Built to Fail-Alan Payne 2021-03-09 How does an iconic brand die? For more than two decades, Blockbuster was America's favorite way to watch movies. Millions of customers visited more than eight thousand stores around the globe every week, providing more data about movie audiences than anyone in history had ever owned. If any company should have predicted the disruptive forces coming down the pike, it was Blockbuster. But as new threats emerged, none of its five CEOs had answers, and the company collapsed long before its time. Built to Fail tells the complete inside story of Blockbuster's meteoric rise and catastrophic fall. Beneath the surface of explosive growth lay a shaky foundation of financial difficulty, tunnel vision, and missed opportunities. Written by Alan Payne, the man who built the longest-lasting Blockbuster franchise chain in the country, Built to Fail is a cautionary tale for today's disruptive marketplace, explaining why Blockbuster was a broken company long before Netflix ever streamed a single movie.

Maxine Hong Kingston's Broken Book of Life-Maureen Sabine 2004-02-29 The numerous studies of Maxine Hong Kingston's touchstone work The Woman Warrior fail to take into account the stories in China Men, which were largely written together with those in The Woman Warrior but later published separately. Although Hong Kingston's decision to separate the male and female narratives

enabled readers to see the strength of the resulting feminist point of view in *The Woman Warrior*, the author has steadily maintained that to understand the book fully it was necessary to read its male companion text. Maureen Sabine's ambitious study of *The Woman Warrior* and *China Men* aims to bring these divided texts back together with a close reading that looks for the textual traces of the father in *The Woman Warrior* and shows how the daughter narrator tracks down his history in *China Men*. She considers theories of intertextuality that open up the possibility of a dynamic interplay between the two books and suggests that the Hong family women and men may be struggling for dialogue with each other even when they appear textually silent or apart.

Autoremprendedor: Cómo Generar Ingresos Estables De Regalías De Libros Electrónicos-Kristen James 2015-03-17 ¿Qué es un Autoremprendedor? Viene del inglés “Authorpreneur”, un término reciente de los últimos años que se utiliza para encapsular al autor (del inglés, “author”) y al empresario emprendedor (del inglés, “entrepreneur”); y que abarca conceptos como el de autores auto-publicados, autores independientes y autores mixtos. Se podría decir que los autores que publican de modo tradicional también son emprendedores. En años anteriores, todas las demás industrias tenían en estima a las personas que emprendían sus propios negocios, pero no fue así en la publicación... al menos, no hasta ahora. La auto-publicación se está convirtiendo en la norma, los autores independientes están alcanzando ingresos estables y los libros auto-publicados están consiguiendo los puestos n.º 1 en las listas de libros electrónicos vendidos. En la última semana de abril de 2013, cinco de los diez mejores libros electrónicos habían sido auto-publicados. La semana anterior a esa, los libros electrónicos n.º 1 y n.º 2 también habían sido auto-publicados. Algunos autores independientes altamente exitosos están firmando acuerdos de solo impresión con las principales editoriales, mientras que otros optan por seguir siendo auto-publicados y conservar todos sus derechos. También hay autores mixtos que utilizan lo mejor de los dos métodos de publicación para alcanzar sus metas y llegar a más lectores. En la actualidad, tenemos opciones. Los que mandan son los lectores. Es un momento increíble para ser autor y me siento muy afortunada de formar parte de estos cambios. Al igual que la edición tradicional, la auto-publicación tiene sus mega-bestsellers, grandes vendedores, autores de mitad de lista y muchos autores con la esperanza de unirse a esas filas. A diferencia de la edición tradicional, la auto-publicación les proporciona la oportunidad a los autores de mitad de lista de ganar un ingreso significativo por su trabajo, incluso en los

Gaian Angels, Book 1: The Weavers Awake-Iom Kosta 2011-12-17 We scour the heavens in search of visitors, but what if they're already here amongst us—just waiting for their awakening? And what if...you're one of them? This is the true story of a young visionary who predicted the overwhelming extent of the present climatic cataclysm, and this book is now proof since he published it in 2011, when we still believed the collapse of our civilisation was impossible. As early as 2002 he screamed that we had to change our ways, and went right up to the gates of death to find an antidote to his Apocalyptic visions. Of course, he was considered even crazier than the few alarmist scientists that were around at the time. To continue spreading the message and escape psychiatric internment, he eventually had the idea of recounting his extreme experiences mingled with an imaginary world. So here is the diary of a crazy "indigo being" whose error was to be right too soon—because today, only real madmen still deny the environmental tragedy in progress. Maybe it's not too late to read it? But don't worry; this is first and foremost an extraordinary journey towards hope, which may be summarised as follows: Arcadia leaves her idyllic Sylvan City to go to Earth and join the team of scouts charged with rescuing humanity, which is in danger of extinction. She comes to life as the author and observes our society from a different perspective. But this spiritual struggle across time and dimensions has unexpected repercussions. Who is really pulling the strings? Perhaps the Akashas: the angelic entities. What is their real intention? Will humanity survive? Maybe Consciousness will disappear...or never see the light of day? This 'journey of investigation' pushes the boundaries of reality to embrace a universal, ecological spirituality. Much more than a warning about the wasteland that the human race is preparing for its own future, the Gaian Angels Cycle is a new answer to the eternal question: what is the meaning of life? This first book can be read independently of the trilogy. Free eBook (direct download): take advantage of this special

