With Marcus's help, Sydney realises that the group she's been loyal to her whole life has been hiding the truth from her. Is it possible that her golden lily tattoo might have more power over her than she thinks? As she struggles to come to terms with what that might mean, Sydney is compelled to use her growing magical powers to track down an evil magic user who is targeting powerful young witches. Using magic goes against everything she always thought she believed, but she realises that her only hope is to embrace her special blood - or else she might be next.
