The perpetrator is cunning, wealthy and influential. More importantly, he has never once made a mistake in his grisly calling - until now. By abducting Katie, the young daughter of legendary private investigator, Karl Kane, the killer has just made his first mistake, which could well turn out to be his last. Blaming himself for his daughter's abduction, Karl Kane must now reach down to the darkest recesses of his troubled soul and mind, to become as cunning and merciless as the killer - but even that may not be enough to penetrate the fortress-like lair where Karl suspects the killer keeps his victims. There is only one man capable of helping Kane attack the 'dark place', a man despised and hated by Detective Inspector Mark Wilson, but even that help becomes as elusive as any Karl will get from the cops. From the nail-biting beginning to the explosive ending, Karl Kane's nightmarish journey forces upon him a decision that changes his life forever, and forces him to look into the abyss of no return.

**Fear**-Dario Argento 2020-02-04 To his legion of admirers Dario Argento is a legend, and to his filmmaking contemporaries he's an inspiration and an icon. For many years Argento's ground-breaking shockers like *Deep Red*, *Suspiria*, *Inferno* and *Opera* meant box-office gold. Now the maverick auteur, lauded as the Italian Hitchcock and the Horror Fellini, has written his autobiography, revealing all about his fascinating life, his dark obsessions, his talented family, his perverse dreams, and his star-crossed work. With candour and honesty, *Fear* lifts the lid on Argento's glittering career, from his childhood mixing with glamorous Italian movie stars to his start in the fledgling field of cinema criticism, Argento shares compelling anecdotes about his life growing up in *La Dolce Vita* Rome. Born into a family that breathed cinema, as a child Dario Argento was a voracious devourer of books and films. Bored by school so much that he fled to Paris, the young Dario felt at ease only in the darkness of a cinema - where he found fertile soil in which his solitary nature and overflowing imagination could flourish. But it was his experience as a journalist that led to his life-changing encounter with Sergio Leone, for whom he and Bernardo Bertolucci wrote the script for *Once Upon a Time in the West*. Meanwhile, the mind of the future director developed a desire as ambitious as it was magnificent: to make a film in a new style, distinct from all others. Channelling the films of Hitchcock, Lang and Antonioni triggered a wealth of ideas that changed the history of cinema. His first film came out in 1970 - *The Bird with the Crystal Plumage*. In no time at all the name of Dario Argento was known across the globe. And soon enough a series of classic films including *Deep Red* and *Suspiria* saw the light of the projector beam. Dario Argento is a maverick auteur who captured his personal demons on celluloid. At last, his fascinating life story can be told: his passions, his loves, his fears. In his autobiography, alongside the tale of an inspirational film director making his mark on the world, one glimpses the anxieties of a driven but shy man, in love with cinema and life itself. Adapted from the Italian translation and illustrated with rare photographs, the award-winning and critically acclaimed *Master of Terror* tells all. So put on your black leather gloves and start turning the pages of *Fear* for the answer to every question you've ever wanted to ask about the weird and wonderful world of Dario Argento.

Gunaratne's *In Our Mad and Furious City* is a snapshot of the diverse, frenzied edges of modern-day London. A crackling debut from a vital new voice, it pulses with the frantic energy of the city's homegrown grime music and is animated by the youthful rage of a dispossessed, overlooked, and often misrepresented generation. While Selvon, Ardan, and Yusuf organize their lives around soccer, girls, and grime, Caroline and Nelson struggle to overcome pasts that haunt them. Each voice is uniquely insightful, impassioned, and unforgettable, and when stitched together, they trace a brutal and vibrant tapestry of today's London. In a forty-eight-hour surge of extremism and violence, their lives are inexorably drawn together in the lead-up to an explosive, tragic climax. *In Our Mad and Furious City* documents the stark disparities and bubbling fury coursing beneath the prosperous surface of a city uniquely on the brink. Written in the distinctive vernaculars of contemporary London, the novel challenges the ways in which we coexist now—and, more important, the ways in which we often fail to do so.

**Sons of Sparta**-Jeffrey Siger 2014-10-07 "Siger paints travelogue-worthy pictures of a breathtakingly beautiful—if politically corrupt—Greece." —Publishers Weekly STARRED review Did the warriors of ancient Sparta simply vanish without a trace along with

their city, or did they find sanctuary at the tip of the mountainous Peloponnese? That stark, unforgiving region's roots today run deep with a history of pirates, highwaymen, and neighbors ferociously repelling any foreigner foolishly bent on occupying this part of Greece. Less well-recorded are the Mani's families' strict code of honor and their history of endless vendettas with neighbors and with their own relatives. No wonder their farms look like fortresses. When Special Crimes Division Detective Yiannis Kouros is summoned from Athens to the Mani by his uncle, Kouros fears his loyalty to his boss, Chief Inspector Andreas Kaldis, is about to be tested by family pressure on the detective to act in some new vendetta, for this uncle once headed the Mani's most significant criminal enterprise. Instead, Kouros learns the family is about to become rich through the sale of its property—until the uncle is killed, and thus the deal. Acting swiftly to head off a new cycle of violence, Kouros satisfactorily solves the murder. Or so it seems until, back in Athens, Kaldis' probe into deeply entrenched government corruption leads straight back to the Mani. Both cops now confront a host of unexpected twists, unanticipated players, unanswered questions—and people yet to die.
