The Blackberry-Research In Motion 2012-08-07 From its relatively modest debut in 1999, Blackberry has become one of the most popular technological products in the world. Research in Motion - the phenomenally successful company behind Blackberry, which began as a student start-up - has already sold over 75 million smartphones, nearly half of which were sold in the last year alone. This book is a never-before-seen, behind-the-scenes portrait of RIM and its amazing CEOs who are two of today's most respected businessmen: Jim Balsillie and Mike Lazaridis. It explores in detail not only the company's early struggles against much larger and much better known firms, but also how RIM has been able to maintain and exceed even its own lofty expectations. With thousands of hours of interviews with people close to the company, including unprecedented access to company founders Jim Balsillie and Mike Lazaridis (they are writing the foreword), award-winning business writer Rod McQueen has crafted an arresting narrative telling this incredible story.

The Bulk Sales Act-Alberta Law Reform Institute 1990 This report describes the Act and states the reasons for our conclusion that the Act should be repealed. It also contains the text of the Act, describes the survey conducted of members of the legal profession regarding their views on the Act, and summarizes the most frequently expressed reasons for retaining the Act, and states why it was concluded that those reasons were overborne by those in favour of repeal. Finally, it describes some approaches that could be taken to reforming rather than repealing the Act.

Sustainable Vernacular Architecture-Ali Sayigh 2019-03-29 This book discusses applying vernacular strategies to modern architectural design to adhere to basic green principles of energy efficiency and materials utilization. Written from an international perspective, chapters present the perspectives and experiences of architects and engineers from across the globe. Historically successful approaches are integrated with modern design concepts to create novel, sustainable, and resource conscious solutions. The scope of topics covered include natural ventilation, cooling and heating, daylight and shading devices, and green micro-climate and functional facades, making this a useful reference for a wide range of researchers and workers in the built environment. Covers the most up-to-date research developments, best practices, and innovations from countries all over the globe; Presents the latest research in vernacular architecture and sustainable building; Contains case studies and examples to enhance practical application of the technologies presented.

A Finer End-Deborah Crombie 2002 Superintendent Duncan Kincaid and Sergeant Gemma James of Scotland Yard must penetrate the perils that shadow everyone in Glastonbury--an ancient place linked to Druid magic and the great Abbey renowned as Christendom's first church. Reprint.

One Christmas Eve-Lisa McClung 2020-05-06 One Christmas Eve is a beautiful modern-day love story about three couples (in different stages of their lives) finding love in God's timing. It's romantic, yet every chapter glorifies God Almighty! Amanda Matthews and Nicholas Lone Horn, now in their thirties gave up on finding love, but God had other plans for their future. Two of the characters go through different trials, such as losing a spouse, then finding love again after two decades. There are action packed events that evolve as these beautiful love stories unfold. Set in a quaint suburb outside of Pittsburgh, Pennsylvania. Local small business owners have a very friendly relationship helping one another because of their love for the Lord. One Christmas Eve is a blessing for people of all ages.

Midnight Blue-Simone van der Vlugt 2017-02-09 Amsterdam 1654: a dangerous secret threatens to destroy a young widow's new life.

Mema Says-Delores Oakes Hughes 2020-10-07 Trouble seems to seek out Delores, but she never backs down from a challenge. From her humble beginnings as a sweet Georgia peach, to her rise to late-in-life reality television stardom, Delores always faces everything head-on with a headstrong will. Discover the shocking truth about her trials and tribulations along the way: How she dealt with spousal abuse by giving as good as she got. How she suffered the loss of a child from a forced abortion. How she nearly died in a car wreck that rendered one of her children catatonic. Life might give her lemons, but Delores makes the best lemonade this side of the Mason-Dixon line, then sells that lemonade back to life for a large profit!

Inventing Wine: A New History of One of the World's Most Ancient Pleasures-Paul Lukacs 2013-10-21 "Meticulously researched history...look[s] at how wine and Western civilization grew up together." —Dave McIntyre, Washington Post Because science and technology have opened new avenues for vintners, our taste in wine has grown ever more diverse. Wine is now the subject of careful chemistry and global demand. Paul Lukacs recounts the journey of wine through history—how wine acquired its social cachet, how vintners discovered the twin importance of place and grape, and how a basic need evolved into a realm of choice.

Financial Shock (Updated Edition), (Paperback)-Mark Zandi 2009-04-15 "In Financial Shock, Mr. Zandi provides a concise and lucid account of the economic, political, and regulatory forces behind this binge." —The Wall Street Journal "The obvious place to start is the financial crisis, and the clearest guide to it that I've read is Financial Shock by Mark Zandi....It is an impressively lucid guide to the big issues." — David Leonhardt, The New York Times "If you wonder how it could be possible for a subprime mortgage loan to bring the global financial system and the U.S. economy to its knees, you should read this book. No one is better qualified to provide this insight and advice than Mark Zandi." — Larry Kudlow, Host, CNBC's Kudlow & Company "Mark Zandi provides insightful analysis, thoughtful recommendations, and a comprehensible explanation of the financial crisis that is accessible to the general public and extremely useful to those who specialize in the area." — Barney Frank, Chairman, House Financial Services Committee The Definitive Financial Meltdown Exposé: Now completely updated to include discussions of the Obama administration's many policy initiatives and proposed solutions. •Includes expanded coverage of the market meltdown, the bailout bill and stimulus plans, the bank rescue plan, and the foreclosure mitigation plan • Sifting the wreckage, fixing the blame: the roles of mortgage lenders, investment bankers, speculators, the real estate industry, regulators, the Fed, and homebuyers • Tomorrow's emerging financial shocks-and how to prevent them
