Blood Moon by KB Anne

Blood Moon by KB Anne

Blood Moon-KB Anne 2020-12-22 It’s the final countdown to world domination. So I accidently released Clayone, the Original Werewolf, which one would think would be the worst of my troubles... Oh, how wrong one would be. Gram and Uncle Mark, who happens to be my dad (I’m still reeling about that one), just informed me that I’m from a long line of Druids, and according to some prophecy I’m the Celtic Goddess Brigit reincarnated. I’m not even remotely magical, let alone a Goddess, but one of my friend’s is already dead and another one’s been bitten. For now, Clayone’s trapped in a church, too weak to leave, but on the eve of Samhaim, October 31, during the Super Blue Blood Moon’s lunar eclipse, he will be more powerful than he’s been in a thousand years. Lucky me. If he can destroy the reincarnated goddess while she’s in human form, the werewolves’ curses of imprisonment–the silver bullet and the full moon–will be lifted, and the unbridled reign of the werewolf will begin at last. The fate of the world is in my hands, but the real question is, do I actually believe I’m Brigit, a reincarnated goddess, and if so, will I lock Clayone back in the hell where he came from before it’s too late? I think we all know the answers to those questions. All I really know is that the full moon has never looked so terrifying. Begin the ****NOW COMPLETED**** six book series everyone is talking about. The Goddess Chronicles by KB Anne is a fast-paced urban fantasy series filled with twists you will never see coming. Guaranteed to cause book hangovers. The Girl's Guide to Werewolves by Barb Karg

The Girl’s Guide to Werewolves-Barb Karg 2009-08-18 The good news is: He’s tall, dark, and handsome. The bad news is: He’s short-tempered, a bit hairy, and has a tendency to howl at the full moon. ...Which makes bringing him home to meet mom and dad a bit difficult. How do you expect him to meet the family when he’s shedding on the furniture and sharpening his nails? Will he have more in common with the family dog than you? Will he leave you for a hairy hottie? No worries—in this guide, you will learn everything you need to know about these wild boys, including: How to spot a werewolf What to do when he changes shape How to avoid his animalistic mood swings How to destroy the savage beast (before he destroys you!) The best—and worst—werewolf books and films With this book, all ladies in love with lycanthropes learn how to tame their creatures of the night!

The Essential Guide to Werewolf Literature by Brian J. Frost

The Essential Guide to Werewolf Literature-Brian J. Frost 2003 In this fascinating book, Brian J. Frost presents the first full-scale survey of werewolf literature covering both fiction and nonfiction works. He identifies principal elements in the werewolf myth, considers various theories of the phenomenon of shapeshifting, surveys nonfiction books, and traces the myth from its origins in ancient superstitions to its modern representations in fantasy and horror fiction. Frost’s analysis encompasses fanciful medieval beliefs, popular works by Victorian authors, scholarly treatises and medical papers, and short stories from pulp magazines of the 1930s and 1940s. Revealing the complex nature of the werewolf phenomenon and its tremendous and continuing influence, The Essential Guide to Werewolf Literature is destined to become a standard reference on the subject.

The Gorehound by Scott Aaron Stine

The GorehoundÖs Guide to Splatter Films of the 1960s and 1970s-Scott Aaron Stine 2011-09-09 For the uninitiated the author has obligingly supplied a definition for the slasher/splatter film: “Any motion picture which contains scenes of extreme violence in graphic and grisly detail....” For those film viewers who think this is a good thing and are more likely to select The Texas Chainsaw Massacre than The Remains of the Day, or for those who are not quite sure but are nevertheless drawn to the phantasmagoric, or for those horrified by gratuitous violence and blood for blood’s sake but are researching this filmic phenomenon, this reference book provides all the gory details. From At Midnight I’ll Take Your Soul Away to Zombie 2: The Dead Are Among Us, this book is an exhaustive study of the splatter films of the 1960s and 1970s. After a history of the development of the genre, the main meat of the book is a filmography. Each entry includes extensive credits, alternate names and foreign release titles; availability of the film on videocassette; availability of soundtracks and film novelization; and reviews. Extensive cross-referencing is also included.

