The Name of this Book Is Secret-Pseudonymous Bosch 2008-09-01 Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Comics Memory-Maaheen Ahmed 2018-08-01 Despite the boom in scholarship in both Comics Studies and Memory Studies, the two fields rarely interact—especially with issues beyond the representation of traumatic and autobiographical memories in comics. With a focus on the roles played by styles and archives—in their physical and metaphorical manifestations—this edited volume offers an original intervention, highlighting several novel ways of thinking about comics and memory as comics memory. Bringing together scholars as well as cultural actors, the contributions combine studies on European and North American comics and offer a representative overview of the main comics genres and forms, including superheroes, Westerns, newspaper comics, diary comics, comics reportage and alternative comics. In considering the many manifestations of memory in comics as well as the functioning and influence of institutions, public and private practices, the book exemplifies new possibilities for understanding the complex entanglements of memory and comics.

Cucumber Quest: The Flower Kingdom-Gigi D.G. 2018-10-09 What's in a name? In order to defeat the Nightmare Knight, legend dictates that the Dream Sword must be autographed by seven princesses. But things get a bit complicated when our heroes discover that the Flower Kingdom has no royalty! Luckily, the "king" of fashion, Mr. R is on the hunt for the new face of his style empire, and whoever catches his eye will be named... (wait for it...) "Princess R"! Who will claim the coveted title? And why does it feel like we're forgetting something important...? Adapted from the popular webcomic series, Cucumber Quest: The Flower Kingdom is the fourth graphic novel in a clever, adorable, and hilarious four-volume heroic adventure series from Gigi D.G. that is sure to make you hungry for sweets and action.

Pretending Is Lying-Dominique Goblet 2017-02-07 The first book to appear in English by the acclaimed Belgian artist Dominique Goblet, *Pretending is Lying* is a memoir unlike any other. WINNER OF THE 2018 SCOTT MONCRIEFF PRIZE FOR TRANSLATION FROM FRENCH In a series of dazzling fragments—skipping through time, and from raw, slashing color to delicate black and white—Goblet examines the most important relationships in her life: with her partner, Guy Marc; with her daughter, Nikita; and with her parents. The result is an unnerving comedy of paternal dysfunction, an aching ambivalent love story (with asides on Thomas Pynchon and the Beach Boys), and a searing account of childhood trauma—a dizzying, unforgettable view of a life in progress and a tour de force of the art of comics. This NYRC edition is a hardcover with extra-thick paper, full color throughout, and features new English hand-lettering by the artist.

The Penderwicks at Point Mouette-Jeanne Birdsall 2011-05-10 With over one million copies sold, this series of modern classics about the charming Penderwick family from National Book Award winner and New York Times bestseller Jeanne Birdsall is perfect for fans of Noel Streatfeild and Edward Eager. When summer comes around, it's off to the beach for Rosalind . . . and off to Maine with Aunt Claire for the rest of the Penderwick girls, as well as their old friend, Jeffrey. That leaves Skye as OAP (oldest available Penderwick)—a terrifying notion for all, but for Skye especially. Things look good as they settle into their cozy cottage, with a rocky shore, enthusiastic seagulls, a just-right corner store, and a charming next-door neighbor. But can Skye hold it together long enough to figure out Rosalind's directions about not letting Batty explode? Will Jane's Love Survey come to a tragic conclusion after she meets the alluring Dominic? Is Batty—contrary to all accepted wisdom—the only Penderwick capable of carrying a tune? And will Jeffrey be able to keep peace between the girls . . . these girls who are his second, and most heartfelt, family? It's a rollicking ride as the Penderwicks continue their unforgettable adventures in a story filled with laughs and joyful tears!

Moone Boy-Chris O'Dowd 2015-05-05 Martin Moone is eleven and completely fed up with being the only boy in a family of girls. He's desperate for a decent wingman to help him navigate his idiotic life. So when best mate Padraic suggests Martin get an imaginary friend—or "IF" for short—he decides to give it a go. His first attempt is Loopy Lou, a hyperactive goofball who loves writing rubbish rap songs. But Martin soon gets fed up with Lou's loopiness and decides to trade in his IF for someone a little less wacky. Enter Sean "Caution" Murphy, an imaginary office clerk in a bad suit with a passion for laziness and a head full of dodgy jokes. Sean is full of tips and tricks to guide Martin through the perils of the playground, from dealing with his sisters' pranks to besting the bullying Bonner boys. But getting rid of Lou is not that easy, and having TWO imaginary friends is a recipe for trouble!

