The Bonfire of the Vanities-Tom Wolfe 2002-02-21 Vintage Tom Wolfe, The Bonfire of the Vanities, the #1 bestseller that will forever define late-twentieth-century New York style. "No one has portrayed New York Society this accurately and devastatingly since Edith Wharton" (The National Review) "A page-turner . . . Brilliant high comedy." (The New Republic) Sherman McCoy, the central figure of Tom Wolfe's first novel, is a young investment banker with a fourteen-room apartment in Manhattan. When he is involved in a freak accident in the Bronx, prosecutors, politicians, the press, the police, the clergy, and assorted hustlers high and low close in on him, licking their chops and giving us a gargantuan helping of the human comedy, of New York in the 1980s, a city boiling over with racial and ethnic hostilities and burning with the itch to Grab It Now. Wolfe's novel is a big, panoramic story of the metropolis that reinforces the author's reputation as the foremost chronicler of the way we live in America.

The Adventures of Sailor Tom Sharkey-Mark Finn 2014-05-13 He was one of the greatest heavyweight boxers to enter the legendary squared circle during the Golden Age of Boxing. Standing a mere 5' 8", Sailor Tom Sharkey was one of boxing's most feared sluggers; Gentleman Jim Corbett, Bob Fitzsimmons, Kid McCoy, and Jim Jeffries all agreed he was their fiercest opponent and gave them their toughest fights. A colorful boxer both in the ring and out, he retired in 1904 after several legendary and controversial failed attempts to win the championship belt. That's the story you know. But it's not the end of Sharkey's story. Not by a long shot! In the tradition of Robert E. Howard's humorous sailor Steve Costigan boxing tales, this action-packed collection of rowdy, bawdy burlesque feature Sailor Tom Sharkey after he hung up his professional gloves. Thrill to Sharkey's brush with Hollywood's "It" Girl, Clara Bow! Get Chills as Sharkey and Kid McCoy face down a maniacal bandit! Feel the heat as Sharkey rides the rails with Jim Jeffries and in the Vaudeville carnival into clashes with mad scientists and mummified menaces! Watch Sharkey play Santa Claus to a bunch of Tammany Hall orphans and end up with a tiger by the tail-literally! And much more!

The Killer Inside Me-Jim Thompson 2011-11-01 Everyone in the small town of Central City, Texas loves Lou Ford. A deputy sheriff, Lou's known to the small-time criminals, the real-estate entrepreneurs, and all of his coworkers -- the low-lives, the big-timers, and everyone in-between -- as the nicest guy around. He may not be the brightest or the most interesting man in town, but nevertheless, he's the kind of officer you're happy to have keeping your streets safe. The sort of man you might even wish your daughter would end up with someday. But behind the platitudes and glad-handing lurks a monster the likes of which few have seen. An urge that has already claimed multiple lives, and cost Lou his brother Mike, a self-sacrificing construction worker fell to his death on the job in what was anything but an accident. A murder that Lou is determined to avenge -- and if innocent people have to die in the process, well, that's perfectly all right with him. In *The Killer Inside Me*, Thompson goes where few novelists have dared to go, giving us a pitch-black glimpse into the mind of the American Serial Killer years before Charles Manson, John Wayne Gacy, and Brett Easton Ellis's *American Psycho*, in the novel that will forever be known as the master performance of one of the greatest crime novelists of all time.

Niccolo Rising-Dorothy Dunnett 2010-08-11 In this first book of The House of Niccolò series, the author of the Lymond Chronicles introduces a new hero, Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges. Niccolò Rising, Book One of

the series, finds us in Bruges, 1460. Jousting is the genteel pastime, and successful merchants are, of necessity, polyglot. Street smart, brilliant at figures, adept at the subtleties of diplomacy and the well-timed untruth, Dunnett's hero rises from wastrel to prodigy in a breathless adventure that wins him the hand of the strongest woman in Bruges and the hatred of two powerful enemies. From a riotous and potentially murderous carnival in Flanders, to an avalanche in the Alps and a pitched battle on the outskirts of Naples, Niccolò Rising combines history, adventure, and high romance in the tradition stretching from Alexandre Dumas to Mary Renault.

Sylvia Wynter-Katherine McKittrick 2014-12-08 The Jamaican writer and cultural theorist Sylvia Wynter is best known for her diverse writings that pull together insights from theories in history, literature, science, and black studies, to explore race, the legacy of

colonialism, and representations of humanness. *Sylvia Wynter: On Being Human as Praxis* is a critical genealogy of Wynter's work, highlighting her insights on how race, location, and time together inform what it means to be human. The contributors explore Wynter's stunning reconceptualization of the human in relation to concepts of blackness, modernity, urban space, the Caribbean, science studies, migratory politics, and the interconnectedness of creative and theoretical resistances. The collection includes an extensive conversation between Sylvia Wynter and Katherine McKittrick that delineates Wynter's engagement with writers such as Frantz Fanon, W. E. B. DuBois, and Aimé Césaire, among others; the interview also reveals the ever-extending range and power of Wynter's intellectual project, and elucidates her attempts to rehistoricize humanness as praxis.

