**Blade Heart**-Tony Kenworthy 2013-12-12

**Blade Heart**-Tony Kenworthy 2013-10-05

**What Was Football Like in the 1980s?**-Richard Crooks 2020-08-03 What Was Football Like in the 1980s? provides a fascinating and insightful perspective on the game in a decade when football faced major challenges on and off the field. The author's own memories and experiences are augmented by a wealth of research to bring you the definitive account of the clubs, players, managers, referees, grounds, crowds and competitions that defined '80s football. The book examines the Hillsborough, Heysel and Bradford fire tragedies, along with the increasingly commercialised aspects of the game and the evolution of televised football. The scourge of hooliganism - which reached its height in the 1980s - is also given due consideration. What Was Football Like in the 1980s? is an enthralling and illuminating account of a truly remarkable decade for the beautiful game, penned by a respected football author and journalist. How different was the sport 30 to 40 years ago? Richard Crooks gives you the answer, leaving no stone unturned.

**Fast Food Nation**-Eric Schlosser 2012 Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

**One Life**-Megan Rapinoe 2021-09-07 Megan Rapinoe, Olympic gold medallist and two-time Women's World Cup champion, has become a galvanizing force for social change; here, she urges all of us to take up the mantle, with actions big and small, to continue the fight for justice and equality. Using anecdotes from her own life and career, from suing the United States Soccer Federation alongside her teammates over gender discrimination to her widely publicized refusal to visit the White House, Rapinoe discusses the obligation we all have to speak up, and reveals the impact each of us can have on our communities.

**A High Five for Glenn Burke**-Phil Bildner 2020-02-25 A 2021 NCTE Charlotte Huck Award Honor Book A Chicago Public Library Best Book of 2020 A 2021 ALA Rainbow Book A Bank Street Best Book of 2021 A heartfelt and relatable novel from Phil Bildner, weaving the real history of Los Angeles Dodger and Oakland Athletic Glenn Burke--the first professional baseball player to come out as gay--into the story of a middle-school kid learning to be himself. When sixth grader Silas Wade does a school presentation on former Major Leaguer Glenn Burke, it's more than just a report about the irrepressible inventor of the high five. Burke was a gay baseball player in the 1970s—and for Silas, the presentation is his own first baby step toward revealing a truth about himself he's tired of hiding. Soon he tells his best friend, Zoey, but the longer he keeps his secret from his baseball teammates, the more he suspects they know something's up—especially when he stages one big cover-up with terrible consequences. A High Five for Glenn Burke is Phil Bildner's most personal novel yet—a powerful story about the challenge of being true to yourself, especially when not everyone feels you belong on the field.

**The Gorehound's Guide to Splatter Films of the 1980s**-Scott Aaron Stine 2003-07-08 Reviews of The Gorehound's Guide to Splatter Films of the 1960s and 1970s: “recommended”—Booklist; “exhaustive...useful”—ARBA; “a solid reference work”—Video Watchdog; “bursting with information, opinion and trivia...impeccably researched”—Film Review; “interesting and informative”—Rue Morgue; “detailed credits...entertaining”—Classic Images. Author Scott Aaron Stine is back again, this time with an exhaustive study of splatter films of the 1980s. Following a brief overview of the genre, the main part of the book is a filmography. Each entry includes extensive technical information; cast and production credits; release date; running time; alternate and foreign release titles; comments on the availability of the film on videocassette and DVD; a plot synopsis; commentary from the author; and reviews. Extensive cross-referencing is also included. Heavily illustrated.

**On the Field with...Megan Rapinoe, Alex Morgan, Carli Lloyd, and Mallory Pugh**-Matt Christopher 2020-01-14 This action-packed and inspiring collection of brand new biographies takes readers onto the field with their favorite soccer stars. The U.S. women's national soccer team cemented their legendary status with their 2019 World Cup championship. Get to know four of the team's most talented players and prominent stars: the steadfast Carli Lloyd, superstar Alex Morgan, newcomer Mallory Pugh, and fearless Megan Rapinoe. This action-packed biography collection brings readers onto the field with the women's national team to experience the biggest moments of their careers, and the journeys that brought these players together. Complete with stats and photographs, this book makes the perfect gift for any young sports fan.

**Archaeology of Precolumbian Florida**-Jerald T. Milanich 1994 In a richly illustrated book that will appeal to professional and avocational archaeologists, scholars, tourists, and local history buffs, Milanich introduces the material heritage of the first Floridians through the interpretation of artifacts and archaeological sites.