Space Battle Lunchtime Vol. 1-Natalie Riess 2016-10-12 Collecting the first four issues of Natalie Riess's delectable series, *SPACE BATTLE LUNCHTIME!* Earth baker Peony gets the deal of a lifetime when she agrees to be a contestant on the Universe's hottest reality TV show, *Space Battle Lunchtime!* But that was before she knew that it shoots on location... on

a spaceship... and her alien competitors don't play nice! Does Peony really have what it takes to be the best cook in the Galaxy? Tune in and find out!

The Extremely Inconvenient Adventures of Bronte Mettlestone-Jaclyn Moriarty 2019-10-03 'Perfect for fans of Lemony Snicket' - a Book of the Year in the i News 'A whirligig of adventure' - The Telegraph _____ Bronte Mettlestone is ten years old when her parents are killed by pirates. This does not bother her much: her parents ran away to have adventures when she was a baby. She has been raised by her Aunt Isabelle, with assistance from the Butler, and has spent a pleasant childhood of afternoon teas and riding lessons. Now, however, her parents have left detailed instructions for Bronte in their will. (Instructions that, annoyingly, have been reinforced with faery cross-stitch, which means that if she doesn't complete them, terrible things could happen) She must travel the kingdoms alone, delivering gifts to ten other aunts: a farmer aunt who owns an orange orchard, a veterinarian aunt who specializes in dragon care, a pair of aunts who captain a cruise ship, and a former rock star aunt who is now the reigning monarch of a small kingdom. But as she travels from aunt to aunt, Bronte suspects there might be more to this journey than the simple delivery of treasure; though little does she suspect that she will have to play such a big part in the extraordinary events that follow.

Haunted-Chuck Palahniuk 2005-05-03 Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

Klawde: Evil Alien Warlord Cat: Enemies #2-Johnny Marciano 2020-07-07 "Applaud for KLAUDE. Two paws up!"--Dav Pilkey, creator of the Dog Man series. "Funny, savage, and brilliant, Klawde is the pet I wish I had."--Max Brallier, author of the New York Times Best Seller The Last Kids on Earth Klawde is not your basic cat. He's an emperor from another planet, exiled to Earth. He's cruel. He's cunning. He's brilliant... and he's also Raj Banerjee's best friend. Klawde and Raj are back! As summer turns to fall, our favorite warlord cat remains in his pitiful exiled existence. But Raj has an even scarier prospect than cosmic exile: starting at a new school. And if things didn't seem complicated enough, both cat and human are confronted with two figures from their past they did not expect to pop up in Elba, Oregon... Heavily illustrated, with a hilarious, biting voice that switches between Raj's and Klawde's perspectives, this is the story of an unlikely friendship that emerges as two fish out of water continue to find their footing in strange new worlds.

Lost Dogs-Jeff Lemire 2012 "Pure pulp pugilism." -- Rue Morgue "Lost Dogs is rough, it is raw as hell, but it's rough like a bareknuckle fist fight and raw like a rusty knife into your

gut... Lemire's stories pour out of him on to the page, his id spilling out into the world."-- from the introduction by Timothy Callahan Long out of print, Jeff Lemire's Xeric-Award-winning LOST DOGS now returns in a newly remastered edition, soaked with blood and ink. This 104-page mythic yarn follows a family man who's larger than life... but even he may not be powerful enough to prevent the loss of everything he's ever known. Bold, brutal, and emotionally raw, LOST DOGS represents an acclaimed storyteller's first professional work -- an early exhibition of the gifts that have made his ESSEX COUNTY and SWEET TOOTH so phenomenally popular.

