

Bloodlines Breeding Guide Horse International Warmblood Worldwide

Horse breeding - Wikipediahttps://en.m.wikipedia.org/wiki/Horse_breeding

Horse breeding is reproduction in horses, and particularly the human-directed process of selective breeding of animals, particularly purebred horses of a given breed. Planned matings can be used to produce specifically desired characteristics in domesticated horses. Furthermore, modern breeding ...

Azteca horse - Wikipediahttps://en.m.wikipedia.org/wiki/Azteca_horse

The American registry, now called the American Azteca Horse International Association, allows the use of American Paint horses, which are essentially Quarter Horses with pinto coloration, if they have less than 25 percent Thoroughbred breeding. However, the US registry does not incorporate Criollo bloodlines.
