**Chase After Me**-Cynthia Eden 2020-07-21 It's an undercover mission. Get in. Get close to the woman. Get the intel. Get out. Should be easy enough. Right? Wrong. Chase Durant's newest assignment goes wrong from the moment he meets Vivian Wayne. She's not cold and calculating. The scientist is charming, funny, and absolutely freaking gorgeous. He's supposed to be seducing secrets out of her. She's supposed to be a selling classified intel. She's supposed to be bad. She's the best thing he's ever seen. Doesn't take long for the Wilde agent to realize that Vivian has been set-up, and the folks setting her up thought they could use Wilde to do their dirty work. Thought they could use Chase in order to make Vivian vulnerable so that she'd be the perfect target. Wrong. Instead of using her, Chase is determined to protect Vivian. The only problem? He's been lying to her from day one, and things have...heated up between them. More like gone molten. Because Chase wants her more than he's ever wanted anyone, and he's not about to step back and let another agent take over her case. Vivian needs protecting, and he's just the man for the job. Correction—he's just the man for Vivian. He just has to prove that he can be the right one for her. Wrong. But when Vivian finds out that he's been lying, how can she trust him? Time is running out, and Vivian's heart is in tatters. She fell for the wrong man, and now she might pay for that mistake with her life. Chase seemed perfect. He flew past her defenses, and she thought he seemed might be just— Right. Chase won't back down. He won't give up. He'll prove to Vivian that she can count on him. Prove to her that he will always put her first. Prove to her that he can be the right man for her. He simply has to destroy her all of enemies and convince Vivian to fall for him once more. Only this time, she'll be falling for the real man. Not the lie. All in a day's work for a Wilde agent...right? Author's Note: Opposites don't just attract—they explode. Sparks are gonna fly, lust is gonna burn, and Mr. Cocky and Confident Chase is about to fall hard for a woman who snuck right past his guard. Bam. There may be groveling involved before the book is done. And, of course, lots of scorching scenes. Happy ending guaranteed, no cliff-hangers—just fun, hot romance, and plenty of action.

**The Outcast**-Sadie Jones 2010-03-05 The village was asleep, with all the people behind the walls and through the windows and up the stairs of the little houses blind and deaf in their beds while anything might happen. Lewis headed down the middle of the road and he kept falling and had to remember to get back on his feet. He reached the churchyard and stood in the dark with the church even darker above him. -from *The Outcast* by Sadie Jones It's 1957. Nineteen-year-old Lewis Aldridge is returning by train to his home in Waterford where he has just served a two-year prison term for a crime that shocked the sleepy Surrey community. Wearing a new suit, he carries money his father Gilbert sent — to keep him away, he suspects — and a straight razor. No one greets him at the station. Twelve years earlier, seven-year-old Lewis and his spirited mother Elizabeth are on the same train, bringing Gilbert home from war. Waterford is experiencing many such reunions, alcohol lubricating awkward homecomings and community gatherings. The most oppressive of these are the mandatory holiday parties hosted by the town's leading industrialist Dicky Carmichael, Gilbert's employer. With the Carmichael estate backing onto the Aldridge property, the attractive and popular Tamsin Carmichael and her precocious kid sister Kit are Lewis's playmates, along with a gaggle of neighbourhood boys who (like Lewis) are fascinated by Tamsin. The children play thrilling and cruel games, mirroring the adults' inebriated dysfunction. Though pleased to be reunited with Elizabeth, Gilbert is appalled by the coddling his son has received in his absence. No longer permitted to skip church for picnics by the river, Elizabeth and Lewis are steered back under the ever-judgmental gaze of Waterford society. Lewis continues to flourish, a naturally capable golden child. But iconoclastic Elizabeth, disappointed by Gilbert's insistence on conformity, seeks refuge in the bottle. Then a sunny riverside picnic ends with Elizabeth dead and ten-year-old Lewis the only witness. A shattered Gilbert is incapable of providing comfort to his young son and the community of Waterford turns away from the traumatized child, now rendered a pariah by tragedy. Lewis is sent to boarding school, summoned home only for holidays. Gilbert remarries five months later to Alice, a compliant beauty who is not up to the task of parenting a damaged child. Years pass and Lewis, now a troubled teenager, is lost in dangerous and self-harming behaviours. When an incident with a local bully causes Lewis to be even further estranged from the community, Gilbert and Alice stand idly by as Lewis is tormented by the tyrannical Dicky. Enraged, Lewis commits a shocking crime against the whole of Waterford and is sent to prison. Two years later, upon his shamed return, the town continues to treat Lewis as an outcast. Only Tamsin's little sister Kit, now a young woman, sees in him the golden boy he once was. She had become infatuated with Lewis years earlier when he had casually protected her from bullies and broken bicycle chains. But she now

faces a much darker and more dangerous sort of bullying at the hands of her father. It is up to Lewis once again to rescue her, redeeming himself through tremendous courage and terrible sacrifice. And perhaps Kit holds the power to rescue him, too. Winner of the Costa First Novel Award and a finalist for the prestigious Orange Prize, Sadie Jones's *The Outcast* introduces us to a clear and brave new voice in British fiction. The novel is a clarion call to us all, daring us to stand up to the bullies of our world, in whatever form they may take and — above all else — to love our children.