Space Battle Lunchtime Volume 2-Natalie Riess 2017-06-21 It's almost time for the season finale of Space Battle Lunchtime, and finalist Peony (the only Earth contestant) is nowhere to be found! That's because she's been kidnapped and taken to the set of Space Battle Lunchtime's biggest rival, Cannibal Coliseum, where chefs compete to cook... each other. Up against some of the most dangerous aliens in the galaxy, will Peony even make it to the end of the show? Stay tuned!

Gold Boy, Emerald Girl-Yiyun Li 2010-09-14 In these spellbinding stories, Yiyun Li, a Hemingway Foundation/PEN Award winner, a MacArthur Fellow, and one of The New Yorker's top 20 fiction writers under 40, gives us exquisite stories in which politics and folklore magnificently illuminate the human condition. A professor introduces her middle-aged son to a favorite student, unaware of the student's true affections. A lifelong bachelor finds kinship with a man wrongly accused of an indiscretion. Six women establish a private investigating agency to battle extramarital affairs in Beijing. Written in lyrical prose and with stunning honesty, Gold Boy, Emerald Girl introduces us to worlds strange and familiar, creating a mesmerizing and vibrant landscape of life.

The Visual Narrative Reader-Neil Cohn 2016-01-28 Sequential images are as natural at conveying narratives as verbal language, and have appeared throughout human history, from cave paintings and tapestries right through to modern comics. Contemporary research on this visual language of sequential images has been scattered across several fields: linguistics, psychology, anthropology, art education, comics studies, and others. Only recently has this disparate research begun to be incorporated into a coherent understanding. In The Visual Narrative Reader, Neil Cohn collects chapters that cross these disciplinary divides from many of the foremost international researchers who explore fundamental questions about visual narratives. How does the style of images impact their understanding? How are metaphors and complex meanings conveyed by images? How is meaning understood across sequential images? How do children produce and comprehend sequential images? Are visual narratives beneficial for education and literacy? Do visual narrative systems differ across cultures and historical time periods? This book provides a foundation of research for readers to engage in these fundamental questions and explore the most vital thinking about visual narrative. It collects important papers and introduces review chapters summarizing the literature on specific approaches to understanding visual narratives. The result is a comprehensive "reader" that can be used as a coursebook, a researcher resource and a broad overview of fascinating topics suitable for anyone

interested in the growing field of the visual language of comics and visual narratives.

Joan & The Man-Todd Rykaczewski 2020-05-18 Follow Joan & The Man through their epic journey as they pull themselves out of isolation and into utopia.

Evil Alien Warlord Cat-Johnny Marciano 2019 Klawde, the exiled ruler of the planet Lyttyrboks, and Raj, who just moved from Brooklyn to tiny Elba, Oregon, forge an unlikely friendship as they find their footing in a strange new world.

My Mommy Medicine-Edwidge Danticat 2019-02-26 My Mommy Medicine is a picture book about the comfort and love a mama offers when her child isn't feeling well, from renowned author Edwidge Danticat. Whenever I am sick, Or just feel kind of gloomy or sad, I can always count on my Mommy Medicine. When a child wakes up feeling sick, she is treated to a good dose of Mommy Medicine. Award-winning memoirist Edwidge Danticat's rich and lyrical text envelops the reader in the security of a mother's love, and debut artist Shannon Wright's vibrant art infuses the story with even more warmth. A Parent's Choice Recommended Award Winner 2019 2020 Bank Street College of Education Best Children's Books of the Year List

Stories from the Vinyl Cafe-Stuart McLean 2009-09-29 Like an old friend who's turned up in town, Stuart McLean returns with "Stories from the Vinyl Cafe," his bestselling collection of tales based on his enormously popular Vinyl Cafe radio program. The collection features Canada's much-loved fictional family: Dave, Morley, Stephanie and Sam. Stories from the Vinyl Cafe also introduces a host of other wonderfully imagined characters, such as Margaret Dwyer, a suburban housewife who startles herself by shoplifting a pepperoni sausage, and Flora Perriton, who is consumed with thoughts of lost opportunities when an old friend passes away. Then there's Ed, who-overcome by the death of his favourite rock star-embarks on a pilgrimage to New York City to meet the singer's widow. As always, the stories in this rewarding and irreverent collection prove that Stuart McLean is indeed a national treasure.

