iPistoleros!-Farquhar McHarg 2011-12-01 A Scottish anarchist revolutionary chronicles his liaisons between the British Secret Service Bureau and the Spanish anarchists. Original.

Detained-Daniel Livermore 2018-10-08 After the terrorist attacks of September 11, 2001, Canadian agencies willingly collaborated in the War on Terror launched by the United States to destroy Al Qaeda. This partnership went seriously astray, however, amid a series of fundamental errors by Canadian agencies and their misplaced trust in American willingness to abide by both international and US laws against torture. As a result, numerous Canadian citizens and residents were illicitly detained abroad and subjected to suffering and mistreatment. In *Detained* Daniel Livermore analyzes the emergence of Islamic fundamentalist extremism and its Canadian implications, including the erroneous investigations that targeted Canadians and led to their detentions in Syria, Egypt, Pakistan, Libya, Tunisia, and Sudan. Scrutinizing the most prominent cases, he details the role of Canadian agencies in the imprisonments and relates how subsequent court cases brought the situations to light, resulting in settlements and apologies to Ahmad Abou-El-Maati, Abdullah Almalki, and Maher Arar, among others. Drawing on his experience in Canada's foreign ministry, Livermore explains how an essentially misguided War on Terror emerged and how Canadian-American cooperation went wrong. A gripping blend of memoir and meticulous research, *Detained* urges a more mature and rational discussion of security and intelligence issues in Canada and greater understanding of the failures of security cooperation in the decade after 9/11.

The Change Your Name Store-Leanne Shirliffe 2014-05-20 Who am I? It's a question a lot of children seem to ask themselves, at which point being "them" simply isn't enough. They want to be someone better. Many kids want to change their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFoz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must "go for a ride" to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirliffe (of *IronicMom.com*), and fun, simple illustrations by Tina Kugler, *The Change Your Name Store* takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFoz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Argument of John Quincy Adams Before the Supreme Court of the United States: The United States Vs. Amistad-John Quincy Adams 2020-08-02 John Quincy Adams; (July 11, 1767 - February 23, 1848) was an American statesman, diplomat, lawyer, and diarist who served as the sixth president of the United States, from 1825 to 1829. He previously served as the eighth United States Secretary of State from 1817 to 1825.

CDC Yellow Book 2018: Health Information for International Travel-Centers for Disease Control and Prevention CDC 2017-04-17 THE ESSENTIAL WORK IN TRAVEL MEDICINE -- NOW COMPLETELY UPDATED FOR 2018 As unprecedented numbers of travelers

cross international borders each day, the need for up-to-date, practical information about the health challenges posed by travel has never been greater. For both international travelers and the health professionals who care for them, the CDC Yellow Book 2018: Health Information for International Travel is the definitive guide to staying safe and healthy anywhere in the world. The fully revised and updated 2018 edition codifies the U.S. government's most current health guidelines and information for international travelers, including pretravel vaccine recommendations, destination-specific health advice, and easy-to-reference maps, tables, and charts. The 2018 Yellow Book also addresses the needs of specific types of travelers, with dedicated sections on: · Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities · Special considerations for newly arrived adoptees, immigrants, and refugees · Practical tips for last-minute or resource-limited travelers · Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the Yellow Book is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.

Citizenship Law in Africa-Bronwen Manby 2012-07-27 Few African countries provide for an explicit right to a nationality. Laws and practices governing citizenship leave hundreds of thousands of people in Africa without a country to which they belong. Statelessness and discriminatory citizenship practices underlie and exacerbate tensions in many regions of the continent, according to this report by the Open Society Institute. Citizenship Law in Africa is a comparative study by the Open Society Justice Initiative and Africa Governance Monitoring and Advocacy Project. It describes the often arbitrary, discriminatory, and contradictory citizenship laws that exist from state to state, and recommends ways that African countries can bring their citizenship laws in line with international legal norms. The report covers topics such as citizenship by descent, citizenship by naturalization, gender discrimination in citizenship law, dual citizenship, and the right to identity documents and passports. It describes how stateless Africans are systematically exposed to human rights abuses: they can neither vote nor stand for public office; they cannot enroll their children in school, travel freely, or own property; they cannot work for the government.--Publisher description.