**It's Complicated**-Danah Boyd 2014-02-25 Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

**The Hero Within**-Bec McMaster 2018-04-21 As the only healer in a war-stained town, Eden McClain is devastated when the salt plague sweeps through the wastelands she calls home. Suddenly she's racing against time to save her people—and her niece—before it's too late. When she hears whispers of a cure, she knows she can't cross the dangerous Wastelands by herself to get it. She needs a guide. And she's just desperate enough to turn to a man who once betrayed her. Redemption comes at a price... After years living on the leash of a dangerous psychopath, Johnny Colton is finally free, but that doesn't mean he can wash the blood off his hands. The easiest way to deal with the past? Just stop caring. Which is working perfectly for the rugged outlaw, until a beautiful ghost from the past rigs a trap for him. The last person he wants to see is the woman who haunts his dreams, but as Eden points out, he owes her one. The only problem? This plague is man-made. Someone unleashed it. Are they walking into a dangerous trap? And can two past enemies learn to trust each other enough to survive?

**The Dead Are Arising: The Life of Malcolm X**-Les Payne 2020-10-20 WINNER • 2021 PULITZER PRIZE IN BIOGRAPHY • WINNER — 2020 NATIONAL BOOK AWARD FOR NONFICTION • TIME Magazine — 10 Best Nonfiction Books of 2020 • A New York Times Notable Book of 2020 and Editors' Choice Selection • Best Books of 2020: NPR, Washington Post, Library Journal, Chicago Public Library • Excerpted in *The New Yorker* • Longlisted — Andrew Carnegie Medal for Excellence in Nonfiction • Best Books of Fall 2020 — O, the Oprah Magazine, *The Week*, St. Louis Post-Dispatch An epic biography of Malcolm X finally emerges, drawing on hundreds of hours of the author's interviews, rewriting much of the known narrative. Les Payne, the renowned Pulitzer Prize-winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to interview anyone he could find who had actually known Malcolm X—all living siblings of the Malcolm Little family, classmates, street friends, cellmates, Nation of Islam figures, FBI moles and cops, and political leaders around the world. His goal was ambitious: to transform what would become over a hundred hours of interviews into an unprecedented portrait of Malcolm X, one that would separate fact from fiction. The result is this historic biography that conjures a never-before-seen world of its protagonist, a work whose title is inspired by a phrase Malcolm X used when he saw his Hartford followers stir with purpose, as if the dead were truly arising, to overcome the obstacles of racism. Setting Malcolm's life not only within the Nation of Islam but

against the larger backdrop of American history, the book traces the life of one of the twentieth century's most politically relevant figures "from street criminal to devoted moralist and revolutionary." In tracing Malcolm X's life from his Nebraska birth in 1925 to his Harlem assassination in 1965, Payne provides searing vignettes culled from Malcolm's Depression-era youth, describing the influence of his Garveyite parents: his father, Earl, a circuit-riding preacher who was run over by a street car in Lansing, Michigan, in 1929, and his mother, Louise, who continued to instill black pride in her children after Earl's death. Filling each chapter with resonant drama, Payne follows Malcolm's exploits as a petty criminal in Boston and Harlem in the 1930s and early 1940s to his religious awakening and conversion to the Nation of Islam in a Massachusetts penitentiary. With a biographer's unwavering determination, Payne corrects the historical record and delivers extraordinary revelations—from the unmasking of the mysterious NOI founder "Fard Muhammad," who preceded Elijah Muhammad; to a hair-rising scene, conveyed in cinematic detail, of Malcolm and Minister Jeremiah X Shabazz's 1961 clandestine meeting with the KKK; to a minute-by-minute account of Malcolm X's murder at the Audubon Ballroom. Introduced by Payne's daughter and primary researcher, Tamara Payne, who, following her father's death, heroically completed the biography, *The Dead Are Arising* is a penetrating and riveting work that affirms the centrality of Malcolm X to the African American freedom struggle.

**The Last Black Unicorn**-Tiffany Haddish 2017-12-05 NEW YORK TIMES BESTSELLER

"An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious."

—The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

**Dead Man Walking**-Helen Prejean 2011-02-02 In 1982, Sister Helen Prejean became the spiritual advisor to Patrick Sonnier, the convicted killer of two teenagers who was sentenced to die in the electric chair of Louisiana's Angola State Prison. In the months before Sonnier's death, the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying. She also came to know the families of the victims and the men whose job it was to execute—men who often harbored doubts about the rightness of what they were doing. Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital punishment. Here Sister Helen confronts both the plight of the condemned and the rage of the bereaved, the fears of a society shattered by violence and the Christian imperative of love. On its original publication in 1993, *Dead Man Walking* emerged as an unprecedented look at the human consequences of the death penalty. Now, some two decades later, this story—which has inspired a film, a stage play, an opera and a musical album—is more gut-wrenching than ever, stirring deep and life-changing reflection in all who encounter it.

