The Guineveres-Sarah Domet 2016-10-04 “Deft and lovely...The perfect weight, in all ways. It’s suitable for a vacation, and you can describe it in one inviting line, but then it keeps unfolding and deepening, taking unexpected turns.” —The New York Times Book Review To four girls who have nothing, their friendship is everything: they are each other’s confidants, teachers, and family. The girls are all named Guinevere—Vere, Gwen, Ginny, and Win—and it is the surprise of finding another Guinevere in their midst that first brings them together. They come to The Sisters of the Supreme Adoration convent by different paths, delivered by their families, each with her own complicated, heartbreaking story that she safeguards. Gwen is all Hollywood glamour and swagger; Ginny is a budding artiste with a sentiment to match; Win’s tough bravado isn’t even skin deep; and Vere is the only one who seems to be a believer, trying to hold onto her faith that her mother will one day return for her. However, the girls are more than the sum of their parts and together they form the all powerful and confident The Guineveres, bound by the extraordinary coincidence of their names and girded against the indignities of their plain, sequestered lives. The nuns who raise them teach the Guineveres that faith is about waiting: waiting for the mail, for weekly wash day, for a miracle, or for the day they turn eighteen and are allowed to leave the convent. But the Guineveres grow tired of waiting. And so when four comatose soldiers from the War looming outside arrive at the convent, the girls realize that these men may hold their ticket out. In prose shot through with beauty, Sarah Domet weaves together the Guineveres’ past, present, and future, as well as the stories of the female saints they were raised on, to capture the wonder and tumult of girlhood and the magical thinking of young women as they cross over to adulthood.

A Kingdom of Flesh and Fire-Jennifer L. Armentrout 2020-09-01 From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that’s one order she’s more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da’Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he’s the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she’s ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she’s far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolgen are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

A Dictionary of English Synonymes and Synonymous or Parallel Expressions Designed as a Practical Guide to Aptness and Variety of Phraseology-Richard Soule 1876

The Morning's War-Charles Edward Montague 1913

Den of Vipers-K. A. Knight 2020-07-10 The world ended and with it so did the rules. I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to see. Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness. Contains mature themes.

HIV, Health, and Your Community-Reuben Granich 1999 A comprehensive guide for health care workers worldwide, especially in areas with few medical resources. Designed as a manual for people confronting the HIV epidemic in their communities, no medical or technical knowledge or prior training in HIV prevention and care of people with AIDS is required. Topics range from the biology of the virus to designing successful prevention programmes and writing grant proposals. Risk factors for infection are discussed and suggestions given of helpful methods for explaining them and assisting people to change their behaviour. Extensive discussions of complex medical treatments not available to 95 percent of the people in the world who have HIV are avoided, focusing instead on medical interventions available in less industrialized settings.

Illustrations highlight important topics and increase the accessibility of the text. An appendix aimed at readers with medical training discusses common AIDS-related illnesses and their treatment.

Burn the Witch, Vol. 1-Tite Kubo 2021-10-19 Ninni Spangcole and Noel Niihashi are Wing Bind agents, and they aren't serving out of the goodness of their hearts—they want achievement points and cold, hard credit in their bank accounts. But instead of getting a prime assignment with lots of gold and glory, they get stuck with babysitting duty. Before they can get used to the boredom, Ninni and Noel find themselves on the run with a fugitive who's like catnip for dragons. Will they manage to pull off a happy ending, or has their story just been cursed? -- VIZ Media

Three Good Things-Wendy Francis 2013-01-01 Sisterhood, motherhood, marriage, baking, and books—these are a few of the things that make this delightful novel a recipe for getting through the tough stuff of life—from the author of *The Summer Sail* and *The Summer of Good Intentions*. Ellen McClarety, a recent divorcée, has opened a new bake shop in her small Midwestern town, hoping to turn her life around by dedicating herself to the traditional Danish pastry called kringle. She is no longer saddled by her ne'er-do-well husband, but the past still haunts her—sometimes by showing up on her doorstep. Her younger sister, Lanie, is a successful divorce attorney with a baby at home. But Lanie is beginning to feel that her perfect life is not as perfect as it seems. Both women long for the guidance of their mother, who died years ago but left them with lasting memories of her love and a wonderful piece of advice: “At the end of every day, you can always think of three good things that happened.” Ellen and Lanie are as close as two sisters can be, until one begins keeping a secret that could forever change both their lives. Wearing her big Midwestern heart proudly on her sleeve, Wendy Francis skillfully illuminates the emotional lives of two women with humor and compassion, weaving a story destined to be shared with a friend, a mother, or a sister.