Stroppy-Marc Bell 2021-06-29 The first full length graphic novel from the author of Shrimpy and Paul Enter the strange and wordplay-loving world of cartoonist and fine artist Marc Bell (Shrimpy and Paul, Hot Potatoe), where the All-Star Schnauzer Band runs things and tiny beings hold signs saying "It's under control." Our hapless hero Stroppy is minding his business, working a menial job in one of Monsieur Moustache's factories, when a muscular fellah named Sean blocks up the assembly line. Sean's there to promote an All-Star Schnauzer Band-organized songwriting contest, which he does enthusiastically, and at the expense of Stroppy's livelihood, home, and face. In hopes for a cash prize, Stroppy submits a work by his friend Clancy The Poet to the contest. Mishaps and hilarity ensue and

Stroppy is forced to go deep into the heart of Schnauzer territory to rescue his poet friend. Stroppy is Marc Bell's triumphant return to comics; it's also his first full-length graphic novella, one that thrums with jokes, hashtags, and made-up song lyrics. Densely detailed not-so-secret underground societies, little robots, and heavy weight humdingers leap off the page in full color. With Stroppy, Bell continues to explode the divide between fine art, doodling, and comics.

Forging a New Medium-Pascal Lefèvre 1998-01-01 For the first time several prominent comic strip historians from different countries collaborated on a publication about the comic strip in the 19th century. Most of the specialists give an overview of the comic strip production in their country and present some of the finest cartoonists of that era. There are also two more detailed discussions which offer new insights into two major cartoonists. The editors, Pascal Lefevre and Charles Dierick of the Belgian Centre for Comic Strip Art discuss the controversy over the definition of the comic strip and explain how the comic strip developed in the 19th century as a mass entertainment. There is also a timeline which gives an overview of the most important facts and names from 1800 till 1914.

Stranger Things: Zombie Boys (Graphic Novel)-Greg Pak 2020-01-21 Following the events of season one of Netflix's pop-culture sensation Stranger Things, our main characters struggle with returning to normal life after overcoming supernatural horror. School is back in session in the normally quiet town of Hawkins, Indiana. Mike, Lucas, Dustin, and Will are still grappling with the traumatic encounters with the Demogorgon and the Upside Down in season one of the hit Netflix series. As tensions rise and fractures begin to form in the group, a new kid shows up to AV club with a Betamax Camcorder and an idea. The new Spielberg-wannabe friend, Joey Kim, wants to make a horror movie about a local legend, but when he sees Will's drawings, he discovers that his new friends are local legends. Written by best-selling author Greg Pak (Mech Cadet Yu, The Incredible Hulk, Star Wars: Age of Rebellion) and drawn by Valeria Favoccia (Assassin Creed: Reflections, Doctor Who: The Tenth Doctor).

Jottings from a Far Away Place-Brendan Connell 2015-12-01 Ranging on the fringes of imagination and erudition, forming a mosaic of stories, maxims and sketches, at once fragmentary and cumulative, Jottings from a Far Away Place combines the timeless, mannered assurance of the Eastern discursive essay with the experimentation of the Western avant-garde. As the focus shifts between fantastic tales and studies of viciousness, the reader is treated to, among myriad other things, the adventures of a Taoist guitar player, a bloody episode with Countess de Bathory, a recipe for cinnabar sauce, and the story of a man who has been reincarnated as a spoon. A book that is like a collection of bulletins from the world of dreams."

How to Archer-Sterling Archer 2012-01-17 Lying is like 95% of what I do. But believe me: in this book, I'll let you know exactly how to become a master spy just like me. Obviously, you won't be as good at it as I am, but that's because you're you, and I'm Sterling Archer. I

know, I know, it sucks not being me. But don't beat yourself up about it, because I'm going to show you all the good stuff—what to wear; what to drink; how to seduce women (and, when necessary, men); how to beat up men (and, when necessary, women); how to tell the difference between call girls and hookers (hint: when they're dead, they're just hookers) and everything about weapons, secret devices, lying ex-girlfriends, and turtlenecks. In a word? How to Archer.