**Power to Explore**-Andrew J. Dunar 1999 This scholarly study of NASA's Marshall Space Flight Center places the institution in social, political, scientific, and technological context. It traces the evolution of Marshall, located in Huntsville, Alabama, from its origins as an Army missile development organization to its status in 1990 as one of the most diversified of NASA's field Centers. Chapters discuss military rocketry programs in Germany and the United States, Apollo-Saturn, Skylab, Space Shuttle, Spacelab, the Space Station and various scientific and technical projects including the Hubble Space Telescope. It sheds light not only on the history of space technology, science, and exploration, but also on the Cold War, federal politics, and complex organizations.

**What Money Can't Buy**-Michael J. Sandel 2012-04-24 Should we pay children to read books or to get good grades? Should we allow corporations to pay for the right to pollute the atmosphere? Is it ethical to pay people to test risky new drugs or to donate their organs? What about hiring mercenaries to fight our wars? Auctioning admission to elite universities? Selling citizenship to immigrants willing to pay? In What Money Can't Buy, Michael J. Sandel takes on one of the biggest ethical questions of our time: Is there something wrong with a world in which everything is for sale? If so, how can we prevent market values from reaching into spheres of life where they don't belong? What are the moral limits of markets? In recent decades, market values have crowded out nonmarket norms in almost every aspect of life—medicine, education, government, law, art, sports, even family life and personal relations. Without quite realizing it, Sandel argues, we have drifted from having a market economy to being a market society. Is this where we want to be?In his New York Times bestseller Justice, Sandel showed himself to be a master at illuminating, with clarity and verve, the hard moral questions we confront in our everyday lives. Now, in What Money Can't Buy, he provokes an essential discussion that we, in our market-driven age, need to have: What is the proper role of markets in a democratic society—and how can we protect the moral and civic goods that markets don't honor and that money can't buy?

**Sheela-na-gigs**-Barbara Freitag 2005-08-15 Here Barbara Freitag examines all the literature on the subject since their discovery 160 years ago, highlighting the inconsistencies of the various interpretations in regard to origin, function and name. By considering the Sheela-na-gigs in their medieval social context, she suggests that they were folk deities with particular responsibility for assistance in childbirth. This fascinating survey sheds new light on a controversial phenomenon, and also contains a complete catalogue of all known Sheela-na-gigs, including hitherto unrecorded or unpublished figures.

**Expanding Student Assessment**-Kathe Jervis 1991 Covers student assessment.

**Hatched**-Bob Frame 2010-01

**Beautiful on the Outside**-Adam Rippon 2019-10-15 Former Olympic figure skater and self-professed America's Sweetheart Adam Rippon shares his underdog journey from beautiful mess to outrageous success in this hilarious, big-hearted memoir. Your mom probably told you it's what on the inside that counts. Well, then she was never a competitive figure skater. Olympic medalist Adam Rippon has been making it pretty for the judges even when, just below the surface, everything was an absolute mess. From traveling to practices on the Greyhound bus next to ex convicts to being so poor he could only afford to eat the free apples at his gym, Rippon got through the toughest times with a smile on his face, a glint in his eye, and quip ready for anyone listening. Beautiful on the Outside looks at his journey from a homeschooled kid in Scranton, Pennsylvania, to a self-professed American sweetheart on the world stage and all the disasters and self-delusions it took to get him there. Yeah, it may be what's on the inside that counts, but life is so much better when it's beautiful on the outside.

**No Holding Back**-Michael Holding 2010-05-20 The autobiography of West Indies fast-bowling legend turned Sky pundit, Michael Holding. As one of the fastest bowlers the world has seen, Michael Holding went by the haunting nickname 'Whispering Death', claiming 249 Test wickets. Despite having not laced his bowling boots since 1989, it remains a fitting sobriquet. As a commentator and administrator, Holding has delivered his views on cricket in the same manner that he played the game: he speaks softly with a rich Jamaican rhythm and is calculated in either criticism or compliment. NO HOLDING BACK charts his effortless transition from one of the great players to one of the great pundits. Holding graphically describes his days as a player, looking back at how he tried to deliberately hurt batsmen on the wastelands of Kingston, and his first match for Jamaica when he almost collapsed from exhaustion - after only four overs! There is time, too, to divulge what it was like to tour with the West Indies, and unmissable insights about sharing a dressing room with other legends of the game like Clive Lloyd, Sir Viv Richards and Malcolm Marshall. Holding does not shirk the big issues, as he discusses how the West Indies have slipped following their halcyon days, openly assesses Brian Lara and laments the hypocrisy over the state of the game in the region. The controversy surrounding the Allen Stanford \$20m spectacle, the ICC's handling of the abandoned England v Pakistan match, player power, illegal bowling actions and the threat of Twenty20 to the Test game are all subjects which Holding tackles with characteristic knowledge and class.

