

Blackfunk Iv Consequences

Blackfunk-Michael Presley 2003-11-01 BLACKFUNK is a very provocative urban tale of love, anger and pain. It is sensuous, yet daring and raw -filled with colorful characters and realistic issues. Filled with erotic sex scenes, informative dialogue about the history of blackfunk dating back to slavery days, and witty twists in the plot, Blackfunk is a different kind of read that will have readers mesmerized long after the last page has been turned.

Clothing and Fashion: American Fashion from Head to Toe [4 volumes]-José Blanco F. 2015-11-23 This unique four-volume encyclopedia examines the historical significance of fashion trends, revealing the social and cultural connections of clothing from the precolonial times to the present day. • Covers the fashions of all economic levels of Americans from the indigent to the very wealthy, from T-shirts to architecturally sculptured gowns and suits • Includes hundreds of illustrations, sidebars, and primary documents to illuminate important areas of interest and encourage active learning • Addresses topics such as the formal wear of the Belle Epoque era, hairstyles of the Empire Revival, haute couture, and the evolution of clothes for teenagers • Presents four full-color photographic essays of clothing styles throughout American history

Michael Presley's Blackfunk II: No Regrets, No Apologies-Michael Presley 2002 BLACKFUNK is a very provocative urban tale of love, anger and pain. It is sensuous, yet daring and raw -filled with colorful characters and realistic issues. Filled with erotic sex scenes, informative dialogue about the history of blackfunk dating back to slavery days, and witty twists in the plot, Blackfunk is a different kind of read that will have readers mesmerized long after the last page has been turned.

Shattered Vessels-Nancey Flowers 2003 Sandy Jackson's husband is unrelenting in his pursuit of infidelity. Sandy was unaware of this until a woman who felt jilted gives Sandy a call providing her with intimate details. Sandy strongly believes in the bond of marriage and is not willing to give up a good man so easily. India McCall's husband physically abuses her, and then showers her with gifts to receive forgiveness. She is all too willing to forgive and forget each time he presents her with an even more expensive gift. India's sister Patience, is well aware of her sister's problems, but doesn't know the extent until she finds her sister comatose. Wanita Freeman's husband is so involved in his career that he rarely has time for anything, especially an inept wife who wants to start a family. He berates Wanita at every given chance lowering her self-esteem and self-worth each syllable. Still, she refuses to make the same mistake as her mother and be alone. Shattered Vessels will make you wonder whether good men are really that hard to find!

Conjuring Black Funk-Hameed S. Williams 2007 Cultural Writing. African American Studies. Gay and Lesbian Studies. CONJURING BLACK FUNK: NOTES ON CULTURE, SEXUALITY, AND SPIRITUALITY, VOLUME 1 is a fiery collection of essays, poetry, creative nonfiction, and experimental writing that challenges conventional thought, offers alternative perspectives, and suggests ways of practicing Afrocentric, queer liberation/transgression. This book is an important contribution to Black Queer Theory, Black Feminist Thought, and Afrocentric Thought. Herukhuti is a sociologist/anthropologist, sexologist, educator, shaman, BDSM practitioner, artist, cultural animator, and author. He is the founder of Black Funk, a sexual cultural center dedicated to providing a space for the exhibition and exploration of sensual awareness, sexual consciousness, erotic power, and pleasure. He has contributed to the development of the perspective known as Afrocentric, Decolonizing Queer Theory. Herukhuti is on the faculty at Goddard College, Plainfield, VT.

Grandma Needs A Brownie: A Recipe Book on Medicinal Marijuana for Menopausal Women-Carolyn Howard 2013-08 This is a book focused on women of the "Baby Boomers" age, facing Menopause. It was writing with humor and facts in facing life's new challenges.