Red Moon by Benjamin Percy

Red Moon-Benjamin Percy 2013-05-07 Award -winning author Benjamin Percy presents an explosive and deeply layered literary thriller set in the American West. They live among us. They are our neighbors, our mothers, our lovers. They change. When government agents kick down Claire Forrester’s front door and murder her parents, Claire realizes just how different she is. Patrick Gamble was nothing special until the day he got on a plane and hours later stepped off it, the only passenger left alive, a hero. Chase Williams has sworn to protect the people of the United States from the menace in their midst, but he is becoming the very thing he has promised to destroy. So far, the threat has been controlled by laws and violence and drugs. But the night of the red moon is coming, when an unrecognizable world will emerge...and the battle for humanity will begin.

Under the Blood Moon by Tracie Provost

Under the Blood Moon-Tracie Provost 2018-01-31 A supernatural war is brewing in New Orleans, threatening to expose the existence of vampires, werewolves, and Gatekeepers to the wider world . . . Ritually staked and hidden for two hundred years, Juliette de Grammont, voodoo priestess and vampire, is found and revived. Just days after she is freed, still coping with a world she could never have imagined, she loses her sire and vampire coven in a fire. Confused and alone, Juliette seeks the help of the city’s powerful Grand Master, but dark elements within the city are conspiring to topple that regime. Soon Juliette’s struggle for survival places her in the middle of a supernatural war for control of the city. Josh Bouchard, former Texas Ranger now vampire and coven lieutenant, is drawn into the conflict and appoints himself Juliette’s protector over her objections. They must enlist the help of both the city’s werewolf pack and the Gatekeepers—a shadowy group dedicated to keeping the paranormal world secret from humans—to forge a coalition to save New Orleans from the powers that seek to destroy it. After traveling extensively with wanderlust struck parents, Tracie Provost settled down to small town life in rural Georgia. There she teaches history at a small university and writes to keep her cats in the luxury to which they have become accustomed.

Werewolves by Graeme Davis

Werewolves-Graeme Davis 2015-03-20 Fear the full moon; for on that day of lunacy the wrath of the werewolves is unleashed. For thousands of years, from the depths of the dark forests to the dimly lit city streets, these beasts have stalked us from the shadows. This book is the only thing standing between humanity and an overwhelming horde of lycanthropes. It reveals the huge variety of werewolf types, including viral, shamanic, and sorcerous, highlighting their strengths and weakness, and explaining the best methods to capture or kill each variety. It also tells the full history of werewolves and the shocking role that they have played in some of history’s most significant events, especially their involvement in numerous wars. Finally, it covers the groups and societies devoted to hunting the creatures, whether for safety, study, or sport.

The Werewolf in the Ancient World by Daniel Ogden

The Werewolf in the Ancient World-Daniel Ogden 2021-01-07 In a moonlit graveyard somewhere in southern Italy, a soldier removes his clothes in readiness to transform himself into a wolf. He depends upon the clothes to recover his human shape, and so he magically turns them to stone, but his secret is revealed when, back in human form, he is seen to carry a wound identical to that recently dealt to a marauding wolf. In Arcadia a man named Damarchus accidentally tastes the flesh of a human sacrifice and is transformed into a wolf for nine years. At Temesa Polites is stoned to death for raping a local girl, only to return to terrorize the people of the city in the form of a demon in a wolfskin. Tales of the werewolf are by now well established as a rich sub-strand of the popular horror genre; less widely known is just how far back in time their provenance lies. These are just some of the werewolf tales that survive from the Graeco-Roman world, and this is the first book in any language to be devoted to their study. It shows how in antiquity werewolves thrived in a story-world shared by witches, ghosts, demons, and soul-flyers, and argues for the primary role of story-telling-as opposed to rites of passage-in the ancient world’s general conceptualization of the werewolf. It also seeks to demonstrate how the comparison of equally intriguing medieval tales can be used to fill in gaps in our knowledge of werewolf stories in the ancient world, thereby shedding new light on the origins of the modern phenomenon. All ancient texts bearing upon the subject have been integrated into the discussion in new English translations, so that the book provides not only an accessible overview for a broad readership of all levels of familiarity with ancient languages, but also a comprehensive sourcebook for the ancient werewolf for the purposes of research and study.