**Small Press Record of Books in Print**-Len Fulton 1988

**Red Speedo**-Lucas Hnath 2020-08-04 The Obie-winning play by the Tony-nominated playwright of A Doll's House, Part 2 Ray's swum his way to the eve of the Olympic trials. If he makes the team, he'll get a deal with Speedo. If he gets a deal with Speedo, he'll never need a real job. So, when someone's stash of performance-enhancing drugs is found in the locker-room fridge, threatening the entire team's Olympic fate, Ray has to crush the rumors or risk losing everything. Red Speedo is a sharp and stylish play about swimming, survival of the fittest, and the American dream of a level playing field—or of leveling the field yourself.

**2 Second Lean 3rd Edition**-Paul A. Akers 2014-05-15

**How to Read a Film**-James Monaco 2000 Sets movies in the contexts of their aesthetic and technological antecedents and reviews all important factors of and issues pertaining to contemporary film and television production and theory.

**An Introduction to Sustainable Transportation**-Preston L. Schiller 2010 Transportation plays a substantial role in the modern world; it provides tremendous benefits to society, but it also imposes significant economic, social and environmental costs. Sustainable transport planning requires integrating environmental, social, and economic factors in order to develop optimal solutions to our many pressing issues, especially carbon emissions and climate change. This essential multi-authored work reflects a new sustainable transportation planning paradigm. It explores the concepts of sustainable development and sustainable transportation, describes practical techniques for comprehensive evaluation, provides tools for multi-modal transport planning, and presents innovative mobility management solutions to transportation problems. This text reflects a fundamental change in transportation decision making. It focuses on accessibility rather than mobility, emphasizes the need to expand the range of options and impacts considered in analysis, and provides practical tools to allow planners, policy makers and the general public to determine the best solution to the transportation problems facing a community. Featuring extensive international examples and case-studies, textboxes, graphics, recommended reading and end of chapter questions, the authors draw on considerable teaching and researching experience to present an essential, ground-breaking and authoritative text on sustainable transport. Students of various disciplines, planners, policymakers and concerned citizens will find many of its provocative ideas and approaches of considerable value as they engage in the processes of understanding and changing transportation towards greater sustainability.

**State of the World 2000**-Lester Russell Brown 2000 This text sets out to show how sustainability can be achieved without lowering living standards. It should be a valuable reference for students and the general reader on a range of social and natural science subject areas.

**Moneyball (Movie Tie-in Edition) (Movie Tie-in Editions)**-Michael Lewis 2011-08-22 Explains how Billy Beene, the general manager of the Oakland Athletics, is using a new kind of thinking to build a successful and winning baseball team without spending enormous sums of money.

**Deviant Warrior**-Brenda Trim 2015-09-08 Of all the Dark Warriors, Kyran Tarakesh is the most aberrant. Having witnessed the brutal murder and rape of his mother seven centuries ago, his sexual preferences are twisted and perverse. He walks the razors edge of control and he likes it that way, until he loses that balance and accidentally kills one of his lovers. As second in line to the Vampire throne, he is precariously close to losing his position, not to mention the respect of his brother and fellow warriors. Just when he thinks it can't get any worse, the Goddess proves him wrong. With her wicked sense of humor, the Goddess catapults him to the dragon realm of Khoth with Mackendra Callaghan, the very human he has been lusting about for months since meeting her. Mackendra not only plunges a knife deep into his heart, she flees and fights him at every turn, inflaming his desires. The surprises keep coming when he discovers she is his Fated Mate. Every belief he has ever had about intimacy is called into question when his mate gives him a taste of true pleasure for the first time. The passion that burns between them is hot enough to burn them to cinders, but he still must dispel her prejudices about vampires and break through her barriers or lose the other half of his soul forever.Mackendra is the leader of a vigilante group that hunts and kills vampires. Sarcasm, snark and weapons of titanium are the tools of her trade, and have shielded her hardened heart. When she is rescued from her burning house by a sexy stranger, she is propelled into an unfamiliar world. Her savior turns out to be a vampire of all things, and she doesn't take kindly to being stranded with the blood-sucker, much less teaming up with him in order to return to earth. She can handle her intense sexual attraction to him, but is terrified when it turns into emotional bonding. Her greatest problem is that she doesn't know how to let go of her past to accept her future. Will she rescue the blood-sucker that is slowly winning her heart or hold fast to her mission to eliminate all vampires?