Sexuality, Religion and the Sacred-Lorraine Hutchins 2018-10-24 Sexuality, Religion and the Sacred is a thoughtful collection of bisexual, polysexual and pansexual scholarship on religion and spirituality. It examines how religious and spiritual traditions address sexuality, whilst also exploring the ways in which bisexually-, polysexually-, and pansexually-active people embrace religious and spiritual practice. The volume offers a comprehensive analysis of these prevalent themes by focusing on five main areas of discussion: Christian and Unitarian Discourses; Indigenous and Decolonizing Spiritual Discourses; Feminist Spiritual Discourses; Buddhist Discourses; and Neo/Pagan Discourses. Sexuality, Religion and the Sacred offers an accessible yet scholarly treatment of these topics through a collection of critical essays by academics of theology, humanities, cultural studies and social sciences, as well as sexology professionals and clergy from various faith and spiritual traditions. It gives readers an insight into the intersection of sexualities and spiritualities, and attempts to disrupt this very dichotomy through its careful consideration of a wide variety of discourses. This book was originally published as a special issue of the Journal of Bisexuality.

A Twisted Tale of Karma-Amaleka G. McCall 2005-01-01 A Twisted Tale of Karma Born a child of circumstance, Myra Danford's life was supposed to read like a fairytale; instead it's full of abuse, neglect and hard knocks. Myra's life takes a dramatic turn when she earns a full scholarship to St. John's University. Determined to make a name for herself, and with her best friend, Quanda by her side, Myra's life is finally on the right track. She meets Milton Roberts, the man of her dreams. Myra is convinced that he is just the man to save her from her harsh life. Until?. Milton has his own demons to confront, and with the NFL draft on the line, Milton lures Myra in with promises of wealth, marriage, and a stable family life. Desperate, and on the run for her life, Myra becomes ensnared in a dark world of deceit, blackmail, betrayal, and murder that is filled with karmic consequences. All of the characters including Myra learn the hard way that karma always catches up to you.

24-Carat Black's Ghetto: Misfortune's Wealth-Zach Schonfeld 2020-11-12 In 1973, the musical collective 24-Carat Black released an unheralded masterpiece on Stax Records-and then disappeared. *Ghetto: Misfortune's Wealth*, a soul-funk concept album primarily written by the ex-Motown arranger Dale Warren, was too bleak, ambitious, or just outright bizarre to reach mainstream audiences. 24-Carat Black collapsed when Stax went bankrupt, and the group's only completed album sank into cultural obscurity. With deep reporting elucidating an untold story full of cinematic details, this book traces how *Ghetto* went from commercial flop to enigmatic underground classic embraced by the hip-hop community. It also chronicles, in infuriating detail, how the music industry of the 1970s systematically exploited soul musicians and then left them struggling to get paid-and where 24-Carat Black fits into this broader injustice. This is a fascinating and multilayered story about a remarkable album nearly lost to history. It's also a rare glimpse into what it's like to have your music resurrected by rap samples decades after your career fell apart.

All Music Guide to Soul-Vladimir Bogdanov 2003 With informative biographies, essays, and "music maps, " this book is the ultimate guide to the best recordings in rhythm and blues. 20 charts.

Blacklight Blue-Peter May 2017-04-04 Former forensics expert and current Toulouse professor Enzo Macleod is forced to take a break from his personal and professional pursuits when he is diagnosed with a terminal illness. Worse, though, it seems he has become the victim of someone who is trying to destroy his life--by ruining his credit, threatening him and his family, and finally framing him for murder. With no choice but to fight back, Macleod stashes his family in a safe house and sets to work. Increasingly convinced that the cold case he's investigating is connected to his persecution, Macleod tries to connect the dots before it's too late to save his life and the lives of his loved ones . . .

Black Funk IV-Michael Presley 2010 By popular demand Rashaun, Andria, Kim and George are back to set fire to new York City. a lot of things have changed in five years and their return is full of surprises including a secret that could destroy Rashaun and Andria's future marriage.