Blood Moon Rising Box Set by Lola Taylor

Blood Moon Rising Box Set-Lola Taylor 2016-11-12 This box set includes books 4-6 of the Blood Moon Rising Series! From Captured–Book 4 Rogue werewolf Elijah Johnson would have been better off dead. After being held hostage by a coven of malicious witches—witches who seem to know much more about the dark arts than they should—he takes the first chance he can to escape, only to fall into a trap a month later. When he’s captured during a DPI bust, he expects to be thrown into prison. He doesn’t expect to learn his interrogator is a curvy young witch with hair the color of fire and enough passion for the law to match... Verika Tate has spent her career trying to uphold the values and morals of law enforcement in the Underworld. Only twenty-six, she is heralded as one of the most gifted witches in the southeastern region. Her life is, for the most part, uneventful. She attends her weekly spellbook club meetings, works out daily to try to shed some stubborn fat that refuses to leave, and buries her nose in the latest witchcraft magazines. Learning is her shield and her only defense for being able to forget the werewolf who broke her heart—Nik Johnson... When she’s assigned to Elijah, she can hardly believe how rotten her luck is. He looks enough like Nik to haunt her, and his hard muscle and flirtatious quips are enough to make her pant. Verika struggles to keep her heart out of her work, a point which proves especially tricky when Elijah reveals an astonishing secret that could finally break the case she’s been trying to crack—the whereabouts of the mysterious Mistress Black, leader of the witch mafia. The tip is too good to pass up, and she reluctantly agrees to help him escape the witches who have placed a bounty on his head in exchange for information. Will Verika uphold the law at any cost, or will she risk everything for the sake of a once-in-a-lifetime romance?

Moonlight Tales by Various Authors

Moonlight Tales-Various Authors 2013-10-07 Under the bright, shiny moon, an owl tells her chicks a bedtime story; a brave little beaver is inspired by a family legend, and a young mouse weaves a magical tale... A simply gorgeous anthology of animal stories that’s just perfect for bedtime reading. Snuggle up with your little ones and share these sweet stories together before they go to sleep. Moonlight Tales is a beautiful addition to Stripes’s hugely successful range of anthologies. With delightful illustrations from Alison Edgson and featuring brand-new stories from much-loved authors such as Holly Webb, Michael Broad, Penny Dolan and Elizabeth Baguley. As the nights draw in, Moonlight Tales would make a wonderful stocking filler this Christmas.

Spero Heights (Books 1-3) by Angela Roquet

Spero Heights (Books 1-3)-Angela Roquet 2020-07-31 There’s a place where broken creatures go when they can no longer face humanity... Welcome to Spero Heights, a quaint little town full of secrets and second chances, where supernaturals who have lost their bump in the night go to recover. Tucked in the wooded Ozark Mountains, the humans are rarely cause for concern, but the citizens of Spero Heights have enough troubles of their own. This series crosses over with the Blood Vice series. stranger offers her a welcome escape. Boys, romance, classes, and annoying roommates are all within the realm of the expected for a college frosh. Trying to solve the mysterious murders of young college coeds near campus is not. Darkness seems to be creeping into every corner of Faith's life, no matter the hour. And when she seeks the truth, danger seems to be the only thing that finds her. Faith is well aware of the strange currents in the air, particularly when she sets off static sparks with everything she touches. Before long, she finds herself entrenched in the deep-seeded battle between werewolves and vampires. The war has reached the tipping point, and Faith has the power to determine where the scales fall. But the most important question may be with whom does her loyalty lie? Deliciously suspenseful and immediately addictive, *Blood on the Moon* features a headstrong heroine and all of the thrills, chills, and otherworldly boys with deadly charm that a human could ask for.

Blood Moon-Vicki Crum 2020-07-27 Austin thought it would be a drag, ferrying a greenhorn writer around Wyoming, hoping to get a good solid write-up for his company in a travel industry mag. Instead, he finds himself charmed by Kat's quick wit, enchanting green eyes and sexy smile. Her enthusiasm and willingness to try anything piques his interest in her as a woman, but he has one hard, fast rule-never dally with the female clients. He figures that goes double for the woman he's hosting purely for promotional purposes. But when the attraction between them sets off enough sparks to feed a five-alarm fire, it's too damn hot for Austin's werewolf blood to resist. Kat's assignments have consisted of five-star resort openings and fancy cruises to exotic locations. She only picks up the Wyoming gig to help out a co-worker in a jam. A three-day hiking trip through Yellowstone and the Grand Tetons isn't exactly her thing, but she's spent the past year rebuilding her life after being stalked by her crazy ex-husband. She figures she should be able to handle anything after that. Kat didn't count on losing her heart to the mountains and vistas of Wyoming, or to her sinfully handsome tour guide. When she learns the feeling is mutual, she begins to think that a happy, loving relationship might be possible for her after all. Then she gets a cryptic message from her ex. He's tracked her down again, and this time there's a lot more at stake than her own safety. Kat isn't about to put Austin's life at risk. She has no way of knowing that he's more than capable of taking care of both himself and the woman he wants for his own.

