Students and Teachers, make use of it.

A Question of Tradition-Kathryn Hellerstein 2014-07-23 In A Question of Tradition, Kathryn Hellerstein explores the roles that women poets played in forming a modern Yiddish literary tradition. Women who wrote in Yiddish go largely unrecognized outside a rapidly diminishing Yiddish readership. Even in the heyday of Yiddish literature, they were regarded as marginal. But for over four centuries, women wrote and published Yiddish poems that addressed the crises of Jewish history—from the plague to the Holocaust—as well as the challenges and pleasures of daily life: prayer, art, friendship, nature, family, and love. Through close readings and translations of poems of eighteen writers, Hellerstein argues for a new perspective on a tradition of women Yiddish poets. Framed by a consideration of Ezra Korman's 1928 anthology of women poets, Hellerstein develops a discussion of poetry that extends from the sixteenth century through the twentieth, from early modern Prague and Krakow to high modernist Warsaw, New York, and California. The poems range from early conventional devotions, such as a printer's preface and verse prayers, to experimental, transgressive lyrics that confront a modern ambivalence toward Judaism. In an integrated study of literary and cultural history, Hellerstein shows the immensely important contribution made by women poets to Jewish literary tradition.

Papers of John Adams-John Adams 1977 A new chapter in John Adams's diplomatic career opened when the Dutch recognized the United States in April 1782. Operating from the recently purchased American legation at The Hague, Adams focused his energies on raising a much needed loan from Dutch bankers and negotiating a Dutch-American commercial treaty. This volume chronicles Adams's efforts to achieve these objectives, but it also provides an unparalleled view of eighteenth-century American diplomacy on the eve of a peace settlement ending the eight-year war of the American Revolution. John Adams was a shrewd observer of the political and diplomatic world in which he functioned and his comments on events and personalities remain the most candid and revealing of any American in Europe. His correspondence traces the complex negotiations necessary to raise a Dutch loan and throws new light on his conclusion of a treaty of amity and commerce with the Netherlands, achievements of which he was most proud. Events in England and elsewhere in Europe also provided grist for his pen. Would the establishment in July of a new ministry under the earl of Shelburne hinder or advance the cause of peace? That question bedeviled Adams and his correspondents for the fate of the new nation literally rode on its answer. The volume ends with Adams's triumphal departure from The Hague to face new challenges at Paris as one of the American commissioners to negotiate an Anglo-American peace treaty.

Blitzscaling-Reid Hoffman 2018-10-09 Foreword by Bill Gates LinkedIn cofounder, legendary investor, and host of the award-winning Masters of Scale podcast reveals the secret to starting and scaling massively valuable companies. What entrepreneur or founder doesn't aspire to build the next Amazon, Facebook, or Airbnb? Yet those who actually manage to do so are exceedingly rare. So what separates the startups that get disrupted and disappear from the ones who grow to become global giants? The secret is blitzscaling: a set of techniques for scaling up at a dizzying pace that blows competitors out of the water. The objective of Blitzscaling is not to go from zero to one, but from one to one billion -as quickly as possible. When growing at a breakneck pace, getting to next level requires very different strategies from those that got you to where you are today. In a book inspired by their popular class at Stanford Business School, Hoffman and Yeh reveal how to navigate the necessary shifts and weather the unique challenges that arise at each stage of a company's life cycle, such as: how to design business models for igniting and sustaining relentless growth; strategies for hiring and managing; how the role of the founder and company culture must evolve as the business matures, and more. Whether your business has ten employees or ten thousand, Blitzscaling is the essential playbook for winning in a world where speed is the only competitive advantage that matters.

The Hard SF Renaissance-David G. Hartwell 2003-10-01 Something exciting has been happening in modern SF. After decades of confusion, many of the field's best writers have been returning to the subgenre called, roughly, "hard SF"-science fiction focused on science and technology, often with strong adventure plots. Now, World Fantasy Award-winning editors David G. Hartwell and Kathryn Cramer present an immense, authoritative anthology that maps the development and modern-day resurgence of this form, argues for its special virtues and present preeminence-and entertains us with some spectacular storytelling along the way. Included are major stories by contemporary and classic names such as Poul Anderson, Stephen Baxter, Gregory Benford, Ben Bova, David Brin, Arthur C. Clarke, Hal Clement, Greg Egan, Joe Haldeman, Nancy Kress, Paul McAuley, Frederik Pohl, Alastair Reynolds, Kim Stanley Robinson, Robert J. Sawyer, Karl Schroeder, Charles Sheffield, Brian Stableford, Allen Steele, Bruce Sterling, Michael Swanwick, and Vernor Vinge. The Hard SF Renaissance will be an anthology that SF readers return to for years to come. A major anthology of the "hard SF" subgenre-arguing that it's not only the genre's core, but also its future: Poul Anderson Stephen Baxter Gregory Benford Ben Bova David Brin Ted Chiang Arthur C. Clarke Hal Clement Greg Egan Michael Flynn Joe Haldeman James P. Hogan James Patrick Kelly Nancy Kress Geoffrey A. Landis David Langford Paul Levinson Paul McAuley David Nordley Frederik Pohl Robert Reed Alastair Reynolds Kim Stanley Robinson Robert J. Sawyer rdKarl Schroeder Charles Sheffield Joan Slonczewski Brian Stableford Allen Steele Bruce Sterling Michael Swanwick Vernor Vinge Peter Watts Sarah Zettel At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