**The Most Fabulous Story Ever Told**-Paul Rudnick 1999 THE STORY: A stage manager, headset and prompt book at hand, brings the house lights to half, then dark, and cues the creation of the world. Throughout the play, she's in control of everything. In other words, she's either God, or she thinks she is

**How to Be a Movie Star**-William J. Mann 2009-10-21 Elizabeth Taylor has never been short on star power, but in this unprecedented biography, the spotlight is entirely on her—a spirited beauty full of magic, professional daring, and wit. Acclaimed biographer William Mann follows Elizabeth Taylor publicly as she makes her ascent at MGM, falls into (and out of) marriages, wins Oscars, fights studio feuds, and combats America's conservative values with her decidedly modern love affairs. But he also shines a light on Elizabeth's rich private life, revealing a love for her craft and a loyalty to the underdog that fueled her lifelong battle against the studio system. Swathed in mink, disposing of husbands but keeping the diamonds—this is Elizabeth Taylor as she lived and loved, breaking and making the rules in the game of supreme celebrity.

**The Pride of Havana**-Roberto Gonzalez Echevarria 2001-05-24 From the first amateur leagues of the 1860s to the exploits of Livan and Orlando "El Duque" Hernandez, here is the definitive history of baseball in Cuba. Roberto Gonzalez Echevarria expertly traces the arc of the game, intertwining its heroes and their stories with the politics, music, dance, and literature of the Cuban people. What emerges is more than a story of balls and strikes, but a richly detailed history of Cuba told from the unique cultural perch of the baseball diamond. Filling a void created by Cuba's rejection of bullfighting and Spanish hegemony, baseball quickly became a crucial stitch in the complex social fabric of the island. By the early 1940s Cuba had become major conduit in spreading the game throughout Latin America, and a proving ground for some of the greatest

talent in all of baseball, where white major leaguers and Negro League players from the U.S. all competed on the same fields with the cream of Latin talent. Indeed, readers will be introduced to several black ballplayers of Afro-Cuban descent who played in the Major Leagues before Jackie Robinson broke the color barrier once and for all. Often dramatic, and always culturally resonant, Gonzalez Echevarria's narrative expertly lays open the paradox of fierce Cuban independence from the U.S. with Cuba's love for our national pastime. It shows how Fidel Castro cannily associated himself with the sport for patriotic p.r.--and reveals that his supposed baseball talent is purely mythical. Based on extensive primary research and a wealth of interviews, the colorful, often dramatic anecdotes and stories in this distinguished book comprise the most comprehensive history of Cuban baseball yet published and ultimately adds a vital lost chapter to the history of baseball in the U.S.

**The Wild Man**-Patricia Nell Warren 2001 A disillusioned bullfighter and a peasant join forces to follow their dreams in 1960s Spain.

**Forthcoming Books**-Rose Army 1992

**Lillee**-Dennis Lillee 1982

**Disney A to Z**-Dave Smith 1996 Includes full descriptions of all Donald Duck, Mickey Mouse, Pluto, and Goofy cartoons; the story of Mickey's birth; the Disney Channel Premiere films and Disney television shows; the Disney parks; Disney Academy Awards and Emmy Awards; the Mouseketeers throughout the years; and details of Disney company personnel and primary actors.

**A Boy and His Soul**-Colman Domingo 2013-09-08 Where do you get SOUL? From watching your parents sell the house you grew up in? From discovering the family secret about your crazy cousin? Or from the childhood records found in your parents' basement? From Stevie, Aretha, Marvin, Chaka, Barry, Gladys...and Colman. Propelled by the beat of classic soul, smooth R&B and disco, this is the soundtrack of a boy's coming of age in 70s and 80s Philadelphia. A Boy and His Soul was the recipient of the Lucille Lortel Award Best Solo Show, GLAAD Media Award Best Play On or Off Broadway and the ITBA Best Solo Show awards.