Historical Painting Techniques, Materials, and Studio Practice-Arie Wallert 1995-08-24 Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

The Glass Castle-Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Hot Zone-Richard Preston 2012-03-14 The bestselling landmark account of the first emergence of the Ebola virus. Now a mini-series drama starring Julianna Margulies, Topher Grace, Liam Cunningham, James D'Arcy, and Noah Emmerich on National Geographic. A highly infectious, deadly virus from the central African rain forest suddenly appears in the suburbs of Washington, D.C. There is no cure. In a few days 90 percent of its victims are dead. A secret military SWAT team of soldiers and scientists is mobilized to stop the outbreak of this exotic "hot" virus. The Hot Zone tells this dramatic story, giving a hair-raising account of the appearance of rare and lethal viruses and their "crashes" into the human race. Shocking, frightening, and impossible to ignore, The Hot Zone proves that truth really is scarier than fiction.

By Grace and Banners Fallen: Prologue to A Memory of Light-Robert Jordan 2012-09-19 Since 1990, when Robert Jordan's *The Wheel of Time*® burst on the world with its first book, *The Eye of the World*, readers have been anticipating the finale of this extraordinary saga, which has sold over forty million copies in over thirty languages. Ignition!-John Drury Clark 2018-05-23 This newly reissued debut book in the Rutgers University Press Classics Imprint is the story of the search for a rocket propellant which could be trusted to take man into space. This search was a hazardous enterprise carried out by rival labs who worked against the known laws of nature, with no guarantee of success or safety. Acclaimed scientist and sci-fi author John Drury Clark writes with irreverent and eyewitness immediacy about the development of the explosive fuels strong enough to negate the relentless restraints of gravity. The resulting volume is as much a memoir as a work of history, sharing a behind-the-scenes view of an enterprise which eventually took men to the moon, missiles to the planets, and satellites to outer space. A classic work in the history of science, and described as “a good book on rocket stuff...that’s a really fun one” by SpaceX founder Elon Musk, readers will want to get their hands on this influential classic, available for the first time in decades.

Holistic Beauty from the Inside Out-Julie Gabriel 2013-04-09 Celebrated author of *The Green Beauty Guide* Julie Gabriel presents a comprehensive yet simple book that brings all four corners of the natural beauty paradigm together: natural skincare, holistic nutrition, stress-relief, and healthy lifestyle. A holistic nutritionist, Gabriel teaches her reader how to 'eat yourself beautiful' using building blocks from a wholesome diet, and as a long-time beauty writer and editor, reveals why beauty-boosting changes to our everyday lifestyles are essential in helping us to discover the allure we are looking for. Holistic Beauty from the Inside Out claims that true beauty radiates from inner physical and emotional harmony. Our body is equipped with a full set of tools to maintain and restore our intrinsic assets, and has enormous healing powers to rejuvenate our skin, hair, and nails. The book includes handy and straightforward lists of what products to avoid, what foods to eat, and natural recipes to use for skincare.