**In Quest of Tolstoy**-Hugh McLean 2008 Tolstoy has held the attention of mankind for well over a century. A gifted writer, whose novels and short stories continue to entrance readers all over the world, he was at the same time a fearless moral philosopher who explored and challenged the fundamental bases of human society-political, economic, legal, and cultural. In these essays McLean investigates some of the numerous paradoxes in the Tolstoyan heritage, engaging both with Tolstoy the artist, author of those incomparable novels, and Tolstoy the thinker, who, from his impregnable outpost at Yasnaya Polyana, questioned the received ideas and beliefs of the whole civilized world. In two concluding essays, "Tolstoy beyond Tolstoy," McLean deals with the impact of Tolstoy on such diverse figures as Ernest Hemingway and Isaiah Berlin.

**Cary Grant**-Scott Eyman 2020-10-20 Film historian and acclaimed New York Times bestselling biographer Scott Eyman has written the definitive, "captivating" (Associated Press) biography of Hollywood legend Cary Grant, one of the most accomplished—and beloved—actors of his generation, who remains as popular as ever today. Born Archibald Leach in 1904, he came to America as a teenaged acrobat to find fame and fortune, but he was always haunted by his past. His father was a feckless alcoholic, and his mother was committed to an asylum when Archie was eleven years old. He believed her to be dead until he was informed she was alive when he was thirty-one years old. Because of this experience Grant would have difficulty forming close attachments throughout his life. He married five times and had numerous affairs. Despite a remarkable degree of success, Grant remained deeply conflicted about his past, his present, his basic identity, and even the public that worshipped him in movies such as *Gunga Din*, *Notorious*, and *North by Northwest*. Drawing on Grant's own papers, extensive archival research, and interviews with family and friends, this is the definitive portrait of a movie immortal.

**House of Correction**-Nicci French 2021-05-05 THE NEW THRILLER FROM THE MASTER OF PSYCHOLOGICAL SUSPENSE She's a murderer. Everyone knows she killed Stuart Rees - why else would his dead body be found in her shed? So now Tabitha is in prison, awaiting trial. Coming back to the remote coastal village where she grew up was a mistake. She didn't fit in then, and she doesn't fit in now. That day is such a blur, she can't remember clearly what happened. There is something she is missing, something important... She only knows one thing. She is not capable of murder. And the only one she can trust to help her out of this situation is herself. So she must fight. Against the odds. For her life. Beautifully written about prejudice, loneliness and fighting spirit, this new book by Nicci French is shocking, twisty and utterly compelling. Praise for *House of Correction*: 'A novel that blissfully plays with two genres: on the one hand an against-the-odds legal thriller à la John Grisham... and on the other a Miss Marple whodunnit set in a Devon village, where the amateur sleuth is herself the prime suspect and has to conduct her investigation from jail' Sunday Times 'Nicci French husband-and-wife writing team responsible for some of the UK's best psychological thrillers have created a gem of a protagonist in Tabitha, who sets

out to investigate what happened to herself, from prison... House of Correction allows the readers to puzzle out what happened alongside Tabitha, while cheering her effort' Observer 'First-class' Independent 'The husband-and-wife team of Nicci Gerrard and Sean French... have taken the ingredients of the classic village mystery and transformed them into something up to date and gripping' Literary Review 'Gritty and moving - the husband-and-wife team have scored another hit' Best 'A twisty and shocking read' Bella 'Engrossing... In this clever courtroom drama, Tabitha is on trial for the murder of a neighbour. The evidence against her is strong and due to the medication she takes, she has virtually no memory of what happened, but she's sure she's innocent and has to build a case to clear her name' Good Housekeeping 'I wanted everything to stop so I could read this book, there was something that grabbed me from the opening... This is a clever, well-crafted novel with twists and turns right until the end... Definitely a favourite read of mine for 2020' Woman's Way (Ireland) 'Describing it as a suspenseful prison thriller, or riveting courtroom drama doesn't do this meticulously written detective novel justice... As well as its finely drawn characters and clever storyline, this is a novel that provokes you into pondering the workings of the wider justice system, police methods and prison life' Bookanista 'Great writing, razor-sharp plotting, and powerful characterisation. I was 100 pages in before I even drew breath, and I defy anyone to see the ending coming' Cara Hunter 'Part ingenious locked-room mystery. Part you've-got-the-wrong-person nightmare drama. Part intricate memory game. Yet all seamlessly woven together. French's best book yet' A J Finn 'Clever, compelling, original and twisty. This unputdownable David-and-Goliath story has the flawed, funny, totally unforgettable Tabitha at its heart and I read until the early hours, desperate to know her fate' Erin Kelly