**Social Democratic Capitalism**-Lane Kenworthy 2019-10-02 What configuration of institutions and policies is most conducive to human flourishing? The historical and comparative evidence suggests that the answer is social democratic capitalism - a democratic political system, a capitalist economy, good elementary and secondary schooling, a big welfare state, pro-employment public services, and moderate regulation of product and labor markets. In Social Democratic Capitalism, Lane Kenworthy shows that this system improves living standards for the least well-off, enhances economic security, and boosts equality of opportunity. And it does so without sacrificing other things we want in a good society, from liberty to economic growth to health and happiness. Its chief practitioners have been the Nordic nations. The Nordics have gone farther than other rich democratic countries in coupling a big welfare state with public services that promote high employment and modest product- and labor-market regulations. Many believe this system isn't transferable beyond Scandinavia, but Kenworthy shows that social democratic capitalism and its successes can be replicated in other affluent nations, including the United States. Today, the U.S. lags behind other countries in economic security, opportunity, and shared prosperity. If the U.S. were to expand its existing social programs and add some additional ones, many ordinary Americans would have better lives. Kenworthy argues that, despite formidable political obstacles, the U.S. is likely to move toward social democratic capitalism in coming decades. As a country gets richer, he explains, it becomes more willing to spend more in order to safeguard against risk and enhance fairness. With social democratic capitalism as his blueprint, he lays out a detailed policy agenda that could alleviate many of America's problems.

**Impact of Davis-Bacon Act on CDBG and UDAG Programs**-United States. Congress. House. Committee on Banking, Finance, and Urban Affairs. Subcommittee on Housing and Community Development 1988

**Theorizing Identities and Social Action**-M. Wetherell 2009-10-22 This collection brings together leading scholars to explore the 'doing' and 'making' of identities. Drawing on the highly innovative ESRC Identities and Social Action Programme, the chapters take core social actions - such as performing, excluding, mixing, bonding - and demonstrate how social practices and identities unfold together.

**Words for Pictures**-Brian Michael Bendis 2014-07-22 Best-selling Marvel Comics writer Brian Michael Bendis reveals the comic book writing secrets behind his work on The Avengers, Ultimate Spider-Man, All-New X-Men, and more. Arguably the most popular writer in modern comics, Brian Michael Bendis shares the tools and techniques he uses to create some of the most popular comic book and graphic novel stories of all time. Words for Pictures provides a fantastic opportunity for readers to learn from a creator at the very top of his field. Bendis's step-by-step lessons teach comics writing hopefuls everything they'll need to take their ideas from script to dynamic sequential art. The book's complete coverage exposes the most effective methods for crafting comic scripts, showcases insights from Bendis's fellow creators, reveals business secrets all would-be comics writers must know, and challenges readers with exercises to jumpstart their own graphic novel writing success.

**Secretariat**-William Nack 2010-08-31 ""Secretariat" is an elegantly crafted, exhilarating tale of speed and power, grace and greatness, told with such immediacy that the reader is lost in the rush of horses and the clatter and ring of the grandstand." --Laura Hillenbrand, bestselling author of "Seabiscuit" Updated with a new preface by the author In 1973, Secretariat, the greatest champion in horse-racing history, won the Triple Crown. The only horse to ever grace the covers of "Time," "Newsweek," and "Sports Illustrated" in the same week, he also still holds the record for the fastest times in both the Kentucky Derby and the Belmont Stakes. He was also the only non-human chosen as one of ESPN's "50 Greatest Athletes of the Century." The tale of "Big Red" is an enduring and inspiring classic, more than thirty years after its initial publication.

