teamwork when they have to embrace the unexpected on their baseball team. At the first practice of the season, Derek takes note of who is on the team. They have some good players, for sure—but also some weaker ones. There’s still one kid missing, and Derek hopes it’s a really good ballplayer to round out the roster. But when the kid arrives, everyone is shocked: she’s a girl! Can Derek’s team come together to have a winning season? Inspired by Derek Jeter’s childhood, this is the seventh book in Jeter Publishing’s New York Times bestselling middle grade baseball series that focuses on key life lessons from Derek Jeter’s Turn 2 Foundation.

The Baseball Encyclopedia

The Baseball Encyclopedia-Macmillan Publishing 1996 Provides complete statistics for every major league player since 1876, includes Negro league statistics for more than a hundred players, and briefly traces the history of the sport

Baseball Hacks

Baseball Hacks-Joseph Adler 2006-01-31 Baseball Hacks isn't your typical baseball book—it's a book about how to watch, research, and understand baseball. It's an instruction manual for the free baseball databases. It's a cookbook for baseball research. Every part of this book is designed to teach baseball fans how to do something. In short, it's a how-to book—one that will increase your enjoyment and knowledge of the game. So much of the way baseball is played today hinges upon interpreting statistical data. Players are acquired based on their performance in statistical categories that ownership deems most important. Managers make in-game decisions based not on instincts, but on probability - how a particular batter might fare against left-handedpitching, for instance. The goal of this unique book is to show fans all the baseball-related stuff that they can do for free (or close to free). Just as open source projects have made great software freely available, collaborative projects such as Retrosheet and Baseball DataBank have made great data freely available. You can use these data sources to research your favorite players, win your fantasy league, or appreciate the game of baseball even more than you do now. Baseball Hacks shows how easy it is to get data, process it, and use it to truly understand baseball. The book lists a number of sources for current and historical baseball data, and explains how to load it into a database for analysis. It then introduces several powerful statistical tools for understanding data and forecasting results. For the uninitiated baseball fan, author Joseph Adler walks readers through the core statistical categories for hitters (batting average, on-base percentage, etc.), pitchers (earned run average, strikeout-to-walk ratio, etc.), and fielders (putouts, errors, etc.). He then extrapolates upon these numbers to examine more advanced data groups like career averages, team stats, season-by-season comparisons, and more. Whether you're a mathematician, scientist, or season-ticket holder to your favorite team, Baseball Hacks is sure to have something for you. Advance praise for Baseball Hacks: "Baseball Hacks is the best book ever written for understanding and practicing baseball analytics. A must-read for baseball professionals and enthusiasts alike." -- Ari Kaplan, database consultant to the Montreal Expos, San Diego Padres, and Baltimore Orioles "The game was born in the 19th century, but the passion for its analysis continues to grow into the 21st. In Baseball Hacks, Joe Adler not only demonstrates thatthe latest data-mining technologies have useful application to the study of baseball statistics, he also teaches the reader how to do the analysis himself, arming the dedicated baseball fan with tools to take his understanding of the game to a higher level." -- Mark E. Johnson, Ph.D., Founder, SportMetrika, Inc. and Baseball Analyst for the 2004 St. Louis Cardinals

The End of Baseball

The End of Baseball-Peter Schilling 2010-03 After returning from Gaudalcanal in 1944 with a missing leg and no money, Bill Veeck manages to hustle his way into buying the Philadelphia Athletics and recruits players from the Negro Leagues to create the greatest team in baseball history.

Baseball Explained

Baseball Explained-Phillip Mahony 2014 " Baseball is a very complicated sport, from tagging up to stealing bases to intentional walks, has a recurring focal point--the duel between pitcher and batter--that lies at the heart of the game. This book explains the game from scratch, while also educating the reader as to the game's important place in American history and culture"--

Nineteenth Century Baseball

Nineteenth Century Baseball-Marshall D. Wright 1996 In March 1871, ten of the United States' most powerful professional baseball clubs met in Brooklyn, New York. Out of that meeting came the sport's first major league: the National Association of Professional Baseball Players. The Philadelphia Athletics, with a record of 21-7, captured the new circuit's first championship. From the National Association through the American League's inaugural season in the final year of the century, this work is a year-by-year statistical history of the teams and players of the nineteenth century's major leagues. The teams are listed by league, with full rosters and complete statistics for each player. An introductory section for each year places the league in historical perspective. Exhaustive team and player indexes are also included.

Baseball Scorekeeping

Baseball Scorekeeping-Andres Wirkmaa 2010-07-28 Many fans enjoy keeping track of baseball action with easy abbreviations written on simple grids. Serious scorekeeping, however, is more complicated than just jotting down runs, outs, and the final score. Official scorekeeping requires a thorough knowledge of a large body of rules--many of which are confusing, and all of which must be followed carefully to ensure that the scorekeeper's data are valid. With confidence and enthusiasm, Andres Wirkmaa leads the reader through the daunting maze of rules that govern official scorekeeping. Chapters explain and clarify the official scorer's duties, responsibilities and authority; the official scorer's reports; and all the game-to-game details such as player listings, substitute batters and runners, out-of-turn batters, called and forfeited games, runs batted in, base hits, stolen bases, sacrifices, putouts, assists, double and triple plays, errors (and instances when errors are not charged), wild pitches and passed balls, bases on balls, strikeouts, earned runs, winning and losing pitchers, and saves. Also covered are statistics, percentage records, minimum standards for individual championships, and consecutive hitting and playing streaks.