Born Under A Blood Moon-Rikki Synn 2020-08-04 Calliope "Poppy" Miller was running from an abusive home life when she got more than she bargained for when she was attacked by a rogue werewolf. Poppy soon discovers that the world is nothing like she was told. She finds love, strength and a family she didn't expect to ever have. Now if only the rogue wolf and the abusive mother she ran from will let her keep her new found happy ever after.

Blood and Chocolate-Annette Curtis Klause 2007 Having fallen for a human boy, a beautiful teenage werewolf must battle both her packmates and the fear of the townspeople to decide where she belongs and with whom. Simultaneous.

Blind Man's Wolf-Amelia Faulkner 2018-05-29 A night-blind vampire. A werewolf with lousy self-confidence. And a whole hell of a lot of danger... Ellis O'Neill is an art dealer with too many problems: his eyesight has deteriorated to the point of night-blindness; he's estranged from his family, to whom he owes a considerable sum of money; and his guide dog went right off him the night Ellis died. Without his dog, Ellis is trapped in a life bouncing between home and work, dependent on his personal assistant. Werewolf Randall Carter has problems of his own. He loves his pack, he really does, but as their Omega he's always the one to bear the brunt of their rage. It's a role he can't avoid, and Randall isn't sure he can take it for much longer, so he buries himself in his day job. Randall's the best dog trainer in the city, and when he's offered a client who needs him to work evenings he'd be a fool to turn it down. Soon Randall is falling for someone he should despise. Everything about the undead is anathema to his kind, but Ellis is exactly the kind of guy Randall would want to ask out on a date - if he were still breathing. Worse, they may not have too long to figure their feelings out. Someone or something is gunning for Ellis and anyone else who gets in the way; they won't rest until the vampire is destroyed.

The Infernal City: An Elder Scrolls Novel-Greg Keyes 2009-11-24 Based on the award-winning The Elder Scrolls, The Infernal City is the first of two exhilarating novels following events that continue the story from The Elder Scrolls IV: Oblivion, named 2006 Game of the Year. Four decades after the Oblivion Crisis, Tamriel is threatened anew by an ancient and all-consuming evil. It is Umbriel, a floating city that casts a terrifying shadow—for wherever it falls, people die and rise again. And it is in Umbriel's shadow that a great adventure begins, and a group of unlikely heroes meet. A legendary prince with a secret. A spy on the trail of a vast conspiracy. A mage obsessed with his desire for revenge. And Annaig, a young girl in whose hands the fate of Tamriel may rest. . . .

Blood Moon-Nazri Noor 2021-05-24 All vampires suck. Sterling just happens to be very good at it. Vainglorious vampire Sterling is forced to trade his big city hedonism for a trip to a sleepy mountain town, where mangled dead bodies have been discovered. Soon he's entangled with snooty vampire nobles, territorial werewolves, and a society of law-enforcing sorcerers. The locals aren't so bad, like the luscious young lady at the fruit shop, or the hunky electrician whose smile sends out sparks. But they're distractions from the hunt for the mountain murderer. And then there's the eerie enigma: why are all these corpses missing their faces?

Fantasy Man-Sharon Green 1993 Fantasy Man by Sharon Green released on Jul 23, 1993 is available now for purchase.

Dark Needs at Night's Edge-Kresley Cole 2015-09-29 When lovely Nomi Renate was murdered, an evil force turned her into a spectre--a phantom that's neither fully alive nor dead. When Conrad Wroth, a vampire warlord, first beholds Nomi, he will stop at nothing in order to claim the ethereal beauty as his own. Original.