Beyond the White Negro-Kimberly Chabot Davis 2014-07-15 Critics often characterize white consumption of African American culture as a form of theft that echoes the fantasies of 1950s-era bohemians, or "White Negroes," who romanticized black culture as anarchic and sexually potent. In *Beyond the White Negro*, Kimberly Chabot Davis claims such a view fails to describe the varied politics of racial crossover in the past fifteen years. Davis analyzes how white engagement with African American novels, film narratives, and hip-hop can help form anti-racist attitudes that may catalyze social change and racial justice. Though acknowledging past failures to establish cross-racial empathy, she focuses on examples that show avenues for future progress and change. Her study of ethnographic data from book clubs and college classrooms shows how engagement with African American culture and pedagogical support can lead to the kinds of white self-examination that make

empathy possible. The result is a groundbreaking text that challenges the trend of focusing on society's failures in achieving cross-racial empathy and instead explores possible avenues for change.

Presence and Pleasure-Anne Danielsen 2006-11-14 What does it mean to be in the groove?

Monopoly Television-Jack Banks 2018-02-12 In this book, Jack Banks examines the historical development of music video as a commodity and analyzes the existing structures within which music video is produced, distributed, and exhibited on its premier music channel, MTV. } In August 1981, Music Television now popularly known as MTV was launched. Within a matter of years it revitalized a struggling record industry; made the careers of leading pop stars like Madonna, Boy George, Cyndi Lauper, and Duran Duran; infiltrated traditional network television and the movie industry; revolutionized the advertising industry; and stimulated purchases in several markets, most notably fashion apparel. The reach of MTV has proven long and profitable. In this book, Jack Banks examines the historical development of music video as a commodity and analyzes the existing structures within which music video is produced, distributed, and exhibited on its premier music channel, MTV. Who controls MTV? What part do record companies play in the financing and production of music video? How do the power brokers in the business affect the ideological content of music video? Given the tight sphere of influence within the music industry, what are the future trends for music video and for artistic freedom of expression? Banks tackles these questions in an intelligent, lively, and sophisticated investigation into one of the most influential media enterprises of our society. }

Women Artists in the 20th and 21st Century-Ilka Becker 2001 Taschen's inventive layout is effective in presenting the provocative works, words, and biographies of the nearly 100 women artists gathered here. Grosenick, a freelance art historian in Germany, has selected women artists working in Germany, the US, South Africa, Japan, Poland, France, Scandinavia, and Spain, among other countries. The entry for each artist is six pages, with much of the space devoted to good-quality color photos of her work. c. Book News Inc.

Billboard- 1999-01-23 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Is It Still Good to Ya?-Robert Christgau 2018-11-09 Is It Still Good to Ya? sums up the career of longtime Village Voice stalwart Robert Christgau, who for half a century has been America's most widely respected rock critic, honoring a music he argues is only more enduring because it's sometimes simple or silly. While compiling historical overviews going back to Dionysus and the gramophone along with artist analyses that range from Louis

Armstrong to M.I.A., this definitive collection also explores pop's African roots, response to 9/11, and evolution from the teen music of the '50s to an art form compelled to confront mortality as its heroes pass on. A final section combines searching obituaries of David Bowie, Prince, and Leonard Cohen with awed farewells to Bob Marley and Ornette Coleman.

A Lab of One's Own-Patricia Fara 2017-12-29 Many extraordinary female scientists, doctors, and engineers tasted independence and responsibility for the first time during the First World War. How did this happen? Patricia Fara reveals how suffragists, such as Virginia Woolf's sister, Ray Strachey, had already aligned themselves with scientific and technological progress, and that during the dark years of war they mobilized women to enter conventionally male domains such as science and medicine. Fara tells the stories of women such as: mental health pioneer Isabel Emslie, chemist Martha Whiteley, a co-inventor of tear gas, and botanist Helen Gwynne Vaughan. Women were now carrying out vital research in many aspects of science, but could it last? Though suffragist Millicent Fawcett declared triumphantly that 'the war revolutionised the industrial position of women. It found them serfs, and left them free', the outcome was very different. Although women had helped the country to victory and won the vote for those over thirty, they had lost the battle for equality. Men returning from the Front reclaimed their jobs, and conventional hierarchies were re-established even though the nation now knew that women were fully capable of performing work traditionally reserved for men. Fara examines how the bravery of these pioneer women scientists, temporarily allowed into a closed world before the door clanged shut again, paved the way for today's women scientists. Yet, inherited prejudices continue to limit women's scientific opportunities.

