**Bloody Bones**-Laurell K. Hamilton 2002 Hired to exhume two-hundred-year-old graves in the wake of a land dispute, Anita Blake becomes involved in local murders involving three dead teenagers and a bloodless corpse that makes her suspect that an evil force is preying upon the town

**Bloody Bones**-Laurell K. Hamilton 2002-09-26 For the first time in trade paperback: the fifth novel in the #1 New York Times bestselling series. When Branson, Missouri, is hit with a death wave 'four unsolved murders' it doesn't take an expert to realize that all is not well. But luckily for the locals, Anita Blake is an expert in the kinds of preternatural goings-on that have everyone spooked. And she's got an 'in' with the creature that can make sense of the slayings-the sexy master vampire known as Jean-Claude.

**Bloody Bones**-Laurell K. Hamilton 2010-02-04 'When the monsters are involved, it's never just one dead body. One way or another the dead multiply.' First, there were the dead in the graveyard, two hundred years dead. I'd been hired to raise them to settle a dispute over who owned the land they were buried in. Then there were the three dead teenagers in the woods, slaughtered in a way I'd never seen before. And then they found the dead girl, drained of blood and left in her bed. I knew what that meant of course. It didn't take a degree in preternatural studies to figure out that something was wrong. And I was right in the middle of it. My name is Anita Blake. Welcome to my life ...

**Burnt Offerings**-Laurell K. Hamilton 2002-09-24 Anita Blake is a vampire hunter. But when someone else sets his sights on her prey, she must save them both from the inferno.

**Guilty Pleasures**-Laurell K. Hamilton 2002-09-24 Meet Anita Blake, Vampire Hunter, in the first novel in the #1 New York Times bestselling series that “blends the genres of romance, horror and adventure with stunning panache”(Diana Gabaldon). Laurell K. Hamilton’s bestselling series has captured readers’ wildest imaginations and addicted them to a seductive world where supernatural hungers collide with the desires of the human heart, starring a heroine like no other... Anita Blake is small, dark, and dangerous. Her turf is the city of St. Louis. Her job: re-animating the dead and killing the undead who take things too far. But when the city’s most powerful vampire asks her to solve a series of vicious slayings, Anita must confront her greatest fear—her undeniable attraction to master vampire Jean-Claude, one of the creatures she is sworn to destroy... “What The Da Vinci Code did for the religious thriller, the Anita Blake series has done for the vampire novel.”—USA Today

**Circus of the Damned**-Laurell K. Hamilton 2002-09-24 First time in trade paperback: the third novel in the #1 New York Times bestselling series. In Circus of the Damned-now in trade paperback for the first time-a rogue master vampire hits town, and Anita gets caught in the middle of an undead turf war. Jean-Claude, the Master Vamp of the city, wants her for his own-but his enemies have other plans. And to make matters worse, Anita takes a hit to the heart when she meets a stunningly handsome junior high science teacher named Richard Zeeman. They're two humans caught in the crossfire-or so Anita thinks.

**The Killing Dance**-Laurell K. Hamilton 2010-02-04 'These days my life is a cross between a preternatural soap opera and an action-adventure movie.' The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to wonder if two monsters are better than one...

**Blood Noir**-Laurell K. Hamilton 2008 When vampire hunter Anita Blake agrees to do a favor for Jason, her werewolf lover, she becomes caught up in the middle of a scandal that makes her a pawn in an ancient vampire queen's rise to power.

Anita heads to Vegas, where’s she’s joined by three other federal marshals, including the ruthless Edward hiding behind his mild-mannered persona. It’s a good thing Edward always has her back, because, when she gets close to the bodies, Anita senses “tiger” too strongly to ignore it. With a vampire like Jean Claude around, it’s far too easy for Anita Blake to doubt her own appearance—and the hold it has on those who love her. But one hot tub and two incredibly sexy men—Jean Claude and Asher—will make her feel like the most lusted-after woman alive...or undead. Not bad for a mere human... “Hamilton remains one of the most inventive and exciting writers in the paranormal field.”—Charlaine Harris, #1 New York Times Bestselling Author Includes an excerpt of Kiss the Dead, the new Anita Blake, Vampire Hunter novel

**Bullet**-Laurell K. Hamilton 2010-06-01 Watch a video The music came back up and the next group of little girls, slightly older, came out. There was a lot of that in the next hour and change. I liked dance, and it was no reflection on the kids, but my will to live began to seep away on about the fifth group of sequined children... Anita Blake is back in St. Louis and trying to live a normal life-as normal as possible for someone who is a legal vampire executioner and a U. S. Marshal. There are lovers, friends and their children, school programs to attend. In the midst of all the ordinary happiness a vampire from Anita's past reaches out. She was supposed to be dead, killed in an explosion, but the Mother of All Darkness is the first vampire, their dark creator. It's hard to kill a god. This dark goddess has reached out to her here-in St. Louis, home of everyone Anita loves most. The Mother of All Darkness has decided she has to act now or never, to control Anita, and all the vampires in America. The Mother of All Darkness believes that the triumvirate created by master vampire Jean-Claude with Anita and the werewolf Richard Zeeman has enough power for her to regain a body and to immigrate to the New World. But the body she wants to possess is already taken. Anita is about to learn a whole new meaning to sharing her body, one that has nothing to do with the bedroom. And if the Mother of All Darkness can't succeed in taking over Anita's body for herself, she means to see that no one else has the use of it, ever again. When Anita joins forces with her friend Edward to stop the carnage, Damian will be at their side, even if it means traveling back to the land where all his nightmares spring from ... a place that couldn't be less welcoming to a vampire, an assassin, and a necromancer: Ireland.

There's something about Leo Harlan that I don't like. He's asked me to reanimate his long-dead ancestor, and it seems like a perfectly ordinary case for someone like me: Anita Blake, preternatural expert, vampire hunter and raiser of the dead. So I agree - sometimes you deal with the devil not because you want to, but because if you don't, someone else will. But what he hasn't told me is that the corpse may hold the secret to an ancient crime that not everyone wants to be remembered.

**The Midnight Cafe**-Laurell K. Hamilton 1997 The lunatic cafe: The zombie-raising business gets slow in December, so Anita Blake is starting to see some oddball cases. She's got a neatly typed list of eight missing lycanthropes given to her by Marcus, the leader of the local werewolf pack, who wants her to find them. The trouble is, Anita's occasionally furry boyfriend Richard is locked in a power struggle with Marcus. Jean-Claude, master vampire of the city and Anita's other love interest, is getting jealous as well. To top it off, Anita has to solve some horrific murders and keep her bounty-hunting friend Edward from killing Richard and Jean-Claude. Bloody bones: When Anita Blake's boss at Animators, Inc., informs her that she's expected to raise 300-year-old zombies from a field of jumbled bones just to settle a land dispute, she's understandably annoyed. But as soon as she arrives in Branson, Missouri, to do the deed, the job gets more interesting. A psychotic sword-wielding vampire starts committing multiple murders in the area, and Anita must call on Jean-Claude, her powerful fanged suitor, for help. As always, Anita prevails over the undead, keeping Jean-Claude at arm's length, clearing the cemetery land of an ancient enchantment, and nailing the vampiric killer in one fell swoop. The killing dance: Anita Blake, vampire hunter, is now herself a hunted woman. Who put the \$500,000 price on her head--a man or a monster? It's not just her own skin she needs to save; the rivalry between her werewolf boyfriend, Richard, and Marcus, the other alpha werewolf in his pack, has come to full boil. And there's always Jean-Claude, the vampire who's been waiting for just the right moment to slip inside Anita's head and heart.