All Our Pretty Songs-Sarah McCarry 2013-07-30 This is a story about love, but not the kind of love you think. You'll see... In the lush and magical Pacific Northwest live two best friends who grew up like sisters: charismatic, mercurial, and beautiful Aurora, and the devoted, watchful narrator. Each of them is incomplete without the other. But their unbreakable bond is challenged when a mysterious and gifted musician named Jack comes between them. His music is like nothing I have ever heard. It is like the ocean surging, the wind that blows across the open water,

the far call of gulls. Suddenly, each girl must decide what matters most: friendship, or love. What both girls don't know is that the stakes are even higher than either of them could have imagined. They're not the only ones who have noticed Jack's gift; his music has awakened an ancient evil—and a world both above and below which may not be mythical at all. We have paved over the ancient world but that does not mean we have erased it. The real and the mystical; the romantic and the heartbreaking all begin to swirl together in *All Our Pretty Songs*, Sarah McCarry's brilliant debut, carrying the two on journey that is both enthralling and terrifying. And it's up to the narrator to protect the people she loves—if she can.

The Enemies of Books-William Blades 1880

Bully-Penelope Douglas 2016 When Tate's best friend turns his back on him and sets out to ruin Tate's life, he decides to fight back.

The Guinea Pig Handbook-Sharon Lynn Vanderlip 2003 Barron's Pet Handbooks are written, designed, and illustrated in much the same attractive style as Barron's best selling Complete Pet Owner's Manuals. However, Handbooks have a larger page-count and with it, more extensive and detailed coverage of each title's subject pet. This brand new handbook for guinea pig owners provides a wealth of information on the animal's anatomy and life cycle, plus advice on caging, feeding, breeding, and health care.

The Pisces-Melissa Broder 2019-02-05 Bottoming out after a dramatic breakup, doctoral student Lucy accepts her sister's invitation to dog-sit at her home on Venice Beach for the summer, where she meets an eerily attractive swimmer whose Sirenic identity transforms her understanding of what real love looks like.

Bared to You-Sylvia Day 2014-02 Eva Trammel, plagued by her own insecurities, is drawn into an intense, obsessive relationship with the wealthy and arrogant Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart."--Back cover.

Soils Challenge Badge- 2014 "The purpose of the United Nations Challenge Badges is to raise awareness, educate and, most of all, motivate young people to change their behaviour and be active agents of change in their local communities. Challenge Badges are appropriate for use with school classes and youth groups, and are endorsed by WAGGGS and WOSM. They include a wide range of activities and ideas that can easily be adapted by teachers or leaders. Additional badges are available or are being developed on a number of other topics, including: Agriculture, Biodiversity, Climate Change, Energy, Forests, Gender, Governance, Hunger, Nutrition, the Ocean, and Water. The Soils Challenge Badge is designed to help educate children and young people about the vital role that soils play in supporting life on Earth. The badge looks at how soils are created, soil uses and how soils are being affected by human and climatic pressures. It includes a wide range of activities and ideas to stimulate learning about soil and how we can better manage soil resources to ensure that we have a sustainable future."--Publisher's description.

We Were Liars-E. Lockhart 2014-05-13 #1 NEW YORK TIMES BESTSELLER • A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. "Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable." —John Green, #1 New York Times bestselling author of *The Fault in Our Stars*

By The Time You Read This I'll Be Dead-Julie Anne Peters 2010-01-13 A significant book about one girl's struggle with suicide. Daelyn is fifteen years old, and in her mind she is a failure. She tried slitting her wrists, and she was rescued. She tried swallowing chemicals, and after burning through her esophagus enough to lose the ability to speak, she was rescued. But this time will be different. As readers see Daelyn's touching friendship with a quirky seventeen year-old boy develop and her newfound willingness to share all of the pain she has held inside of her, they may just see a glimmer of hope. Will Daelyn see it though? Raw and heartfelt, this is an inside look into the mind of a teen who has lost the will to fight and the parents that will do anything they can to help her survive. Still, there are some things that even loving parents can't protect you from--yourself. Please note that due to the sensitive nature of the material in this book, we will be providing back matter from key experts. We hope that this book will help to open a dialogue about this increasingly prevalent issue.

The Zombie Survival Guide-Max Brooks 2003 An illustrated, comprehensive guide to surviving an attack by hordes of the predatory undead explains zombie physiology and behavior, the most effective weaponry and defense strategies, how to outfit one's home for a long siege, and how to survive in any territory or terrain.