**Rethinking Density**-Anamarija Batista 2017 Rethinking Density: Art, Culture, and Urban Practices considers new perspectives and discussions related to the category of density, which for a long time has been part of urban-planning discourses and is now regaining the attention of artists and practitioners from a number of different disciplines. In an interplay of models, coping strategies, and experimental approaches, this publication combines research from cultural studies, artistic research, sound studies as well as architectural and urban theory. The issues discussed include the consideration of retroactive architectural design as a means to retrace the historical layers of a city, a proposal for spacesharing concepts as instruments for urban revitalization processes, and a case study on the potential for new sonic social spaces as subversive modes to undermine prevailing power structures. Contributors Anna Artaker, Anamarija Batista, Marc Boumeester, Meike S. Gleim, Nicolai Gütermann, Gabu Heindl, Improvistos (María Tula García Méndez, Gonzalo Navarrete Mancebo, Alba Navarrete Rodríguez), Sabine Knierbein, Szilvia Kovács, Elke Krasny, Brandon LaBelle, Antje Lehn, Carina Lesky, Agnes Prammer, Nicolas Remy, Nikolai Roskamm, Angelika Schnell, Jürgen Schöpf, Christabel Stirling, Johannes Suitner, Katalin Teller, Iván Tosics, Ivana Volic, Marie-Noëlle Yazdanpanah Publication Series of the Academy of Fine Arts Vienna, vol. 20

**Fair Play**-Cyd Zeigler 2016-05-16 "This important and accessible book about the evolving treatment of LGBTQ athletes in organized sports should be required reading for anyone involved in the playing, coaching, and administration of organized sports. Zeigler, an expert in LGBTQ athletics and cofounder of the online magazine Outsports, revisits key moments that have shaped sports participation for openly LGBTQ athletes....The author debunks the myth that having a nonstraight athlete on a team's roster is a 'distraction' and shares positive stories of younger athletes at high school and college levels who have come out to coaches, teammates, and family members. Zeigler argues that the dominant emotion holding back LGBTQ athletes is fear, reminding them and everyone else that courage is contagious." --Publishers Weekly "Outsports.com founder Zeigler gives an account of the great strides LGBTQ athletes have made in the sports world over the last 15 years...Lively and provocative, the book not only offers a much-needed perspective on what until recently has been one of the last bastions of heterosexism. It is also significant for its conscious consideration of how current developments will impact LGBTQ athletes of tomorrow. An informative, necessary work." --Kirkus Reviews "Zeigler is the cofounder of the online magazine Outsports, and he is a vocal and respected advocate for the LGBT sports community. Here he pens a series of essays about athletes who have come out, noting the misguided homophobia in the locker-room culture of sports, and the important role that straight athletes can play in the gay movement...Well researched, timely, and provocative, Zeigler's book provides readers with candid personal accounts of the struggles and triumphs of LGBT athletes across a wide spectrum of the sports world." --Booklist "Zeigler candidly examines the issues involved in gay athletes' coming-out processes, and the support (or, often, lack thereof) they receive from teammates, coaches, and their sports. front offices...Zeigler gives due credit where it's deserved, while sharply analyzing the deep undercurrents of squeamishness and hesitation that still stymie team sports' full acceptance of their LGBT participants...Cyd Zeigler is here to remind us that there's still much work to be done." --ALA's Gay Lesbian Bisexual Transgender Round Table "Fair Play, published in conjunction with Akashic Books, tells the story of how sports are transforming for LGBTQ athletes, and specifically focuses on the time period following the turn of the 21st century.

Zeigler's book covers treatment of LGBTQ athletes, touching on bullying and hazing that has surrounded, and continues to surround, LGBTQ athletes, specifically in high school and college, while weaving in stories of LGBT athletes and allies such as Michael Irvin, Fallon Fox, and Michael Sam, among others." --GLAAD "Fair Play presents LGBT history and shows how far the movement has come. It's also an important scrapbook of past and present-day gay athletes who have bravely tested America's social climate and come out, even when their careers were at risk." --Bay Area Reporter The latest from Akashic's Edge of Sports imprint. When Cyd Zeigler started writing about LGBT sports issues in 1999, no one wanted to talk about them. Today, this is a central conversation in American society that reverberates throughout the sports world and beyond. In Fair Play, Zeigler tells the story of how sports have transformed for LGBT athletes, diving into key moments and issues that have shaped sports for LGBT people today. He shares intimate behind-the-scenes details about various athletes and stories--including NFL Hall of Famer Michael Irvin, transgender MMA fighter Fallon Fox, and NFL hopeful Michael Sam, among others--along with contextual insights about elite sports, including the overhyped "distraction" myth surrounding gay athletes. Always the forward-thinker, Zeigler maps out the necessary steps to complete sports' transformation and fully open athletics to LGBT people.

**Auberon**-James S. A. Corey 2019-11-12 A novella set in the universe of James S. A. Corey's NYT-bestselling Expanse series, Auberon explores a new and alien world and the age-old dangers that humanity has carried with it to the stars. Now a Prime Original series.