Graphic Subjects-Michael A. Chaney 2011-03-01 Some of the most noteworthy graphic novels and comic books of recent years have been entirely autobiographical. In *Graphic Subjects*, Michael A. Chaney brings together a lively mix of scholars to examine the use of autobiography within graphic novels, including such critically acclaimed examples as Art Spiegelman's *Maus*, David Beauchard's *Epileptic*, Marjane Satrapi's *Persepolis*, Alan Moore's *Watchmen*, and Gene Yang's *American Born Chinese*. These essays, accompanied by visual examples, illuminate the new horizons that illustrated autobiographical narrative creates. The volume insightfully highlights the ways that graphic novelists and literary cartoonists have incorporated history, experience, and life stories into their work. The result is a challenging and innovative collection that reveals the combined power of autobiography and the graphic novel.

In the All-Night Café-Stuart David 2015-05-01 "One afternoon in 1994, I had an idea." So begins Stuart David's magical, evocative memoir about the indie pop band Belle and Sebastian. Determined to make his living writing stories and songs, Stuart had spent several years scraping by on the dole in his small, industrial home town. Then he had the fateful idea to learn bass guitar, and to head for Glasgow in search of like-minded artists. Within one extraordinary year he had helped create one of the most influential, beloved bands of all time. Set against the vivid background of early nineties Glasgow, *In the All-Night Café* describes Stuart's fortuitous meeting with the group's cofounder Stuart Murdoch in a course for unemployed musicians. It tells of their adventures in two early incarnations of Belle and Sebastian and culminates in the recording of their celebrated debut album, *Tigermilk*. This portrait of the group and its origins will resonate with anyone who has put together--or thought of putting together--a band. It is a story of a group of friends who wanted to create a different kind of music, and how--against all expectations--they succeeded. Written with wit, affection and a novelist's observant eye, *In the All-Night Café* brings to life the early days of this most enigmatic and intriguing of bands. Stuart David is a Scottish musician, songwriter and novelist. After cofounding Belle and Sebastian, he went on to front *Looper*. He is the author of the novels *Nalda Said*, *The Peacock Manifesto*, and *A Peacock's Tale*.

Glister-Andi Watson 2017 Strange things happen around Glister Butterworth and her family's English estate, including being forced to type the last novel of a ghostly author found in a haunted teapot.

We Are Pussy Riot or Everything Is P.R.-Barbara Hammond In February 2012, five young women walked into the Cathedral of Christ the Saviour in Moscow to protest the illegal presidential election in Russia. The young activists, who called themselves Pussy Riot, offered up a 48-second punk prayer, shouting, "Virgin Mary, chase Putin away!" before being dragged out of the church by security. After uploading a video of the performance onto YouTube, the women of Pussy Riot were arrested as enemies of church and state. But when Western media reclaimed the story, Pussy Riot's protest became the greatest piece of performance art in Russian history. This is their story.

Pobby and Dingan-Ben Rice 2003-04 When Kellyanne Williamson's imaginary friends Pobby and Dingan disappear, Kellyanne's brother, Ashmol, enlists the aid of the entire town of Lightning Ridge, New South Wales, to find them.

They're low on fuel, they're low on food, and they're low on psychedelic space froot, but they're still determined to make it to the promised land: hippy-paradise super-planet Euphoria. This is the story of their journey, the friends and enemies they made along the way, and how the universe responded to those who dared to live freely within it. ñBeautiful, drugged, and hilarious sci-fi from an alternate universe where the only Captain America anyone cares about is the one in Easy Rider.î KIERON GILLEN (THE WICKED + THE DIVINE, Star Wars: Darth Vader) Collects VOID TRIP #1-5

Our Times in Rhymes-Sam Leith 2019-12-05 A parliament of fools, or a confederacy of dunces? Blethering celebrities and blundering politicians, royal babies and right royal cock-ups, milkshake madness and vegan sausage rolls - and, of course, the long and winding road to Brexit. If ever the times were ripe for a return to the high days of Augustan satire, it's now - and the Spectator's literary editor Sam Leith provides it. Our Times in Rhymes is a waspish, affectionate and very funny look at the state of our nation as it - let's be even-handed - teeters on the cliff-edge of a marvellous opportunity. Here is all the insanity and inanity of 2019, month by cherishable month, rendered in galloping comic verse and paired with satirical drawings by the brilliant cartoonist Edith Pritchett. It makes the perfect Christmas stocking filler for anyone who needs a good laugh at the damnable times we live in.

