Dream Season-Bob Cowser 2007-12-01 A rookie outsider chases his sports-obsessed dream to relive his football glory days in “the ultimate fan book” (The New York Times). Bob Cowser, Jr. is a happy husband, father, and English professor in upstate New York. Only one thing is missing: the exhilaration he felt as a young man in sports-crazy Tennessee when he took the field for high school football games. In what is every Monday morning quarterback’s fantasy, Bob joins the Watertown Red & Black, the country’s oldest semi-professional football team, hungry to win its first championship in two decades. Over the next five months, and with the hesitant blessing of his wife, Candace, Cowser drives the lonely sixty miles for try-outs in a former mill town of soldiers, corrections officers, and blue-collar workers. A far cry from his leafy campus, the “Professor,” as his teammates call him, must work hard to earn the respect of these hard-edged men—some of them local celebrities—and the confidence of his coach, a former mill worker who has never used a playbook. Balancing the demands of family and academe with the rigors of practice and game play, Cowser must find a way to fit his childhood dream into his real life as an adult. “Deserv[ing] to join the ranks of great football books like George Plimpton’s Paper Lion, Frederick Exley’s A Fan’s Notes, and William Morris’s The Courting of Marcus Dupree” (Publishers Weekly), Dream Season invites us onto the line of scrimmage for each heartbreaking loss and breathtaking win, into the locker room of a fabled team challenged by a roller-coaster season, and ultimately into the heart of a man with a persevering thirst for glory. “Real, vivid, sensitive, accessible, warm, brutal, and wholly consuming,” this remarkable story reminds us why we love the games we play (Lee Gutkind, author of Forever Fat: Essays by the Godfather).

My Team Manchester United Wrapped Up In the Social History of Football-James Kenyon 2014-11-19 This book follows the local railway works football team Newton Heath FC from it's inception when they had poor grounds, boycotted the FA Cup, fought to enter the Football League. All this happened before their first brush with bankruptcy and finding a saviour in J.H. Davies who not only changed their name to Manchester United but built a magnificent stadium. His choice of manager was Ernest Mangnall who took the team to winning two League titles and the FA Cup. During the First World War a manager emerged who not only started his own youth policy before his retirement through ill health, but handed a team of young players all from the amateur ranks to the next manager who after a couple of years in the doldrums while the youngsters matured became a team that people wanted to watch. In 1931 bankruptcy threatened again and the players could not be paid but this heralded the start of a new era which included the official launching of the Youth Programme: a bombed out stadium and the rise of a great team.