Musical Encounters with Deleuze and Guattari-Pirkko Moisala 2017-01-12 This is the first volume to mobilize encounters between the work of Gilles Deleuze and Félix Guattari and the rich developments in cultural studies of music and sound. The book takes seriously the intellectual and political challenge that the process philosophy of Deleuze and Guattari poses for previous understandings of music as permanent objects and primarily discursive texts. By elaborating on the concepts of Deleuze and Guattari in innovative ways, the chapters of the book demonstrate how musical and sonic practices and expressions can be reconsidered as instances of becoming, actors in assemblages, and actualizations of virtual tendencies. The collection pushes notions of music and sound beyond such long-term paradigms as identity thinking, the privileging of signification, and the centrality of the human subject. The chapters of the volume bring a range of new topics and methodological approaches in contact with Deleuze and Guattari. These span from movement improvisation, jazz and western art music studies, sound and performance art and reality TV talent shows to deaf musicians and indigenous music. The book also highlights such fresh ways of doing analysis and shaping the methodological tools of music and sound studies that are enabled by Deleuze and Guattari's philosophy. Their philosophy, too, gains renewed capacities and potential when responding to ethnographic, cultural, ethnomusicological, participatory, aesthetic, new materialist, feminist and queer perspectives to music and sound.

City of Bones-Kwame Dawes 2017-01-15 As if convinced that all divination of the future is

somehow a re-visioning of the past, Kwame Dawes reminds us of the clairvoyance of haunting. The lyric poems in *City of Bones: A Testament* constitute a restless jeremiad for our times, and Dawes's inimitable voice peoples this collection with multitudes of souls urgently and forcefully singing, shouting, groaning, and dreaming about the African diasporic present and future. As the twentieth collection in the poet's hallmarked career, *City of Bones* reaches a pinnacle, adding another chapter to the grand narrative of invention and discovery cradled in the art of empathy that has defined his prodigious body of work. Dawes's formal mastery is matched only by the precision of his insights into what is at stake in our lives today. These poems are shot through with music from the drum to reggae to the blues to jazz to gospel, proving that Dawes is the ambassador of words and worlds.

White Trash Zombie Unchained-Diana Rowland 2017-09-05 Horror meets humorous urban fantasy in the sixth book in the *White Trash Zombie* series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford has finally pulled herself together (literally!) after her disastrous dismemberment on Mardi Gras. She's putting the pieces of her life back in order and is ready to tackle whatever the future holds. Too bad the future is a nasty bitch. There's a new kind of zombie in town: mindless shamblers, infectious and ravenous. With the threat of a full-blown shambler pandemic looming, and a loved one stricken, Angel and the "real" zombies scramble to find a cure. Yet when Angel uncovers the true reason the plague is spreading so quickly, she adds "no-holds-barred revenge" to her to-do list. Angel is busting her ass dealing with shambling hordes, zombie gators, government jerks, and way too many mosquitos, but this white trash chick ain't giving up. Good thing, since the fate of the world is resting on her undead shoulders.

Write in Tune: Contemporary Music in Fiction-Erich Hertz 2014-05-22 Contemporary popular music provides the soundtrack for a host of recent novels, but little critical attention has been paid to the intersection of these important art forms. *Write in Tune* addresses this gap by offering the first full-length study of the relationship between recent music and fiction. With essays from an array of international scholars, the collection focuses on how writers weave rock, punk, and jazz into their narratives, both to develop characters and themes and to investigate various fan and celebrity cultures surrounding contemporary music. *Write in Tune* covers major writers from America and England, including Don DeLillo, Jonathan Franzen, Zadie Smith, and Jim Crace. But it also explores how popular music culture is reflected in postcolonial, Latino, and Australian fiction. Ultimately, the book brings critical awareness to the power of music in shaping contemporary culture, and offers new perspectives on central issues of gender, race, and national identity.

The Encyclopedia of Heavy Metal-Daniel Bukszpan 2003 Presents a guide to heavy metal music, recounting the careers of more than two hundred artists, past and present, with over six hundred color photographs, a timeline of important events, and twenty top-ten lists.