One Day a Dot-Ian Lendler 2018-04-17 One Day a Dot explores the age-old question: Where did we come from? Where did everything come from? Starting with one tiny dot and continuing through the Big Bang to the rise of human societies, the story of our universe is told in simple and vivid terms. But the biggest question of all cannot be answered: Where did that one dot come from? One Day a Dot is a beautiful and vibrant picture book that uses the visual motif of circles as to guide young readers through the stages of life on Earth.

The Group of Seven and Tom Thomson-David P. Silcox 2011 This book celebrates the artistic legacy of eleven artists who broke with tradition and established a new way of painting Canada. Although they called themselves the Group of Seven, the members eventually numbered ten. Tom Thompson, who died before the group was established, was always present in spirit and in the public mind--Page 4 of cover.

Unspeakable Practices, Unnatural Acts-Donald Barthelme 1969

Is This Guy For Real?-Box Brown 2018-02-06 Comedian and performer Andy Kaufman's resume was impressive—a popular role on the beloved sitcom *Taxi*, a high-profile stand-up career, and a surprisingly successful stint in professional wrestling. Although he was by all accounts a sensitive and thoughtful person, he's ironically best remembered for his various contemptible personas, which were so committed and so convincing that all but his closest family and friends were completely taken in. Why would someone so gentle-natured and sensitive build an entire career seeking the hatred of his audience? What drives a performer to solicit that reaction? With the same nuance and sympathy with which he approached *Andre the Giant* in his 2014 biography, graphic novelist Box Brown's *Is This Guy For Real?* takes on the complex and often hilarious life of Andy Kaufman.

The Colour Of Walls-Thomas King 2012-12-18 Harper Stevenson wants crisp, white, clean walls in his office. But walls have a history and a memory that can't simply be painted over. *A Short History of Indians in Canada*, Thomas King's bestselling collection of twenty tales, is a comic tour de force, showcasing the author at his hilarious and provocative best. With his

razor-sharp observations and mystical characters, including the ever-present and ever-changing Coyote, King pokes a sharp stick into the gears of the Native myth-making machine, exposing the underbelly of both historical and contemporary Native-White relationships. Through the laughter, these stories shimmer brightly with the universal truths that unite us. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

Odd Duck-Cecil Castellucci 2013-05-14 Despite the fact that she swims with a teacup balanced on her head and stays north when all of the ducks fly south for the winter, Theodora believes herself to be a normal duck and makes a friend in Chad, who may be as eccentric as she is.

Overpowered!-Christopher Green 2015-10 Hypnotism has been a source of fascination since the Victorian era, when it was simultaneously taken up by sensationalist performers and respected members of the medical establishment. In the hundred years since, it has remained alluring and mysterious—while also being subjected to powerful scientific skepticism. This beautifully illustrated book is the first major popular history of hypnotism, exploring its many guises, from pseudoscience and showmanship to serious inquiry into the practice and its effects on the conscious and unconscious mind. Christopher Green—an accredited hypnotherapist and performer—delves into the questions that have long accompanied hypnosis, asking just what it is that we are looking for from this surrender of control, and what it means that we're willing to allow someone else to attempt to alter our behavior through such mysterious means. Accessible and engaging, and full of illustrations from throughout the history of hypnotism, *Overpowered!* will charm, entertain, and educate anyone interested in the science or showmanship of hypnosis. When you hear the sound of our fingers snapping, you will go to the nearest bookstore and place an order.

Banned Book Club-Kim Hyun Kim 2020-05 The gripping true story of a South Korean woman's student days under an authoritarian regime in the early 1980s, and how she defied state censorship through the rebellion of reading.