Mountaineer Jamboree-Ivan M. Tribe 2021-11-21 Jamboree! To many country music fans the word conjures up memories of Saturday nights around the family radio listening to live broadcasts from that haven of hillbilly music, West Virginia. From 1926 through the 1950s, as Ivan Tribe shows in his lively history, country music radio programming made the Mountain State a mecca for country singers and instrumentalists from all over America. Wilma Lee and Stoney Cooper, Little Jimmy Dickens, Hawkshaw Hawkins, Red Sovine, Blaine Smith, Curly Ray Cline, Grandpa Jones, Cowboy Loye, Rex and Eleanor Parker, Lee Moore, Buddy Starcher, Doc and Chickie Williams, and Molly O'Day were among the many

who came to prominence via West Virginia radio. Wheeling's "WWVA jamboree," first broadcast in 1933, attracted a wide audience, especially after 1942, when the station increased its power. The show's success spawned numerous competitors, as new stations all over West Virginia followed WWVA's lead in headlining country music. The state also played an important role in the early recording industry. The Tweedy Brothers, Frank Hutchison, Roy Harvey, Blind Alfred Reed, Frank Welling and John McGhee, Cap and Andy, and the Kessinger Brothers were among West Virginians whose waxings contributed to the state's reputation for fine native musicianship. So too did those who sought out and recorded the Mountaineer folksong heritage. As Nashville's dominance has grown since the 1960s, West Virginia's leadership in country music has lessened. Young performers must now seek fame outside their native state. But, as Ivan Tribe demonstrates, the state's numerous outdoor festivals continue to keep alive the heritage of country music's "mountain mama."

Groupthink in Science-David M. Allen 2021-04-24 This book discusses one of the hottest

topics in science today, i.e., the concern over certain problematic practices within the scientific enterprise. It raises questions and, more importantly, begins to supply answers about one particularly widespread phenomenon that sometimes impedes scientific progress: group processes. The book looks at many problematic manifestations of “going along with the crowd” that are adopted at the expense of truth. Closely related is the concept of pathological altruism or altruism bias—the tendency of scientists to bias their research in order to further the ideological or financial interests of an “in-group” at the expense of both the interest of other groups as well as the truth. The book challenges the widespread notion that science is invariably a benevolent, benign process. It defines the scientific enterprise, in practice as opposed to in theory, as a cultural system designed to produce factual knowledge. In effect, the book offers a broad and unique take on an important and incompletely explored subject: research and academic discourse that sacrifices scientific objectivity, and perhaps even the scientist’s own ethical standards, in order to further the goals of a particular group of researchers or reinforce their shared belief system or their own interests, whether economic, ideological, or bureaucratic.

Shadows in the Water-Kory M. Shrum 2017-02-07 An original new series, with heart-pounding suspense and surprising twists. Meet Louie Thorne. They didn't kill her--and they'll soon regret it. When DEA agent Jack Thorne's house is stormed by vengeful drug lords, both he and his wife are shot dead. Only his daughter Louie survives--by using a terrifying power that defies reason. Piecing together a life in his absence, Louie embraces her gift and her rage under the force of a single need: revenge. She will destroy the men

that took her family. No matter the cost, no matter how many bullets, she won't stop until justice has been well and truly served. Praise for *Shadows in the Water* "An amazing book with a unique premise!" "Dark and suspenseful, *Shadows in the Water* sends tingles down your spine!" "The main character is a serial killer, but it's cool. She only kills the bad guys." "This book is well done. It grabs you and doesn't want to let go no matter how tired you are and need to sleep." "Something really different in the supernatural/power type of story. I thoroughly enjoyed this book with plenty of suspense, well-drawn characters, and a really unusual premise." "Such a great book! I can't wait to read the next one!" "Taut, well written, and absorbing!" "One of the best supernatural thrillers." "I really liked this book." "From the moment Lou disappears in the bath, I was hooked!" Don't miss any of Kory M. Mike Nichols-Mark Harris 2021 Well before his 40th birthday, Nichols lived in a sprawling penthouse on Central Park West, drove a Rolls Royce, collected Arabian horses, and counted the likes of Jacqueline Kennedy, Stephen Sondheim, Richard Avedon and the Aga Khan as good friends. Where he had arrived is even more astonishing given where he began: born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he and his younger brother were sent alone to America on a ship in 1939. Their father, who had gone ahead to find work, was waiting for them; their mother would follow, in the nick of time. His name changed by his father to "Michael Nichols," the young boy caught very few breaks: his parents were now destitute, and his father died when Mike was just 11, leaving his mentally unstable mother alone and overwhelmed. Perhaps most cruelly, Nichols was completely bald: as a small child an allergic reaction to an immunization shot had caused total and permanent hair loss. .

