*Bloodline Whyborne Griffin Book English Edition*

scholar Percival Endicott Whyborne has two skills: reading dead languages and hiding in his office at the Ladysmith Museum. After the tragic death of the friend he secretly loved, he's ruthlessly suppressed any desire for another man. So when handsome ex-Pinkerton Griffin Flaherty approaches him to translate a mysterious book, Whyborne wants to finish the job and get rid of the detective as quickly as possible. Griffin left the Pinkertons following the death of his partner, hoping to start a new life. But the powerful cult which murdered Glenn has taken root in Widdershins, and only the spells in the book can stop them. Spells the intellectual Whyborne doesn't believe are real. As the investigation draws the two men closer, Griffin's rakish charm threatens to shatter Whyborne's iron control. When the cult resurrects an evil sorcerer who commands terrifying monsters, can Whyborne overcome his fear and learn to trust? Will Griffin let go of his past and risk falling in love? Or will Griffin's secrets cost Whyborne both his heart and his life?

**Deosil**-Jordan L. Hawk 2019-10-11 Whyborne, Griffin, and their friends have faced down cultists, monsters, and sorcerers. But their greatest challenge is now upon them. On the return voyage from Balefire Manor, Whyborne receives the worst news possible: Widdershins has fallen before the onslaught of the Fideles and their servants. There's still time to stop the return of the Masters, but that window grows shorter by the hour. Together with Christine and Iskander, Whyborne and Griffin must reach Widdershins to face the

ultimate test--and decide the fate of the world, once and for all.

**Necropolis**-Jordan L. Hawk 2014-05-05 Introverted scholar Percival Endicott Whyborne has spent the last few months watching his lover, Griffin Flaherty, come to terms with the rejection of his adoptive family. Until, that is, a man who seems as much animal as human tries to murder Whyborne in the museum. Amidst the ancient ruins of the pharaohs, they must join Christine and face betrayal, murder, and a legendary sorceress risen from the dead. In the forge of the desert heat, the trio will either face their fears and stand together—or shatter the bonds between them forever.

**Hoarfrost**-Jordan L. Hawk 2015-04-20 Whyborne & Griffin: Book 6 Previous Book: Bloodline Sorcerer Percival Endicott Whyborne and his husband Griffin Flaherty have enjoyed an unprecedented stretch of peace and quiet. Unfortunately, the calm is shattered by the arrival of a package from Griffin's brother Jack, who has uncovered a strange artifact while digging for gold in Alaska. The discovery of a previously unknown civilization could revive the career of their friend Dr. Christine Putnam-or it might kill them all, if the hints of dark sorcery surrounding the find are true. With Christine and her fiance Iskander, Whyborne

and Griffin must journey to the farthest reaches of the arctic to stop an ancient evil from claiming the life of Griffin's brother. But in the rough mining camp of Hoarfrost, secrets fly as thickly as the snow, and Whyborne isn't the only sorcerer drawn by the rumors of magic. Angelica can sense that Alexander is dangerous, a mystery to be unraveled at her own peril. **The Secret Casebook of Simon Feximal**-Kj Charles 2017-11-08 A story too secret, too terrifying-and too shockingly intimate-for Victorian eyes. A note to the Editor Dear Henry, I have been Simon Feximal's companion, assistant and chronicler for twenty years now, and during that time my Casebooks of Feximal the Ghost-Hunter have spread the reputation of this most accomplished of ghost-hunters far and wide. You have asked me often for the tale of our first meeting, and how my association with Feximal came about. I have always declined, because it is a story too private to be truthfully recounted, and a memory too precious to be falsified. But none knows better than I that stories must be told. So here is it, Henry, a full and accurate account of how I met Simon Feximal, which I shall leave with my solicitor to pass to you after my death. I dare say it may not be quite what you expect.
