Ergorig CenterFit Introduced - Designed for Female Camera

Sep 28, 2021 · Cinema Devices has introduced the Ergorig CenterFit for female camera operators. This much needed addition to their back saving line of camera support products finally takes women and people with varying body types into account. The Ergorig is a body

support brace that transfers the weight of a shoulder mounted camera to the operator's hips.

DJI Ronin 4D- a fully integrated camera & gimbal solution

Oct 20, 2021 · DJI states that “With DJI Ronin 4D, we use the power of technology to make cinema-standard production more affordable, cinema cameras more flexible, and cinematic imaging available to a boundless array of filmmakers.” The Ronin 4D looks like a cross between a DJI Zenmuse X7 Camera and something like a Canon C100 Mark II.
