

Blood Rites The Dresden Files Book Six

Blood Rites-Jim Butcher 2004-08-03 In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there’s something more troubling than usual about his newest case. The film’s producer believes he’s the target of a sinister curse—but it’s the women around him who are dying, in increasingly spectacular ways. Harry’s doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can’t quite figure out, until his investigation leads him straight to the vampire’s oversexed, bite-happy family. Now, Harry’s about to discover that Thomas’ family tree has been hiding a shocking secret: a revelation that will change Harry’s life forever.

Blood Rites-Jim Butcher 2011 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry's had worse assignments than going undercover on the set of an adult film. Dodging flaming monkey poo, for instance. Or going toe-to-leaf with a plant monster. Still, there's something troubling about this case. The Producer believes he's afflicted by an entropy curse - but it's the women around him who are dying. And Harry only got involved as a favour to Thomas, his flirtatious self-absorbed vampire acquaintance. Thomas has a personal stake in the case Harry can't work out, until his investigation leads him straight to Thomas's oversexed relatives. Harry's about to discover the skeleton in Thomas's family closet: a revelation that will change Harry's life for ever. Magic - it can get a guy killed.

Blood Rites-Barbara Ehrenreich 2020-01-07 A New York Times Notable BookAn ALA Notable Book "Original and illuminating." --The Washington Post What draws our species to war? What makes us see violence as a kind of sacred duty, or a ritual that boys must undergo to "become" men? Newly reissued in paperback, Blood Rites takes readers on an original journey from the elaborate human sacrifices of the ancient world to the carnage and holocaust of twentieth-century "total war." Ehrenreich sifts deftly through the fragile records of prehistory and discovers the wellspring of war in an unexpected place -- not in a "killer instinct" unique to the males of our species, but in the blood rites early humans performed to reenact their terrifying experiences of predation by stronger carnivores. Brilliant in conception and rich in scope, Blood Rites is a monumental work that continues to transform our understanding of the greatest single threat to human life.

But war with the vampires has thinned their ranks, so the Council has drafted Harry as a Warden and assigned him to look into rumors of black magic in the Windy City. As Harry adjusts to his new role, another problem arrives in the form of the tattooed and pierced daughter of an old friend—all grown up and already in trouble.
