

Blazing Glory Havoc S Crew Book 1

William T. Haddock, Grafton Co- 1826

Blaze of Glory-Simon Hawke 2000-09-22 The U.S.S. Enterprise™ is assigned to the planet K'Trall -- a planet just coming out rom under the heel of barbarous suppression. When the planet's newly emerging freedom is threatened by a rouge ship attacking Federation shipping, Captain Jean-Luc Picard and his crew put their lives on the line to protect K'Trall from the raids. But the planet itself holds a deadly secret, one that could lead to a resurgence of the despotic cruelty they have suffered for centuries. With time running out, Captain Picard must see his way past a maze of deadly deception, with billions of lives hanging in the balance.

Blue Edge-Lyle O'Connor 2018-06-15 Torn between love and freedom to work alone and administer his brand of justice Walter reluctantly agrees to cohabit with Anna—what could go wrong, they are Palatini Knights fighting the same fight, in love, and lonely. A beautiful beginning soon revealed underlying problems, Walter's sense of being leashed combined with Anna's deep loyalty to the Palatini interfered with their relationship which became nonexistent as she prepared for an extended commitment on the Isles of Mann. Anna departed with mixed emotions while Walter felt a sense of relief. She left him with an assignment which required a new identity. He became Hunter, a mysterious man of the street—it didn't fool his old antagonist, Detective B.A. Ware. While working his Palatini assignment, a criminal Red Market scam, timing provided Hunter the opportunity to keep a promise he'd made to a little girl he'd never met. Happenstance provided him a new partner he needed and temptation he didn't need The end is a mindblower. I've followed the Palatini series since the beginning, and I didn't see it coming—nor will you. Walter Grant, author

Sea of Glory-Nathan Miller 1992 This is naval hiiistory at its very best: illuminating, human, and readable. Unlike other histories of the revolution, this book recognizes the war for independence as a maritime conflict and fully explores the struggle for command of the sea. Broad and balanced in vision, it is the first study to mesh the operations of the Continental Navy and various state navies with the maneuvers of the British and French fleets, while at the same time focusing on the lives of ordinary seamen. Through its careful examination of the role played by the Continental Navy, Sea of Glory makes it clear that the outcome of the war was decided not at Yorktown but at sea. Nathan Miller recounts life of the times in colorful yet clear terms, describing how the sailors lived, how the ships were built and sailed, and even conditions aboard the prison ships. In addition he offers a closely honed analysis of the conflict to make this vigorously written study useful both as a reference and as a book to be enjoyed from cover to cover. First published in 1974 and long out of print, the book is regarded as a significant work that is unlikely to be equalled.

The Galactic Crusade: The Complete Trilogy-Pablo Andrés Wunderlich Padilla What started as a battle to defend freedom from a totalitarian regime will evolve into a full-fledged crusade to purge the galaxy. Argo Herrero will flee from the claws of the totalitarian regime known as Megaschine, to join the immigrant army of the ÆTAS. He will survive being cannon fodder to become a high ranking officer. He will then become the javelin that will lead the purge of a whole galaxy. The Galactic Crusade Trilogy will deliver emotional turmoil, twists after twists, uncertainty, jealousy, fear, heartache, and finally a dogged determination to go down fighting, to finally outwit the enemy. Includes: The First Private The Last Commander The Fallen Ronin

Beware Raiders!-Bernard Edwards 2014-07-19 A British naval historian recounts the victories and defeats of two of the most infamous German Navy vessels during World War II. Bernard Edwards's Beware Raiders! tells the fascinating story of two German ships and the havoc they caused amongst Allied shipping in World War II. One was the eight-inch gun cruiser Admiral Hipper—named for World War I's German fleet Admiral Franz von Hipper—fast, powerful, and Navy-manned. The other was a converted merchant man, Hansa Line's Kandelfels armed with a few old scavenged guns manned largely by reservists, and sailing under the nom de guerre Pinguin. The difference between the pride of the Third Reich's Kriegsmarine's fleet and the converted cruiser was even more evident in their commanders. Edwards emphasizes the striking contrast between the conduct of Ernst Kruder, captain of the Pinguin, who attempted to cause as little loss of life as possible, and the callous Iron Cross–decorated Wilhelm Meisel of the Admiral Hipper, who had scant regard for the lives of the men whose ships he had sunk. Contrary to all expectations, as Edwards reveals in his thrilling accounts of the missions performed by each ship, the amateur man-of-war reaped a rich harvest and went out in a blaze of glory. The purpose-built battlecruiser, on the other hand, was hard-pressed even to make her mark on the war and ended her days in ignominy.

The World Peril of 1910-George Chetwynd Griffith 2019-11-27 "The World Peril of 1910" by George Chetwynd Griffith. Published by Good Press.