Her Dear & Loving Husband-Meredith Allard 2019-04-01 How long would you wait for the one you loved? Professor James Wentworth has a paranormal secret. He lives quietly in Salem, Massachusetts, making few ties with anyone. One night his private world is turned upside down when he meets Sarah Alexander, a dead ringer for his wife, Elizabeth. Though it has been years since Elizabeth's death, James cannot move on. Sarah also has a secret. She is haunted by nightmares, and every night she is awakened by terrifying visions of hangings, being arrested, and dying in jail-scenes from the Salem Witch Trials in 1692. As

James comes to terms with his feelings for Sarah, he must also dodge accusations from a reporter desperate to prove that James is not who, or what, he seems to be. Soon James and Sarah discover a mystery that may bind them in ways they never imagined. Will James make the ultimate sacrifice to protect Sarah and prevent a new hunt from bringing hysteria to Salem again? Part romance, part historical fiction, part paranormal fantasy, *Her Dear & Loving Husband* is a story for anyone who believes that true love never dies.

Wendy Darling-Colleen Oakes 2015-10-13 "A dark twist on a familiar tale that readers will have difficulty putting down." (School Library Journal) Wendy Darling has a perfectly agreeable life with her parents and brothers in wealthy London, as well as a budding romance with Booth, the neighborhood bookseller's son. But one night, while their parents

are at a ball, the charmingly beautiful Peter Pan comes to the Darling children's nursery, and—dazzled by this flying boy with god-like powers—they follow him out of the window and straight on to morning into Neverland, an intoxicating island of freedom. As time passes in Neverland, Wendy realizes that this Lost Boy's paradise of turquoise seas, mermaids, and pirates holds terrible secrets rooted in blood and greed. As Peter's grasp on her heart tightens, she struggles to remember where she came from—and begins to suspect that this island of dreams, and the boy who desires her, have the potential to transform into an everlasting nightmare.

London-Frank Tayell 2013-10-10 Zombies. The outbreak began in New York. Soon it had spread to the rest of the world. People were attacked, infected, and they died. Then they came back. No one is safe from the undead. As anarchy and civil war took grip across the globe, Britain was quarantined. The British press was nationalised. Martial law, curfews and rationing were implemented. It wasn't enough. An evacuation was planned. The inland towns and cities of the United Kingdom were to be evacuated to defensive enclaves being built around the coast, the Scottish Highlands, and in the Irish Republic. Bill Wright, a Westminster insider and an advisor to a future Prime Minister, broke his leg on the day of the outbreak. Unable to join the evacuation, he watched from his window as the streets filled with refugees. He watched as the streets emptied once more. He watched as they

filled up again, this time with the undead. Then the power went out. He is trapped. He is alone. He is running out of food and water. He knows that to reach the safety of the enclaves he will have to venture out into the wasteland that once was England. On that journey he will ultimately discover the horrific truth about the outbreak, a decades old conspiracy, and his unwitting part in it. This is the first volume of his journal. (73,000 words)

Death in Winter-Michael Jan Friedman 2012-08-28 Like HOMECOMING (074346754X) did for Star Trek Voyager and AVATAR (074340050X) did for Star Trek: Deep Space Nine, DEATH IN WINTER picks up the Star Trek: The Next Generation story after the TV/movies are complete and tells all-new stories about favourite Next Generation characters and their subsequent lives. After the fall of Shinzon (as seen in the feature film, STAR TREK: NEMESIS) the elite of the Romulan Empire are battling over who will seize control. Caught

up in this struggle are the Kevrata, a once proud people, now strangled under Romulan domination. When a biogenetic disease threatens to wipe out their race, Starfleet assigns its new Chief Medical Officer, Dr Beverly Crusher, to aid the populace. But when she suddenly goes missing and is presumed dead, Jean-Luc Picard must race to try and locate Crusher and help find a cure for the disease that could kill millions.

A Good Day for Chardonnay-Darynda Jones 2021-07-27 From the New York Times bestselling author Darynda Jones comes the second novel in her laugh-out-loud Sunshine Vicram mystery series, *A Good Day for Chardonnay*. Running a small-town police force in the mountains of New Mexico should be a smooth, carefree kind of job. Sadly, full-time Sheriff—and even fuller-time coffee guzzler—Sunshine Vicram, didn't get that memo. All Sunshine really wants is one easy-going day. You know, the kind that starts with coffee and a donut (or three) and ends with take-out pizza and a glass of chardonnay (or seven). Turns out, that's about as easy as switching to decaf. (What kind of people do that? And who hurt them?) Before she can say iced mocha latte, Sunny's got a bar fight gone bad, a teenage daughter hunting a serial killer and, oh yes, the still unresolved mystery of her own abduction years prior. All evidence points to a local distiller, a dangerous bad boy named Levi Ravinder, but Sun knows he's not the villain of her story. Still, perhaps beneath it all, he possesses the keys to her disappearance. At the very least, beneath it all, he possesses a

serious set of abs. She's seen it. Once. Accidentally. Between policing a town her hunky chief deputy calls four cents short of a nickel, that pesky crush she has on Levi which seems to grow exponentially every day, and an irascible raccoon that just doesn't know when to quit, Sunny's life is about to rocket to a whole new level of crazy. Yep, definitely a good day for chardonnay. Praise for the Sunshine Vicram series "Laugh-out-loud funny, intensely suspenseful, page-turning fun."--New York Times Bestselling author Allison Brennan "A Bad Day For Sunshine is a great day for the rest of us."--New York Times bestselling author Lee Child
