He smiled while he spoke, waving his arms to emphasise his words. Nicholas nodded sagely as he pretended to listen. Not showing any sign of returning the man's brilliant smile. Maya moved closer. Feeling curious. "Aren't you going to introduce me, Nicholas?" she asked. Maya smiled at the young man. He seemed to be only a few years older than her. He had a healthy complexion that showed he enjoyed spending time outside. The young man returned her smile. "I'm Alfie, and I'm so pleased to meet such a lovely woman," he said and beamed at her. He held out his hand to greet her. "This is my sister, Maya. Touch her and die," Nicholas said coldly. The young man froze, his hand hanging in midair. "Ignore him, Alfie," Maya said. "He's not my brother. He's just afraid I'll lose my V-card on his watch." Both gawked at her. "Hi, I'm Maya. I'm so pleased to meet you," she said and shook his hand. "I'm 23 by the way, so I make my own decisions." "Dammit, Maya," Nicholas seethed beside her. "Why don't you find a girlfriend to harass, Nicholas. I'm sure Alfie and I can find something interesting to talk about." "Piss off, Alfie!" Nicholas said and grabbed Maya's arm. He pulled her away from the shocked young man. With Nicholas holding her arm, he manoeuvred her into the hallway nearby. It was quiet. No one was near enough to hear. Maya sighed and prepared herself for another reprimand. Great. "Wow. That was subtle," Maya said. "I liked him. Why did you have to ruin it?" -----

I felt the color drain from my face, taking the moisture in my mouth with it as a suffocating panic grew in my chest. I was going to be found out. Ethan laughed it off. "Yeah, that's not happening. She's my sister.""Not really, though," his buddy insisted. The eruption of laughter and jeering sounds made the dim kitchen feel like a jungle full of predators, and I was sure my cheeks were going to burst into flames. Portrait of a Young Painter-Mary Kay Vaughan 2015-02-16 In Portrait of a Young Painter, the distinguished historian Mary Kay Vaughan adopts a biographical approach to understanding the culture surrounding the Mexico City youth rebellion of the 1960s. Her chronicle of the life of painter Pepe Zúñiga counters a literature that portrays post-1940 Mexican history as a series of uprisings against state repression, injustice, and social neglect that culminated in the student protests of 1968. Rendering Zúñiga's coming of age on the margins of formal politics, Vaughan depicts midcentury Mexico City as a culture of growing prosperity, state largesse, and a vibrant, transnationally-informed public life that produced a multifaceted youth movement brimming with creativity and criticism of convention. In an analysis encompassing the mass media, schools, politics, family, sexuality, neighborhoods, and friendships, she subtly invokes theories of discourse, phenomenology, and affect to examine the formation of Zúñiga's persona in the decades leading up to 1968. By discussing the influences that shaped his worldview, she historicizes the process of subject formation and shows how doing so offers new perspectives on the events of 1968.

The Vow-Cassandra Hallman 2019-10 "We're a match made in heaven but forbidden as sin."After tragedy struck, I vowed never to fall in love again. For the last ten years, I kept that promise, never staying with a woman longer than it took to screw them. Then she walked in... Back then she was nothing but a little girl, but now she's all grown up, with curves, and a smile that reminds me of everything I've spent the last ten years trying to forget. My attraction to her is instant, and wrong, on so many levels. I'll do anything I can, even make her hate me if I have too, to stop it. She's here to study, and I'm the newly appointed Dean. I shouldn't be tempted by a student, especially one who's ten years younger than me. And I definitely shouldn't be developing feelings for her. But I am... Because as badly as I don't want to admit it Lily might just be the one person to make me fall in love again. That is if I can let go of the hold her dead sister's memory has on my heart first.**This is book four in the North Woods University Series. It can be read as a complete standalone and contains NO cliffhanger, NO cheating, and a HEA. Please be advised this series contains material not suitable for all readers. This is NOT a YA series.**