Blackfunk III: Whatever it Takes-Michael Presley 2004 The final installment of a trilogy featuring the pursuit of happiness in the midst of difficult relationships, betrayal, and

violence.

Newsweek- 1984

Addicted-Zane 2002-03-01 The New York Times bestseller Adapted into a major motion picture distributed through Lionsgate From the Queen of Erotica, Addicted tells the provocative story of one married woman's struggle to deal with the fall-out of her forbidden desires. The world of Addicted is continued in the New York Times bestseller Nervous, and Zane's highly-anticipated upcoming novel Vengeance, available May 24, 2016. For successful businesswoman Zoe Reynard, finding the pleasure she wants, the way she wants it, is not worth the risk of losing everything she has: a charmed marriage to her childhood sweetheart, a thriving company, and three wonderful children. But Zoe feels helpless in the grip of an overpowering addiction...to sex. After finding a compassionate therapist to help her, Zoe finally summons the courage to tell her torrid story, a tale of guilt and desire as shocking as it is compelling. From the sensitive artist with whom she spends stolen hours on rumpled sheets, to the rough and violent man who leads her toward destruction, Zoe is desperately searching for fulfillment—and, perhaps, something darker and deeper. As her life spins out of control and her sexual escapades carry her toward a dangerous fate, Zoe races to uncover the source of her "fatal attraction." Chilling secrets tumble forth and perilous temptations build toward a climax that could threaten her sanity, her marriage...and her life.

Women of Resistance-Iris Mahan 2018-03-13

Fool Me Twice-Meredith Duran 2014-03-25 In the vein of Sarah MacLean, a sexy and evocative Regency romance between a vengeful duke and a fiery redhead from an author who is a veritable tour de force in the genre. "Readers need to make room on their keeper shelf for Meredith Duran" (Fresh Fiction). A lady with a secret. Running for her life, exhausted and out of options, Olivia Holladay wants nothing more than the chance to make a home for herself. So when she realizes that the infamous Duke of Marwick might hold the key to her freedom, she boldly disguises herself as the newest and bravest in a long line of the duke's notoriously temperamental housekeepers. Little does she know that the wickedly handsome Alastair de Grey has very different plans for her. A man with a passion—for vengeance. As his new employee, Olivia is a fearless upstart. As a woman, the daring redhead is just what Alastair needs to rouse him from darkness to the siren call of revenge. He has suffered a betrayal so deep that he will use whatever means necessary to destroy his enemies—even his brazen and beautiful domestic. But his vengeful plan fails to account for his single weakness: an irresistible and growing passion for the enigmatic Olivia.

The Absolute Sound- 1999

Funk-Rickey Vincent 2014-11-04 Funk: It's the only musical genre ever to have transformed the nation into a throbbing army of bell-bottomed, hoop-eared, rainbow-Afro'd warriors on the dance floor. Its rhythms and lyrics turned bleak urban realities inside out with distinctive, danceable, downright irresistible music. Funk hasn't received the critical attention that rock, jazz, and the blues have-until now. Colorful, intelligent, and in-your-face, Rickey Vincent's Funk celebrates the songs, the musicians, the philosophy, and the meaning of funk. The book spans from the early work of James Brown (the Godfather of Funk) through today, covering funky soul (Stevie Wonder, the Temptations), so-called "black rock" (Jimi Hendrix, Sly and the Family Stone, the Isley Brothers), jazz-funk (Miles Davis, Herbie Hancock), monster funk (Parliament, Funkadelic, Bootsy's Rubber Band), naked funk (Rick James, Gap Band), disco-funk (Chic, K.C. and the Sunshine Band), funky pop (Koolhaas & the Gang, Chaka Khan), P-Funk Hip Hop (Digital Underground, De La Soul), funk-sampling rap (Ice Cube, Dr. Dre), funk rock (Red Hot Chili Peppers, Primus), and more. Funk tells a vital, vibrant history-the history of a uniquely American music born out of tradition and community, filled with energy, attitude, anger, hope, and an irrepressible spirit.