ACCLAIM FOR GLORY KEVERNES A MAN CANNOT CRY. A PEOPLE magazines Top Ten Book of the Year in America. A BOOKSELLERS Most Promising Title in Britain. A MAN CANNOT CRY is the finest first novel I have ever handled (including THE COLLECTOR by John Fowles, and THE WATER IS WIDE by Pat Conroy). Close to 50 years in publishing as a writer, editor and agent and I have never heard such a story of how a relatively uneducated girl of eighteen in a little copper mining town in Northern Rhodesia, married to a miner, began a powerful first novel of 500,000 words (before cutting), and spent years writing it under the most amazing circum- stances. I have never been as overwhelmed by a first novel. She is simply a born story teller. Julian Bach, New York Agent and a former editor of LIFE magazine. Gloria, you have a wonderful novel here. It moved me to tears and its editing has been a labor of love for me. A Man Cannot Cry has given me great pleasure and I thank you for it. Eventually the world will too. Hillel Black, William Morrow, USA. This excellent novel is an African answer to THE THORN BIRDS. With first rate characterization and an unusual and ingenious plot, the combination of Africa, the Quaker settlement and medicine, is exceptionally good. P Parkin, HarperCollins, UK. A MAN CANNOT CRY pulses with the life of Northern Rhodesia and all Africa besides. The story begins in 1958 with the arrival of Dr Than Profane at a Quaker mission to see his dying father. He does not intend to stay but before long he is taking Africa like a drug and thriving like cut grass growing wild He quickly earns the affectionate name Bwana Cowboy. His methods and sometimes his morals are characteristically American, rough-hewn, deaf to both danger and defeat Inevitably he clashes with his conservative hosts. But he does much better with the local tribes there is a wonderful passage where he is trained as a witchdoctor and some of the books finest characters, lovingly portrayed, are African The book is alive with people, places, and their interactions: births and deaths in squalid hut and shiny hospital, cruel savages and a tame leopard; the glory of a canoe trip on the Zambezi and a white man dressing as a witchdoctor to fight a smallpox epidemic; and in the background the murmuring voices of a changing Africa, Lumumba, Tshombe, Kasavubu, Kaunda. A MAN CANNOT CRY dramatizes all the conflicts and parallels between the white world and the black, the old Africa and the new, the familiar and the alien, the uncertain fears of the mind and the sure knowledge of the heart. Long, rich and detailed, it is a wonderful book. Alan Ryan, THE WASHINGTON POST. An enormous array of human emotion is

Between Love and Hate-Altonya Washington 2015-03-30 Cahlr Decker and Bizay Donneeter had an extraordinary involvement that resulted in more than either of them ever intended. Their connection went deeper than the sexual chemistry that sizzled to life between the powerful corporate consultant and the lingerie entrepreneur. At least, that was what Biz thought until their enjoyable time together ended when she woke one morning to an empty bed and no sign of Cahlr. Biz refused to acknowledge how deeply the man had wounded her-how deeply her feelings for him had grown in the short span of time they had known each other. She was angry and hurt and leaned on a fair amount of hate to survive. Not a bad plan until she received word that her family's advertising firm was in trouble and that Cahlr was its new owner. Biz didn't have time to let fear register over the unexpected turn of events. Fear however, did eventually find its way to the forefront of her mind as did a healthy dose of suspicion. Did Cahlr know that she'd left San Diego pregnant with their child? What would he do when he realized she'd had their daughter and had kept her from him for four years?

Lost Chances-C. T. Nicholson 2014-04-04 Home is where the heart is... Seven years after leaving town and the only girl he loved, Cooper still couldn't forget about Sophia. He had two loves. Music and the woman of his dreams. Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.

Bleak-Lynn Messina 2012-06-26 A smart, funny take on the Charles Dickens classic BLEAK HOUSE—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, Jarndyce and Jarndyce, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and an experienced screenwriter who is willing to help her for a fee, which only starts out small. And then there's her cute neighbor Simon, who thinks her new friends are just taking advantage of her. Will Ricki ever see her name in lights and make it big in Hollywood?