Coaching Coaches ... for Players, Parents, and Coaches from Youth Through High School Age Sports

Bench Player

Coaching Coaches ... for Players, Parents, and Coaches from Youth Through High School Age Sports-Coach Finnie 2006-10 Improve the sports life for players, parents, and coaches by opening the lines of communication between the three key groups in sports for ages 5-18. Give players, parents, and coaches the information needed to make sports a great experience for everyone involved for the ages of 5-18

St Louis Cardinals Encyclopedia

Bench Player-Julianna Keyes 2020-03-30 ALLISON As Public Relations Manager for the Charleston Thrashers, I’m responsible for protecting the team’s reputation. But after our right fielder gets sent to prison and we lose the World Series, my own reputation takes a huge hit. There’s only one way I can save my job: by revamping Connor Whitman’s tarnished ex-con image. Keeping my eye on the ball isn’t a problem until I discover what’s underneath his unkempt exterior—a man who’s unexpectedly vulnerable and distractingly sexy. Now, my professionalism is sailing far into foul territory. CONNOR I’ve served my time, and now I’m determined to reclaim my spot in the Thrashers’ outfield. Unfortunately, the new General Manager doesn’t want an aging ex-con on the roster, so I have no choice but to go along with Allison’s annoying scheme. Her bossiness drives me crazy—but so do her legs and her hair and her all-too-rare smiles. I can't afford to fall for anyone when my focus needs to be on baseball, but love is a game I’ve never played before, and for the first time ever, I’m out of my league.

The Baseball Encyclopedia

St Louis Cardinals Encyclopedia-Jerry Vickery 2010-01-15 Since 1933, the Major League All-Star Baseball Games have brought the best of the American League and the National League together in the one game that all baseball fans eagerly anticipate each year. Since the All-Star game's inception, the St. Louis Cardinals have been represented every year, with the exception of 1945 when there was no game because of the war. From early superstars like Dizzy Dean and Marty Marion to hometown hero Stan Musial, who played in a record-tying 24 consecutive games, St. Louis fans have enjoyed watching their home team participate in the rivalry. St. Louis Cardinals Encyclopedia, Volume One: St. Louis All-Stars highlights all of the Cardinals players, coaches, managers and trainers who have participated in the All-Star game over the years. This full color, coffee-table style book features details about every game, including box scores, line scores, and hundreds of gorgeous images of the players, the stadiums and other highlights from each game. The All-Star book, the first in the Cardinals Encyclopedia series of four books, will be released in the fall of 2009 and will include highlights from the 2009 game at St. Louis' own Busch Stadium.

The Baseball Encyclopedia

The Baseball Encyclopedia-Joseph L. Reichler 1985 Lists every one of major league baseball's thirteen thousand players and managers, from 1876 through 1984, with complete records and biographical information

The Kid-Ben Bradlee Jr. 2013-12-03 From acclaimed journalist Ben Bradlee Jr. comes the epic biography of Boston Red Sox legend Ted Williams that baseball fans have been waiting for. Williams was the best hitter in baseball history. His batting average of .406 in 1941 has not been topped since, and no player who has hit more than 500 home runs has a higher career batting average. Those totals would have been even higher if Williams had not left baseball for nearly five years in the prime of his career to serve as a Marine pilot in WWII and Korea. He hit home runs farther than any player before him -- and traveled a long way himself, as Ben Bradlee, Jr.'s grand biography reveals. Born in 1918 in San Diego, Ted would spend most of his life disguising his Mexican heritage. During his 22 years with the Boston Red Sox, Williams electrified crowds across America -- and shocked them, too: His notorious clashes with the press and fans threatened his reputation. Yet while he was a God in the batter's box, he was profoundly human once he stepped away from the plate. His ferocity came to define his troubled domestic life. While baseball might have been straightforward for Ted Williams, life was not. The Kid is biography of the highest literary order, a thrilling and honest account of a legend in all his glory and human complexity. In his final at-bat, Williams hit a home run. Bradlee's marvelous book clears the fences, too.

Baseball

Baseball-Geoffrey C. Ward 1996-08-13 A history of baseball explores the ways in which the it both influenced, and was influenced by, politics, racism, literature, and more

So, You Want to Coach? a How to Book for Parents Essential Information for Coaching Grade School Children

So, You Want to Coach? a How to Book for Parents Essential Information for Coaching Grade School Children-Jr. James W. McLaughlan 2010-07 How to coach grade school children the right way. Emphasis on teaching life skills along with how to play a game. How to coach in a public youth league where every child should recieve the same amount of instruction and playing time. Emphasis on learning the value of hard work, practice and teamwork. How to be competitive while giving all players an equal opportunity. Things to know about dealing with parents, league officials and other coaches.

In Pursuit of Pennants

In Pursuit of Pennants-Mark L. Armour 2015-04 The 1936 Yankees, the 1963 Dodgers, the 1975 Reds, the 2010 Giants--why do some baseball teams win while others don't? General managers and fans alike have pondered this most important of baseball questions. The Moneyball strategy is not the first example of how new ideas and innovative management have transformed the way teams are assembled. In Pursuit of Pennants examines and analyzes a number of compelling, winning baseball teams over the past hundred-plus years, focusing on their decision making and how they assembled their championship teams. Whether through scouting, integration, instruction, expansion, free agency, or modernizing their management structure, each winning team and each era had its own version of Moneyball, where front office decisions often made the difference. Mark L. Armour and Daniel R. Levitt show how these teams succeeded and how they relied on talent both on the field and in the front office. While there is no recipe for guaranteed success in a competitive, ever-changing environment, these teams demonstrate how creatively thinking about one's circumstances can often lead to a competitive advantage.