Jewish Spain-Tabea Alexa Linhard 2014-06-04 What is meant by "Jewish Spain"? The term itself encompasses a series of historical contradictions. No single part of Spain has ever been entirely Jewish. Yet discourses about Jews informed debates on Spanish identity formation long after their 1492 expulsion. The Mediterranean world witnessed a renewed interest in Spanish-speaking Jews in the twentieth century, and it has grappled with shifting attitudes on what it meant to be Jewish and Spanish throughout the century. At the heart of this book are explorations of the contradictions that appear in different forms of cultural memory: literary texts, memoirs, oral histories, biographies, films, and heritage tourism packages. Tabea Alexa Linhard identifies depictions of the difficulties Jews faced in Spain and Northern Morocco in years past as integral to the survival strategies of Spanish Jews, who used them to make sense of the confusing and harrowing circumstances of the Spanish Civil War, the Francoist repression, and World War Two. Jewish Spain takes its place among other works on Muslims, Christians, and Jews by providing a comprehensive analysis of Jewish culture and presence in twentieth-century Spain, reminding us that it is impossible to understand and articulate what Spain was, is, and will be without taking into account both "Muslim Spain" and "Jewish Spain."

The Epigram Books Collection of Best New Singaporean Short Stories-Jason Erik Lundberg 2016-07-26 In recent years, Singaporean literature has begun experiencing a sea change, with the short story form enjoying a renaissance. As a result, an explosion of short fiction with a Singaporean flavour has been produced to incredible effect, both by emerging and established writers. For the prose enthusiast, it is a very exciting time. The Epigram Books Collection of Best New Singaporean Short Stories: Volume One curates the finest short fiction from Singaporean writers published in 2011 and 2012. This ground-breaking and unique anthology showcases stories that examine various facets of the human condition and the truths that we tell ourselves in order to exist in the everyday. The styles are as varied as the authors, and no two pieces are alike. Here are twenty unique and breathtaking literary insights into the Singaporean psyche, which examine what it means to live in this particular part of the world in this particular time.

The Cartel-Stephen Breen 2017-04-27 The No.1 Bestseller The definitive account of the rise of the Kinahan gang and the deadly feud that has shocked the nation. _____ February 2016. A daring gun attack in the Regency Hotel brings Dubliner Christy Kinahan and his international criminal cartel to a horrified public's attention. Kinahan's son Daniel, the target of the attack, escapes. A trusted henchman dies at the scene. And the deadly rivalry between the Kinahans and the family and associates of the veteran Dublin gangster Gerry Hutch is now all-out war. The Cartel offers a unique behind-the-scenes account of how Kinahan got so big, and why a local feud could bring about the unravelling of his global crime empire. _____ 'It's incisive, it's intriguing, it's fascinating' Ryan Tubridy 'Fascinating!' Shanghai on the Metro-Michael B. Miller 2021-01-08 Secret agents, gun runners, White Russians, and con men—they all play a part in Michael B. Miller's strikingly original study of interwar France. Based on extensive research in security files and a mass of printed sources, *Shanghai on the Métro* shows how a distinctive milieu of spies and spy literature emerged between the two world wars, reflecting the atmosphere and concerns of these years. Miller argues that French fascination with intrigue between the wars reveals a far more assured and playful national mood than historians have hitherto discerned in the final decades of the Third Republic. But the larger history set in motion by World War I and the subsequent reading of French history into global history are the true subjects of this work. Reconstituting through his own narratives the histories of interwar travel and adventure and the willful turning of contemporary affairs into a source of romance, Miller recovers the ambience and special qualities of the age that produced its intrigues and its tales of spies. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1994.