Open graves, open minds-Sam George 2015-11-01 This collection of interconnected essays relates the Undead in literature, art and other media to questions concerning gender, race, genre, technology, consumption and social change. A coherent narrative follows Enlightenment studies of the vampire's origins in folklore and folk panics, the sources of vampire fiction, through Romantic incarnations in Byron and Polidori to Le Fanu's Carmilla. Further essays discuss the Undead in the context of Dracula, fin-de-siècle decadence, Nazi Germany and early cinematic treatments. The rise of the sympathetic vampire is charted from Coppola's film, Bram Stoker's Dracula, to Buffy the Vampire Slayer and Twilight. More recent manifestations in novels, TV, Goth subculture, young adult fiction and cinema are dealt with in discussions of True Blood, The Vampire Diaries and much more. Featuring distinguished contributors, including a prominent novelist, and aimed at interdisciplinary scholars or postgraduate students, it will also appeal to aficionados of creative writing and Undead enthusiasts. www.opengravesopenminds.com

Silver Moon-Catherine Lundoff Becca Thornton, divorced, middle-aged and trying to embrace a quiet life, discovers that there are still plenty of surprises to be had when her menopause kicks in with bonus lycanthropy. And she's not the only one. The seemingly peaceful and dull town of Wolf's Point has its own all-female werewolf pack and Becca has just become its newest member. But it's not all protecting Wolf's Point, midnight meetings at the Women's Club and monthly runs through the woods. There are werewolf hunters in town and now they've got Becca and the Wolf's Point Pack in their sights.

Beneath the Blood Moon-Melissa S. Vice 2019-10-15 There's nothing worse than having to take a bathroom break when there's none to be had. When Whitney Dugan is forced to play babysitter to a patient, her temporary position is turned into a permanent one. Soon, she's pulled into a troubling situation she wants no part of, despite there being two dangerously, smoldering Alphas at her side. The Viktor twins have the world at their feet. Demanding an empire of respect, fear and submission, human and lycan steer clear of the dynamic duo. But when a brutal attack lands one of them in the hospital, they realize everything is nothing without the presence of their female as they all too suddenly fall for their human mate. Willing to do whatever it takes for revenge while keeping their female happily by their side, they must bare every dark secret they hide in hopes it will bring them together instead of driving them apart.

MacRieve-Kresley Cole 2013-07-02 In this pulse-pounding Immortals After Dark tale, #1 New York Times bestselling author Kresley Cole delves into the darkest mysteries and deepest passions of Clan MacRieve... A BEAST IN TORMENT Uilleam MacRieve believed he'd laid to rest the ghosts of his boyhood. But when a brutal torture revives those ancient agonies and destroys his Lykae instinct, the proud Scot craves the oblivion of death. Until he finds her—a young human so full of spirit and courage that she pulls him back from the brink. A BEAUTY IN CHAINS Seized for the auction block, Chloe Todd is forced to enter a terrifying new world of monsters and lore as a bound slave. Kiss of a Dark Moon-Sharie Kohler 2008-09-30 LOVE AND LET DIE... After a savage lycan attack destroyed her parents, Kit March has ignored the rules saying only men can be hunters and dedicated her life to destroying lycans. Her profession is hell on her love life, but she's been resigned to the lack of romance until she meets sinfully sexy European werewolf hunter Rafe Santiago. Unfortunately, Rafe is a man with a mission: eradicate rogue hunters from the American branch...and the foremost name on his list is Kit March. Rafe has always put business before pleasure, but something about this feisty yet vulnerable woman is doing strange things to a man who has never before allowed his emotions to get the better of him. The merciless hunter excels at eliminating threats, but he doesn't know how to handle the threat Kit poses to his heart. The world of lycans has always been black and white. But now, suddenly, the rules are changing. Forces that have been brewing for generations put Kit and Rafe in terrible danger, and nothing they confront is quite as it seems...including each other. Is the passion between them just as illusory? Or is it the only thing real?

That's how I met Will Hunter...a vampire that's as mysterious as he is handsome.Is it crazy that...I kept going back to that spot every night to meet him?Do you know what's crazier? Being CAUGHT kissing him by my pack's beta.My world is about to be flipped onto its head...and there is nothing I can do to stop it.

Bowker's Guide to Characters in Fiction- 2003

Bitten-Kelley Armstrong 2009-08-25 An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.
